# CHAIRS AND SEATING

## PRATT'S SYSTEM

**Our Tip-up Chairs have been designed as a fitting substitute for the appropriated sittings of the family pew or the uncomfortable bench. They are strong, comfortable, of good appearance, and, while they take up very little space, afford abundant room to those who sit upon them.**

They appeal to this Democratic Age in providing **One Seat—One Person.** They are made of Cast Iron Standards, Hardwood Backs, strong Cowhide Seats. The action of **Tipping Up** is absolutely noiseless. Although we make these chairs to suit all requirements, we make a speciality of three different patterns of chair. The illustration above is our best type of fixed chair, *i.e.* screwed to the floor. Our **Easily Movable Type** of chair is for areas which it is necessary occasionally to clear for Bazaars or Social Functions of all kinds; *e.g.* the area of Eastbrook Hall, Bradford, which is seated with our Removable chairs, was cleared within half an hour on the first day of Conference, 1910, for a reception. # METHODISM AND THE INDIVIDUAL COMMUNION CUPS.

No adequate reason why the Individual Communion Cups should *not* be used has ever been given.

There are so many reasons why the Individual Cups *should* be adopted that the installation of a service *becomes a duty*.

## TOWNSHEND'S "IDEAL" ALUMINIUM OUTFITS

made specially to meet Methodist requirements, are strongly recommended because :—

They can be used as single complete Stands, or can be stacked one above the other with very handsome effect should limitation of space on Communion Table require it. In order to accomplish this, each Tray has an aperture in the base, enabling the *over*-handle of the tray beneath to pass through the tray above. Any number of trays may thus be stacked.

Reverence and order, so essential at the administration of the Communion, are observed.

Oak Trays and Crystal Glasses on the Communion Table are impressive and dignified.

No member is apprehensive of the risk involved when a common Communion Cup is in use.

The confusion of handing round a large cup is obviated.

All communicants partake at the same time.

---

The Rev. D. Tecwyn Evans, B.A., Conway, writes :—

"The Individual Communion Cup Outfit of your manufacture, presented by a lady to the Tabernacle Wesleyan Church, Conway, is in every respect admirable in the opinion of all concerned. It gives me true pleasure to state that the Patent Methodist Trays give us all the highest satisfaction. They are indeed splendid."

GRACE BEAUTY PERMANENCE

# THE REASONS WHY INDIVIDUAL COMMUNION CUPS SHOULD BE INSTITUTED

*See pages 24 and 25.*

# STAINED-GLASS WINDOWS.

¶ The windows which are to beautify the Sanctuary of the Most High should alone be those which represent the finest product of the craftsman's art.

¶ The exquisite blending of varied hues effected by the stained glass window, creates an atmosphere of reverential worship which is as uplifting as the grandeur of anthem strain or the stateliness of vaulted arch and fluted column.

¶ At the time of the erection or improvement of any place of worship, serious consideration should be given by Church Committees to the subject of window decoration, in order that the beauty and attractiveness of the edifice may be enhanced and the forbidding coldness of aspect avoided which characterises so many buildings.

¶ As specialists in the execution of Stained Glass Windows, Mosaic Work, Decoration, Brasses, and Woodwork, Messrs. Heaton, Butler & Bayne can bring an intimate knowledge to bear upon every problem of fine designing technique. The details of such workmanship are carried out under the most careful personal supervision.

¶ Messrs. Heaton, Butler & Bayne will be pleased to give Church Committees the benefit of their experience and advice on all matters appertaining to window decoration and mosaics. A consultation can be arranged by writing to them at 14, Garrick Street, London, W.C.

# The Wesleyan Methodist Trust Assurance Company, Limited.

**(FORTY-SECOND YEAR.)**

**The Attention of Ministers and Laymen is directed to the Position and Aims of this Company.**

## CONNEXIONAL INSURANCE.

The Company was established in 1872 for the Insurance from Fire of Connexional Trust Property only, and all its profits are held for Connexional Purposes. It now also grants insurances under the Workmen's Compensation Act, 1906, and issues policies indemnifying School Authorities against their liability in respect of accidents to children, etc., etc.

## RESERVE FUNDS.

It possesses Reserve Funds amounting to nine times the Annual Premium Income, a position of exceptional strength.

## BENEFICENT CONNEXIONAL GRANTS.

It has given **£42,000** to the Worn-Out Ministers' Fund, of which more than half has been contributed within the last nine years. The grant at the recent Conference was **£2,800.**

## ADVANTAGES OFFERED.

Losses are dealt with in the most liberal spirit, and the rates of premium are no higher than those of other offices. No other Company can offer greater advantages to Trustees—often less—and all insurances effected with such Companies are a distinct loss to the Connexion at large.

**The Directors appeal to Ministers and Trustees for the Insurance of all Trust Properties for which Policies have not yet been effected with the Connexional Office.**

***You will shortly be considering the question of your Circuit Magazine for next year. When doing so remember the following points in favour of Methodism's own inset.***

# THE CHURCH RECORD

1. Each issue will contain an instalment of a new serial story specially written by an author of repute.
2. It is superior both in illustration and literary merit to any other inset before the public. (Two splendid coloured presentation plates with the January issue.)
3. It is issued by your own publishing house, and is edited by a Methodist for Methodism.
4. The profits resulting are not for private gain, but are devoted to Connexional purposes.
5. The numerous testimonials (the following one being representative of many) prove beyond doubt that the Methodist inset meets Methodism's needs.

---

### *A NORTH OF ENGLAND CIRCUIT.*

**"The inset is thoroughly appreciated.** No question has ever been raised as to the suitability of its matter, and the fact that it comes from our own publishing house greatly lightens the responsibility of the Committee and the Editor. Our circulation is more than 1,000 copies, and with a moderate charge for advertisements we were able to vote £20 to circuit purposes."

---

## NO ADVERTISEMENTS OF ANY KIND APPEAR IN THE METHODIST INSET.

Specimen copies of both editions (16 pages 3s. 3d. per 100 and 24 pages at 4s. 3d. per 100), together with the copyright booklet "How to run a Circuit Magazine," will be sent post free on request.

METHODISM'S OWN INSET.

# The Church Record

is unrivalled as a "Circuit Missionary," and a means of raising profits to funds.

Last year, we promised that each issue should be as good as the January number sent as specimen. Not only have we kept our word, but, as a careful comparison will show, many issues have exceeded in interest the splendid January number.

It would be futile to ask for your loyalty to Methodism's *own* Inset—*The Church Record*—did we not know that it is impossible to get any other which is its equal in value, interest, and sheer merit.

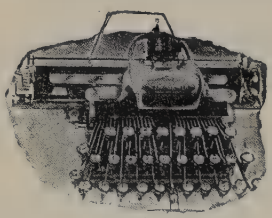
# THE NEW ALUMINIUM FEATHERWEIGHT TYPEWRITER

## THE MACHINE FOR THE MINISTRY

### A FREE TRIAL AT YOUR OWN HOME

A typewriter made of aluminium, weighing but 5 lbs., shining like silver, and which fits in its own leather travelling case with compartments for stationery, etc., is the latest thing in typewriting machines, and certainly the most handy and convenient for ministers who have much writing to do. Ministers can have one of these new machines sent to their homes for a free trial.

This new aluminium typewriter,



*The New Aluminium Featherweight Blick Typewriter.*

which costs less than half the price of the usual office typewriter, has been readily adopted by the ministry, authors, war correspondents, journalists, travellers, and many ladies and gentlemen for private use in library and boudoir. Also, owing to its great strength, visible writing, and being the most portable typewriter in existence, it is largely employed by naval and military men; in fact hundreds are now in use in both services.

The Aluminium Featherweight Blick does the identical work of any expensive and cumbersome office typewriter, while having many advantages not to be found in any other machine.

For instance, you can change the type used from Roman (large or small) to imitation handwriting, or you can write in French, German, Hebrew, etc., changing as desired from one to the other at will and in an instant using them all on the same machine. It is in reality the easiest machine to operate. Anyone can learn to use the Blick in half an hour, and with a very little practice write on it with the speed of an expert.

So sure are the makers that this new aluminium Blick model will delight and please anyone who sees and tries it, that they offer to lend responsible applicants one of the machines for a free trial at their own home.

Those who have much writing to do should certainly investigate the New Featherweight Blick by applying for one to be sent to their home on approval as offered. The address is: The Blick Typewriter Co., Ltd., 9 and 10, Cheapside, London, E.C., but there is also a West End branch at 369, Oxford Street, London. The Company has just published an illustrated booklet (No. 74), telling all about the machine, which will be sent post free on request.

The Rev. ENOCH SALT and Mr. WM. MIDDLEBROOK, M.P., are re-appointed the Secretaries of the Extraordinary Committee for the year.

3. The Conference receives and adopts the Report of the Committee.

4. The Conference instructs the Committee to take all possible steps to secure a remedy for the grievances from which the Methodist Church suffers in regard to the Enfranchisement of Leasehold Property and the Acquisition of Sites for Places of Worship.

5. The Conference directs the Committee to take all possible steps to secure the removal of the electoral disadvantages under which Methodist Ministers are placed in consequence of the Itinerancy.

6. Century of Peace between Great Britain and the United States of America.—The Conference expresses devout thankfulness to Almighty God that the Treaty of Peace between

Great Britain and the United States of America, which was signed at Ghent in 1814, has remained inviolate for a hundred years, and that the relations between the Governments and peoples of the two countries are not only peaceful but increasingly intimate and cordial.

The Conference expresses full sympathy with the proposal to worthily celebrate the Century of unbroken Peace, and trusts that the coming years will be marked by ever-growing confidence and goodwill throughout the English-speaking world, and among all the nations of mankind.

The Conference directs that this great celebration be suitably recognised, on a Sunday to be agreed upon, in all our public services and Sunday schools, and that in selecting the day for these services regard be had to the arrangements of other Churches, especially the Methodist Churches throughout the world, with a view to simultaneous action so far as it may be practicable.

The Conference adds the names of the Rev. J. Williams Butcher (as Secretary of the Sunday School Department), J. Scott Lidgett, M.A., D.D., and John E. Wakerley (as representing the Œcumenical Conference Commission) to those of the names of the Secretaries of the Committee of Privileges, to make the necessary arrangements in our Church for the carrying out of this Resolution.

**Royal Commission on University Education in London.**

1. The Conference adopts the report of the Committee of Privileges on this subject and regrets (1) That the findings of the Commission are in many respects adverse to "the maintenance of an external University of unimpaired status, autonomy, and efficiency"; and (2) That their effect upon our Theological and Training Colleges and upon Wesleyan Methodist Teachers generally would be decidedly injurious.

2. The Conference again remits the question to the Committee of Privileges, as enlarged for this purpose, with power to take such action as in its judgment may be necessary to

safeguard the educational interests of the Wesleyan Methodist Church.

The Conference associates the following members of the Theological Institution Committee, and of the Education Committee, with the Committee of Privileges, for the consideration of this resolution, and directs them to take such action as may most suitably give effect to it.

## MISSIONS.

### Q. II. What are the Resolutions of the Conference on the subject of our Foreign Missions?

A. 1. **The Centenary of the Society.**—(1) The Conference records its sense of deep thankfulness to God for the large measure of success already attained in the Centenary Movement, for the abundant grace that has attended the Conventions held in so many places, for the good service rendered to the cause by an army of zealous workers, and for the generous response made to the financial appeal by many of our loyal people.

(2) The Conference hears with gladness and with gratitude to God of the notable success attending the Centenary Movement in Ireland, and of the generous gifts made to the Fund by the Irish Methodist Church; it has also heard with deep thankfulness of the blessing that continues to attend the movement in many parts of the Mission Field, and of the

sacrificial gifts that are being made to the cause by many of the poorest members of the Native Church.

(3) The Conference trusts that no effort will be spared to extend to the whole Church the grace and inspiration brought to many by the Centenary Movement, and would affectionately entreat the Methodist people to complete the thankoffering in the spirit of gladness and liberality shown already.

(4) The Conference directs that Sunday, October 5, be observed in all our Societies, at home and on the Mission Field, as Centenary Sunday; it requests that sermons suitable to the occasion be preached, and that the collections that day be given to the Centenary Fund.

The Conference further recommends that the week beginning Monday, September 29, be observed as a period of special thanksgiving and consecration with reference to the century of missionary triumph that is closing, and the new age of missionary opportunity and urgency on which we are entering.

(5) Being convinced that the healthy growth of our missionary work, and the unparalleled opportunities of the Mission Field, call for a steadily advancing annual income, the Conference earnestly trusts that the object of the Centenary Movement may be realised, not only in the completion of the Thankoffering, but in a substantial increase of the general income for the Centenary year.

(6) The Conference also resolves as follows:

We, the members of the annual Conference meeting in Plymouth in the Centenary year of the Missionary Society, put on record our sense of gratitude to God for the ministry of the gospel entrusted to our fathers, for their faith and zeal in the missionary cause, and for the abundant blessing of God that has rested on their labours.

Believing that the missionary spirit is a true mark of the Christian life, and that "the work of the Church is to evangelise the world for Christ's sake," we solemnly resolve, on our own behalf and that of the Methodist people, that, by the help of God and to the utmost of our ability, we will maintain

and extend the missionary work committed to us as a legacy from our fathers and a sacred trust from God.

2. **The West Indies: Future Administration.**—In order to secure (*a*) greater efficiency in the administration of the West Indian Districts, and (*b*) unity of policy, especially in view of the training of ministers, the provision of secondary education, the transfer of ministers from one District to another, the liquidation of debts, and the need for spiritual and evangelistic advance, a minister from this country, specially chosen on account of his experience, standing, general repute and ability, shall be appointed, from the Conference of 1914, to reside in Jamaica, but without pastoral charge, as the representative of the Missionary Society for the whole of the West Indies.

3. Mr. WILLIAMSON LAMPLOUGH and Mr. JAMES VANNER EARLY are re-appointed General Treasurers of the Society for the ensuing year.

4. The following are appointed the General Committee of Management for the ensuing year:

**2. Kingswood School.**

The Conference directs:

(1) The School Year shall begin in September; but applications for admission at other times will always be considered. Such applications must be sent to the Rev. W. West Holdsworth, M.A., 2, *Friary Road, Handsworth, Birmingham,* or to the Head Master of the School. Boys are not admitted before the age of ten, except after direct vote of the Governors.

*N.B.*—In the case of boys admitted by vote of the Governors under the age of ten, or at any other period of the year than September, the parent may be required by the Governors to pay for the portion of that year at the rate of £25.

(2) *Entrance Examination.* An examination will be set in elementary English subjects suitable to boys of about the age of eleven. A graduated age allowance will be made for younger boys, while older boys will be expected to reach a correspondingly higher standard, and boys above the age of twelve will be expected to show some knowledge of Latin and French. A specimen examination paper will be sent by the Head Master, Mr. Walter P. Workman, M.A., B.Sc., upon receipt of a stamped envelope.

(3) *Residence.* The ordinary time of residence shall be six years, provided that the Education allowances have either not been received or have been returned (see § 4 (4), p. 22).

(4) *Scholarships.* The terms of election shall be fixed by the Governors. So far as is consonant with the trusts affecting them, the Scholarships shall be awarded as a general rule to boys in their seventeenth year. Some shall be reserved for those who have already held one Scholarship. The Exhibition upon the Foundation of the late John Fernley shall be tenable at any place of higher education.

(5) *Extra Years.* The scale of payment shall be as follows:

| | |
|---|---|
| Sons of Supernumeraries and Widows ... | £22 |
| For all others ... ... ... ... ... | £25 |

Such payments shall be due in three equal instalments, one at the close of each term, and shall be paid to the school direct.

Ministers whose sons hold Scholarships or have secured an extra year shall be entitled to the six guineas from the Maintenance Section; and, unless they have already received for six years, to the £12 for Education.

(6) *Notice of Removal from School.* Parents having children at the School shall be required to give three months' notice before the removal of such child or children. In the event of parents not giving such notice, the officers of the Fund shall be authorised to withhold three months' allowances, which would otherwise be payable for each such child or children. If a boy to whom an extra year has been granted be withdrawn without the required three months' notice, the parent or guardian shall pay one-fourth of the sum charged for the extra year in lieu of such notice.

(7) The School Year shall be divided into three terms.

(8) The application of the rule respecting the clothing of the sons of necessitous Supernumeraries or Widows shall be left to the discretion of the General Committee.

(9) Travelling expenses shall be paid out of the General

Fund; *viz.* third class fare each way, for all pupils, between the railway station nearest their homes and the Bath station, by the shortest route.

### 3. Trinity Hall School.

The Conference directs:

(1) Not later than October 15 the name and age of every applicant for admission shall be sent to the Rev. FREDERICK M. PARKINSON, 11, *Seafield Road, Lytham.* Girls shall not, in general, be admitted before the age of twelve.

(2) *Entrance Examination.* An examination in November will be set in elementary English subjects suitable to girls of about the age of twelve or thirteen years. A graduated age allowance will be made for the candidates, and older girls will be expected to reach a correspondingly higher standard. A copy of a specimen examination paper will be sent by the Head Mistress, Miss CAROLINE H. PEET, upon receipt of a stamped envelope.

Candidates left over from one year to another shall be entitled to admission without re-examination, provided that 12 per cent. be deducted from their marks obtained in the examination of the previous year. Such Candidates shall be allowed to sit again for examination if this course be preferred.

(3) *Residence.* The ordinary term of residence shall be four years for girls on whose behalf not more than two educational payments have been made previous to their entrance at School. Every such payment in excess of two shall diminish the time of residence at the School. In special cases, when in the opinion of the Governors and the General Committee it is deemed desirable, the term of residence "on the foundation" may be extended from four to six years.

(4) *Extra Years.* The scale of payment shall be as follows:

Daughters of Supernumeraries and Widows ... £22
For all others ... ... ... ... ... £30

Such payments shall be due in three equal instalments, one at the close of each term, and shall be paid direct to the school.

Ministers whose daughters hold Scholarships or have secured an extra year shall be entitled to the six guineas from the Maintenance Section; and, unless they have already received for six years, to the £12 for Education.

(5) *Leaving Scholarships.* A sum of £60 per annum shall be available from the General Fund for Leaving Scholarships, to be awarded to necessitous and eligible candidates, in a sum, or sums, of not less than £10; on the recommendation of a small committee composed of the Local Treasurer, Local Secretary, and the Head Mistress. Such Leaving Scholarships to be held at some approved place of Higher Education.

(6) *Notice of Removal from School.* The Regulation for Kingswood School (§ 2 (6), p. 19) shall, *mutatis mutandis*, apply to Trinity Hall School.

(7) *Vacations.* The School Year at Trinity Hall shall be divided into three terms.

(8) Travelling expenses shall be paid out of the General Fund; *viz.* third class fare each way, for all pupils, between the railway station nearest their homes and the Southport station, by the shortest route.

### 4. Educational Allowances for Children not at the Schools.

The Conference directs:

(1) Payments shall be made at Conference for the calendar year then current.

(2) Parents may begin to claim for their children when they are nine, ten, eleven, or twelve years of age on the preceding Christmas Day; but the first claim for a child who is twelve years of age on or before any Christmas Day must be made at the following Conference at the latest.

(3) Parents who have once begun to claim shall receive their payments annually. This regulation shall not apply

in the case of a candidate for admission to the Schools who has passed the Entrance Examination, but for whom there is not room at the next following re-opening.

(4) *Return of Educational Allowances.* Any Educational Allowance may be returned within the calendar year in which it is received. Educational allowances received in previous years may be returned, provided (1) that Simple Interest is paid thereon at the rate of 5 per cent. per annum for such period as they have been held, and (2) that the re-payment is made before the commencement of the term for which it is due.

*N.B.*—(i) In so far as the rule applies to pupils "on the foundation" at Trinity Hall, a term's notice of intention to return Educational Allowances must be given.

(ii) All applications and payments in respect of the return of Educational Allowances should be made to the Rev. JOHN BAKER, M.A., 3, *Oak Road, Newton Park, Leeds.*

(5) *Circuit Schedules.* Not later than March 1 each Superintendent shall send to the Rev. JOHN BAKER, M.A., 3, *Oak Road, Newton Park, Leeds,* a particular account of all claims for Educational Allowances in his Circuit; specifying distinctly the names of the children for whose education the claims are made, together with the date, year, and place of their birth, and the exact number of years during which the allowance has been received. Any claims delayed beyond the date of the May Synods are delayed at the risk of the parents. No claim to be entered upon this schedule for children at the Schools.

**Memorandum of Agreement.**

The Conference directs:

(1) That in view of the fact that, ordinarily, claims upon the Maintenance Section of the Fund do not arise during the first five years of a Minister's term of service; and seeing that the *Memorandum of Agreement* does not contemplate the case of married men being received into the Wesleyan Methodist Church who may have children born during their

probation, the scale of payments be so as to meet the equity of such cases, *viz.* that for each year of probation in which no claim arises one-fifth of the amount charged for maintenance be remitted.

(2) That the amount charged for maintenance shall be fully paid up before such Probationer is received into Full Connexion, and before his child is admitted as a claimant upon the Fund.

(3) That a written acknowledgment of every such arrangement shall be signed by the father of the child, and be preserved by the General Secretary.

(4) That where desired, payments to the Education Section of the Fund, entitling a child to receive the usual Education Allowances, may be spread over a period of years until the child is nine years of age; simple interest, at 5 per cent., being charged until the full amount has been paid, and until such time no claim for Educational Allowance shall be admitted.

### Quinquennial Assessment.

The Conference postpones the appointment of the Revision Committee until 1915.

Remittances, whether Circuit Collections, Subscriptions, or Assessments, to be sent to the Rev. ENOCH SALT, *Central Buildings, Westminster, S.W.* Other communications are to be addressed to the Secretaries—Rev. JOHN KINNINGS, *Wesley Manse, Fareham, Hants.*; and Rev. JOHN BAKER, M.A., 3, *Oak Road, Newton Park, Leeds.*

### VI. Lay Workers' College, Gospel Cars, Etc.

The Conference receives with satisfaction the report of the Committee (see Appendix XX.), and again very cordially commends this important branch of our work to the generous support of the Methodist people.

### VII. Prisons Committee.

The Conference receives the report of the Prisons Committee (see Appendix XXIV.), approves of the same, and reappoints the Rev. R. W. Allen, M.V.O., as Secretary of the Committee.

### VIII. Stoke-on-Trent Mission.

The Conference receives the Report, and again refers this case to the Chapel Committee and the Home Mission Committee, to further advise and assist the local Committee.

### IX. Open-Air Work.

The Conference receives with much gratification the Report of the Committee on Open-air Preaching, and the formation of Training Schools for Open-air speakers. The Conference rejoices in the success attending the efforts of the Committee and directs it to continue its operations.

### X. Spiritual Advance.

The Conference recognises, with thankfulness to God, the success of recent combined efforts for the extension of Christ's Kingdom, both at home and in foreign lands; it also gratefully recognises the high spiritual tone which pervaded the recent May Synods, and the signs of religious revival which are evident in various parts of the Connexion.

It is of opinion that the time is now ripe for a combined Methodist spiritual forward movement, in which all our churches, ministers, workers, and members shall participate.

Believing that the preaching of the gospel of a full and free salvation to all men is the heritage of our Church, and that the signs which followed the ministry of our Fathers may attend the preaching of the gospel to-day, the Conference urges that, Sunday by Sunday, in every chapel and preaching place, as well as in the open air, definite effort shall be made to reach the unconverted and persuade them to surrender themselves to Christ.

Recognising that a great Revival in all our churches can only be accomplished by the gracious working of the Holy Spirit of God, the Conference is strongly convinced that a movement conducted by our Ministers and workers in their own Circuits would be effective, not only in leading our own people to a higher experience of Christian life, the revival of

family religion and worship, and more regular attendance at the social means of grace, but also in winning many of the young people of our homes and congregations for Christ; and, moreover, would be the means of reaching and influencing many who are not connected with any Christian church.

The Conference does not suggest that this spiritual advance should be arranged in precisely the same way in all Circuits, inasmuch as they differ so widely; but, whilst earnestly commending a combined movement for the salvation of the unsaved, both at the ordinary services of our churches and by special effort, directs that at the September Synod one Session, either morning or afternoon, be set apart for the prayerful consideration of these proposals, in the light of the needs and possibilities of each district, and that in every Circuit there be arranged a week of special prayer preceding Children's Day for the conversion of our young people.

The Conference, whilst not suggesting a particular date, is nevertheless of opinion that this movement would gather spiritual force if the autumn were spent in prayer and careful preparation, and the special evangelistic effort were made as early as convenient in the New Year.

### XI. Yorkshire Coalfields.

1. The Conference adopts the Report of the Commission (see Appendix XX.).

2. The Conference re-appoints the Commission, with certain changes and additions in its personnel, so as to include representatives from the Nottingham and Derby Coalfield area.

3. The Conference sanctions an appeal to the whole Connexion for a sum of at least £20,000, and the Commission receives authority from the Conference to raise and dispense the proposed Fund in Buildings and Agencies.

4. The Conference grants power to the Commission to appoint a Sub-Committee to take the oversight, in co-operation with the Circuits concerned, of any agency supported wholly or in part by the Commission, or by the Home Mission Committee.

5. The following constitute the Commission:

The Rev. SAMUEL F. COLLIER, President of the Conference; FREDERICK LUKE WISEMAN, B.A., Ex-President; SIMPSON JOHNSON, Secretary; John Hornabrook, George H. 14. The Conference directs that the following Resolutions, previously adopted, shall be reprinted:

(1) Wherever it is practicable, two Collections shall be made annually in each chapel throughout the Connexion on behalf of the Funds of the Institution; and these Collections shall be made, if possible, in December.

(2) The Conference directs the Superintendents of Circuits to remit all Subscriptions and Collections for the Institution to the General Treasurers *early in the year*; and instructs the Chairmen of Districts to ascertain, by inquiry at the May Synod, whether such payments have been made.

(3) The Conference directs the President to inform the General Treasurers of the Institution Fund of the resignation of any Probationer, or of any Minister who has not been ten years in the Full Work of the Ministry, in order that a list may be kept and application made to those who have not discharged their obligations in respect of their Institution training.

15. The Conference learns with satisfaction that measures have been taken to provide for the growing demands of the Connexion for a trained Ministry, and recognises the urgent necessity for an increase in the annual income of not less than £1,000. The Conference directs the General Committee to take such steps as may in its judgment meet this increased expenditure. The Conference authorises an appeal to the Connexion for an increase in the Annual Collections and in Private Subscriptions. The Conference also sanctions an appeal for Annual Subscriptions to Trustees of Chapels, and also to Ministers who have been trained in the Institution.

## TEMPERANCE.

### Q. XVII. What are the Resolutions of the Conference on the subject of Temperance?

A. 1. The Conference receives and adopts the Report of the Committee, and directs that an abstract thereof be printed in the *Minutes* (see Appendix VI.).

2. The Conference recommends that, on the second Sunday in November, special reference shall be made in all Wesleyan Methodist places of worship, and in all our Sunday Schools, to the appalling extent and dire results of Intemperance, and to the many advantages and blessings of Total Abstinence. The Conference rejoices to recognise the success which has attended the founding of the Wesleyan Methodist League of Abstainers, and welcomes the decision of certain Districts to initiate a campaign in November to establish a Branch of the League in every Society. The Conference recommends that such a course should be followed throughout the Connexion, and especially that an endeavour should be made on Temperance Sunday to enrol the senior scholars of our Sunday Schools, and the members of our congregations, as members of the League.

3. The Conference recommends the appointment of a Circuit Temperance Secretary in every Circuit, and the Superintendents are directed to send the name and address of such Secretary to the Secretary of the Connexional Temperance Committee not later than the end of September. The Conference further recommends that in every Church a Secretary of the League of Abstainers shall be appointed.

4. The Conference directs that the following Resolution, adopted by the Conference of 1904, be printed in the *Minutes* of Conference:

> "The Conference was never more alive than at the present time to the dire results of the Liquor Traffic.

It rejoices in the progress of Temperance sentiment and practice in the Wesleyan Methodist Church, and recommends our people to keep from complicity with a traffic the results of which are so injurious to the interests of religion, morality, and social life. The Conference earnestly urges that this shall be borne in mind in the administration of our Circuits, and especially in the appointment of office-bearers."

5. The Conference deplores the frightful havoc which is wrought amongst uncivilised peoples by the introduction of intoxicating liquors, and directs the Temperance Committee, in co-operation with kindred societies, to continue its exertions for the protection of such races from the ravages of the drink scourge.

6. The Conference heartily approves the principles embodied in the Temperance (Scotland) Bill, and urges the Government to give those facilities which will enable the Bill to pass into law in this Session of Parliament.

7. The Conference again places on record its regret that no comprehensive measure of Temperance Reform for England and Wales has yet been laid before the present Parliament. Recalling the promise of the Prime Minister to introduce such a measure into the House of Commons, it strongly urges the Government to give speedy effect to this declaration. The Conference especially urges that the entire closing of Licensed Houses on the Lord's Day and the imposition of proper restrictions upon drinking facilities in Clubs should be included among the provisions of the promised measure of Temperance Reform.

8. The Conference calls the attention of Temperance workers throughout the Connexion to the following Standing Order respecting "Entertainments on Trust Premises," and urges that in the interests of the young people of our Bands of Hope and Temperance Societies, the Standing Order should be carefully and loyally observed.

**Entertainments on Trust Premises.**

"The Conference has reason to believe that in certain localities entertainments have been allowed which are, to say the least, highly inexpedient, and that in a few cases the practice obtains of holding entertainments which are altogether inconsistent with the purposes for which our property is held in Trust. The Conference therefore directs that the greatest possible care must be taken not to allow premises set apart for religious purposes to be used for entertainments which would bring a reproach upon the Church or constitute a ground of offence to our people generally. The Conference further urges Ministers and Trustees to exercise a wise discrimination in regard to these matters, especially in view of the fact that certain entertainments which may be innocent in themselves are associated in the public mind with the gambling spirit of the age, and are altogether at variance with the objects for which the Methodist Church exists. At the same time the Conference is of opinion that in certain localities where the people have little opportunity of wholesome recreation such recreation may with advantage be permitted."

9. The Conference learns with regret that the English Insurance Commissioners permit the use of licensed premises for the payment of benefits and other purposes by Approved Societies under the National Insurance Act. In view of the fact that the Scottish and Welsh Insurance Commissioners have issued rules prohibiting Societies from using licensed premises for these purposes, the Conference requests the English Insurance Commissioners to issue a similar rule.

10. The Conference cordially supports the Betting Inducements Bill which prohibits the publication of tipsters' advertisements, and recognising with pleasure that the Bill has already received the approval of the House of Lords, requests the Government to give those facilities which will enable the Bill to pass into law during this Session of Parliament.

## SOCIAL PURITY.

**Q. XIX. What are the Resolutions of the Conference on the subject of Social Purity?**

A. 1. The Conference receives and adopts the Report of the Committee.

2. The Conference welcomes with satisfaction the passing of the Criminal Law Amendment Bill (White Slave Traffic) into law, and the wave of moral conviction and enthusiasm throughout the country which so largely contributed to the result. At the same time it recognises that, in order to ensure the due protection of girls, many urgent reforms still remain to be effected, and it instructs the Committee to co-operate in all wisely-conceived efforts directed to this end.

3. The Conference reaffirms its unflinching opposition to every form of State Regulation of Vice, and strenuously withstands any policy for counteracting the effects of vice which involves such regulation. It will also oppose any system of compulsory notification, which can only be made operative by embodying the main principles of the now repealed Contagious Diseases Act.

4. The Conference directs the Committee to watch the operation of the rules and regulations laid down for the Army by the Government of India, and at other military stations, and to take such action as may be desirable to oppose anything in the nature of State Regulation, should it be attempted.

5. In presence of growing laxity of thought and practice in many quarters, the Conference urges upon all Methodists, and especially upon those who have to do with young people in Bible Classes, Guilds and other Societies, the duty of exercising watchful care over all moral interests, and of exerting an influence which may tend to lessen temptation to evil by the strengthening of sound principles, the discreet communication of necessary information, and the repression of all social customs which are hostile to a high-toned morality.

6. The Conference rejoices in the progress that has been made by the international movement for suppressing the trade in girls for immoral purposes. It commends the efforts that are being made to the support of the Wesleyan Methodist Church, and trusts that such help as can be afforded by Wesleyan Methodists to the care of girls, especially in the case of those who come to take up employment in strange towns, will be increasingly given.

7. The Conference is gravely concerned with the injury caused to society, and especially to the young, by the continued publication of various forms of indecent literature. It recognises the necessity for a strong and healthy public opinion on this subject, and calls on parents, Sunday and Day School Teachers, and guardians of the young to cultivate unceasingly in the children the habit of reading good and wholesome literature. It also appeals to the Press and to the Publishers', Journalists', and Newsagents' Associations to unite in breaking up this unseemly and dangerous traffic.

8. The following are appointed the Committee for the ensuing year:

(1) The *ex-officio* Members: the Rev. SAMUEL F. COLLIER, President of the Conference; FREDERICK LUKE WISEMAN, B.A., Ex-President; SIMPSON JOHNSON, Secretary; the Treasurer and the Secretary of the Committee;

The Rev. J. ALFRED SHARP is the Convener.

**Trust Properties and Friendly Societies.**—The Conference approves of Friendly Societies and Approved Societies under the National Insurance Act being encouraged to hold their meetings in Wesleyan Methodist Schools or Vestries, especially where there is no other public building available for the purpose, care being taken to avoid any action which would render the Trust Property liable to rates.

**Further Grant to Kingsway Hall.**—The Conference, having considered the appeal of the Trustees of the Kingsway Hall and the Committee of the West London Mission for further grants towards the erection of the Kingsway Hall and premises, recommends such appeal to the sympathetic consideration of the London Committee, the Chapel Committee, the Home Mission Fund, and the Trustees of the Central Buildings, Westminster.

**Labour Unrest.**—The Conference, in view of the present labour unrest, is deeply impressed with the duty of the Church to expound the evangelical and social teaching of the Bible as to the brotherhood of humanity, and the responsibilities and perils attaching to the acquisition and possession of wealth. It re-affirms its conviction, expressed in its resolution of 1907, that the adequate supply of the physical needs of the workers must be the first charge upon every industry; and it believes that such provision is necessary, if the moral responsibilities of the workers, men and women, are to be adequately discharged and the spiritual possibilities of their lives realised.

**Plans for Sunday School Buildings.**—The Conference directs all who are contemplating the erection or alteration of premises, intended for Sunday School work, to communicate with the Connexional Sunday School Department before the plans are finally accepted and before they are submitted to the District Chapel Committee, for the purpose of receiving counsel as to their projected undertakings, and the adaptation

of the premises to the system of instruction designed to be adopted.

**Prize Competitions (Prohibition) Bill.**—The Conference cordially welcomes the Prize Competitions (Prohibition) Bill recently introduced by Lord Loreburn into the House of Lords.

The Conference holds that the so-called "Competitions" for prizes which now occupy so large a place in certain sections of the Press create and foster the habit of gambling, and are a degradation of modern journalism.

The Conference asks the Government to afford facilities for the speedy passage of the Prize Competitions (Prohibition) Bill into law.

**Lord's Day Observance.**—The Conference greatly deplores the rapidly increasing number of shops opening on Sundays, threatening as this does the maintenance of Sunday as a day of rest and worship, and offering the greatest hindrance to the effective work of the Christian Churches. The Conference therefore recommends that through the various agencies of our Church, frequent opportunity shall be made to call attention to this great evil, and every effort put forth and assisted to bring about its discontinuance.

**Rifle Practice on the Lord's Day.**—The Conference expresses its profound disappointment that the War Office has not been able to discontinue Rifle Practice on the Lord's Day.

**Peace Resolution.**—Viewing with considerable apprehension the serious increase of expenditure upon armaments, and the persistent efforts that are being put forth to foster the military spirit in this country, the Conference considers it one of the first duties of the Christian Church to seek to influence public opinion so that international amity and love amongst the different nations may permanently be secured. The Conference further expresses its strong disapproval of all forms of compulsory military service.

**Rearrangement of Circuit Boundaries in North London.**—The Conference refers the whole question of the rearrangement of the Kentish Town and adjacent Circuits to the London Mission and Extension Fund Committee, and directs it to act in conjunction with the Quarterly Meetings and Synods concerned, and to report to the Conference.

**Methodist Union.**—The Conference, in accepting the Report of the Œcumenical Methodist Commission, expresses its profound gratitude at the increasing desire for Unity among all branches of the Methodist Church; and being convinced that the time has come when a serious effort should be made to unite in one Church organisation the different branches of British Methodism, the Conference appoints a Committee to collect information and report to the next Conference.

**Supplementary Historic Roll.**—The Conference approves the proposal to open a Supplementary Historic Roll, upon which the children and grandchildren of Methodists who signed the Twentieth Century Roll, together with other Methodists, may inscribe their names.

2. The Conference directs that the proceeds of the Fund be divided equally between the Trust of the Westminster Central Hall and Connexional Buildings and the National Children's Home and Orphanage.

Mr. J. Wesley Walker.

The Rev. SIMPSON JOHNSON is the Convener.

**Junior Society Class and Junior Guild.**—The Conference resolves: That the question which has been dealt with in part during the past year by a Committee representing the Sunday School Department and the Class Leaders' Committee shall be more fully considered during the coming year by the same Committee, with the addition of Six Representatives from the Wesley Guild Council, which shall report to the Conference.

The Rev. J. WILLIAMS BUTCHER is the Convener.

**Methodist Overlapping.**—The Conference deplores the waste of time, energy, and money that is occasioned where duplicated Methodist chapels exist beyond the necessities of the neighbourhood. The Conference, believing that it is possible to remedy this evil to some extent by friendly negotiation, hopes that our ministers and people will initiate such negotiations whenever opportunity serves. The Conference further urges upon all who are interested in schemes of Wesleyan extension to have special regard to the activities of other branches of the Methodist church in the immediate vicinity.

**Opium Traffic.**—The Conference warmly thanks His Majesty's Government for its declaration that no more Indian opium shall be sold for compulsory importation into China, and having regard to the extreme difficulty in which the Chinese

Government is placed in its endeavours to prevent its own citizens producing the drug, whilst at the same time compelled to admit the stocks of foreign opium now accumulated at the ports, calls upon His Majesty's Government at once to release China from the Treaty obligations to take any further quantity, and thus terminate that "morally indefensible" traffic which has for so long prejudiced our relations with her and crippled her efforts in moral reform.

**Methodism in Coventry.**—The Conference appoints a Commission to inquire into and deal with the urgent needs of the Circuit arising from the great expansion of the population in the city of Coventry.

The following is the Commission: The Chairman and Financial Secretary of the Birmingham and Shrewsbury District; two Ministers and two Laymen chosen by the Birmingham District September Synod; together with

**The Hamley Bequest.**—The residue of the estate of the late John Hamley, late of Thruselton, Devonshire, having

been directed to be given to "The Wesleyan Connexion at the Conference in London,"

> The Conference authorises the President and the Secretary of the Conference to approach the executors of the late John Hamley, Thruselton, with a view to the transfer of the legacy to the Trustees for Wesleyan Methodist Chapel Purposes (Registered) to be administered by the Board in the interests of Methodism. The Conference empowers the President and Secretary to take all necessary steps to secure this.

**District Guild Secretaries.**—The Conference resolves that District Ministerial Wesley Guild Secretaries shall be *ex-officio* members of the District Guild Councils.

**Worn-Out Ministers' and Ministers' Widows' Auxiliary Fund.**—The Conference recommends the Trustees of every Chapel in the Connexion to contribute to this Fund in order to increase the allowance for the maintenance of Aged Ministers and Ministers' Widows; also that strenuous efforts be made to appoint a Collector in every Society.

**Lord's Day Observance and District Temperance Committee.**—The Conference directs that a question be inserted in the District Synod Agenda asking what is done in the District, through the Temperance Committee or otherwise, for the promotion of the due observance of the Lord's Day.

**Nomination of Ministers to Departmental Offices.**—The Conference resolves to amend Standing Order No. 57 (*Minutes*, 1912, p. 401) by adding the following words to Section 5:

Should the motion for suspension of the Standing Order

be carried in full Conference by a two-thirds majority, the Representative Session may submit either one name or two as may be deemed expedient. In all such cases the Pastoral Session shall have the right to nominate an additional name, or, if need be, two additional names to bring the number up to three, before proceeding to the Ballot.

"The Nominee or Nominees of the Representative Session must always be included in the three on which the final ballot is taken, should the Pastoral Session decide in any given case to increase the number of Nominees."

## Q. XXXI. What Ministers have died since the last Conference?

**A. 1. In Great Britain, fifty-four :**

(1) EDWARD H. SIMPSON: born at Middleham, in Yorkshire, March 29, 1844. He was the son of a schoolmaster, who late in life entered the Congregational Ministry. His mother, a saintly woman, instilled the highest ideals into her children, and imbued them with a love for literature. Home life thus moulded his character and shaped his destinies. Greatly influenced by his younger brother, he was converted when sixteen years of age. He preached for the first time on his eighteenth birthday, and in 1864 was accepted as a Candidate for our Ministry. In 1868 his health broke down, and he retired. He re-entered our ranks in 1874. His ministry was marked by unfailing diligence and deep devotion. He spoke evil of no one, and was essentially a man of peace. He was intensely sympathetic, and much beloved. He excelled as

a preacher. His sermons were fresh, original, and suggestive. His language was choice, due to his exceptional knowledge of the classics. He was always evangelical, and, during his early ministry especially, saw many conversions. His last illness revealed the fact that for ten or twelve years he must have suffered greatly, and it is a tribute to his courage and fidelity that he continued his ministry. Perfectly resigned to the Divine will, he bore, without complaint, intense pain, and on August 5, 1912, was called to the higher service.

(2) Thomas Allen, D.D.: born at Whitchurch, Shropshire, February 13, 1837. His earlier years were spent amid the associations of country Methodism, with which he always retained a deep sympathy. At the age of twenty he was accepted as a Candidate for the Ministry, and after the usual residence at Didsbury College he commenced his circuit work at Aylesbury. Then he was stationed at Bramley, Woodhouse Grove, and Leeds. After this he made full proof of his ministry in the West of England, Lancashire, and London. In 1886 he returned to Yorkshire, and for six years was Chairman of the Sheffield District. In 1896 he ably represented Wesleyan Methodism at the General Conference of the Methodist Episcopal Church of the United States. In 1897 he was appointed Governor of Handsworth College, and became Chairman of the Birmingham and Shrewsbury District, winning the respect and affection of the students and the confidence of the people. In 1900 he was elected to the Presidency of the Conference. Retiring from active work in 1905, he settled at Harrogate, where he passed peacefully to his rest on August 14, 1912, in the seventy-sixth year of his age and the fifty-third of his ministry. He was an able preacher of the Gospel, a faithful pastor, and few men have been more beloved in their circuits. He was known in the homes of his people, yet was a man of affairs, and of great administrative ability. He stood fast by the central evan-

gelical truths which had proved their power in his own conversion and life-work, yet was intensely interested in all modern movements of thought. His loyalty to his Master and his Church, his love for the least of his brethren and the lowliest of their works, were salient features in his healthy, broad-minded spiritual life. To all his official positions he brought gifts of foresight and insight, enterprise, prudence, and organising skill. To his brethren and colleagues in the Ministry he showed unvarying kindness, courtesy, and generosity, and was ever ready with counsel and practical sympathy. He wore his honours easily, modestly; his adornment was that of a meek and quiet spirit. In his last days he was especially drawn to the thought of mediation and expiation as declared in the teaching of our Lord Jesus Christ. Within a few hours of his death he asked that Watts's hymn should be read, and was heard repeating the lines—

> A sinful, weak, and helpless worm
> Into Thy hands I fall;
> Be Thou my Strength and Righteousness,
> My Saviour and my All.

In that simple faith he had "served his generation according to the will of God," and in it he "fell asleep."

(3) James Bunting: born at Uttoxeter, Staffordshire, in 1837, entered Didsbury College in 1858. He was sent to supply at Cheltenham in 1860. From that time, for thirty-seven years, he laboured mostly in wide country circuits, and proved himself, wherever he went, a faithful, earnest, and devoted Methodist minister. His people loved him. Both as preacher and pastor he was greatly esteemed. He was a thoughtful, persuasive, evangelical exponent of the way of life in Jesus Christ. In the home he was bright and cheerful; keenly in sympathy with the young, and a trusted helper of those in sorrow and pain. He believed in Methodism, and as a Superintendent combined firmness with gentleness. In 1900 he became a Supernumerary, the three closing years of

his life being spent as an invalid. Not one murmur passed his lips. Those who came to sympathise went away themselves comforted. On August 15, 1912, at Ashbourne, without farewell, he quietly passed to be with Him whom he had loved and served so truly.

(4) Robert Brown: born near Penrith, April 6, 1823. When fourteen years old he was sent to London, and joined our Society at Great Queen Street. On his removal to Derby he became a local preacher, and eventually a Candidate for the Ministry. He travelled for thirty-eight years, chiefly in the Midlands and the North of England, serving Methodism with great ability and success. His preaching was forceful and helpful. As a pastor he was diligent, wise, kind, and sympathetic. In administration he was especially strong, having great business ability, and an intimate acquaintance with Methodist history and polity. He was conscientious and efficient in the discharge of his duties, and in all his circuits exerted an influence that was beneficial and abiding. His home life was singularly happy, and it was a great joy to him that two of his sons followed him into the ranks of the Ministry. He retired after thirty-eight years of hard work in circuit life, but was spared for nearly thirty years longer, and eventually became the oldest Wesleyan minister in connexion with the British Conference. During his retirement he rendered valuable service. In spite of much bodily weakness he retained his mental vigour to the end, and passed peacefully home on September 10, 1912, in the ninetieth year of his age and the sixty-eighth of his ministry.

(5) Thomas Cook: born at Middlesbrough, August 21, 1859; converted at the age of sixteen during a mission at South Bank. The prayers of his mother and the fidelity of his Sabbath-school teacher greatly contributed to this result. He soon had the great joy of bringing to Christ some of his brothers and sisters. The spirit of evangelism early possessed

him. Cottage and open-air services were regularly conducted by him, and he made it a rule not to let a day pass without speaking to some one about his soul. Three years after his conversion he sought and obtained the blessing of "Entire Sanctification," and on his own confession, it was this grace that had much to do with the success of his future ministry. For two years he laboured as a lay evangelist in the Halifax and Bradford District with phenomenal success. In 1882 he was received into the Ministry, and appointed at once to the work of a Connexional Evangelist. For twenty-one years he conducted evangelistic missions throughout the United Kingdom as well as in South Africa, Australia, New Zealand, and Ceylon, which resulted in multitudes being added to the Lord. During the last nine years of his ministry he was the Principal of Cliff College, and had much to do with its foundation and enlargement. The *Joyful News* Evangelists and the Gospel Cars were also under his superintendency. In these offices his business capacity, administrative skill, and organising power were conspicuously manifested. The Southport Convention, of which he was one of the founders, and the Out and Out Band, which he organised, lay very near his heart. His book, *New Testament Holiness*, and other publications, have been widely circulated, and have brought light, inspiration, and victory to many anxious souls. His preaching centred in the doctrines of Regeneration and Entire Sanctification, and with great fidelity and power he pressed them home upon the consciences and hearts of his hearers. Nature and grace combined to make him a radiant saint, a devoted friend, and a lovable man. He had the genius of inspired enthusiasm, the authority of a great faith, and the attractiveness of a sanctified personality. The holiness he constantly preached was exemplified with rare beauty in his life. He was compelled to undergo an operation from which he hoped speedily to recover, but it was decreed otherwise. On September 21, 1912, in a nursing home in London, he quietly fell asleep, and went to be with the Saviour whom he

so ardently loved and faithfully served. His body now lies in the quiet churchyard of Curbar, which adjoins the grounds of Cliff College.

(6) JOSEPH HIGHAM: born at Salford, December 20, 1837. He was brought up in a Methodist home, and made an early decision for Christ. Soon after he became a local preacher, and was accepted for the Ministry in 1863. After travelling forty-five years he retired to Portishead, having pastoral charge of that Society until 1910. His ministry of the word was plain, homely, and practical. A diligent and sympathetic pastor and a capable administrator, he rendered efficient service to several struggling circuits. He preached at Portishead a few days before his final illness, and entered into rest on September 24, 1912, in the seventy-sixth year of his age and the fiftieth of his ministry.

(7) WILLIAM J. BOOTE: born at Wistaston, near Nantwich, December 16, 1849. Converted in early life, he began to work for God, and was received as a Candidate for our Ministry in 1873, being immediately appointed to the Ayr Circuit. At the following Conference he was sent to Didsbury College, and profited greatly by his residence there. During a ministry of thirty-four years, he laboured in busy industrial centres with great acceptance. He set himself to win the young for Christ, and both in the pulpit and out of it sought to impress them for good. As a pastor he was diligent and sympathetic. His sermons were marked by careful preparation, and were thoughtful, interesting, and persuasive. To the last he was a soul-winner. Skilful as an organiser, his circuits prospered under his care. Consecrating all his gifts to God, he fulfilled a many-sided service. At Blackpool he lost a dearly loved daughter; this was a great blow to him, and his health giving way at the time, he retired from the active work at the Conference of 1911. After a little more than a year's rest, he passed away suddenly on October 4, 1912, literally ceasing at once "to work and live."

(8) William Humphries: born at Redditch, May 29, 1841. He was blessed with godly parents, and surrendered himself to God in his fifteenth year. When seventeen he became a local preacher, and at the age of twenty-two was accepted as a Candidate for the Ministry, and sent at once to a circuit. For forty-six years he fulfilled an efficient and successful ministry unhindered by sickness. He was robust in body and mind, and his preaching was of a manly character. He took great pains in the preparation of his sermons. His appeals to the conscience were powerful, often leading to the conviction and conversion of his hearers. He was well versed in Methodist theology, had a firm grasp of evangelical truth, and greatly delighted in the special teaching and institutions of Methodism. As a Superintendent he attended to every detail, and was able to relieve his circuits of debt and to secure the erection of new chapels. His accurate knowledge of Methodist polity, his sound judgment and unfailing courtesy, made him a wise and efficient administrator. In 1909 he became a Supernumerary, but continued to preach and to render helpful service in all departments of our Church life. In his last illness he was mercifully preserved from much suffering. In the early morning of October 13, 1912, he literally fell asleep in Jesus in the seventy-second year of his age and the fiftieth of his ministry.

(9) Richard Webb: born July 12, 1836. He had the advantage of a Christian home and a good education. In early life he came under the influence of the Rev. Robert Young during his ministry at Penzance, and decided for Christ. He was accepted for our Ministry in the year 1861, and was sent at once to labour in the Clitheroe Circuit, and for forty-six years he loyally served his Church in spheres demanding strenuous toil. In his early ministry his preaching was fruitful of great blessing, and during his stay at Portessie and Banff he witnessed a gracious revival of the work of God. He loved to preach, and even in old age would walk long

distances for the joy of proclaiming the Word. He was a man of courageous spirit and strong convictions, and, fearless of consequences, was ever ready to respond to the call of duty. His life was often shadowed by sorrow, but his unwavering confidence in God supported him. The pain he suffered during his last illness was often extreme, but it was borne without murmuring and with true Christian fortitude. There was no cloud on his horizon and no fear in his heart when on November 4, 1912, he passed to the fuller life and the higher service.

(10) Joseph Owen: born at Port Dinorwic in the Carnarvon Circuit in 1845. He was blessed with godly Methodist parents, and ascribed his Christian character mainly to their influence. In the great religious revival of 1859 he was led very close to Christ, and became conscious of his call to preach. He was accepted for the Ministry in 1869. He was genial, pure and tender of heart; loved by all with whom he came in contact. He travelled with success in all his circuits, and was appreciated as a clear, concise, and evangelical preacher, and a careful and diligent pastor. He was well versed in Welsh literature. After thirty-seven years in the full work of the Ministry, he became a Supernumerary in 1908, and for the last five years his services were highly appreciated in the Rhyl Circuit. He died November 6, 1912, at the age of sixty-eight, full of hope in his Lord and Saviour Jesus Christ.

(11) William L. Appleby: son of the Rev. William Appleby, born at Penzance in 1839. He was converted at the age of fourteen during a revival at Kingswood School, began to preach at sixteen, and was accepted as a Candidate for the Ministry on his eighteenth birthday, and sent to Didsbury College. He possessed rich pulpit gifts, his sermons being the outcome of wide reading and diligent study, and they were delivered with an eloquence born of passion. He

was of a sensitive and retiring disposition, but his tender sympathy made his pastoral work very acceptable to his people. His faculty for administration was exercised with tactfulness and sagacity. After forty-four years in the active ministry, he became a Supernumerary in 1903, and for three years continued to preach in the Grimsby (Duncombe Street) Circuit, endearing himself to the people as pastor of one of the smaller societies. After an illness of several months, patiently borne, on November 13, 1912, he entered that City "where the inhabitant shall not say, I am sick." As he had lived, so he died. The things he had preached were real to him, and his fortitude and faith made his sick-room the ante-chamber of heaven.

(12) WILLIAM G. TRIGGS: born at St. Just, Cornwall, August 16, 1859. Gracious home influence was a powerful factor in moulding his life. He was converted at an early age. After two years at Westminster College, he became headmaster of the Roche Board School. In 1887 he was accepted for the Ministry and sent to immediate work. His first circuit was Penzance, which had been his home from early childhood. He was a true shepherd of the flock, and gave special care to the sick. Business ability, methodical habits, and accurate knowledge of Methodist polity stood him in good stead in circuit work. He was a man of principle, and allowed nothing to stand in the way of what he deemed to be his duty. His preaching was pre-eminently evangelistic, and he had seals to his ministry. His last sermon made a profound impression, and resulted in at least two decisions for Christ. Immediately on reaching home he was seized with apoplexy, never fully recovered consciousness, and passed to his rest on November 22, 1912.

(13) JOHN W. SIMPSON: born at Hull, August 29, 1853. The son of godly parents, he early obeyed the Saviour's call and joined the church at George Yard. When eighteen years of

age he began to preach, and in 1873 was accepted as a Candidate for the Ministry and entered college as a foreign mission student, but in 1876 was sent into a home circuit, and for thirty-two years exercised a useful and successful ministry. He faithfully discharged every part of his duty. His gift of exposition was cultivated so that his preaching was fresh and forceful. As an evangelist he was successful, and many are the fruits of his ministry in the country circuits where he laboured. He was much beloved by his people, and his pastoral visits were a means of grace, especially in times of sorrow or sickness. In 1908 his health began to fail, and soon after he entered on a period of mental affliction against which he struggled with noble fortitude, still retaining his deep interest in the Church he loved. On November 29, 1912, he passed into the eternal light in the sixtieth year of his age and the thirty-seventh of his ministry.

(14) Frank Jones: born at Wolverhampton, October 25, 1863. As a boy he gave himself to Christ, and soon began work as a Sunday-school teacher. He became a local preacher at the age of eighteen, and was received as a Candidate for the Ministry in 1885. At Richmond College his gifts were soon recognised. His highest ambition was to be a foreign missionary, and it was a keen disappointment that by doctor's orders he was not allowed to go abroad. In his circuits he was beloved for his high Christian character, his wide sympathy, his genial spirit and wise administration. His preaching was expository and luminous and effective in the highest degree. He was well read in recent biblical literature, and this greatly enriched his teaching. His life was marked by periods of severe illness, which he bore with patient courage and unchanging trust. In the homes of the people he was a welcome visitor and a faithful pastor, and in times of sorrow and need his deep sympathy was greatly prized. His prayers lifted the people into the presence of the Eternal Father. All his gifts, natural and acquired, were used to advance the

Kingdom of God and the Church of which he was a devoted minister. He was a true friend and a loyal colleague. He died on December 7, 1912.

(15) Rice Owen: born at Cwmbrwyeo in the county of Cardigan in 1843. He was of Methodist parentage, and gave himself to Christ in his youth. He had many early advantages, of which he made the best use. He was accepted as a Candidate for the Ministry in 1867, and the following year was appointed as a Home Missionary to Treherbert in the Rhondda Valley. For the years 1886-8 he edited *Y Winllan*, and in the year 1897 he was elected Chairman of the South Wales District, which office he held till his death. In 1899 he was elected President of the Welsh Assembly. He discharged its duties with marked ability. His courtesy and meekness often disarmed opposition; and his candour, patience, and courage commanded the respect of all. As a Superintendent he was a judicious and successful administrator and a wise counsellor. He excelled as an expository preacher. His sermons revealed careful preparation, and were characterised by clearness of thought and simplicity of language. He was a man of unblemished character, devout in spirit, and beloved by all his brethren in the ministry and the churches in the district. A few hours before he died he said to one of his colleagues, "All is well; farewell until we meet again. Remember me to the brethren, and take care of the circuit." He passed away December 14, 1912, in great peace in the seventieth year of his age and the forty-fifth of his ministry.

(16) Richard Groves: born at Avil, Somerset, in 1836. His early education was received at the Wesleyan Day School, Dunster, where he became a pupil teacher. His diligence and love of learning gave him a high place in the final lists at Westminster Training College. While Headmaster of the Day School at Leek, he was strongly urged to offer himself as a Candidate for the Ministry, and was accepted by the

Conference of 1862 and sent at once into circuit work. His unobtrusiveness, as well as the state of his health, always led him to prefer country circuits, and the whole of his fifty years' ministry was exercised in quiet places. As a preacher he was evangelical, expository, and practical, his sermons showing the results of wide reading and deep thought. He was a diligent, faithful, sympathetic pastor, who won the affection and confidence of all classes. He was an able administrator, wise in counsel, and loyal to every requirement of the Methodist Church. When failure of health compelled him to retire from the full work, he returned to his native circuit, where he was employed for several years, delighting to the end to visit the sick and aged. Death came suddenly on December 18, 1912, and in the seventy-seventh year of his age and the fifty-first of his ministry, he entered into the presence of his Lord.

(17) John Stephenson (A): born at Birkenhead, November 30, 1835. He owed much of his piety to his mother and grandmother. At an early age he definitely decided for Christ, under the influence and ministry of the Rev. Edward Nye. He entered Didsbury College in 1859, and in 1861 became a Home Missionary at Sutton, in the St. Helen's Circuit, where his work was greatly blessed. He was a faithful and effective preacher, and had great influence amongst the young. In 1876 he became a District Missionary, and for six years did fruitful work in the Bath and Norwich districts. Then he was appointed Army and Navy Chaplain at Portsmouth. He was a great favourite among the soldiers, and quickly gained their confidence. As a circuit minister he was diligent and enterprising. In many places he established new causes, founded Sunday schools and Bands of Hope. He was a devoted sick visitor. Humble, tender-hearted, self-denying, he was trusted and honoured by all who knew him. He became a Supernumerary in 1903, and for three years laboured in Weymouth, Cranleigh, and finally in the Cardiff Mission. The closing

years of his life were spent in Dublin with his son. He occasionally took services, but during the last three years, feeble and infirm, he spent the greater part of the day with his Bible, Fletcher's Works, and John Wesley's Sermons. He passed home on December 18, 1912.

(18) T. Nicholson Ritson: born at Bolton-le-Moors, March 8, 1860; died at Great Bentley, December 27, 1912. As one of a family of four brothers and two sisters, when the parents died he developed those qualities of thoughtfulness and regard for others which were the strength and enrichment of his subsequent years. He set an example to his younger brothers and sisters which happily they were not slow to follow. For a short period he served as an assistant day-school master, but gradually the conviction formed in his mind that the Ministry was his vocation, and in the year 1887 he became a Candidate. After the usual theological training he served the Church of his choice for twenty-two years with whole-hearted devotion and steadily growing acceptance and influence. While not neglecting any part of his work, his special care was for the young. On Sunday and on weekday, in pulpit and in classroom, he gave them of his best, and rejoiced unfeignedly in the signs of success which their increasing biblical knowledge and Christian steadfastness afforded. About a year before his death an accident led to months of painful illness, but on his appointment to Great Bentley Circuit he threw himself with characteristic thoroughness into his work. After a short term of acceptable service, he underwent an operation from which he never rallied. In full consciousness of his position he calmly submitted to the will of God, and in the words of his favourite hymn committed himself to his Divine Saviour:

> Nothing in my hand I bring,
> Simply to Thy cross I cling.

He was a man of sterling character, wide intelligence, and consecrated spirit; a diligent pastor, a successful class leader,

He fulfilled his ministry with humble fidelity, and has doubtless received the "Well done" of his gracious Lord.

(19) THOMAS AYRTON: born at Gisburn, in the Clitheroe Circuit, on July 26, 1836. His parents removed to Leyland while he was yet a boy. Here he was converted to God in his early teens through the prayers and example of a sister. He at once engaged in Christian work, preparing himself for the local preachers' plan, and was eventually received as a Candidate for our Ministry and sent to Richmond College. Receiving his first appointment at the Conference of 1863, to the Leeds Wesley Circuit, he here manifested that evangelistic zeal and fervour which ever marked his ministry. He had a passion for souls. His preaching was earnest, pointed, and serious. For thirty-five years the fire never died down. After a year's retirement at Preston, he took up his residence at Blackpool, where for eleven years he rendered willing and much appreciated service. An affliction of a painful character was bravely borne until his release on January 9, 1913, in the seventy-seventh year of his age and the fiftieth of his ministry.

(20) WILLIAM SHARPLEY: born at Kennington, London, March 18, 1853. Blessed with the teaching and influence of a godly Methodist home, he cherished from his earliest years a strong love for God and the services of His sanctuary. When quite a youth he was moved to preach the Gospel, and on a Sunday evening conducted services in his father's kitchen. He was accepted as a Candidate for the Ministry in 1872, and spent three years at Headingley College, where he acquired a great love for theological reading and study. His ministry was spent almost entirely in rural circuits. In spite of delicate health he carefully cultivated his gifts, and quickly mastered the problems of the circuits in which he travelled. His knowledge of Methodist polity and discipline was very thorough, and as a Superintendent he displayed a genius for

administration that carried him successfully through many difficulties. His preaching showed that he had special ability to present vital truths with freshness and force. His end came suddenly on January 19, 1913, in the sixtieth year of his age and the thirty-eighth of his ministry.

(21) HUMPHREY JUTSUM: born at Litchaton, in the South Molton Circuit, November 17, 1835. He was converted to God at the age of fifteen, under the preaching of the late Rev. James Hargreaves. He began his Christian service by distributing tracts and teaching in the Sunday school, and at nineteen became a local preacher. At the Conference of 1858 he was accepted as a Candidate for our Ministry, and was sent at once to a circuit. After his ordination he was appointed to the Portsmouth Garrison, where he was the first Wesleyan minister to conduct Parade Services in a Government building. From the first, his one aim was to win men for Christ. His powerful and winsome preaching, and constant and affectionate pastoral work, were directed to this end. For forty years he fulfilled his gracious ministry with unwearying zeal and devotion and with marked spiritual results. He was a man of beautiful character, tender and true, always more mindful of others than himself, and, at the same time, loyal to God and to our discipline. At the Conference of 1898 he became a Supernumerary, but toiled steadily on, both in preaching and in the homes of our people, until his strength declined. He possessed in quite an unusual degree the power of winning and keeping the love of ministers and people alike. He was young in heart to the very end. On January 21, 1913, the tired servant passed, in great peace, into the King's presence, in the seventy-eighth year of his age and the fifty-fifth of his ministry.

(22) DAVID WRIGHT: born at Callington, Cornwall, May 22, 1839. Converted while a Sunday scholar, he began at once to witness and work for Christ. His call to the ministry

came early, and he was sent to Richmond in 1861. In 1864 he was appointed to the West Indies, where for thirty-seven years he laboured with painstaking industry and enthusiasm. He became Chairman of his District, Governor of Coke College, and for several years Secretary of the Eastern West Indian Conference, and was also Vice-President. In his administration of Methodism he combined the qualities of tenderness and firmness, and won the esteem and affection of all who had to do with him. His home-life was beautiful, and the fragrance of the hour of song and prayer at family worship lingers still. It was a great disappointment to him to be obliged to return home on account of ill-health, but he laboured with much acceptance as a Supernumerary in the Aldershot Circuit for seven years and in Exeter for more than four years. He died on January 21, 1913, in the seventy-fourth year of his age and the forty-ninth of his ministry.

(23) R. Newton Barritt: born at Workington, June 28, 1836. His father was Rev. John Wesley Barritt, and his grandfather Rev. John Barritt, who entered our Ministry in 1786. During three generations a ministry of one hundred and twenty-seven years was thus maintained. Educated at Woodhouse Grove School, he went to America at the age of seventeen, where he spent three years. Shortly after this he began to preach, and in 1859 he became a Candidate for our Ministry. He was immediately sent into circuit work, and for fifty-four years rendered varied and faithful service, marked by qualities that awakened gratitude and affection in many who were privileged to know him. His life, right on to its end, may be described as one of untiring energy. He was a diligent student and effective expositor of the Word of God. He was always ready to consider, sympathetically, new aspects of truth, whilst he held tenaciously to those things of which his fellowship with God in Christ had made him sure. His influence upon young people was especially noteworthy. He found great delight in training young men in the work of

preaching; and, where possible, preparing them for the ministry. In 1900 he was elected to the Legal Hundred, and in 1906 became a Supernumerary. His period of retirement, however, was filled up with constant service. After a brief illness he entered into rest at Harrow on February 8, 1913, in the seventy-seventh year of his age and the fifty-fourth of his ministry.

(24) JOHN CLEGG: born at Goole in July 1839. His prospects of a successful commercial career were bright; but God had other plans for him. Early in life he was brought to the Saviour, and began to preach to his father's workmen, and to others in the villages of the Snaith Circuit. He offered himself as a Candidate for the Ministry, and went to Didsbury College for two years. His first appointment was Liverpool, Pitt Street, in 1862. From the beginning his preaching attracted large congregations, and he was owned of God in turning many to righteousness. He passed through many of the most important circuits of the Connexion, until he left York for Scarborough, when his brethren marked their confidence in him by electing him Chairman of the York District. Both as Superintendent and Chairman he was a wise and capable administrator. He was a man of devout spirit, a wide reader of theological and general literature, a thoughtful, forcible preacher, chaste in his style, impressive and powerful in his manner. His faith in the Gospel was unhesitating, and he preached it with the accent of conviction. The closing years of his life were spent at Scarborough, where by his high Christian character, his sympathy with the sick and sorrowing, and his genial brotherly kindness, he endeared himself to our people. The end came suddenly on February 15, 1913, when he entered into rest in the seventy-fourth year of his life and the fifty-first of his ministry.

(25) THOMAS WATERHOUSE: son of Rev. William Waterhouse, born at Pateley Bridge, March 17, 1829. A Methodist

preacher of the third generation, he was proud of his ancestry, and maintained throughout his long life the traditions of his godly lineage. He was led to religious decision while at Woodhouse Grove School. Accepted as a Candidate for the Ministry in 1852, he received his training at Didsbury College. His health was never robust, but for thirty-four years he served in our full work with great fidelity. As a preacher he was earnest, evangelical, and practical. Aided by a genial and sympathetic disposition, he discharged his pastoral duties with success. No part of his work was irksome to him; the lowliest service for Christ he felt to be full of honour, and to bring its own reward. Of studious and devout habits, he spent much time with his books and in private prayer. He was an ardent Methodist, a loyal colleague, and a faithful friend. His last illness was borne with great patience and trustfulness. He died at Plymouth on February 21, 1913, in the eighty-fourth year of his age and the fifty-ninth of his ministry, leaving the memory of a charming Christian life.

(26) HERBERT BURSON: born at Childrey, near Wantage, Berks, January 19, 1835. He was brought up from childhood in the knowledge and love of God, and at the age of fifteen made a public profession of his faith in Jesus Christ and began to work in the Sunday school. In 1860 he was accepted for the Ministry, and was at once sent into circuit work. His early ministry was full of enthusiasm and power. He saw many conversions, addressing himself also with energy and ability to the business side of circuit affairs. In all his circuits he left the memory of an ardent and capable worker. The country Societies under his charge always received special care, and his attention to detail was remarkable. He was well read, devout, and generous, respected by all classes and much loved by those who knew him best. After thirty-six years of successful labour his health broke down. He resided at Belper for four years as a Supernumerary, removing from

thence to North Curry, in Somerset, where he remained for thirteen years and did valuable work. He preached regularly, superintended the Sunday school, and led a young men's Bible-class. He was a faithful pastor, his visits being greatly appreciated by his people. He passed peacefully away at Reading on March 2, 1913, in the seventy-eighth year of his age and the fifty-third of his ministry.

(27) John W. Blackett: born at Thirsk, January 20, 1843. The son of godly parents, he was from boyhood seriously inclined, but made his final decision for Christ under a sermon preached by Rev. Thomas H. Holyday in April 1860. Soon afterwards he became a local preacher, and in 1864 was accepted as a Candidate for the Ministry. In 1865 he entered Didsbury College, and spent there three happy and useful years. He served with increasing acceptance in the full work of the ministry for forty-one years. He was widely read, especially in biblical and theological literature, and from a well-stored mind gave his hearers of his best. He excelled in the pulpit, and was popular in all his circuits, most of which were in Lancashire or the north of England. A sympathetic pastor, he won the affections of young people, and was frequently very helpful to young men beginning to preach. As a Superintendent he was attentive to the details of circuit administration, and was loved and trusted by his colleagues. In 1908 he retired to Bournemouth. His public work was ended, and death came as a merciful release from protracted sufferings on March 4, 1913, in the seventy-first year of his age and the forty-sixth of his ministry.

(28) Edward R. Polsom: born at Blackwood, Mon., was led to Christ through the influence of his mother and his Sunday school. A mission conducted by Mr. Raymond Preston brought further blessing, and he gave himself wholeheartedly to Christian service. As a Gospel Car Evangelist in the mining districts of South Wales, he had the joy of

winning some of his own relatives for Christ. He also did good work among the cosmopolitan population at Cardiff Docks. Here, in 1899, he received the call to the wider work of the Methodist ministry. He had a sunny temperament, and exercised a powerful influence over young men, to whom his ministry was peculiarly attractive and helpful. Amongst young people generally he was much beloved, and his care for the aged won him their warmest regard. As a preacher he delighted in exposition, especially emphasising the doctrine of perfect love. Whilst labouring in the North Cornwall Mission he had a serious accident, and after some months of extreme pain, in which the strength and beauty of his Christian character were strikingly revealed, he passed to the higher service on March 13, 1913.

(29) EDWARD WORKMAN: born August 11, 1830, a son of Charles Workman, of Dursley, Glos. Brought to God at the age of seventeen, largely under the influence of his elder brother, the Rev. John S. Workman, he entered the Ministry in 1855. His personal religion, always fervent and unfaltering, was characterised by a faith in God which was childlike and unquestioning, and a ready generous love for men. His preaching was made effective by the winning personality behind it, and the manifest intensity of his own convictions. His evangelistic zeal and tender human sympathy made his ministry very fruitful. A great revival rendered memorable his term at Dewsbury, and many were the souls he won for Christ in this and other circuits. He was a wise administrator and a devoted pastor, whose unfailing joyousness was contagious, and who entered whole-heartedly into the lives of his people, ministering to their perplexities and sorrows with a tact and sagacity peculiarly his own. On Methodist law and discipline he was an acknowledged authority, and for nineteen consecutive years he was Secretary of the Leeds and other districts. After forty-four years' devoted and unwearying service for Christ and His Church,

he retired from the active work of the ministry in 1896, residing first at Highgate and afterwards at Bournemouth, where, after a few weeks' illness, he passed to his rest on March 15, 1913, in the eighty-third year of his age and the fifty-eighth of his ministry.

(30) BENJAMIN ROBINSON: born at Wellingborough, September 10, 1852. He early recognised Christ's claim, and surrendered body, soul, and mind, a living sacrifice. He became a Candidate in 1876, spent part of a year as a supply and four happy and successful years at Didsbury, where his devoutness, ability, and studiousness had a marked effect. After a year in the English work, he was sent to India, where he spent himself without reserve in the study of Kanarese and Sanscrit, the religion and philosophy of Hinduism, and in self-sacrificing labours and sufferings for the people of his charge. Keenly conscious of the gulf that separated East and West, he tried to bridge it by adopting the dress and diet of the Hindu. The account of this unusual experience is given in his book, *In the Brahmans' Holy Land*. Of its success he himself had doubts; and he bore the marks of it in the bodily weakness which shortened his life. Broken by seven years of such Christ-like sympathy and toil, he returned to England. After four years of retirement, he laboured with great acceptance in the home work, proving himself an exemplary pastor. His last two years of failing health were heroic in his effort to do the same holy, loving, and efficient work that had marked his whole ministry. His preaching was by tenderness, persuasiveness, and the clear statement in simple though frequently pictorial language of the great truths of our religion. He was a profound student of the Word in both Hebrew and Greek. His familiarity with the various schools of theology and philosophy, his knowledge of the religions of the East, and his deep insight into the human mind, made him a great teacher. What he taught he lived. He passed home on March 20, 1913, deeply loved and honoured.

(31) Alfred J. Harvey: born at Cowes, Isle of Wight, October 2, 1877. Blessed with Christian parents, he was a follower of Christ from his earliest years. Trained for a business career, there afterwards came to him the call of God to become a Methodist preacher, and under the influence of Rev. Joseph Dixon he offered himself and was accepted by the Conference of 1899. Entering Handsworth College, he applied himself with great diligence to his studies, and won the respect and affection of his tutors and fellow students. After eleven years of circuit work he was unexpectedly called upon to face a surgical operation, from which he rallied; but suffering a relapse, he died in great peace on Good Friday morning, March 21, 1913. He was an expository preacher, an enthusiastic student, a faithful pastor, a lover of young people. He delighted in the brotherhood of the Methodist ministry. He was a man of the highest Christian character, and manifested always a devoted spirit. The truths he preached sustained him during the days of weakness and pain, and the fragrant memory of his life, short though it was, will be treasured by all who were privileged to know him.

(32) John Jenkin: born at Stithians, in Cornwall, in 1840. He was one of three brothers, Richard, Thomas, and John, who became devoted Wesleyan ministers. He was converted to God in the days of his youth, and at once gave himself to active Christian work. In 1862 he was accepted as a Candidate for the Ministry. After two years at Richmond College, he was for some time engaged in work amongst soldiers, first at Aldershot, under the superintendency of Dr. Rule, and later at Sheerness in association with Rev. C. H. Kelly. His circuit ministry was greatly blessed. His mind was enriched by a wide acquaintance with the best literature. His ideal of the pastoral office was very high, and his attentions to the sick and sorrowing were unremitting. He excelled as an administrator, and occupied with distinction the chair of the Exeter District. Pure in thought, gentle in

spirit, affectionate in disposition, and constant in service, he adorned the doctrine of God our Saviour in all things. The last few years of his life were spent in the Bristol (Redland) Circuit where he was much beloved. His great delight was pastoral visitation, and his ministry of prayer and consolation brought strength and comfort to many sad hearts. After a long illness borne with Christian fortitude, he peacefully entered into rest on March 26, 1913, in the seventy-third year of his age and the forty-ninth year of his ministry.

(33) SIDNEY J. P. DUNMAN: born at Bridgwater in 1843. His parents were devoted Methodists, and exercised a wise and strong spiritual influence over their children. At the age of sixteen he removed to Bristol and was there led to Christ. He at once joined the Church, and became an active Christian worker. In 1864 he was accepted as a Candidate for the Ministry. After three years at Richmond College he was appointed to Macclesfield. Here, his association with the venerable Dr. George Scott quickened an enthusiasm for foreign missions which never waned. From the first he set himself to the conscientious discharge of all the duties devolving upon him, and in every circuit established himself in the grateful remembrance of the people. His preaching was impressive, practical, and intensely evangelistic, and was frequently followed by numerous conversions. He lived very near to God, and impressed all who knew him by his uncompromising fidelity. He had great musical ability, and one of his chief services to Methodism was in connexion with its psalmody. He was widely known as a composer, and several of his compositions are included in the Kaffir, Japanese, Portuguese, and Italian Tune Books. After forty-six years of service he was compelled by failing health to become a Supernumerary, and retired to the city from which he entered the Ministry. Up to within a few weeks of his death he cheerfully served the various circuits in the District, and, after a few weeks' illness he was suddenly summoned to the higher service on

March 30, 1913, in the seventieth year of his age and the forty-seventh of his ministry.

(34) JOHN KIRTLAN: born at Alne, near Easingwold, in 1836. For forty-nine years he did the full work of the ministry. As Superintendent of a circuit he carried through many building schemes and attended to every detail of our discipline, but he never forgot that above everything else he was called to win men for Christ. He was pre-eminently an evangelist, and in his early ministry rarely preached without conversions. To the end it was his privilege to lead many to the Saviour. He was a faithful pastor, not content to visit only his own people, but going from house to house, seeking to bring the lost to Christ. In some circuits he visited thousands of houses in this way, with results which only the great day will declare. In every circuit he preached frequently in the open air, and thus rescued many from sin. By wise and careful husbandry of time, he was able to secure a definite portion of every day for reading and sermon preparation. Possessed of great physical energy, he rose early and worked late. Every hour found its allotted task, and few have had a more strenuous ministry. Duty was transmuted into privilege, and in his Master's service he found his highest joy. Careful in the use of money, he gave systematically and generously to the cause of God. He was a man of unblemished character, and the absolute consecration of his early years was never withdrawn. There is little wonder that he won esteem and affection everywhere, and left every circuit better than he found it. When he became a Supernumerary he worked almost as hard as before, and almost to the last. He died at Southborough, Tunbridge Wells, on April 2, 1913, in the seventy-seventh year of his age and the fifty-fifth of his ministry.

(35) JOHN PIERCE: a native of Carnarvon, born May 17, 1831. He received his first ticket of membership when

about fourteen years of age. Soon afterwards he was converted to God. He began to preach when he was seventeen years of age, and was accepted for our Ministry in 1855, and sent to Didsbury College, where he spent three successful years. He began to travel in the North Wales District, in which he spent his whole ministerial life. He was a diligent pastor, a capable and painstaking Superintendent. As a preacher he was practical and evangelical. His apt use of scriptural quotations, both in his prayers and sermons, was very striking. During the revival of 1859 his preaching was owned of God to the conversion of many. He became a Supernumerary in 1898, and resided in Llangollen for seven years, when he removed to Ruthin, from which place he entered into the joy of his Lord, on April 8, 1913, in the eighty-first year of his age and the fifty-fifth of his ministry.

(36) Joseph Sanger: born October 11, 1851, at Penryn, Cornwall, being the son of the late Rev. Joseph T. Sanger. He was a Methodist of the fourth generation, his great-grandfather being among the first influential supporters of our Church in Salisbury at the beginning of the nineteenth century. He was accepted as a Candidate for the Ministry and entered Didsbury College in 1871. For nearly fifty years he enjoyed robust health, and faithfully served as a minister, mainly in country circuits, for twenty-seven years. He was a thoughtful and interesting preacher. His constitution was undermined by fen ague, followed by a severe attack of rheumatic fever. In 1900 he retired for a year and in 1902 finally from the active work. The frequency and affection with which he referred to his circuits testified to his love for the work of a Methodist preacher. Towards the end he suffered much pain, but passed peacefully home on April 9, 1913, in the sixty-second year of his life and the thirty-ninth of his ministry.

(37) William Wandless: born at Barnard Castle, March 29, 1853. While serving his apprenticeship under a godly and

enthusiastic class-leader he became a member of Society, and soon began to exercise his gifts in preaching throughout the villages of Teesdale. Becoming a local preacher in 1876, he was accepted the next year as a Candidate for the Ministry. After a year as a supply he spent the usual term of training at Didsbury College. He was a close observer of men and things, as well as a wide reader, and possessed a store of information and knowledge of affairs far above the average. He took high rank as a preacher of the Word, his sermons being well prepared, interesting in matter, and arresting in delivery. In the Bradwell Circuit he rendered great service in the erection of new chapels. His work among young people and his classes for local preachers (his favourite work) met with much appreciation. As a colleague he was loyal and brotherly, a faithful friend and true helper. His superintendency was marked by sound judgment, wise counsel, and judicious business administration. A spiritual atmosphere and fervour were created in all meetings over which he presided. On leaving Rotherham in 1895 he retired for a year's rest, becoming a Supernumerary after five years more of active service. On April 13, 1913, he passed away suddenly at the close of a quiet and peaceful Sunday.

(38) W. Cornelius Jones: born in 1849 in Manchester, of Welsh parents. He was converted at the age of seventeen in a revival at Earlestown, in the St. Helens Circuit, under the ministry of the Rev. Walter Vercoe. A year after his reception into the Church the call came to preach, and he entered the Ministry in 1873. His first appointment was Kilkhampton, where a gracious revival was experienced, and for nearly forty years he served in many important circuits. As a preacher he was essentially evangelistic, and large numbers were led to Christ under his ministry. It was as a faithful circuit minister that the work of his life was accomplished. He won the love and confidence of all who knew him, and in all his circuits witness was borne to his fidelity as

a pastor and his loyalty as a colleague. In administration he was methodical and diligent, showing a constant interest in all the details of a Superintendent's office. His high character, unflinching integrity, and unfailing courtesy won the admiration of his people. Throughout a long and distressing illness he never murmured, but accepted the inevitable as an indication of the will of God. His last days were filled with praise; patiently and with triumphant faith he endured to the end, and passed into the presence of his Lord on Sunday, April 20, 1913.

(39) Joseph Jackson: born of godly parentage at Poplar; December 18, 1856. When eighteen years of age he listened to the appeal of a Sunday-school teacher and gave himself to Christ. He began at once to engage in evangelistic work, revealing a passion for souls which was never lost. He was accepted as a Candidate for our Ministry at the Conference of 1880, and sent first to Headingley College, and then to Handsworth as one of the first students. After experience of mission work in Hull and in the East End of London, he was appointed at the Conference of 1900 to succeed Rev. Charles Garrett as the Superintendent of the Liverpool Mission. Here, under his wise and skilful direction, the Central Hall was erected on a valuable site in the city. There for a number of years he exercised a varied and most fruitful ministry in the rescue of the fallen, the recovery of the wayward, and the salvation of the lost, his work being gratefully recognised by the citizens. Truly modest and single-hearted, he was full of the charity that seeketh not her own. When the Conference met in Liverpool in 1912, his brethren showed their appreciation of his worth by electing him into the Legal Hundred. His excessive toil undermined a somewhat vigorous constitution; an insidious disease, which was borne with true Christian spirit, terminating his life and labours on April 30, 1913, in the fifty-seventh year of his age and the thirty-first year of his ministry.

(40) GILBERT E. KENNAUGH: born at Castletown, Isle of Man, January 5, 1862. The influences of a godly Methodist home were not lost upon him, and at the age of fourteen he was brought to decision for Christ, and immediately manifested the passion for Christian work which was characteristic of him throughout his life. At the age of sixteen he became a local preacher, and it was soon made evident that he was called to "do the work of an evangelist." Before he was eighteen he was in great request to conduct missions in the Isle of Man, and scores were converted to God, much of the fruit remaining to this day. During two years of business training in Liverpool, his preaching was so signally owned of God that he was persuaded to offer himself for the Ministry. Hardly a Sunday passed during his college career without his witnessing conversions, and in several instances there followed times of revival. His experience of circuit work was curiously varied, but whether in the rural mission or at the city church, he remained a successful soul-winner. He was a man of earnest Christian character and of deep but simple faith. He was a diligent visitor, who found his way into many unusual places. He had a special faculty for gaining the love of young people, but his warm-hearted, affectionate nature won response from all who knew him. He was mighty in prayer, and congregations whose devotions he led were conscious that he had been much in the secret place of the Most High. In spite of domestic affliction, which at times weighed heavily upon him, he was bright and cheerful. After some sixteen months in the Bayswater Circuit his health gave way, and he had two years of weakness and suffering borne with patience and resignation. "I am learning," he said, "that being is more than doing." He passed away very peacefully on May 13, 1913, in the fifty-second year of his age, and after only twenty-three years of active work in the Ministry.

(41) LEWIS OWEN: born at Llandecwyn, Merioneth, June 22, 1851. His parents were Methodists, and early in

life he made a definite surrender to Christ. In 1873 he entered our Ministry and began a life-work of great worth and of stainless record. He was a man of sterling integrity, with a strong sense of personal honour, and his influence was pure and uplifting. He was a loyal Methodist and a strong administrator, who loved our polity and preached our doctrines. His preaching was evangelical, and he was devoted to the suffering and the needy. His genial, sympathetic disposition endeared him to all who knew him. Although he had been ill for a long time, the end came somewhat unexpectedly on May 14, 1913, in the fortieth year of his ministry.

(42) Robert Davidson, M.A.: born at Port Elphinstone, Aberdeen, January 21, 1833. He came of a distinguished Methodist family; his grandfather was an associate of John Wesley, while many of his relatives have occupied responsible positions in business and in civic affairs. Educated at Aberdeen Grammar School, and later at the University, where he took his M.A. degree in 1851, he became a master at Kingswood School, preached his first sermon in the Bath Circuit in 1853, and was accepted for the Ministry three years later. Those who knew him best were impressed by the purity of his life, his generosity, his high ideal of duty, and his stern devotion to it. In fifty years he missed but one appointment. His prayers were rich and devout, his preaching was scholarly, evangelical, and earnest; his pastoral work was devoted and efficient. His early training and business-like habits, combined with a sound and shrewd judgment, made him a wise and capable administrator of the several circuits of which he was the Superintendent and of the four Districts of which he was Chairman. In 1894 he retired from the active work, but for seventeen years he rendered the Ramsey, Isle of Man, Circuit valuable service as preacher, pastor, and class leader. He passed to his reward on May 16, 1913, in the eighty-first year of his life, for sixty years of which he was a faithful and loyal Methodist preacher.

(43) Henry T. Brumwell: born at King's Lynn, September 23, 1848; a son of the manse. He was converted during his schooldays at Woodhouse Grove; began to preach while holding a scholastic appointment in Manchester, and entered the Ministry in 1871 after the usual term at Didsbury. For nearly forty-two years he continued in active work, being an earnest, evangelical, and interesting preacher, a pastor beloved by all with whom he came in contact, and a capable and painstaking administrator. He did good work as Chairman of the Zetland and Channel Islands Districts, and took a keen interest in all departments of Methodist life. He was remarkable for the friendliness of his disposition, and was especially endeared to the poor and suffering. In 1911 he removed to Ramsey, Isle of Man, but during his second year there began to fail. He bravely faced a serious operation, but his constitution was unequal to the strain. He passed peacefully away on May 18, 1913, in the sixty-fifth year of his age and the forty-second of his ministry, almost his last words being, "I want to preach." He leaves the fragrant memory of a faithful, kindly, and prayerful minister.

(44) George Beebee: born at Bilston, Staffordshire, February 6, 1851. He was a Methodist of the third generation. At fourteen years of age he decided for Christ, and started a juvenile prayer-meeting, in which several conversions took place. In 1872 he entered Didsbury College as a student for our Ministry. During his residence his evangelistic gifts revealed themselves, and he saw many conversions. He was for six years District Missionary in the Bristol and Bath and East Anglia Districts. He was a great evangelist, whose sermons were marked by freshness, lucidity, and careful preparation, and were delivered with telling effect. The note of his life was a passion for the salvation of men, and in this work, both as District Missionary and in his circuits, he laboured so strenuously that his health eventually gave way, and in 1903 he was obliged to become a Supernumerary.

This was a great blow to such an eager, active spirit, but he bore his distressing affliction and weakness with marvellous patience and fortitude, and glorified God in his severe trial. He was a man of noble character, a true peace-maker, one who lived near to God, "in labours more abundant." He passed into the light of God's presence on May 19, 1913.

(45) HENRY T. MEAKIN: born at Chellaston, near Derby, February 9, 1855. At the age of fourteen he entered the service of the Midland Railway, where his remarkable aptitude for business and great organising capacity made his advance rapid. Before he left the service of the company he was charged with great responsibility and had high promotion within his reach. At seventeen years of age he was converted and soon began to speak at cottage services. In 1886 he founded a very successful mission in the Litchurch district of Derby. The call of such work proved irresistible, and at the end of 1889 he joined the Rev. J. H. Hopkins in the formation of the South London Mission. His signal success in filling Locksfields Chapel led to his being accepted as a Candidate for the Ministry in 1892. He projected the Great Central Hall, Bermondsey, and with the co-operation of Rev. J. H. Hopkins carried this great scheme through free of debt. The Hall was opened in September 1899, and from that time he took charge both of the services and of the manifold organisations of a mission in one of the poorest districts in London. To exceptional organising power he added a singularly tender heart and unsparing personal devotion. His love of children drew them round him in crowds. He spared no pains in succouring the fallen and distressed and his ministry was attended by numerous conversions. The incessant strain of such unstinted labour proved too much for his strength, and his health entirely broke down in 1908. From that time he lived in retirement at Hastings, helping his old mission in various ways and showing the same ardent zeal and tender sympathy that marked his whole career. Those who knew

him watched the growth, under sore discipline, of a beautiful patience and resignation to the will of God. After a few weeks of severe illness he passed to his rest on May 23, 1913, his last words being "Triumph! Victory."

(46) W. Davies Williams: born at Crickhowell; died at Porthill, Newcastle, Staffordshire, June 7, 1913. Led to early decision for Christ by the teaching and influences of a godly home, he responded to the call to preach the good tidings of the Kingdom, and after training at Didsbury, entered the work in 1857. In all his circuits he exercised a gracious, beneficent, and acceptable ministry. He loved to preach, and his genial presence was heartily welcomed. A man of high Christian character and strong personality, a good pastor, a loyal colleague, wise in administration, he rendered devoted and faithful service to his Lord and Master and to the Methodism he loved. Some of his best and happiest years were spent in the Potteries, where his memory is cherished and his work abides. He retired in 1902, and settled in the Newcastle Circuit (Staff.), of which he had formerly been Superintendent. As a Supernumerary he was brotherly and helpful in counsel. For some months he was laid aside, though without pain or suffering. The end came peacefully, and he died in the faith he had delighted to preach in the eighty-first year of his age and the fifty-seventh of his ministry.

(47) J. Alexander Armstrong: born at Primrose Hill, London, in 1830. His grandparents were Methodists in the days of Wesley. In early manhood he gave his heart to God, and at once became a local preacher in the Taunton circuit. He wished to enter the Ministry; but, being doubtful whether he was called of God, he resolved to be guided by his next service. That Sunday nine persons were converted under his preaching, and he felt he had a clear call to devote his life to God's work. He was accepted for the Ministry in 1852,

and was intended for work in the West Indies, but, in consequence of the Reform agitation, had to be sent immediately into the heart of one of the most disturbed districts. His ministry was fruitful of the best results. As a preacher he had few equals. Pithy, pungent, eloquent sentences arrested and held the large congregations who delighted to hear him. He was a master of words, and had a fine presence and splendid voice. Passion, pathos, and humour were all employed in the service of the great verities of God, redemption and eternal life, which he delighted to expound and enforce. He had great force of character, but, at the same time, was exceedingly modest. After forty-one years of faithful service he became a Supernumerary in 1893, at Scarborough, where, for ten years, he frequently preached. After a prolonged eventide among those who loved him best, beclouded only by his beloved wife's departure, he entered into rest on June 10, 1913, in the eighty-third year of his life and the sixty-first of his ministry.

(48) William D. Walters: born at Monmouth, October 16, 1839; entered the Ministry in 1865; entered into rest at Highgate, June 14, 1913. He served God from his youth up. This was largely owing to the influence of his parents, who were devout and earnest Methodists. His forty-eight years of strenuous and successful ministerial service were divided into two equal parts. The first twenty-four years were spent in circuit life. The gifts and graces with which he was so richly endowed were all devoted, not only to the large congregations with which he was associated, but to every family and every individual with whom he was brought into contact. He always preached on the great themes of the Gospel, which he presented in such a way as to reach the heart. In a very real sense he was also a pastoral evangelist. His strong human sympathies, sanctified by the grace of God, and his dignified and courteous bearing gave him much influence in the homes of our people. In this way he was greatly

blessed to the young. His message in the pulpit and his pastoral influence led large numbers to decision for Jesus Christ. To his latest days he exercised a converting ministry. The second twenty-four years of his ministerial life were devoted to the interests of the London Mission. He was appointed Secretary at a critical period in the history of that great movement. His gifts as a preacher and speaker, his great influence with his brethren in the Ministry, his deep sympathies with the poor and the outcast, together with his wonderful powers of organisation made him an ideal man for his difficult post. He was welcomed in all parts of the country, and not only stimulated our people to great generosity on behalf of London, but kept burning in their hearts a holy passion for the salvation of the poor and helpless in all our great cities. He was greatly blessed in his family life, and when the last moments came he was surrounded by sons and daughters who are walking in his footsteps and who will regard the memory of his life and service as their most precious possession.

(49) W. Langdon Brimmell: born at Launceston, June 4, 1853. Trained by godly parents, he gave himself to Christ at the age of fifteen. In 1878 he was accepted for the Ministry, and in 1892 appointed as Military Chaplain at Canterbury. Excellent as had been his work as District Missionary and circuit minister, he now found his true vocation. For twenty years at Canterbury, Shorncliffe Camp, Portsmouth, and Devonport his work lay with soldiers and sailors. He had untiring energy and excellent organising ability, and the elements of gentleness, firmness, and brotherliness were so mixed in him as to make him trusted and loved by those for whom it was his joy to labour. His name will always be associated with the building of the magnificent Wesleyan Homes for Sailors and Soldiers in Portsmouth, where he laid the foundation of our very successful Naval and Military Mission. While he cared for the happiness and well-being of those committed to his care,

he never forgot that he was first of all a preacher of the Gospel, and strove with much success to win the men for God. His funeral at Devonport testified most unmistakably to the esteem and affection in which he was held by officers and men alike. For twenty years he served faithfully and efficiently as a Financial Secretary in three Districts. His was a brave spirit, leading him to do his work under physical conditions that would have induced many men to retire from active service. It was almost literally true that he ceased at once to work and live on June 23, 1913.

(50) Daniel Eyre: born at Edale, Derbyshire, September 21, 1845. After training at Didsbury he laboured for the most part in wide country circuits, exercising a faithful and useful ministry. His sermons were carefully prepared, thoroughly evangelical, and gave prominence to the essential and saving truths of the Gospel; and in some of his circuits it was his joy to witness gracious revivals of religion and the conversion of sinners. He was methodical and judicious in the management of circuit affairs, a diligent pastor, and of a kind and genial disposition. He was truly beloved and esteemed, and was made a blessing to many. The last few months of his life were somewhat clouded, as he passed through severe suffering, but he humbly submitted to the Divine discipline, and his sorrows were sanctified. Trusting in the merits of his Redeemer he was kept in peace, and after much suffering, patiently borne, he died at Tunbridge Wells on June 24, 1913, in the sixty-eighth year of his age and the forty-first of his ministry.

(51) William Phipps: born at Bladon, near Oxford, in 1850. Early left fatherless, he owed much to his devoted Christian mother. Educated at our Oxford Day School, he became a teacher and entered Westminster Training College. In 1870 he began eight years' strenuous work at New Brompton, Gillingham, Kent, where as Head Master he laid the founda-

tions of our prosperous Higher Grade School. In 1878 he entered the Ministry. As District Missionary in Cornwall he witnessed many conversions, and as circuit minister and Superintendent he gave all his powers to the Church. A man of sound judgment and fine spirit, he shared in a great degree the sorrows and joys of others. A keen sense of order and duty manifested itself in every detail of his work. His preaching was based on wide reading and deliberate conviction of Scripture truth. After a severe surgical operation he passed away on June 27, 1913, in the sixty-third year of his age and the thirty-fifth of his ministry, leaving to his family and to his Church a holy and inspiring memory.

(52) James F. Pyle: born at South Shields, November 12, 1840. Blessed with Christian parents, there were gracious influences about him from his earliest days. At the age of fourteen he gave himself to Christ, and found a sphere of service in the Sunday school, and afterwards as a local preacher. He was accepted as a Candidate for the Ministry in 1861, and sent direct into circuit work, where he served with great acceptance and success. As a preacher he was evangelical, fluent, and popular. Spiritually minded, methodical, and diligent as a student of the Word, he possessed a remarkable grasp of modern literature. He was a devoted minister, a loyal colleague, a wise counsellor, and a choice friend. Always bright, genial, and warm-hearted, he was welcomed wherever he went because of the radiance of his Christianity. After his retirement from the active work in 1905, he settled at Southsea, where he bore patiently the discipline of physical infirmity till on July 13, 1913, he entered into rest, in the seventy-third year of his life and the fifty-second of his ministry.

(53) George Piercy: born at Pickering, February 27, 1829. He was brought up under religious influences and became a successful local preacher. The condition of China forced itself

so powerfully on his heart that he resolved to go out to proclaim Christ in that vast Empire. The Missionary Society not being able to open a new mission in China, he went out on his own responsibility, but with letters of introduction from the Mission House. In January 1851 he landed at Hong Kong, where he preached to the soldiers and led many into Church fellowship. The following year he was accepted as one of our missionaries, and his example inspired others to give generous and personal help to the great work of winning China for the Gospel. From Hong Kong he moved to Canton, where he did much service as a preacher, and translated hymns, Scriptures, and *The Pilgrim's Progress* into Cantonese. His way was barred at almost every step, but he met difficulties with heroic courage and determination. After thirty-two years of strenuous toil he returned to London, where he did valuable work among the Chinese. He lived to see the land for which he had made many sacrifices thrown open to missionary enterprise, and to find the whole Church awake to the greatness of its opportunity and responsibility. He died in faith and hope on July 16, 1913.

(54) John Wilson, B.A., B.D.: born at Maryport, Cumberland, January 21, 1849. After some experience in journalism, he offered for our Ministry, was trained at Richmond College, and entered upon circuit duties in 1874. He was an incessant toiler, and in the midst of his ministerial work won his degrees from London and St. Andrews Universities. But, while he valued such distinctions, his heart was on fire with a passion for souls. His work lay mainly in our great cities. He was chiefly instrumental in the formation of the Glasgow (North-West) Mission. When in Bradford he carried through the erection of the Eastbrook Hall. Perhaps his most fruitful fields of labour were the Sunderland Mission, and Preston, where he founded a Brotherhood which is still in vigorous operation. The poor and the needy always found in him a helper. He was pre-eminently a man of the

people. Among his brethren he was genial and affectionate. He was a clear expositor and a vigorous and powerful preacher. There is no doubt that the prodigality with which he spent his strength shortened his days. At Newton Abbot in February 1913, he was partially disabled by a stroke, but with rare courage struggled back to his home in Bristol. His resignation in the midst of pain and weakness was admirable. For a while he partially recovered, then his strength failed, and he fell asleep at Askwith, near Otley, on July 20, in the sixty-fifth year of his age and the thirty-ninth of his ministry.

2. In Ireland, one :

(1) William Nicholas, M.A., D.D., LL.D. : born in Wexford, December 22, 1838, of English parentage. He was educated at the Royal Academical Institution, Belfast, and graduated at Trinity College, Dublin. By searching the Scriptures and hearing the Word of God faithfully preached, he was led to trust in Christ as his Saviour. He was accepted for the Ministry in 1861, and travelled in some of the most important circuits in Ireland. At Portadown he spent three terms. He quickly came into prominence in the councils of the Church, and in 1893 was elected to the Legal Hundred. On two occasions he received the honour of the Vice-Presidency. In 1895 he was appointed President of the Methodist College, in succession to Dr. M'Cutcheon, in which position he remained for thirteen years. In 1908 he became a Supernumerary, but his services were in constant demand in various parts of the country. He attracted large congregations, and the clearness and force, as well as the freshness of his sermons, compelled wide attention. In 1893 he delivered the Fernley Lecture in Cardiff on "Christianity and Socialism." For some years he was a member of the London Committee of the Evangelical Alliance. For a number of years he served as Secretary of the Education Committee, and for several years was a member of the Senate of the Royal University of

Ireland. On the dissolution of this University he received the honorary degree of LL.D. He was before everything a Methodist preacher, devoted to his work, and successful in circuit administration. He was a wise counsellor, a chivalrous opponent, and a warm-hearted friend. His faith in the Gospel was complete and unhesitating, and he preached it with the accent of conviction. He had an accurate acquaintance with the polity of our Church, and was proud of its traditions and a convinced believer in its message and mission. As a student he was diligent and had an extensive knowledge of ancient and modern literature. He took special interest in Candidates for the Ministry and in junior ministers. He was a man of perfect courtesy, of genuine human sympathy, of true courage, and of strong piety. He had gone to Portrush for a few days' rest, and there, with startling suddenness, on September 23, 1912, he passed into the rest and joy of his Lord in the seventy-fourth year of his age and the fifty-second of his ministry.

3. In our Foreign Missions, nineteen:

(1) PHILIP TEARLE: born at Leighton Buzzard, January 19, 1850. He was converted to God when fourteen years of age, was accepted for the Ministry in 1871, and sent to Didsbury College, but owing to failure of health his term there was brief. He went out to South Africa in the hope of regaining his health, and rendered valuable service, first in the Transvaal and afterwards under the South African Conference. He took a leading part in the building up of our Church in South Africa. For two years he was Secretary of the Conference, and in 1896 President. For three years he was set apart as Secretary of the Twentieth Century Fund. In these important offices he displayed marked ability, and in a singular degree established himself in the affection and confidence of our Church. As a pastor he won the love and respect of his people, and proved himself a sympathetic friend and a sagacious counsellor. As an administrator he was courteous and ap-

proachable, though fearless and resolute where duty required. His sermons were marked by original thought, choice diction, and evident culture, and were a blessing both to young and old. His ministry was a power for good, and his memory will be long and affectionately cherished. After a few years' rest in England, he returned to South Africa in 1910, and died at Queenstown on May 16, 1912.

(2) James E. Payne: born in Barbados in 1860. His family belonged to the James Street Congregation, and he became a member there in his early years. In 1880 he was accepted for our Ministry, and was trained at the Theological Institution, York Castle, Jamaica. His first appointment was to the San Fernando Circuit, Trinidad. After a few months he was transferred to Grenada, where he completed his probation, and where, somewhat pathetically, he died on June 3, 1912, while visiting his son, who had just followed him into the ranks of the Ministry. He was one of the ablest of our West Indian ministers—a gifted preacher and a wise administrator. Humble and devout, he won the affection of our people and rendered in many ways valuable service. His chief work was done in the Islands of St. Vincent and Barbados. In the latter he served with distinction as Chairman of the District, and Chapel Secretary under the late Eastern W.I. Conference. But the breakdown of his health compelled him to become a Supernumerary in 1909, after only twenty-six years of service. During the years of his retirement he endured patiently much suffering and weakness, and, as the end drew near, he gave confident testimony to his trust in his Saviour.

(3) Andrew W. Parker: born on February 28, 1840, at Anamaboe. He received his education in our school. His conversion took place at an early age. In 1875 he offered as a Candidate for the Ministry, and continued in active service for thirty-two years. He was a great revivalist. He devoted a good deal of his time to Fanti Literature,

translating the whole of the New Testament, the Prayer Book, the Catechism, portions of the Old Testament and some hymns. He was devout in spirit, earnest in work, and successful in circuit administration. In 1904 he became a Supernumerary. The close of his life was spent in much weakness and ill health, but he patiently submitted to the Heavenly Father's will. He passed peacefully to rest on June 9, 1912, in the seventy-third year of his age and the thirty-ninth of his ministry.

(4) Philip Rees, B.A., B.Sc., M.D.: the son of the Rev. Allen Rees, born at Northampton in 1877. The usual surroundings of a Methodist preacher's home influenced him from his earliest years. His education was received at Woodhouse Grove, Didsbury College, the London School of Tropical Medicine, and the Charing Cross Hospital, where he had a brilliant course. His ability as a physician and his acquirements in scientific knowledge were known and recognised beyond the borders of our own Church. His missionary career was confined to Fatshan and Wuchow. He possessed in an eminent degree the qualities which win esteem, and was beloved both by his English colleagues and the native Christians. He was intensely devoted to his work, and was always considerate of others. His ripe wisdom was also noteworthy. He was the subject of deep spiritual experience, and what he loved to preach he did not fail to practise. He was never robust, but during the two or three months before his decease, he was comparatively vigorous, and full of plans for the future. The end came with startling suddenness. He left Wuchow for his summer holiday without any suspicion of danger, but thirty-eight hours afterwards he had to face a serious operation. All that medical skill could do was done, but he passed away in peace on August 3, 1912.

(5) Luigi Bossi: born August 22, 1877, at Intra. He was a son of the manse, and in an atmosphere of faith and piety

was early led to decision for Christ. While studying as a youth in Milan he was active in Sunday-school work, and early resolved to dedicate himself to the ministry. In 1897 he entered the Theological Faculty in Lausanne, and for four years pursued his studies with diligence. During his college course he was remarkable for his devotion to a mission which he carried on among the labouring classes in the vicinity. His first charge was in Biasxa, whence he passed to Cremona. His ministry in that clerical centre and the surrounding agricultural villages bore much fruit. Eventually he was sent to St. Maria, and ultimately was appointed to Fromcesco Melzi in Milano, where his labours were followed by much blessing. During his short illness his thoughts and conversation were invariably about his work, and his last words were a prayer that God would bless the Methodist Church throughout the world. He fell asleep September 4, 1912, in the thirty-sixth year of his age and the fourteenth of his ministry.

(6) William B. Rayner: born at Westbury, Somersetshire, in 1835. He gave his heart to God in early manhood, and became a local preacher in the Ledbury Circuit. Going out to South Africa, he was for a short time a teacher at Peddie. In 1863 he offered for the Ministry and was appointed to the Morley Circuit. As the first resident minister at Tsomo he did very successful work, being greatly beloved by the natives. Subsequently he travelled in some of the more important English centres, such as Queenstown, Kingwilliamstown, and Pietermaritzburg; his last appointment being Port Elizabeth. In 1900 he was President of the Conference. In 1902, after thirty-nine years in the active work of the ministry, he became a Supernumerary. He had a bright and genial personality, and in the pulpit was clear, fresh, and forceful. Throughout a long life he was diligent and faithful in the service of his Master, while in both English and native work his ministry was most acceptable and fruitful. His

last days were spent in retirement on the farm of his sons in the Cradock District, and on September 16, 1912, he passed peacefully away in his seventy-seventh year.

(7) Sidney James Smith: born of Methodist parents at Plumstead, July 1, 1884. His early Christian training led to a definite surrender to Christ at the early age of eleven. After some years of preparation for the teaching profession he became a candidate, and was accepted for the Ministry in 1906. He spent a year in a Yorkshire circuit and three at Headingley College, where he was known as a diligent student. His ambition was to become a missionary to China, but he was ultimately appointed to Jamaica in 1910. He entered with enthusiasm into the work there, manifesting special interest in the young, and an earnest evangelical spirit. A promising career was unexpectedly cut short by a serious attack of dysentery, to which he succumbed on September 22, 1912, after some weeks of suffering born with Christian patience. His short ministry was blessed with visible and abiding fruit.

(8) Samuel Nathaniel: born in 1838, fell asleep in Jesus at Bangalore, November 14, 1912. He entered the Indian Ministry in 1885, after serving for twenty years as an evangelist, during which time he gave full proof of his fitness for the yet more responsible work of the Ministry. Tamil by birth, he qualified himself to preach the Gospel with equal ability both in the Kanarese and Tamil languages, and by his tact and grace contrived to make himself and his message acceptable to men of both these races. He laboured in nearly every mission station in the Mysore District, striving with untiring diligence for the conversion of men of other faith and for the edification of the Christian Church. Journeyings and privations, opposition and toil, were all cheerfully endured for the name of his Lord. His zeal appeared to become more pure and intense as the years passed. His last

words to his family sounded again the dominant note of his life's service, the sufficiency and supremacy of Jesus Christ and his own joy and rest in His presence.

(9) H. Donald Spencer: born July 13, 1886. After the Conference of 1911 he volunteered for work in the Honduras District. He had then been for two years at Richmond, having spent one year in the Shetland Isles previous to his entering college. He arrived in Honduras in November 1911, and seemed in every way fitted for the work. After the Synod of 1912 he remained in Belize and took charge of the Ebenezer Church, but it soon became apparent that the climate was affecting his health. His preaching was marked by careful thought and earnestness, and he was supremely anxious to further the Kingdom of God in the hearts of men. At first he helped at the High School during some mornings of the week, but that was afterwards given up, as he had not the strength for this and the church work. He continued his duties as far as his strength would allow until a day or so before his death. On November 21, 1912, he was called to higher service in the twenty-seventh year of his age and the third of his ministry.

(10) Solomon David: born in Tinnevelly in 1863. His father was a minister in the Church Missionary Society, and under its agents he received his early education and training. While quite young he entered the educational work of our Society at Trichinopoly and became a Methodist by conviction and choice, throwing himself heartily into all the activities of the Church, and speedily approving himself as a preacher of the Gospel. In 1892 he entered the Ministry, and for twenty-one years he served in turn almost every station in the Negapatam District, everywhere winning the confidence of the members of the church, the love and unfeigned respect of his brethren in the ministry, and showing himself to be possessed of remarkable gifts in many directions. When a new circuit was formed at Porathagudi, he

was the first Indian minister in the District to be placed in independent charge. As a preacher his utterances were marked by clearness, courage, and great convincing power; as a leader of the Indian Church he showed special ability in organisation, and in the direction of the Church towards independence and self-support. Some of his most valuable work was the writing of fresh and simple presentations of the truth that arrested the attention of the Tamil Christians, and the share which he took in the translation into Tamil of *The Marrow of Methodism* will long be an influence in moulding the thought of the Ministry in South India. In the latter years of his life he was called upon to bear heavy sorrows. The loss of a dearly loved son almost broke him down, and undoubtedly hastened his own end. He was a strong pillar of the Church of Christ where the need of such men is unspeakable, modest, strong, wise and faithful, a brother deeply loved and greatly mourned. He died on December 2, 1912.

(11) GEORGE HOBDAY: born in South India in 1830. In early life he came under the influence of the Wesleyan missionaries, and when he came to manhood his thoughts turned towards work for Christ. As there was then no Methodist College he entered the S.P.G. College in Sullivan's Gardens, Madras, where he made good progress in his studies. After a short period of service in the S.P.G. Mission he offered himself to the Methodist Church, and in 1857 was accepted as a probationer. For thirty-six years he laboured in the various stations of what is now the Negapatam District. For many years he was in charge of the lonely station of Dharapuram, where he was a pioneer in a field where there is now growing and fruitful work. He was a painstaking student, a remarkable Tamil scholar, a powerful evangelist, and a faithful expositor of God's word. In street-preaching he had a special power of presenting Christian truth in the vernacular in such a way as to hold the attention of the restless crowd. He retired from the active work in 1893, and for the next

nineteen years lived at Ootacamund, taking much interest in the Church there, and occasionally conducting Tamil services. He passed to rest on December 16, 1912, in the fifty-sixth year of his ministry.

(12) Benjamin Chicken: born April 13, 1884, and brought up in a Christian home in Newport, Mon., from which circuit he entered the Ministry. After three years at Handsworth he was appointed to the Honduras District, where he was permitted to work for two years only. He attracted friends and disarmed opposition by his kindliness of manner and cheerfulness of disposition. He was extremely painstaking in detail and thorough in the accomplishment of whatever work he took up. Though carefully nurtured at home, and physically sensitive to a high degree, he readily accepted the hard and trying conditions of the post to which he was last stationed. He seemed to be robust in health, and scarcely complained of sickness until within a few days of his death. He was then on his way to supply for a colleague who had died in Belize. He preached at Utilla, where his last sermons produced a deep impression, and the next day fell sick. His mother, to whom he was greatly devoted, preceded him to the better land by only a few days. His own call came quickly, and on December 20, 1912, he laid down his life in the twenty-ninth year of his age and the fourth of his ministry.

(13) Joseph A. Markin: born of heathen parents at Mankwadsi, in the Winnebah Circuit. Converted in early life, he joined the mission work as an agent. In 1886 he was accepted as a Candidate for the Ministry, and was appointed to the Abura and Aburi Circuits; he worked also in the Ashanti Mission and in the Obuassi Circuit, where he died from a long-standing complaint. As a preacher he was evangelical, earnest, and interesting. He was an excellent pastor. His end came somewhat suddenly on January 2, 1913, in the twenty-seventh year of his ministry.

(14) Reginald W. Baker: son of Rev. W. T. Baker, born May 18, 1881. After a course of training at Richmond College he was appointed to the Bahamas District in 1907. His genial disposition soon won for him many friends. He took a great interest in the young, and was continually devising schemes for finding them profitable employment and for attaching them to the Church. By the coloured people he was specially beloved. He was an enthusiastic believer in medical missions, and as there was no doctor in the circuits in which he laboured, he tried, so far as he was able, to bring relief to the suffering. His sermons were earnest, evangelical, and practical, and he fearlessly attacked the prevalent social evils. In the last service he conducted in his own church he had the joy of seeing several brought to Christ. He was taken ill with typhoid fever, and had to travel a distance of seventy miles by sea in a sailing boat to reach the doctor in Nassau. When he arrived it was too late for medical skill to save him. He was called home on January 30, 1913, in the thirty-second year of his age and the sixth of his ministry.

(15) Samuel Ntsiko: born at Farmerfield, near Grahamstown, South Africa, in 1844. His parents were devoted Methodists, who early associated their child with the services of God's house, and carefully fostered his religious life. Under a sermon preached by the Rev. W. C. Holden at Uitenhage he was led to serious thought, and ere long to a conscious experience of saving grace. He at once began to witness for the Master and to devote his gifts to various forms of Christian service. He was accepted by the Conference of 1880, and sent to Healdtown for training. His first appointment was Uitenhage, where he entered on his work with great fervour. For thirty-one years he discharged the duties of the ministry with more than ordinary diligence and success. For about two years before his death he suffered much from weakness, but his long affliction was borne with exemplary

patience. He testified repeatedly to his possession of peace with God, and his reliance on the merits of the Atonement; his only regret being that his work as a preacher was done. Being asked whether he had any message to send to the people, he said, "Tell them I die in the faith and living hope of the Gospel which I have preached to others." On the last day of consciousness he called his children, read the 22nd chapter of the Revelation, and committed himself and them to the mercy of God. On February 8, 1913, he calmly fell on sleep in the sixty-ninth year of his age and the thirty-third of his ministry.

(16) CHARLES M. CHINNAPPAH: born December 1868, of non-Christian parents. Whilst in the Jaffna Training Institution he was converted and received into the Church by baptism. Soon after his parents and other relatives were, by his efforts, brought to Christ. For several years he was a successful teacher. In 1907 he offered as a Candidate for the Ministry, and was received on probation. He won the respect of all as a faithful and conscientious minister of Jesus Christ. He delighted in our day schools, and at the time of his death this work was full of promise. The poor and the oppressed found him a true and ready helper. In all his labours and difficulties prayer was his refuge and resource. In his dealing with non-Christians he wisely sought to win their affection rather than to arouse prejudice. As a preacher he was simple and original, and his pulpit ministrations were helpful to his people. Full of zeal and energy, a useful ministry of many years seemed to lie before him, but on March 7, 1913, at Puttur, without any previous illness, he suddenly expired.

(17) JUAN CASTELL: a native of Majorca. The son of Roman Catholic parents, he was nineteen when Protestantism was first introduced into the island, and was one of our earliest converts. As a local preacher he was a diligent student and a successful evangelist, and in 1880 was accepted

as a Candidate for the Ministry. He sacrificed good prospects and severed himself from the rest of his family. For many years he laboured devotedly in different parts of the Balearic Islands, and, until his physical powers began to fail, was a powerful preacher, especially in his native dialect. In 1907 he became a Supernumerary and settled at Palma, preaching occasionally and administering the sacraments After a long and trying illness, borne with Christian resignation, he entered into rest on March 13, 1913.

(18) Leong On Tong: born in the Sunwui District, Kwangtung Province, China, in 1827. As a young man he was attracted to Australia and worked in the gold-mines there. While living near Castlemaine, Victoria, he came under the influence of a Chinese Christian preacher, and very soon accepted the truth, being baptized in the year 1864. Not long after his conversion he became a preacher, and some years later was admitted to the Ministry, being ordained at the Victoria and Tasmania Conference of 1876. He continued to labour under that Conference until 1884, when he became a Supernumerary and settled in Hongkong, being thus transferred to the British Conference. He practically founded the Chinese Methodist Church in that colony, and to the end he watched over it as a faithful pastor. He loved preaching, and only when eighty-four years of age did he cease to take appointments on the plan. He always kept before the Chinese members in Hongkong a high standard of Christian life and experience. In the last year or two of his life he was rarely able to attend services, but from his own room he continued to exercise a rich and useful influence. With a calm mind and a strong faith he quietly waited the end. The call came on April 2, 1913, a little before the midnight which would have ushered in the forty-ninth anniversary of his baptism. Always loyal to Christ, to the Methodist Church, and to the doctrines for which Methodism especially stands, he leaves behind a precious and abiding memory.

(19) PETER B. PEREIRA : son of the late Rev. D. D. Pereira, one of the most earnest and successful of our Ceylon ministers. In early years he gave his heart to God, and entered the ministry in 1864. He was passionately fond of teaching, and his influence over boys and young men was very remarkable. Several of his pupils became ministers, and quite a number became lay agents and teachers in the employ of the Mission. As a preacher he was earnest and faithful, always seeking to lead his hearers to decision. He was a diligent pastor who was ever welcome in the homes of our people. He delighted to show kindness to all who were in need, and was greatly beloved. His last years were clouded by many trials, but through all he retained his hold upon Christ. On May 24, 1913, after less than a day's illness, he passed away in the forty-ninth year of his ministry.

## EXAMINATIONS OF CANDIDATES FOR ORDINATION.

### Q. XXXVIII. What are the Directions of the Conference respecting the Examinations of Candidates for Ordination?

IN THE SYNOD.

A. (A) 1. Before any Preacher, having travelled four years, is recommended by his District Synod for admission into Full Connexion, he shall undergo a careful oral examination, by the Chairman of that Synod, respecting his acquaintance with Wesley's Works in general, and especially with his *Sermons* and his *Notes on the New Testament.* This oral Examination may be omitted when the report on the Probationer's paper on Wesley's Works is satisfactory.

2. Every such Preacher shall also be examined as to his knowledge of the Constitution of Methodism and the Administration of Circuits; and as to whether, after four years' experience of its working, he still approves of our Discipline.

IN THE CONFERENCE.

(B) 1. Arrangements shall be made for conducting the Examination, in the Conference, of Candidates for Ordination at a time when the President of the Conference can attend, and when a large proportion of the Conference, including its official members, may be expected to be present.

2. An explicit declaration of his belief in the Doctrines of Methodism shall be required of each Candidate.

## EXAMINATION OF PREACHERS ON TRIAL.

**Q. XXXIX. What is the Report upon the Examination of Preachers on Trial for the past year? And what are the directions of the Conference respecting the Examination of Preachers on Trial for the ensuing year?**

A. 1. The following is a summary of the Report:

Two hundred and twenty Probationers were due to be examined on April 3 and 4. Six were unable to sit on account of illness. In each case medical certificates and statements of the work done during the year were presented.

One hundred and eight names appear upon the Honours List, whilst sixty-eight Probationers sat for one or more of the special subjects. Eleven papers only were returned as failures. The results as a whole are above the average. Of the two hundred and fifteen essays, one hundred and fifty-six were deemed worthy of an honours mark.

The Rev. Dr. Maggs having expressed his desire to retire from the Secretaryship, the Committee recorded its high appreciation of his extremely valuable services during the past nine years, and of the unvarying courtesy and ability with which he has discharged the varied duties of this position.

The Committee again draws the attention of the younger ministers to the Marshall Scholarship, for Greek Testament. The donor has now generously added a second prize of £10 to the former Scholarship of £20. Next year, and every alternate year afterwards, the £20 Scholarship will be thrown open to all ministers who have travelled four years, but not more than nine, without restriction as to academic qualification. The £10 in those years, and both prizes in the other years, will be open only to those who at the time of the Examination hold no University degree. Full information may be obtained from the Rev. W. W. Holdsworth, M.A.

2. GENERAL REGULATIONS.—(1) The Examination of Preachers on Trial shall be administered by a Committee consisting of the PRESIDENT of the Conference, the EX-PRESIDENT, the SECRETARY; the Tutors of the four Branches of the Theological Institution; three General Examination Secretaries; the Rev. G. Armstrong Bennetts, B.A., James Chapman, D.D., William H. Findlay, M.A., J. Shaw Banks, D.D., Joseph T. L. Maggs, D.D., Alfred H. Vine, J. Alfred Vanes, B.A., John E. Wakerley, and Dr. Workman.

The Rev. WILFRID J. MOULTON, M.A., is re-appointed the Secretary of this Committee.

The Rev. JAMES CRITCHISON, JOHN W. LIGHTLEY, M.A., B.D., and WILFRID J. MOULTON, M.A., are appointed General Examination Secretaries.

(2) A Connexional Board of Examiners shall be appointed yearly to conduct the Examinations.

(3) The Examination shall take place annually near the end of March, or early in April. The date fixed by the Conference for each year shall be kept free from all circuit engagements for the Probationers.

(4) Every Probationer shall upon this day take two papers of three hours each, in Old and New Testament subjects respectively. The subjects shall normally be in Hebrew and Greek for all Probationers who have passed through the Institution, unless they are exempted from Hebrew on the authority of the College staff.

(5) In the Fourth Year every Probationer shall take on the day preceding a paper of two hours on the works of John Wesley, subjects to be chosen from year to year.

(6) The arrangements for the selection of Examiners shall be in the discretion of the General Secretaries. Two Examiners shall be chosen for each subject under section 4 above, who shall jointly set the paper, and jointly report on any Probationer whose marks fall below 35 per cent., as well as in any other case where the General Secretaries specially request it.

(7) The marks for all Examinations shall be returned in percentages, and not in grades. The result for each Probationer shall be determined according to his average percentage in the whole Examination. An average of 80 per cent. or over shall entitle to First Class Honours, one of 65 or over to Second Class; while an average of under 35 shall involve failure in the whole Examination.

(8) The General Secretaries shall send to all Probationers a special list of more advanced Greek and Hebrew subjects which may be substituted for those published in the *Minutes of Conference.* These subjects shall be chosen generally from those appointed for University Examinations in Divinity, but any Probationer is at liberty to take them. In special cases the Secretaries may accept a subject proposed by the Probationer himself.

(9) An Honours List shall be prepared each year, showing the names of Probationers in their several years who have (*a*) taken the special subjects and obtained at least a pass mark; or (*b*) attained Honours in the ordinary subjects.

(10) The September Synod of each District shall appoint a District Secretary, and a centre at which the Examination shall be held under his supervision, care being taken in selecting the centre to reduce as far as possible the travelling expenses involved. When the distances are too great, the Synod shall fix a second centre, under the supervision of an Assistant Secretary.

(11) Every Probationer may claim third-class railway fare to and from the place of Examination. These and other expenses of the Examination, with the exception of local expenses, shall be defrayed from the Connexional Fund and the Theological Institution Fund.

(12) Probationers who are called out of College into the Home work before Christmas Day in any year shall take the regular April Examination of their year. Those who are removed from College after Christmas shall not take the Probationers' Examination, but shall be examined in subjects fixed by their College staff, and the results shall be reported to the Discipline Committee.

NOTES.

1—The names are arranged in order of merit.

2—1st Class = Average of 80 per cent. and over.
2nd Class = Average of 65 per cent. and over.

*a* = Both Greek and Hebrew.

*b* = Greek but not Hebrew.

(13) Probationers who have not been to the Institution shall be examined according to their attainments at the discretion of the General Secretaries. Those who have not previously studied Greek shall be expected to take a paper in the elements of New Testament Greek grammar, with a few verses of translation. The Secretaries shall have power to exempt from this for sufficient cause, substituting two English Biblical subjects. The marks obtained shall be reported to the Institution Allocation Committee.

(14) The General Secretaries shall send to the May Synod a detailed report of each Probationer's work for the year. This shall show the subjects taken, the marks obtained in each, the average percentage in the whole examination, and the place in Honours, if any, together with any observations made by the Examiners or by the General Secretaries. The District Secretary shall receive these Reports and present them to the Synod, and subsequently transmit to the General Secretaries the Synod's resolution upon them.

(15) The General Secretaries shall prepare a Report to the Conference. This shall contain a brief account of the year's work, with reports on cases of failure and of absence from Examination.

(16) Should any Probationer at the time of the Examination be prevented from attending by illness or other imperative cause, he shall immediately inform one of the General Secretaries, the Rev. John W. Lightley, and must satisfy him that attendance at the Examination was absolutely impossible. The consent of the Chairman of the District and of the Superintendent of the Circuit, as well as that of the General Secretaries, is required for every such case of exemption.

(17) In addition to the Examination subjects, there shall be fixed year by year English theological works for special study. In the case of Probationers working for other theological examinations, or pursuing special courses of reading, the Secretaries may approve substitutes for these. Upon one of these books, or upon a subject suggested by its reading, an

essay shall be written (of about 3,000 words in length) and returned to the Secretaries before the end of February. These essays shall rank equally with the written examination papers, and marks shall be awarded for them to count towards a place in the honours list. Each Probationer shall fill in a form describing his method of study of the second prescribed book, which shall be returned to the Secretaries together with the written papers. It shall be open to the Chairman of the District to make inquiry at the Synod with respect to these subjects. Probationers who have not been to the Institution shall write an essay upon a specially chosen book.

(18) Should a Probationer be compelled to be absent from the Examination, he shall send to the General Secretaries a detailed statement of the work done in preparation for it. The Secretaries shall report to the Synod their judgment upon these statements, and those described in section 17.

(19) A record of the whole of the examination work during probation shall be prepared by the General Secretaries and sent to the Synod, in the case of every candidate for ordination, showing the average percentage each year and place, if any, in Honours, together with general comments on the record as a whole. Should this record be deemed by the Secretaries unsatisfactory, they may recommend to the Synod that the candidate's ordination should either be deferred or made conditional upon his passing certain examinations before Conference. The number and character of such examinations shall be determined by the Synod upon the Secretaries' recommendation.

(20) When part of any candidate's probation has been spent upon the foreign field, the report to the Synod shall include a report supplied by the Missionary Secretaries as to his work while abroad.

(21) Should any Probationer have been absent from examination more than once during his probation, on account of health, the General Secretaries shall send to the Designation Committee, after the May Synod, a full report of the case, with medical statements, and the Designation Committee shall

report to the Conference on the question of the candidate's ordination.

## EXAMINATION OF CANDIDATES FOR THE MINISTRY.

**Q. XL. What are the directions of the Conference respecting the Examination of Candidates for the Ministry?**

A. 1. (1) In any case in which a Candidate has not resided for two years continuously in the Circuit from which he is recommended, the Superintendent of that Circuit shall obtain a written report concerning him from his former Superintendent or Superintendents, so as to cover the previous two years, and present the same to the March Quarterly Meeting and to the District Synod.

(2) Whenever a Superintendent recommends his son as a Candidate for the Ministry, the character of the Candidate shall be signed also by his Colleague or Colleagues. In cases in which the Superintendent is appointed to a solitary station, the character of the Candidate shall be countersigned by the Chairman of the District.

(3) It is required that in the written character of the Candidates for the Ministry that the Superintendent shall give information as to whether there has been fruit of the Candidate's preaching.

(4) For fuller particulars of the Examinations and for advice as to preparation for them, reference should be made to the

"Manual of Directions for the use of Candidates for the Wesleyan Methodist Ministry."

**Preliminary Examination.**

2. (1) This Examination shall be conducted before the Session of the District Synod, and include (*a*) one three hours' paper on the *English Bible*, requiring a general knowledge of Scripture History, and of the nature and contents of the Old and New Testaments (see "Manual for Candidates," pp. 18-20, 24-26); (*b*) one three hours' paper including the following subjects:

(i) *An Exercise in English Composition.* Four alternative subjects shall be set, from which the Candidate shall choose one. Not more than *three quarters of an hour* shall be spent upon this exercise. The subjects will be varied in character, and will represent topics in which preachers should be interested. In marking, regard will be paid to quality rather than quantity.

(ii) *English Grammar and Easy Analysis.*

(iii) *English History and General Geography.*

(iv) *Arithmetic up to Decimal Fractions.*

The questions will be of an elementary character, to be more precisely described in the syllabus supplied to intending Candidates.

Superintendents of Circuits are instructed to impress upon Candidates for the Ministry the importance of a thorough knowledge of the English Bible.

(2) The two papers of the Preliminary Examination shall be set and marked by Examiners nominated yearly by the Sub-Committee of Studies of the Theological Institution. The Examiners for this year are the Rev. John W. Lightley, M.A., B.D., Francis F. Bretherton, B.A., Arthur T. Burbridge, B.A., and Herbert S. Seekings. Two Examiners shall be appointed for paper (*a*), and two for paper (*b*). The questions shall be submitted in proof to three Ministers appointed year by year by the Conference. The following are appointed for this

year: Rev. Arthur Hoyle, W. Russell Maltby, and George Morris.

The answers shall be written in the presence of the Superintendents of the Circuits by which the Candidates are recommended, or of one or more other Ministers. This Examination shall be held on Thursday and Friday, April 16 and 17, 1914.

(3) Candidates who have passed an examination qualifying for admission to any British University, or an equivalent examination, are exempt from the preliminary Literary Examination.

(4) The maximum for paper (*a*) shall be 100, and for (*b*) 100; the marks to be reported separately. The maximum attainable shall be printed against each question. In paper (*b*), 25 marks shall be assigned to each of the four sections; *viz.* (1) English Composition, (2) English Grammar and Analysis, (3) English History and Geography, (4) Arithmetic. The marks gained in paper (*b*) shall be subject to a deduction, not exceeding 10, for faulty spelling. Exemption from paper (*b*) shall be granted as heretofore. All Candidates must take paper (*a*). The marks and exemptions shall be reported to the Synods.

(5) The Conference directed (*Minutes*, 1905, pp. 368, 369) that the result of the Preliminary Examination be sent to the Synods, to be regarded by them as elements in the data upon which they express judgment on every Candidate's general fitness for the work of the Ministry.

**Sermons.**

3. (1) Every Preacher who is recommended for Admission on Trial shall, at or before the time of the May District Synod, preach in the presence of, at least, three of the Ministers of the Synod, to be selected by the Chairman, exclusive of the Superintendent by whom the Candidate is proposed; and a special report of the Sermon shall be made in the District Synod, and immediately forwarded, in writing,

to the Secretaries of the Committee for the Examination of Candidates.

(2) Arrangements shall be made by the May District Synod for the hearing of each Candidate by three Ministers of the District, in addition to those who have heard him before his recommendation by the Synod; such Ministers shall suggest a mark and immediately forward their Report to the Rev. Arthur E. Sharpley, B.A., B.D., 18, *Margaret Road, Harborne, Birmingham.*

(3) In the case of Candidates from the Zetland District, arrangements shall be made by the Secretaries of the Committee for the Examination of Candidates for the second trial sermon to be preached in England.

*N.B.*—Three *different* Trial Sermons are required from each Candidate; two preached, and one sent in manuscript.

(4) District Synods are empowered to examine by Special Committee those Candidates who, for exceptional reasons, are prevented from being present at the appointed time of Examination; every such case to be specially recorded in the Minutes of the Synod, and reported to the Conference.

**July Committee.**

4. The Special Examination of Candidates for the Ministry who have passed the District Synods shall be conducted by a Committee in two Sections, having charge of Examinations to be held simultaneously at Richmond and Didsbury, respectively. This Examination shall be held in the week following Sunday, July 5, 1914.

(1) The two Sections of this Committee shall be constituted as follows:

(2) Two Sub-Committees, to read and report on the manuscript sermons of the Candidates, shall be annually appointed as follows: one for the Southern Section, consisting of nine Ministers, three of whom shall be chosen by the District Synod of each of the three London Districts from among the Ministers elected by it as members of the Examination Committee; and another for the Northern Section, consisting of nine Ministers, three of whom shall be chosen by the District Synods of the Liverpool, Manchester, and Bolton Districts respectively, from among the Ministers elected by them as members of the Examination Committee.

Each Manuscript Sermon shall be read by two of the Ministers so appointed, and a meeting of the Sub-Committee thereafter held, when the Reports of the readers shall be con-

sidered and the valuation fixed which shall be recommended to the Committee.

**July Examination.**

5. (1) The Literary Paper for the Examination shall be prepared, in succession, by the Tutors in Biblical Literature and in Classics of each of the four Branches of the Theological Institution; and the Theological Paper for the Examination shall be prepared, in succession, by the Theological Tutors of the said four Branches.

(4) The Examiners of the Papers in Theology, written by the Candidates, shall be appointed as follows: the Three London, the Liverpool, the Manchester, and the Bolton District Synods shall each appoint one Examiner from among the Ministers elected by it as Members of the Examination Committee; thus providing three Examiners for each of the two Sections.

The seven grades shall signify respectively, *Excellent*, *Very good*, *Good*, *Fair*, *Moderate*, *Poor*, *Very poor*. The marks 1, 2, 3, denote three grades of an Honours Division; and 4, 5, 6, 7, four grades in a Pass Division; "average" quality being indicated by the mark 4 (*fair*).

7. Candidates from the Three London Districts shall appear before the Northern Section of the July Examination Committee, and Candidates from the Liverpool, Manchester, and Bolton Districts before the Southern Section.

The Conference resolves (1) That the Questions on the Schedules sent to Candidates after the District Synod shall read as follows:

> In offering yourself as a Candidate for the Wesleyan Methodist Ministry you are reminded that the Designation of Accepted Candidates for the Ministry to their sphere of labour is in the hands of the Conference, and takes place normally at the close of the Student's Second Year of residence at College. In offering yourself as a Candidate you are asked at the present stage to give a careful answer to the following questions:
>
> (*a*) Are you free to offer yourself unreservedly for the service of the Church to work either at Home or Abroad as you may be designated?
>

(3) Candidates for the Ministry from the Welsh Districts who are able to preach in English, and who pass their Examinations in English, shall be regarded as eligible for the general work.

*N.B.*—When a Candidate has been recommended by a divided vote in the Examination Committee, he shall be only provisionally accepted until the entire list of Candidates has been considered, when the Conference shall finally decide his case.

12. Except when the Conference directs otherwise, accepted Candidates shall be sent forthwith to the Institution.

**13. Training of Candidates for the Welsh Ministry.**

(1) In cases in which Candidates for the Ministry recommended by the Welsh Synods possess exceptional qualifications, and in which the District Synod and the Examination Committee are of opinion that a course of training at a Welsh University College would be of special advantage to the Candidates and to our work in the Principality, such Candidates may be permitted to spend some time in connexion with a University College, without cost to any Connexional Fund, before they are formally recognised and accepted as Candidates for the Ministry by the Conference.

(2) While pursuing his studies at a University College, every such Candidate shall be placed under the special pastoral care of a Minister resident in the town in which the College is situated, who shall present a special report on his conduct and preaching work during the year to the District Synod and to the Welsh Assembly.

(3) At the close of his term of study at the University College, every such Candidate shall, on the recommendation of the District Synod, and provided the Conference be satisfied as to his continued fitness for our work, be fully accepted as a Candidate for the Ministry, and shall afterwards receive such training in our Institution as the Conference may direct.

## SPECIAL RESOLUTIONS.

1. **Retirement of Rev. John S. Simon, D.D.**—The Conference records its high appreciation of the services rendered by Dr. Simon during half a century in the Ministry of our Church. A faithful preacher of the Word, he has proved himself also a skilful administrator, wise in counsel, prompt and efficient in execution; he has been entrusted with the care of several important Circuits, and with the Chairmanship of two Districts. In 1895 he was elected into the Legal Conference, and was made President of the Conference in 1907; the same year he delivered the Fernley Lecture on *The Revival of Religion in England in the Eighteenth Century*. By natural bent and early training he became an eager student of the history of our Church, and his work in its elucidation and development has been especially valuable. The last twelve years of his official ministry have been spent as Governor of Didsbury

College, and he will be followed in his retirement by four generations of students and by the affectionate regard of the whole of our Church.

2. **Retirement of Rev. T. Galland Hartley.**—In granting the request of the Rev. T. Galland Hartley to become a Supernumerary, the Conference places on record its high appreciation of his ministry during a period of forty-five years. He has travelled in some of our most important Circuits, and has always laboured as preacher, administrator, and pastor with conspicuous ability. For many years he has cheerfully rendered valuable service as a member of our Connexional Committees, especially of those responsible for the training and selection of candidates for our Ministry. He was elected to the Legal Conference in 1908. In three Districts he has been Chairman, and his gifts of administration, his strictly impartial and brotherly spirit, have greatly endeared him to all his brethren. The Conference earnestly hopes that he will have peace and joy in abundance during the years of his retirement.

3. **Retirement of Rev. James Critchison.**—In granting permission to Mr. Critchison to become a Supernumerary the Conference records its sense of the excellent and varied service he has rendered to our Church. In Circuit life and in Connexional administration he has consecrated his practical business ability to the work of the Christian Church. For forty-three years he has been a faithful Minister of Jesus Christ, and has given himself unreservedly to the Ministry of the Word and to the call of the Church of God. The brethren repose great confidence in him and elected him to the Legal Conference in 1909; he will carry with him in his retirement appreciative remembrances.

4. **Retirement of Rev. Thomas J. Choate.**—In granting permission to the Rev. T. J. Choate to become a Supernumerary the Conference gratefully recognises the sterling integrity of his character, his fine brotherly spirit, and the signal success

with which he has served the Church during the forty-seven years of his active ministry. Part of this time was spent as a Missionary in the West Indies, and the remaining part as a Minister in several of our most important Circuits. He was elected by Conference to the Chair of the Bolton and Liverpool Districts, and was made a member of the Legal Conference in 1900. By his force and effectiveness in preaching, by his skill in administration, and by his unfailing sympathy, he won the esteem and affectionate regard of all who knew him.

5. **Retirement of Rev. Thomas Rippon.**—In granting permission to Mr. Rippon to become a Supernumerary the Conference gratefully recognises the thoroughly efficient ministry he has exercised during the past forty-three years in many of our most important Circuits. He has been a great evangelistic force, and by his public ministries and his gracious personal influence has led many people into the fold of Christ. In all our Connexional movements he has taken the deepest interest, and to them he has consecrated his powers in an unstinted manner. As Chairman of the Isle of Man, Plymouth, Bristol and Bath, and Leeds Districts he has proved himself to be a wise administrator, and won the confidence and affection of both Ministers and Laymen. He was elected into the Legal Conference in 1905.

6. **Retirement of Rev. George Denton.**—The Conference records its full appreciation of the unblemished character and faithful service throughout the long and useful Ministry of Mr. Denton, which extends over a period of forty-seven years. He has successfully laboured in several important centres, and enjoyed throughout his entire ministry much of the blessing of God. He has been a member of the Legal Conference since 1905, and in many ways has rendered useful Connexional service.

7. **Retirement of Rev. Henry Adams.**—The Conference places on record its appreciation of the character and work

of Mr. Adams, who has exercised an efficient Ministry during the past forty years. He gave fifteen strenuous years to the work of Foreign Missions, labouring in three of our West Indian Districts, and holding a position of high responsibility. Since that time he has done good and effective work at home, labouring in every Circuit in the most faithful and efficient manner.

**Ministers under Discipline, and other Cases.**—1. The Conference receives the Report of the Committee.

2. In view of the great services rendered by this Fund in helping to secure the withdrawal of unsuitable men from our Ministry, the Conference commends the Fund to the support of all the Ministers.

3. The Conference re-appoints the Committee, to administer the Fund, and to deal with the cases as they arise. (See *Minutes*, 1893, p. 226.)

4. The following is the Committee: The Rev. SAMUEL F. COLLIER, President of the Conference; FREDERICK LUKE WISEMAN, B.A., Ex-President; SIMPSON JOHNSON, Secretary;

## SECTION V.

# STANDING ORDERS.

### I. Supplies, List of Reserve, Students.

1. **Supplies for Ministers.**—(1) Any Minister needing a Supply is directed to communicate with the Chairman of the District before applying to the President; and the Chairman is also directed to satisfy himself, by personal inquiry, that an efficient local Supply cannot be obtained.

(2) Any Minister on whose behalf a Supply has been appointed shall retain the Supply for one month after he has given notice to the President that his services will no longer be required,—unless the President has employment for him sooner. And such Minister, when he gives notice to the President that, after a given date, the services of the Supply will be no longer required, shall, at the same time, notify the fact to the Chairman of the District.

(3) The Ex-President shall furnish to the Conference, at the commencement of the Pastoral Session, a list of all Ministers who have had Supplies during any part of the preceding year, with the dates in each case on which the Supply was sent and withdrawn. And on receiving this list, the Conference shall appoint a Committee to inquire whether these Ministers are physically competent to take Circuits.

2. **Payment of Supplies.**—(1) Every Probationer sent by the President as a Supply shall be paid at the rate of Thirty Guineas a year for the time he is in the Circuit; this allowance being in addition to Board and Lodging.

(2) In regard to Travelling Expenses, a Probationer sent to a Circuit as a Supply is dealt with on the same principle as

one who is appointed by the Conference to his first Circuit. Once arrived in a Circuit as a Supply, he receives his travelling expenses from that Circuit to another when removed by the President during the year, or by the Conference at the end of the year.

(3) In respect of payment, the year of a trained man on the President's List of Reserve appointed in connexion with, or immediately after, the Conference, shall reckon from the first day of September to the last day of August.

3. **List of Reserve.**—(1) The retiring President shall furnish to the Committee on Transfers, etc., a Report as to the health and fitness for our work of those Probationers who have been, during the year, on the List of Reserve; the Committee to report to the Conference.

(2) All applications for the services of Probationers on the List of Reserve shall be forwarded to the President of the Conference not later than July 1 in each year; and a Committee to classify the cases shall meet, when necessary, during the Sessions of each Conference. One of the Missionary Secretaries is authorised to attend the meeting of each Local Discipline Committee of the Theological Institution at which the designation of the students is considered.

(3) Except in special cases, the President's List of Reserve shall consist of men who have been trained in the Theological Institution.

4. **Students.**—(1) Accepted Candidates shall be sent forthwith to the Institution, unless the Conference otherwise direct.

(2) The term of residence in the Institution shall be, except in special cases, three years.

(3) Every Student who has completed his term of *three* years in the Theological Institution, and is duly certified by the Local and General Discipline Committees, shall be regarded as commencing his probation at the Conference next ensuing (except in the case in which a Candidate has received an

appointment before entering College), and he shall be entitled, after being received into Full Connexion, to the usual allowances of a Minister in Full Connexion.

But if he shall be specially recommended to return to the Institution for a fourth year's course of study, he shall, in the year immediately after he has been received into Full Connexion, be entitled only to the allowances of an unmarried Minister. This Resolution does not carry any disability with regard to any other funds than the Home Mission Fund.

N.B.—These new arrangements shall only take effect in those cases where the probation begins in 1912 or subsequently.

(4) In the case of Students who have not completed their term at the Institution (whether in their first, second, or third year of residence), but are called out by the President to supply before Christmas, the year shall, in accordance with our ancient usage, be reckoned as the first of their probation.

(5) Students who have not completed their term at the Institution, but are called out to meet special emergencies, shall, when their services are no longer required by the President, return to the Institution to complete their term.

(6) Candidates for the Ministry who have obtained a Degree in any University of the United Kingdom, or have passed any equivalent Examination—*e.g.* the Final Examination of the Incorporated Law Society, or of the Royal College of Surgeons —shall not of necessity spend the full term of three years in the Theological Institution; but, on the recommendation of their Tutors and Local and General Discipline Committees, the term of their residence may be shortened. And, in such cases, their probation shall commence at the Conference next ensuing. (See Section (3) N.B.).

(7) When it is decided by the Local and General Discipline Committees that, on the ground of unsatisfactory progress, or for reasons of discipline, the full period of three years' training at the Institution should in the case of any Student be

shortened, the ministerial probation of such Student shall not be reckoned as beginning until the Conference at which he would have completed his three years' training.

(8) Before calling out any Student to supply, the President shall consult with the Staff of the College in which the Student resides.

(9) The Representative of each Branch of the Institution to the Stationing Committee shall advise as to the appointment to Circuits of Students who have completed their term in the College he represents, and especially as to the appointment of any Student of the first or second year, should it be found necessary to make such an appointment.

(10) Students who have completed their term at the Institution, and were not called out during their third year by the President, and have not received appointments at the Conference, shall be placed on the President's List of Reserve.

(11) Students who have completed their term at the Institution, but were called out during the previous year by the President, yet have not received appointments at the Conference, are under the care and at the cost of the Home Mission Committee.

(12) Students who have completed their term at the Institution, and have been sent by the President as Supplies, shall, when their services are no longer required, be placed by the President under the direction of the Home Mission Committee, which shall be responsible for their maintenance; the Committee shall, however, be entitled to a week's notice from the President before such Student receives another appointment.

(13) The work and fitness of every Student shall be fully reported upon year by year by a Special Committee of each Branch of the Institution, consisting of the Tutors of that Branch, four other Ministers, and eight Laymen, who shall be chosen by the Local Executive Committee, but shall report to the General Discipline Committee. (*Minutes*, 1910, p. 104.)

(*Minutes*, 1812, 1857, 1876, 1879, 1885, 1886, 1887, 1888, 1889, 1891, 1897, 1910.)

## II. The Connexion.

5. **Title of the Connexion.**—Having regard to the terms used in our Trust Deeds and other Legal Documents, it is not possible for the Conference to alter the title of the Connexion as it appears on the front page of the *Minutes of the Conference.* The Conference declares, however, that the title hitherto used is not, and never has been, inconsistent with the assertion for "the People called Methodists" of a true and proper position as a Church, with all the authorities, privileges, and responsibilities belonging to the New Testament Church ; and in this view of our principles and of the facts of the case, the Conference, so far from discouraging, distinctly approves of the general and popular use of the term, "The Wesleyan Methodist Church." (*Minutes*, 1891, p. 321.)

6. **Nomination Committee.**—(1) The Nomination Committee shall consist of five Ministers and five Laymen, in addition to the President and Secretary of the Conference, with two Secretaries (Ministerial and Lay); and shall meet twice in the year—in May, and immediately before the Conference. Some Representative of each Department shall be present at both these meetings, by arrangement in the Committee of such Department.

(2) The Nominations for the ensuing Conference shall be made by the several Connexional Committees not later than April, with the exception of the Local Preachers', Class Leaders', Auxiliary Fund Committee, the Connexional Fund Committee, and the Wesley Deaconess Institute (which shall report not later than July 2); and the Secretaries shall send to the Secretaries of the Nomination Committee, a full fortnight before its first meeting, at least twenty-five printed lists of members so nominated, on which there shall be a record of the attendances of the members during the past year. The names of new members shall be printed in

italics, and those of members nominated for re-appointment shall be distinguished by an asterisk.

(3) One-fifth of the Ministers and of the Laymen on each Connexional Committee shall retire annually, and shall not be eligible for re-election, except by a two-thirds majority of those present. The vote shall be taken by ballot after all nominations have been placed before the Committee, first on those who have been proposed for re-nomination, and afterwards on those newly nominated.

(4) The Secretaries of the Nomination Committee shall compile a register of the names of such persons nominated or re-nominated, with a list of all the Connexional Committees on which it is proposed they should serve, and send a copy to each member of the Nomination Committee seven days before its first meeting.

(5) These names shall be considered by the Nomination Committee, which shall have power to make any suggestions they think fit in regard to them. While it is unadvisable to lay down any hard and fast limit, it is, as a general rule, undesirable that any person should be nominated for appointment on another Connexional Committee who is already a member of four such Committees.

(6) The suggestions of the Nomination Committee shall be sent to the Secretaries of the Departments concerned, for consideration by their several Committees, and the decision of these Committees in each case shall be reported to the second Meeting of the Nomination Committee, which shall make such changes as appear desirable and report to the Conference.

(7) Members of Connexional Committees elected by the Synods, other than Chairmen of Districts, shall not be elected for more than three years in succession, except by a two-thirds majority of those present, the vote to be taken by ballot. These elections shall take place at the May Synod, and the names shall be forwarded at once to the Secretaries of the Nomination Committee.

(8) The following are the Committees within the scope of the Nomination Committee, Sub-Committees and Committees purely local being excluded :—

(*Minutes*, 1905, pp. 102-3 ; 1906, p. 212 ; and 1908, p. 110.)

7. **Lists of Committees to Appear in the Conference Agenda.**—All Lists of Committees which are to be considered by the Nomination Committee shall, as far as possible, be printed in the *Agenda* for the Conference ; the names of new members being printed in italics, and those of members nominated for re-appointment by a two-thirds majority by ballot being distinguished by an asterisk ; care being taken to give the Christian name and address of each Layman. (*Minutes*, 1890, p. 292 ; 1905, p. 103.)

8. **New Members of Connexional Committees.**—The Secretaries of Departments shall inform all new Members, Laymen and Ministers, of their appointment upon Connexional Committees. (*Minutes*, 1890, p. 292.)

10. **Custody of Connexional Documents.**—In addition to the Journals and Daily Records of the Conference, the Reports of

Committees meeting during the Conference, and the Resolutions of Conference thereon, and the Minutes of the several District Synods, which are kept at the Conference Office, the following Documents shall also be preserved: (1) The printed *Agenda* of the Conference; (2) The Minutes of the Committee on Memorials and Suggestions for the current and preceding year, with the Documents laid before that Committee, and the Resolutions of the Conference thereon; (3) Any legal opinion obtained by the direction of the Conference; (4) A Record of all Legacies left to Connexional Funds, with any other Documents which the Conference may hereafter direct to be preserved.

*N.B.*—The Custodian is instructed to report annually to the Conference what Documents have been received and placed in custody during the year.

## III. The Conference.

11. **Conference Towns.**—Subject to local convenience, the rotation of Conferences shall be as follows: London, Burslem, Newcastle-on-Tyne, Manchester, Camborne, Sheffield, Bristol, Nottingham, London, York, Lincoln, Bradford, Cardiff, Liverpool, Plymouth, Leeds, Birmingham, Hull. (*Minutes*, 1898, p. 354.)

12. **Two Sessions Daily.**—With a view to the dispatch of business, there shall be two Sessions daily. (*Minutes*, 1886, p. 297.)

13. **Conference Sacramental Service.**—The Conference Sacramental Service shall be held on the second morning of the Representative Session, in a Chapel other than the Conference Chapel, in lieu of the ordinary devotional exercises. (*Minutes*, 1905, p. 113.)

14. **Open Session.**—An Open Session for the reception of Representatives from other Conferences shall be held on the Friday evening of the Representative Session. (*Minutes*, 1890, p. 422; 1905, p. 113.)

**15. Conference Arrangements.**—(1) In order to afford sufficient time for the proper discharge of the business of the Conference, an Evening Session shall be held on each day of the Representative week, if necessary.

(2) The reception of Representatives from other Conferences shall take place in the Conference Chapel itself, on the Friday of the Representative week, in the Evening Session.

(3) As a rule, one member of the Irish representation and one from the South African Conference shall be heard annually, one from France every alternate year, and Representatives from the General Conferences of the American M.E. Churches, of Canada, and of Australasia, whenever they are appointed. Visitors from the *Annual* Conferences of the countries last named shall only be introduced to the Conference.

(4) Deputations to the Conference shall be received on such days as the Conference itself shall direct. It is recommended that such Deputations shall be received at 11 o'clock during the morning Session, and that the time occupied shall not exceed forty minutes. (*Minutes*, 1911, p. 92 (5).)

**16. Scrutineers of Votes.**—(1) At each Conference, in the Pastoral Session, a Convener of Scrutineers shall be appointed to take charge of the voting for the Legal Conference, and for the offices of President and Secretary, at the succeeding Conference; and such Convener shall be an *ex-officio* member of the Pastoral Session of the Conference for which he is elected.

(2) The Committee of Scrutineers, annually appointed, shall consist of not less than twenty, and shall make all arrangements for the collecting and counting of votes. (*Minutes*, 1892, p. 217.)

**17. Chairman of Memorials Committee.**—The Ex-President, year by year, shall be, *ex officio*, the Chairman of the Committee on Memorials and Suggestions. (*Minutes*, 1895, p. 216.)

**18. Character of Ministers and Preachers on Trial.** — In response to the inquiry in the Conference, "Is there any objection to any of our Ministers or Preachers on Trial?" the names of the Districts only shall be called, the Chairman of

each District then giving the required information. The right to challenge any name, or bring a charge against any Minister, shall not be affected by this Regulation. (*Minutes*, 1887, p. 289.)

19. **Disciplinary Inquiries.**—The Conference re-affirms its decision that subjects discussed in Conference in answer to the question, "Is there any objection to any of our Ministers or Preachers on Trial?" are to be regarded as strictly private and confidential. (*Minutes*, 1898, p. 253.)

20. **Ministers who have ceased to be Recognised by the Conference.**—No Preacher, excluded for immorality, or who resigns his connexion with the Conference while under charges which affect his moral character, shall at any subsequent period be allowed to be a Local Preacher, Class-leader, or even a private Member of Society, without the consent of the Conference, previously obtained. (*Minutes*, 1897, p. 243.)

21. **Ministers becoming Supernumeraries.**—The Conference records its judgment that since the accuracy of the forecast made by the Committee of the Auxiliary Fund depends on the assumption that the average duration of Active Service and of Supernumeraryship remain as at present (thirty-eight years in the one case and eleven years in the other), no claim for grant should ordinarily arise until thirty-four years after ordination unless the claimant is medically certified as unable to continue to discharge his work efficiently, or unless the Conference shall in any particular case otherwise direct. The number of years each minister has travelled who applies to become a Supernumerary shall be presented in the Conference Agenda. (*Journal*, 1912, 1913.)

22. **Supernumeraries and District Synods.**—Supernumerary Ministers, with the exception of those who have received permission to reside abroad, shall be considered to belong to the Districts in which their names appear in the *Minutes of the Conference*. They shall attend the annual Synods of their own Districts, unless they receive a dispensation allowing

them to be absent. They shall be subject to their own Synods in all matters of discipline. In case of unavoidable absence from the annual Synod, they shall send to the Chairman, in due time, a statement concerning their continued belief in our doctrines. A Supernumerary who removes into another District after the publication of the *Minutes of Conference* may, by arrangement with his own Chairman, attend the Synod of the District in which he resides. In that case he must give notice to the Chairman of the District in which he is resident of his intention to be present at the Synod. Such attendance, however, shall not, in any degree, remove him from the jurisdiction of his own Synod, to which he is responsible in all matters of doctrine and discipline. (*Minutes*, 1900, p. 230.)

The expenses incurred by Supernumeraries in attending the May Synod shall be paid by the Financial Secretary, and included in the Synod Assessment on the Circuits for District Expenses. (*Minutes*, 1911, p. 348.)

**23. English Supernumeraries in Ireland.**—Supernumeraries of the British Conference resident in Ireland shall report to the Synods in the area of which they reside, and Supernumeraries of the Irish Conference resident in England shall similarly report to the English Synods. (*Minutes*, 1908, p. 353.)

**24. Junior Ministers becoming Supernumeraries for One Year.**—Ministers who have travelled *not more than twenty-one years*, and have lost their health, may be allowed to retire for one year. In addition to the Allowances payable from the Annuitant Society and the Connexional Funds, such Ministers may, if in necessitous circumstances, receive for that year a sum not exceeding £80; of which one half shall be provided by the Connexional Fund, the other half being paid by the Auxiliary Fund. (*Minutes*, 1878, pp. 233, 234.)

When a Minister who becomes a Supernumerary for one year is not a member of the Annuitant Society, the *extra* Grant from the Auxiliary Fund shall be less by the amount which

would have been due to him from the Annuitant Society. (*Minutes*, 1887, p. 261.)

Each case shall be examined by a Mixed Committee of seven Members, who shall be appointed by the Conference; namely, the Ex-President, three Ministers, and three Laymen.

Should the Conference deem it indispensable, the Grant may be allowed for a second year. (*Minutes*, 1878, p. 234.)

**25. Temporary Supernumeraryship in Relation to the Legal Conference.**—In the case of a member of the Legal Conference who has been permitted to retire for one or for two years, he shall not thereby cease to be a member of the Legal Conference provided he then (that is to say, at the end of the first or second year) returns to the full work; and he shall remain a member of the Legal Conference for two years after becoming a Supernumerary permanently. (*Minutes*, 1890, p. 212; *revised*, 1895.)

**26. Compulsory Supernumeraryship: Financial Arrangements.**—(1) When the Conference has decided that a Minister shall not be appointed to a Circuit for any other reason than physical incompetence, his case shall be considered by a Special Committee, to be appointed by the Conference in its Representative Session. This Committee shall determine whether any, and if any what, annual allowances shall be paid to him; or whether any, and if any what, sums shall be offered to him on condition of his retirement from the Ministry. The Committee shall further advise the Conference as to the sources whence such payments shall be made in each case.

(2) Representatives of the following Funds shall be among the persons appointed on the Committee: The Auxiliary Fund, Connexional Fund, and Children's Fund in both its branches.

(3) The Members of the Annuitant Society shall be asked to treat Ministers who may retire from the Ministry under these arrangements, in the matter of compensation, as though they had resigned. (*Minutes*, 1896, p. 321.)

**27. Compulsory Supernumeraryship in Relation to the District Synod.**—In the case of any Minister who has been made a

Supernumerary on the ground of either (*a*) discipline or (*b*) difficulty in finding him a Circuit, no District Synod shall recommend his re-appointment unless some Circuit in that District is willing to receive him, or he shall have received an invitation to a Circuit in another District; and no such Minister shall be re-appointed to a Circuit unless recommended by the District Synod to which he belongs. (*Minutes*, 1892, p. 218; 1899, p. 246.)

**28. Supernumeraries returning to the Full Work.**—The Conference resolves that in all cases where it is recommended that Supernumerary Ministers shall return to the full work, inquiry and report shall be made by the Committee appointed at Conference to examine the cases of those Ministers who have had Supplies during the year. (*Minutes*, 1897, p. 244.) See Standing Order 1 (3).

**29. Ministers without Pastoral Charge.**—(1) Any Minister wishing to maintain his ministerial status whilst holding no definite appointment to a Circuit or a Department, and without becoming a Supernumerary, shall apply for permission through the District Synod to the Conference, which shall decide the case after a full examination by a Special Committee.

(2) Such Minister shall continue to be in every way subject to our discipline, including the usual inquiries as to character and doctrine.

(3) No such Minister shall receive any payment from the Auxiliary Fund during, or on account of, the years in which he shall occupy the position herein described; and he shall pay the yearly assessments to the Fund for the Maintenance and Education of Ministers' Children on the same scale as Ministers appointed to Departments; and he shall then continue to receive the benefit of those Funds in the ordinary course.

(4) The name of every such Minister shall stand upon the *Minutes* in connexion with some Circuit, and following his name shall be these words: "resides in this Circuit without Pastoral Charge." Nevertheless, he shall not, as a Minister,

be a member of the Quarterly Meeting or of any Leaders' Meeting in the Circuit. (*Minutes*, 1888, p. 215.)

(5) In the case of a Member of the Legal Conference having been entered on the *Minutes* as without Pastoral Charge, in conformity with the Resolutions of the Conference of 1888, the Conference resolves that, at the expiration of four years from the commencement of such an arrangement, he shall cease to be a member of the Legal Conference.

The effect of this Resolution shall not be retrospective. (*Minutes*, 1890, p. 212.)

**30. Supernumeraries or other Ministers Resident Abroad.**—(1) No Minister is allowed to be absent from the country during a great part of the year without the consent of the Yearly Conference, or, in case of emergency, of the President, who shall report the case to the ensuing Conference.

(2) Any Minister having permission to reside abroad shall have such permission annually renewed.

(3) If any Minister remain abroad for more than one year, he shall be required either to make arrangements with the officers of our Connexional Funds, with a view to retiring from the English Work, or to furnish the Conference annually with a satisfactory Report from some other Methodist Conference in recognised relation with this Conference.

(4) If, during his residence abroad, any Minister shall enter into business, or shall accept office of emolument of any kind, he is required, without delay, to notify the fact to the Chairman of the District where his name appears on the Stations.

(5) In all such cases, the existing Rule which requires the presence of a Minister at the Annual District Synod shall be held to be binding, unless his absence has been expressly sanctioned in accordance with the foregoing Resolutions; and even in that case he is required to furnish a statement in due time containing an answer to the question in the Order and Form of Business in District Synods as to his continued belief of our doctrines.

(6) Supernumerary Ministers connected with the British Conference, residing in Ireland, shall report to the Irish Synod to which the circuit in which they reside belongs; and Supernumerary Ministers connected with the Irish Conference, residing in England, shall report to the English Synod to which the Circuit in which they reside belongs. (*Minutes*, 1908, p. 353.)

(7) Any Minister having permission to reside abroad shall furnish a Report as to his ministerial conduct from the proper authority, as defined in the above, or in the letter from the President giving the required permission.

(8) A list of all such Ministers shall be annually printed in the *Minutes of Conference* at the end of the Stations. (*Minutes*, 1888, p. 215; 1893, p. 362.)

31. **Ministers serving Abroad.**—If in the case of a Minister stationed under a Foreign Synod, disciplinary inquiry is called for in regard to conduct alleged to have occurred in Great Britain or Ireland, the Missionary Committee of Discipline shall be empowered to institute such inquiry and report to the Conference. (*Minutes*, 1908, p. 350.)

32. **Transfers from Welsh to English Work.**—In cases of application for such transfer the Conference requires (1) The opinion of the Welsh District Synod concerned and of the Welsh Assembly as to the advisability of the transfer, both upon the ground of personal fitness and also in view of the needs of Welsh Methodism; (2) The recommendation of a Conference Committee after a personal interview with the applicant for transfer, and also after examination and test of preaching in English. The Committee on such cases shall be known as "The Designation Committee"—(*Minutes*, 1904, pp. 358, 359). No transfer of a Minister from the Welsh to the English Districts shall be made until the Home Missionary Committee has had the opportunity of considering the case in its financial bearings and has approved the same. (*Minutes*, 1902, pp. 113, 114.)

33. **Obituaries of Deceased Ministers.**—(1) Secretaries of District Synods are directed to forward copies of the Obituaries of Deceased Ministers to the Convener of the Committee on Obituaries, immediately after the Annual Meeting of the Synod. (*Minutes*, 1892, p. 217.)

(2) The Obituaries of deceased Ministers received by the District Synods shall be revised by a Special Committee, to be appointed at the preceding Conference.

(3) The Obituaries thus revised shall be printed for the use of the Conference, under the direction of the Special Committee.

(4) The Obituaries of Ministers who have died since the May District Synods shall be revised by the Special Committee; and, if possible, be printed and presented to the Conference at the same time as those which have been submitted to the District Synods. (*Minutes*, 1891, p. 230.)

34. **Memorial Service for Deceased Ministers.**—(1) The official reading of Obituaries in the Conference shall be discontinued; and the list of the names of deceased Ministers shall be read by the Secretary of the Conference. (*Minutes*, 1891, p. 230.)

(2) The consideration of Obituaries shall be regarded and observed as a strictly religious service; and, whilst this solemn business is being transacted, no Committees shall meet.

(3) The Conference shall, as a rule, hold the Memorial Service on the Tuesday evening of the third week of its Sessions.

35. **Vice-President of the Irish Conference.**—To avoid the difficulty that might arise in the signing of the Journal of the Irish Conference, in the event of the death of the Vice-President of the Irish Conference and the absence of all the Delegates from the British Conference, the name of the surviving Ex-Vice-President shall be added to the other names in the delegation. (*Minutes*, 1908, p. 353.)

36. **Memorandum of Agreement between the Conference and Candidates from other Churches.**—The Memorandum of Agreement between the Conference and Candidates from other

Conferences and Churches shall apply in all particulars to married men who are accepted in the ordinary way as Candidates for the Ministry; and the payments required therein shall be made, and the privileges described therein shall begin to be enjoyed, in both cases, at the time of their admission into Full Connexion with the Conference. (*Minutes*, 1882, p. 289.)

**37. Memorandum of Agreement.**—The following is the revised scale of payments to be made to the Connexional Funds by Ministers received from other Conferences or Churches, and married men received as Candidates:

| | |
|---|---|
| 1. To the Home Mission Fund ... | £160. |
| 2. To the Fund for the Maintenance and Education of Ministers' Children ... ... ... | £80 for each child. |
| 3. To the Worn-out Ministers' and Ministers' Widows' Fund ... | £7 for each year counted, upon admission by the Conference. |

*N.B.*—(1) In view of the fact that, ordinarily, claims upon the Maintenance Section of the Fund do not arise during the first five years of a Minister's term of service; and seeing that the *Memorandum of Agreement* does not contemplate the case of married men being received into the Wesleyan Methodist Church who may have children born during their probation, the scale of payments is revised so as to meet the equity of such cases, viz. that for each year of probation in which no claim arises one-fifth of the amount charged for maintenance shall be remitted.

(2) The amount charged for maintenance shall be fully paid up before such Probationer is received into full Connexion, and before his child is admitted as a claimant upon the Fund.

(3) A written acknowledgment of every such arrangement

shall be signed by the father of the child, and be preserved by the General Secretary.

(4) Where desired, payments to the Education Section of the Fund, entitling a child to receive the usual Education Allowances, may be spread over a period of years until the child is nine years of age; simple interest, at 5 per cent., being charged until the full amount has been paid, and until such time no claim for Educational Allowance shall be admitted. (*Minutes*, 1906, p. 27.)

38. **Conference Plan.**—The Superintendents of those Circuits in which the Conference may, from year to year, assemble, shall, with the previous approbation of the President, complete and print, not later than June 24 in each year, a Plan of the order of preaching in the principal chapels during the Sessions; and shall also, on or before the above date, send to every person whom they have appointed to preach in those chapels a copy of the Conference Plan.

Every Minister so appointed is responsible to the Conference for the fulfilment of his appointment. (*Minutes*, vol. vi. [1827], p. 291; 1903, p. 359.)

39. **Committee on Appeals and other Cases.**—At the commencement of the Pastoral Session of each Conference a Committee of twenty-one members shall be appointed, to whom shall be referred, without discussion:

(1) All cases, needing further inquiry, touching the character of Ministers or Probationers, immediately after the reading of the Minutes of District Synods thereupon;

(2) Any Notice of Charge or Appeal relating thereto; or

(3) Any other matter which the Conference may so refer.

Any complainant or appellant, or any person under inquiry, may object to one in three of the members of the said Committee sitting on his case; and some other member of the Conference shall then be appointed to act instead of the member so objected to.

Special cases may, if the Conference so decide, be referred

to the whole Committee; but it shall, for ordinary purposes, be divided into three sections, for each of which a Convener shall be appointed, who shall be responsible for preparing the business of the Committee. (*Minutes*, vol. xix. [1873], p. 202.)

40. **Appeals in Cases of Discipline.**—No Appeal shall be received after the completion of the year following the Conference immediately succeeding the act of discipline, except by special decision of the Conference. (*Minutes*, 1891, p. 229.)

41. **Ministers under Affiliated Conferences.**—(1) British Ministers who have elected to remain in Full Connexion with the Yearly Conference whilst employed under an Affiliated Conference must be held to be absolutely subject to the Affiliated Conference in all matters connected with the work and within the limits of that Conference; but the question of their continued connexion with the Yearly Conference can be determined only by the vote of the Yearly Conference.

(2) Any British Minister who has elected to enter into Full Connexion with an Affiliated Conference, or who may hereafter so enter, must be regarded as having thereby resigned his connexion with the Yearly Conference; and the fact of such resignation shall be entered on the Journal of the Yearly Conference.

(3) Ministers who were not sent out from England, but were taken into the Ministry in the countries now belonging to Affiliated Conferences, and also Native Ministers, are absolutely subject to their respective Affiliated Conferences. (*Minutes*, 1891, p. 231.)

42. **Obituaries of Ministers of Affiliated Conferences.**—On the death of any Minister of an Affiliated Conference who had a right of return to this country, an Obituary shall be inserted in the *Minutes* of the Yearly Conference. (*Minutes*, 1890, p. 211.)

43. **Native Ministers and Ministers admitted for Service in the Countries Specified.**—For the Resolutions of the Conference on this subject, see *Minutes*, 1895, pp. 217–220.

The following is substituted for Resolution III.: (1) That Courts of Superior Jurisdiction for the Ceylon, South India, and North India Provincial areas shall be constituted as follows: Each Court shall consist of twenty members, of whom ten shall be Missionaries from England, including Chairmen of Districts *ex officio*, and ten Ministers accepted for service in Ceylon or India respectively. The members (exclusive of the Chairmen of Districts) shall be elected by the several District Synods; and the numbers to be elected by each Synod shall be determined from time to time by the Missionary Committee of Discipline.

(2) All elections shall be by the united votes of the European and other Ministers.

(3) Probationers shall not be eligible as Representatives.

(4) Each Court of Superior Jurisdiction shall elect its own Chairman and Secretary. (*Journal*, 1905, and *Minutes*, 1906, p. 15.)

**44. Provincial Synods and Candidates for the Ministry.**—In those areas of the mission field in which Provincial Synods have been established, the recommendation of the Provincial Synod shall be required: (1) Before a Candidate for the Ministry from a District within the Provincial area is received on trial by the Conference;

(2) Before a Candidate for admission into Full Connexion from a District within the Provincial area is received into Full Connexion with the Conference. (*Journal*, 1905, and *Minutes*, 1906, p. 15.)

**45. Status of Ministers in the West Indies and other Specified Countries in Relation to the British Conference.**—Ministers wishing to be transferred to the work at home shall submit their application to the Committee appointed by the Conference to consider applications from Ministers of other Churches, and shall submit themselves to such examination as that Committee may determine. The Conference, while not prepared to recognise the claim for Full Status of men who have been

received for work in specified countries, nor on the other hand seeking to exclude their applications, deems it undesirable to lay down any general principles in regard to such applications, but recommends that the existing usage of the Conference should be continued and each case considered on its merits.

Inasmuch as this new class of applications involves questions of finance that affect the Missionary Society in addition to those laid down in the Memorandum of Agreement, the Conference is of the opinion that any case recommended should be submitted for the opinion of the Missionary Society before being finally settled.

The Conference further resolves that whenever it is recommended that an Applicant shall receive Full Status the Conference shall adhere to its rule that the Financial Payments shall be paid through the Missionary Committee when the Full Status is granted, and not delayed until the Minister makes application to return to the Home work. (*Minutes*, 1908, p. 356.)

*N.B.*—Applications from Ministers who are Natives of Foreign Countries shall under no circumstances be considered.

**46. Vacancies among Lay Members of the Conference.**—In the event of one or more of the Forty-eight Laymen elected by previous Conferences being unable to attend the Conference, he or they shall inform the President at least one week before the date fixed for the commencement of the Representative Session. The President shall furnish the information to the Secretaries of the Nomination Committee, and that Committee shall nominate a person or persons to fill the vacancies thus created; such nominations being submitted to the Conference at the commencement of the Representative Session, which shall be requested to elect the person or persons so nominated.

In the event of a vacancy arising by appointment to a Connexional Treasurership, or by death, or through the death or

unavoidable absence of a Connexional Treasurer for whom no substitute has been appointed by the Committee in question, nominations shall be made in the same way; and the person elected shall, as regards retirement and re-election, be subject to the rules applying to the person whose place he takes. (*Minutes*, 1897, p. 340; 1908, p. 112.)

## IV. The Stationing Committee.

**47. Election of Representative in District Synod.**—The Minister who shall be the Representative of any District to the Stationing Committee shall be chosen by ballot at the September Synod by the united votes of the Ministers and Laymen who are members of the District Synod. (*Minutes*, vol. i. [1791], p. 256; vol. xviii. [1870], p. 154; *Journal*, 1913).

**48. Preparations for the Stationing Committee.**—(1) The Secretary of the Conference shall, early in December of each year, supply every Chairman of a District with a Schedule on which he shall be required, immediately after the December Quarterly Meeting, to enter the names of all Ministers in the District removing at the ensuing Conference, and for whom no provisional arrangement has been made; also the Circuits in which there is any vacancy not provisionally supplied. Early in January the Secretary of the Conference shall forward to every Chairman a complete list compiled from the information received. (*Journal*, 1912.)

(2) Not later than the first week in May, each Chairman shall be furnished by the Secretary of the Conference with a list of all Ministers for whom arrangements have not been made, and of all Circuits in like case; the information necessary to compile this list being sent by the Chairman to the Secretary of the Conference not later than April 20; such lists to contain complete information, and to be regarded as private and confidential. (*Journal*, 1907.)

(3) The Representative of each District shall send to the Secretary of the Conference, not later than June 10 in each year, upon a prepared Schedule, complete lists of—

(*a*) The invitations accepted by Ministers in his District;

(*b*) The arrangements provisionally made for the appointment of Ministers to Circuits in his District; and

(*c*) All Ministers in his District for whom no arrangement has been made.

(*d*) All Ministers for whom an extended appointment is requested.

(4) A list of all Ministers to be transferred from the Foreign to the Home Stations shall, at the same time, be furnished by the Missionary Secretaries to the Secretary of the Conference.

(5) From these lists the Secretary of the Conference shall compile, and cause to be printed in a convenient form for use in the Stationing Committee, a Preliminary Draft of Stations embodying all arrangements thus provisionally made; and also a separate list of all Ministers for whom provisional arrangements have not been made; and a copy of these shall be furnished to each Member of the Stationing Committee, in London, on the Monday before the meeting of that Committee. (*Journal*, 1907.)

**49. Regulations concerning the Stationing Committee.**

(1) The Stationing Committee shall, from year to year, hold its first Session in London.

(2) The appointments made shall not be printed day by day.

(3) The Stations shall be printed in the Conference Town.

(4) The First Draft of Stations shall be an absolutely confidential document until the Representatives' Copies are ready for the post.

Should any Minister be officially reported as under discipline and suspended until the Conference, his name shall not appear on the First Draft of Stations.

(5) Probationers on the List of Reserve, and Students

leaving the Institution, who are eligible for appointment, shall be entitled to a copy of the First and of the Final Draft of Stations.

(6) Each Representative shall send to the Secretary of the "Conference Arrangements Committee" two sets of Addressed Wrappers, for the First Draft and the Final Draft, respectively, for the Ministers and Circuit Stewards in his District, and for Six other Laymen—Members of the District Synod; the cost of which shall be refunded by the "Conference Arrangements Committee." (*Minutes*, 1888, p. 317.)

**50. The President and Secretary and the Stationing Committee.**—(1) As the President and Secretary for the time being are *ex officio* Members of the Stationing Committee they shall in future attend it only in their public and official character as persons specially charged with the general interests of the whole Connexion; and neither of them shall be considered eligible to be sent by any particular District as its local Representative.

(2) The President and Secretary of the preceding Conference, having attended the meetings of the Stationing Committee at their commencement, shall continue to be official Members of it during the whole of its sittings for that year; even when it may be necessary, for the completion of its business, that it should occasionally assemble after the election of the new President or Secretary shall have taken place. (*Minutes*, vol. v. [1824], p. 528.)

**51. Stations in the Conference.**—(1) The Stations shall be presented twice in the Conference, for a First and a Final Reading.

(2) In the First Reading of the Stations, the names of the Ministers shall not be read out one by one, but the Secretary shall call the names of the Circuits, and any member of the Conference shall be at liberty to question, or raise a discussion upon, any proposed appointment. In the Final Reading, the usage shall be observed of making changes only when all parties are agreed. (*Minutes*, 1892, p. 218.)

52. **Extra Sitting of the Stationing Committee.**—After the first reading of the Stations, the Committee may, when it is deemed expedient, retire for the further consideration of the Stations. (*Minutes*, 1888, p. 317.)

53. **Re-appointment of Ministers to Circuits.**—The term during which a Minister must be absent from a Circuit in England or Wales, before he can be re-appointed, shall be three years. (*Minutes*, 1889, p. 304.) He may then return, provided that the invitation of the Circuit Quarterly Meeting is substantially unanimous. (*Minutes*, 1890, p. 207.)

*N.B.*—In relation to Scotland, a similar resolution was adopted in 1866. (*Minutes*, vol. xvi. [1866], p. 589.)

54. **Additional Years.**—In every case, whether in town or country, where an appointment is made beyond the limit of three years, such cases shall be considered year by year. The Conference attaches to any extension of the Term beyond three years the following safeguards:

(1) That the invitation be given, as our polity requires, from year to year.

(2) That in no case shall such an extension be made where there is not practical unanimity in regard to it in the Quarterly Meeting or in the Committee to which the power of invitation belongs.

(3) Each invitation, with a record of the reasons for it, and the vote of the Quarterly Meeting or any Committee acting under the authority of the Conference, shall be reported to the Stationing Committee, which shall meet, if necessary, specially for the purpose; and by the Stationing Committee be reported to the Conference, with a recommendation upon it. (*Minutes*, 1905, p. 369; 1911, p. 96 (4).)

Ministers appointed to act under the direction of a Departmental Committee shall, if re-appointment be desired by the Committee, be annually invited by that Committee, and dealt with by the Conference as in the case of Ministers in Circuits and Missions. (*Minutes* 1906, p. 336.)

55. **A "Supply" in relation to a Third Year Appointment.**—A Probationer sent by the President, before Christmas, as a Supply, is not thereby disqualified for appointment for a third year to the Circuit where he served as a Supply. (*Minutes*, 1887, pp. 193, 194.)

56. **University Degrees.**—(1) For the future, no Minister shall be entitled to have his Degree printed in the *Minutes* until the approval of the Probationers' Examination Committee has been obtained.

(2) In the case of every Degree printed in the *Minutes*, the source of the Degree shall be stated, except in the case of that of Doctor of Divinity received before the Conference of 1895.

(3) Degrees obtained from a Foreign University, by means of Examinations conducted in this country, shall not be printed in the *Minutes*. (*Minutes*, 1893, pp. 227, 228; 1895, p. 225.)

(4) The Conference resolves that, in addition to the statement of the sources of Degrees, the prefix (*Hon.*) shall be put before all British or Foreign Degrees in Arts, Law, and Science, if they be Honorary. (*Minutes*, 1903, p. 357.)

(5) The Conference directs that in future Honorary Degrees shall only be recognised if they proceed from Corporations which have a full University Status. (*Minutes*, 1903, p. 358.)

(6) In view of the extension of University facilities for *ad eundem* degrees, such degrees shall not in future be printed in the *Minutes*. (*Journal*, 1906.)

57. **Ministers for whom no Circuit can be found by the Stationing Committee.**—The name of any Minister for whom no Circuit can be found by the Stationing Committee shall be omitted from the first Draft of Stations, a report being presented by the Stationing Committee to the Conference, as to the reasons for such action. The Conference shall in all such cases, on the first day of the Pastoral Session, appoint a Special Committee to consider and report to the Conference. Notification of the action of the Stationing Committee shall be given to the Minister for whom no Circuit can be found, and

the regulations of the Conference relating to the right of appeal in such cases shall be observed. (*Minutes*, 1909, p. 361.)

## V. Departments.

58. **Designations and Nominations for Appointment to Departmental Offices.**—(1) On any vacancy or vacancies arising in any Departmental Offices by death, retirement, expiration of term, or otherwise, the General Committee of the Department shall prepare a report concerning such vacancy or vacancies. This report shall contain a reasoned statement as to the particular features of the appointment which has to be made.

(2) The Committee may also submit the name of one or more Ministers, not exceeding three, whom it deems suitable for the vacancy.

(3) The Committee of any Department in which a vacancy occurs, shall, prior to making any report or suggestion, appoint a Sub-Committee, which shall carefully consider the whole matter and advise the General Committee respecting it. In the case of the Theological Institution, the Local Committee may report and recommend names to the General Institution Committee as they do at present.

(4) On the presentation of the names by the Committee of the Department for designation or appointment, the Conference, in its Representative Session, shall retain the right to add other names, and shall take at least one ballot, and then if an absolute majority has been secured, and the Conference thinks fit, it may by open vote pass on the result of the first ballot to the Pastoral Session.

(5) After the first vote has been taken it shall be open to any member of the Representative Session to move that the Standing Order which requires three names to be submitted to the Pastoral Session for designation or appointment to Departmental Offices be suspended in a particular case.

Should the motion for suspension of the Standing Order be carried in full Conference by a two-thirds majority, the Representative Session may submit either one name or two as may

be deemed expedient. In all such cases the Pastoral Session shall have the right to nominate an additional name, or if need be, two additional names to bring the number up to three, before proceeding to the Ballot.

The Nominee or Nominees of the Representative Session must always be included in the three on which the final ballot is taken, should the Pastoral Session decide in any given case to increase the number of Nominees. (*Minutes*, 1913, p. 101.)

(6) In any case of emergency which arises during the Representative Session involving immediate appointment, the Conference shall determine its own method of procedure, but in each case three names shall be sent forward to the Pastoral Session.

(7) In any case of emergency which arises after the close of the Representative Session, the Pastoral Session shall have the right to appoint without a previous nomination.

(8) Appointments to Departmental Offices shall be in the first instance, as now, for a period not exceeding six years, but all re-appointments in the future shall be for three years only, and when any re-appointment is made the number of votes cast in each case shall be reported. (*Minutes*, 1911, pp. 92, 93.)

**59. Elections to Departmental Offices.**—In any new appointment to a Departmental Office, the Minister elected shall have a clear majority of the total number of votes cast; and when such majority is not obtained on the first ballot, a second ballot shall be taken on the first two—or, if necessary, the first three—names on the list which have the largest number of votes. (*Minutes*, 1883, p. 183.)

**60. Departmental Appointments.**—In future no Minister shall be set apart for the work of a new Department without the question of such an appointment having been referred to the Synods for their judgment. (*Minutes*, 1903, p. 114.)

**61. Nomination of Ministers to Departments.**—If any question seriously affecting ministerial character or fidelity should be

raised upon a proposed name in the Representative Session of the Conference, the nominations for designation for appointment to the office in question shall be postponed without discussion to the Representative Session of the following Conference, when the nominations shall be made under the regulations affecting nominations in cases of emergency for immediate appointment. By this arrangement the objection would be considered and decided by the Pastoral Session of the Conference in the Representative Session of which it has been raised. (*Minutes*, 1904, p. 112.)

**62. Ministers appointed to Act under the Direction of a Departmental Committee.**—Ministers appointed to act under the direction of a Departmental Committee, shall, if re-appointment be desired by the Committee, be annually invited by that Committee and dealt with by the Conference as in the case of Ministers in Circuits and Missions. (*Minutes*, 1906, p. 336.)

**63. Vacancies among Lay Members of the Conference.**—If any Treasurer of a Connexional Fund be unable to attend the Conference, the Committee of the Fund in question shall, at its last meeting previous to the Conference, elect one of its Lay members to represent the Fund at that Conference, in the place of the Treasurer. Should the Committee fail to appoint a substitute, the Nomination Committee shall so appoint. (*Minutes*, 1897, p. 340; 1908, p. 112.)

**64. Schedules from Departments.**—As it is obviously desirable that the Committees appointed by the Conference to manage the several Departments of the business of the Connexion, in the intervals of its Session, be furnished with all necessary statistical information on the matters of business severally confided to their care, the Conference authorises them, through their appointed Officers, to send, when they deem it expedient, suitable Circulars and Schedules to the Superintendents, or to the Chairmen of Districts, as the case may require; and directs the Superintendents and Chairmen

duly to return such Schedules properly filled up. (*Minutes*, vol. ix. [1840], p. 105.)

## VI. Army and Navy Work.

**65. Instructions to Chairmen and Superintendents in Foreign Districts.**—The Chairmen and Superintendents of our Foreign Mission Districts and Stations where there are Garrison and Naval Ports are instructed to make such arrangements with the Naval and Military authorities as may be necessary for the benefit of Methodist Soldiers and Seamen, in concert with the Army and Navy Sub-Committee. (*Minutes*, 1889, p. 317.)

**66. Reports and Returns to District Synods.**—All Ministers working for the benefit of Soldiers and Sailors in Stations where Methodist Homes already exist, or shall be established, shall include in their quarterly Reports an account of the work done in the Homes; and at the May Synods the financial condition of such Homes shall be reported, as in the case of other Trust properties. (*Minutes*, 1887, p. 227.)

The following information shall be presented from each of our Military and Naval Stations to the May Synods; together with a Report of the work done for the benefit of our Soldiers and Sailors:

(1) The number of declared Methodists in the Army and Royal Navy, including the Coastguard, taken for December 31 of each year.

(2) The number of Members of Society in the Army and Royal Navy, including the wives and children of Soldiers and Seamen.

(3) The average attendance at divine service during the year.

(4) The amount of capitation and other official payments for the year.

In the case of Home Stations, these Reports and Returns

shall be submitted to the District Home Mission and Chapel Committee, which shall present them, with needful remarks thereupon, to the Synod. (*Minutes*, 1888, p. 311.)

67. **Soldiers' and Sailors' Homes.**—In addition to the Connexional sanction already required by our Rules before any property can be acquired for Methodist purposes, Ministers or other persons connected with our Societies contemplating the erection or acquisition of a Soldiers' or Sailors' Home shall communicate with the Army and Navy Sub-Committee; and no binding arrangements shall be entered into until the written consent of the Home Mission Committee and of the Missionary Committee respectively shall have been received. (*Minutes*, 1887, p. 227.)

68. **Army and Navy Ministers in relation to Circuit Work.**—Ministers who are appointed to Army and Navy Work are not to be considered as Ministers of the Circuit in which they may be stationed, so as to be claimed for Circuit work, unless special arrangements be made with the Army and Navy Sub-Committee. After their proper work has been efficiently done, they may give such help to the Circuit as they can, but only by arrangement in writing between the Superintendent of the Circuit and the Army and Navy Sub-Committee. Their personal conduct is to be under the cognisance of the Superintendent of the Circuit and the District Synod, subject to the before-mentioned conditions. (*Minutes*, 1888, p. 311.)

69. **Capitation Payments and Pastoral Duties.** — Wherever capitation payments are received on behalf of our Methodist Soldiers and Seamen, the pastoral duties which are entailed thereby shall be strictly fulfilled, and every facility and encouragement given to the men, their wives, and families to become attached to the services of the chapels in which, by these payments, they are now seatholders. (*Minutes*, 1888, p. 311.)

## VII. Synods.

**70. District Synods, 1914.**—The Annual Meetings of the several District Synods shall be held between May 10 and 17, with the exception of those of the First North Wales, Second North Wales, South Wales, Nottingham and Derby, Lincoln, Hull, Isle of Man, and Scotland Districts.

**71. District Synods and Attendance of Ministers.**—The attendance of all the Ministers at their respective Synods (unless they are excused by dispensation of the Synod) is required by the Conference. No Minister shall be permitted subsequently to answering the questions affecting character to absent himself from any of the sessions of the Synod without the permission of the Chairman. In consequence of the serious and growing habit of Ministers absenting themselves from attendance at the Sessions of the Synod, or only remaining for a brief period of time, the above regulations shall be printed in the form summoning the Ministers to the Meetings of the Synod. As Supernumeraries are required to attend the May Synod, their expenses shall be paid by the Financial Secretary and included in the Synod Assessment to the Circuits of the District. (*Minutes*, 1911, p. 348.)

**72. Returns of Bible-classes and P.S.A.'s.**—The Secretary of the Sunday-School Department shall obtain the information from the Secretaries of the Districts. The Returns of P.S.A.'s are to be made in three columns. (*Minutes*, 1903, p. 359; 1906, p. 106.)

(*Minutes*, 1885, p. 285.)

75. **Election of Ministers to attend the Conference in its Representative Session.**—(1) The election shall be by ballot, after nomination, from among the whole number of Ministers in any District who desire to attend the Conference.

(2) The Ministers so elected shall have permission to attend the Conference in its Pastoral Session.

(3) The Ministers necessary to complete the number permitted to attend the Conference in its Pastoral Session shall then be elected.

(4) In the event of any Minister elected to attend the Conference in its Representative Session offering to provide for himself, his election shall not thereby be rendered void. (*Minutes*, 1886, p. 199.)

76. **Election of Lay Representatives to the Conference.**—No Layman shall be eligible as a Representative, whether elected by the Conference, or by the May Synod, unless he be a Member of Society of five years' continuous standing, and, at the time of his election, a holder of office as a Trustee of Connexional Property, a Member of a Circuit Quarterly Meeting, or a Member of a Synod. Any Layman nominated in a Synod must be a Member of Society in some Circuit within that District. (*Minutes*, vol. xx. [1877], p. 420.)

Duly qualified and elected women shall be eligible as Lay Representatives to the Conference.

The election of Lay Representatives to the Conference shall be by the separate vote of the Laymen, taken by ballot after nomination, in the May Synods; such nomination to be by the Lay Members only. (*Minutes*, vol. xx. [1877], p. 421.)

(*Minutes*, 1895, p. 325.)

78. **Re-election of Synod Committees.**—The Regulations in regard to the District Committees having charge of Foreign Missions and Sunday and Day School affairs shall apply also to the District Temperance and Local Preachers' Committees; namely, that one Lay Member shall retire annually, but shall be eligible for re-election on the vote of two-thirds of the Synod. (*Minutes*, 1902, p. 114; 1908, p. 112.)

79. **Class-leaders' Committee.**—At the September Synod of each District a Class-leaders' Committee shall be appointed, to consist of the Chairman, the Financial Secretary, and four other Ministers and six Lay Class-leaders. (*Minutes*, 1908, p. 97.)

84. **The Synods and Provisional Legislation.**—The Conference resolves that inasmuch as the purpose of the Conference in submitting new legislation to the Synods is to ascertain their mind on the proposals laid before them, this provision of our Constitution permits them to suggest amendments to such legislation if they so desire. (*Minutes*, 1911, p. 367.)

## VIII. Chairmen.

85. **Election of Chairmen of Districts.**—In the appointment of a Chairman of a District, the Minister elected shall have a clear majority of the total number of votes cast, and according to the Standing Order relating to Elections to Departmental Offices. (*Minutes*, vol. vi. [1827], p. 281.)

89. **Home Missionary Ministers.**—A special inquiry shall be made at the May Synods whether the Regulations for the employment of Home Missionary Ministers, adopted by the Conference, have been faithfully observed in the Circuits to which Home Missionary Ministers are appointed; and a Report in each case shall be made to the Conference. (*Minutes*, vol. xv. [1862], p. 327.)

90. **Changes of Ministerial Appointments.**—Whenever any change of Ministers which it may be necessary to make in the intervals of the Conference takes place, the Minister or Ministers so removed shall be subject to the jurisdiction of the Synod in which he or they reside. (*Minutes*, 1903, p. 360.)

91. **Additional or Fewer Ministers.**—All applications for additional Ministers, or for the reduction of the number of Ministers in any Circuit, shall be considered by the District Home Mission and Chapel Committee, which shall report thereon to the May Synod. (*Journal*, 1894.)

92. **Interchanges of Ministers.**—The expense of interchanges appointed by the Conference between Ministers residing in various Circuits shall in no case fall upon the Ministers themselves, but shall be provided by the Circuits concerned, under the direction of the Synod. (*Minutes*, vol. iv. [1815], p. 122.)

This Oral Examination may be omitted if the report on the Probationer's paper on Wesley's Works is satisfactory. (*Minutes*, 1896, p. 197.)

(2) Every such Preacher shall also be examined as to his knowledge of the Constitution of Methodism and the Administration of Circuits; and as to whether, after four years' experience of its working, he still approves our discipline. (*Minutes*, 1897, p. 207.)

**100. Probationers' Reading.**—The Examination Committee shall prepare and send to each Probationer, early in October, a list of books specially recommended for the reading of Preachers on Trial, some of which shall have particular reference to the Scriptural Doctrine of the Church. With this shall be sent a classified form on which the Probationer shall describe his reading, theological and general, for the year.

This form is to be sent in to the Chairman of the District at least a week before the meeting of the May Synod. All Ministers who are members of the Synod shall also be summoned thereto by circular. (*Minutes*, 1897, p. 243.)

110. **Sanitary Condition of Ministers' Houses.**—Circuit Stewards are required to have an inspection of every Minister's house, at every change of Minister, by an independent sanitary expert, and wherever possible such inspection shall be by the Sanitary Inspector of the Local Authority, and to forward a certificate of the good sanitary condition of the house to the Chairman of the District before August 21.

Attention shall be called to these requirements at the May Synod, and inquiry shall be made at the September Synod whether this requirement of the Conference has been carried

out. (*Minutes*, 1893, p. 327; 1894, p. 323; 1905, p. 118; 1908, p. 113; 1911, p. 95.)

The copies of the latter class shall be written on foolscap paper, that they may be annually bound together in one volume.

The District Secretary is required to furnish the Chairman with such extracts from the District Minutes as he will need at the Conference. (*Minutes*, vol. ii. [1799], p. 24; vol. vii. [1835], p. 554; vol. xx. [1877], p. 514; 1881, pp. 307, 308; 1890, p. 326.)

**116. Trial of the Chairman of a District.**—In case of any complaint arising against the Chairman of a District, in reference to either his personal or his official conduct, the accuser, after duly apprising the Chairman of his intention, shall place his complaint in the hands of the President of the Conference for the time being, who shall have authority (if he deem such a course necessary or expedient) to summon a Meeting, consisting of the President of the Conference, the Secretary of the Conference (who shall act as Convener of the meeting), and twelve other Ministers who are in Full Connexion with the Conference, of whom six, wherever practicable, shall be chosen from among the Ministers of the District of which the accused is Chairman (each party having the right to

challenge any or all of the persons first nominated by the President), and to place the Chairman on his trial before them.

If the guilt of the accused be proved, the Meeting shall have power to suspend him till the ensuing Conference, or to depose him from the chair; and in that case the members of the Synod concerned shall, as in the case of the death of a Chairman, elect another Chairman.

The above Resolution shall not apply to the legislation of 1835 (*Minutes*, vol. vii. [1835], p. 581) relative to the trial of an Appeal against a sentence of expulsion pronounced by the Chairman of a District in the capacity of Superintendent of a Circuit. (*Minutes*, 1894, p. 217.)

## IX. Superintendents.

**117. Weekly Meetings of Ministers.**—Ministers appointed to the same Circuit shall meet together once a week, or as often as practicable, in order to converse freely respecting the affairs of their Circuit. (*Minutes*, vol. ii. [1806], p. 348.)

**118. Reading of Resolutions on Pastoral Work.**—These Resolutions shall be read at each May Synod, and at the Ministers' Meeting of each Circuit in September. Chairmen of Districts are directed to make inquiry at the May Synod concerning the due observance of this Regulation. (*Minutes*, 1885, pp. 356–366.)

**119. Probationers and the Lord's Supper.**—Superintendents are required to make the necessary arrangements, on their Circuit Plans, for securing to their junior Colleagues proper facilities for partaking of this Holy Sacrament. (*Minutes*, vol. x. [1844], pp. 91, 92.)

**120. Attendance of Ministers at Official Meetings.**—All the Ministers and Probationers appointed to a Circuit have a constitutional right to take part as members in our Leaders' Meetings, and in all other official meetings of the Circuits to which they are appointed. (*Minutes*, vol. xii. [1852], p. 121.)

121. **Reading of the Pastoral Address.**—Superintendents are directed to appoint special Society Meetings, to be held at the principal chapels in their Circuits, for the purpose of having the Pastoral Address read, and made the subject of suitable remarks and exhortations. (*Minutes*, vol. viii. [1838], p. 360.)

122. The **Covenant Service in Villages.**—As many of the members of our Church in Village Societies cannot take part in the annual Covenant Service when held only in our principal chapels, the Conference directs Superintendents to arrange, when necessary, for additional Covenant Services for the smaller Societies, to be conducted by Ministers on the week-nights at the commencement of the new year; and that, in connexion with these Services, the Sacrament of the Lord's Supper be administered. (*Minutes*, 1893, p. 228.)

123. **The Sacrament of the Lord's Supper.**—The Conference is impressed with the advisability of arranging for the more frequent administration of the Sacrament of the Lord's Supper on week-days in those places where it is difficult to arrange for its administration on Sundays. The Conference directs Superintendents of Circuits to pay special attention to this important matter. (*Minutes*, 1896, p. 230.)

124. **Annual Circuit Meeting of Class Leaders.**—An Annual Meeting of Class Leaders shall be established in every circuit. The Meeting shall consist of all the Ministers and Preachers on trial appointed to the Circuit, and all the Class Leaders and Assistant Leaders in the Circuit. Junior Class Leaders shall be entitled to attend the meeting, but not to vote, unless they have attained the age of twenty-one years. The meeting shall be held annually at a time to be fixed by the September, or, where desirable, by the June Quarterly Meeting. The Quarterly Meeting shall also appoint a Circuit Secretary. The Superintendent Minister is authorised to call special meetings when necessary. (*Minutes*, 1909, p. 93; 1912, p. 368.)

125. **Quarterly Fast-days.**—The days upon which the Quarterly Fast, appointed by Rule, is to be observed throughout the Connexion, for the following year, are Fridays, October 3, 1913; January 2, April 3, and June 26, 1914. (*Minutes*, vol. i. [1767], p. 73; vol. v. [1821], p. 249.)

126. **Admission of Members.**—Rule of 1797. It is not intended that the names of all those who are on Trial should be laid before a Leaders' Meeting for distinct and formal discussion; but solely, that if there be, in the opinion of a Leader, any reasonable objection to the character and conduct of any person who is on Trial, such objection may be stated by him; and that, if the validity of the objection be established to the satisfaction of the Meeting, a Member's Ticket shall not be given to such person at the Quarterly Visitation. (*Minutes*, 1880, p. 265.)

127. **Recognition of New Members.**—The public and formal Recognition of New Members of Society is in accordance with early Methodist usage. A public welcome given by the Society tends to encourage the New Members, whilst the formal recognition will deepen their sense of responsibility.

Such recognition should be associated, wherever practicable, with the Public Service on the Lord's Day, morning or evening, and be followed by the administration of the Lord's Supper. In some Places it might be found more expedient to recognise New Members at a Society Meeting after the Quarterly Visitation of the Classes; or, in villages, a Recognition Service might take the place of a week-evening service.

The Conference therefore directs that, at least two or three times a year, if practicable, meetings for the Recognition of New Members be held in every Circuit, the frequency and exact nature of such meetings being left to the discretion of the Superintendent. (See "Form of Service," *Minutes*, 1894, pp. 448–454.)

If, upon inquiry, it be found that any person, in other respects eligible for recognition, has not received Christian Baptism, that Sacrament shall be administered before the

recognition of that person, and, if not otherwise, in connexion with the Recognition Service. (*Minutes*, 1878, p. 186; 1885, p. 278.)

128. **Quarterly Returns of Membership.**—Where practicable, the numbers for each Society shall be read in the Leaders' Meeting immediately before each Quarter Day. (*Minutes*, 1893, p. 228.)

129. **Annual Return of Members.**—The number of Members in the Society, and of persons admitted on trial, as taken at the *March* Quarterly Visitation in each year, and reported at the Synods, shall be the number returned on the Minutes of the following Conference.

These Returns of Members in the Society are to be forwarded, immediately after the May Synods, to the Rev. JOHN BELL, *Central Buildings, Westminster, S.W.*

130. **Membership Bureau.**—The operations of the Bureau extend to the whole of the Connexion, to the Colonies, Foreign Stations, and the United States of America.

All removal notes for the United Kingdom are to be sent to the Rev. J. ALFRED SHARP, Secretary, 25 *and* 27, *City Road, London, E.C.* (*Minutes*, 1908, p. 116.)

All removal notes of Emigrants are to be sent to the Rev. SIMPSON JOHNSON, Secretary of Methodist Brotherhood, *Central Buildings, Westminster, S.W.*

131. **The Society Meeting.**—(1) The whole Society in each place shall, wherever possible, be called together, by appointment on the Circuit Plan, at least once a quarter, for purposes of general fellowship amongst its members, for testimony concerning Christian experience, and for pastoral guidance and common counsel in the things of the kingdom of God, both as touching personal religion and the work of God in the congregation and neighbourhood.

(2) At the Society Meeting new members, after being reported to the Leaders' Meeting, shall be introduced by their

Leaders to receive the right hand of fellowship. Members transferred from other Societies, or other Churches, shall be introduced. Baptisms that have taken place since the preceding meeting, and losses suffered through death or through the removal of any members of the Church, shall be reported. New appointments, and retirements of Class-leaders and Stewards, shall be announced. At the first meeting in the New Year the Roll of Membership, containing the names of all fully accredited members on the Class-books, as reported to the Leaders' Meeting, may be read in the Society, and each member shall be expected to answer to his name. It is recommended that once in the year, if not more frequently, the Society Meeting shall conclude with the observance of the Lord's Supper.

(3) None but members of our Church, with those on trial for membership, shall be admitted to the Meeting of the Society. It is desirable that the Quarterly Ticket of membership should be brought to the Meeting, and shown at the door on entrance. (*Minutes*, 1908, p. 581; 1909, pp. 100, 364.)

132. **Trial of Members.**—When a charge is brought against any Member resident in a place where no Leaders' Meeting is statedly held, the case shall be referred for investigation to the Leaders' Meeting of the principal Society in the Circuit town. The Leader or Leaders, and the Society Stewards, of the Society of which the accused is a Member, shall be associated with the Leaders' Meeting for the purposes of the investigation. (*Minutes*, vol. xv. [1863], p. 541; vol. xviii. [1872], p. 656.)

133. **Trial of Trustees.**—If a charge is brought against a Trustee, then there shall be associated with the Leaders' Meeting before which the charge is investigated the Trustees of the chapel with which the Society of which he is a Member is connected; or, if there is no such chapel, then the Trustees of the chapel in connexion with the principal Society in the Circuit town. But no Trustee shall, in either case, be so

associated, unless he is himself a Member of Society in the same Circuit. (*Minutes*, vol. xviii. [1872], p. 656.)

134. **Custody of Trust Deeds.**—The Conference recommends that a Fire-proof Safe be provided in each Circuit, and that all Deeds relating to Trust Property be carefully preserved therein.

135. **Register of Trust Deeds.**—A Register of all Deeds and Documents relating to Trust Properties in the Circuit shall be preserved in a book; and the Deeds and Documents shall be compared with this Register annually by the Superintendent Minister and the Circuit Chapel Secretary, or by some other person to be appointed for the purpose by the Annual United Trustees' Meeting.

136. **Names and Addresses of Trustees.**—The Superintendent shall annually revise the Names, Addresses, and Occupations of the Trustees of all our Trust Properties, as entered in the Circuit Book. (*Minutes*, 1891, p. 259.)

137. **Political Meetings in Wesleyan Methodist Trust Premises.**—Having regard to the fact that in some Places a desire has been expressed to use our Trust Property for the purpose of Political Meetings, the Conference declares that such uses are not contemplated by the provisions of any of our Trust Deeds; and it reminds Superintendents and Trustees that our Trust Properties can only be *lawfully* used for the purposes provided for in the Trust Deeds.

The Conference expresses the conviction that any such use of the Premises as that suggested would be detrimental to the best interests of our Societies by endangering their peace and unity. (*Minutes*, vol. vii. [1834], p. 420; 1885, p. 185.)

In regard to allowing the use of Wesleyan Methodist Trust Property for meetings of Parish Councils, see *Minutes*, 1894, p. 323.

138. **Voting in our Chapels on Municipal and other Matters.**—It is not within the province of any person occupying our pulpits to submit Resolutions and take votes on municipal

and semi-political matters, nor to ask the congregation to vote thereon at the close of the service in our Chapels on the Lord's Day. (*Minutes*, 1904, p. 361.)

139. **Friendly Societies and Meetings on Trust Premises.**—Friendly Societies and Approved Societies under the Insurance Act may be encouraged to hold their Meetings in Wesleyan Methodist Schools or Vestries, especially where there is no other public building available for the purpose; care being taken to avoid any action which would render the Trust property liable to rates. (*Minutes*, 1896, p. 333.)

140. **Discontinuance of Public Services.**—Before Public Services are finally discontinued in any Chapel held on a Connexional Trust, at least three months' notice of such intention shall be given by the Superintendent Minister to the District Home Mission and Chapel Committee, and also to the General Secretary of the Home Mission Committee, in order that steps may be taken, if thought advisable, to avoid such a necessity. (*Minutes*, 1905, p. 118.)

141. **Entertainments on Trust Premises.**—The Conference has reason to believe that in certain localities entertainments have been allowed which are, to say the least, highly inexpedient, and that in a few cases the practice obtains of holding entertainments which are altogether inconsistent with the purposes for which our property is held in Trust. The Conference therefore directs that the greatest possible care must be taken not to allow premises set apart for religious purposes to be used for entertainments which would bring a reproach upon the Church or constitute a ground of offence to our people generally. The Conference further urges Ministers and Trustees to exercise a wise discrimination in regard to these matters, especially in view of the fact that certain entertainments which may be innocent in themselves are associated in the public mind with the gambling spirit of the age, and are altogether at variance with the objects for which

the Methodist Church exists. At the same time the Conference is of opinion that in certain localities where the people have little opportunity of wholesome recreation, such recreation may with advantage be permitted. (*Minutes*, 1908, p. 107.)

The Conference regrets to find that in a few cases Trustees have proposed to apply for a Dramatic Licence for the purpose of allowing dramatic entertainments on our premises, and that in some parts of the country entertainments and amusements have been countenanced which ought not to be associated with places set apart for Religious Worship or for Sunday Schools. The Conference strongly disapproves of any application for Licences that might give the impression that our Trust property could under any condition be used for the purposes mentioned, which are so alien to the traditions, character, and aims of the Wesleyan Methodist Church. The Conference declares that Dancing, Card-playing, Games of Chance, Entertainments which legally require a Dramatic Licence, and Amusements of a frivolous and vulgar type are contrary to the "General rules and usages of the people called Methodists" as affecting the use of our Trust property, and cannot be allowed. (*Minutes*, 1909, p. 109.)

142. **Expulsion of Members.**—Inasmuch as a Superintendent is directed to bring before the weekly meeting of the Preachers of the Circuit every case of proposed expulsion of a Member, in order that he may have the advantage of hearing the opinions and advice of his colleagues and co-pastors, before he shall finally decide on the course he ought to adopt; the Conference directs that when the Superintendent has not a colleague, and cannot therefore consult a weekly meeting of the Preachers of the Circuit, he shall, in every case of the proposed expulsion of a Member of Society, take counsel with the Chairman of the District. (*Minutes*, 1898, p. 253.)

143. **Modification of the Leaders' Meeting.**—(1) The representation of our members in Local Church Management shall be secured by the enlargement of the Leaders' Meeting.

(2) The elected members of the Leaders' Meeting shall be in the proportion of one in fifty, or fraction of fifty, members of Society in connexion with that Leaders' Meeting up to four hundred, thus providing for a maximum of eight elected members.

(3) Persons thus elected to the Leaders' Meeting shall thereby become members of the Circuit Quarterly Meeting.

(4) Persons eligible for election to the Leaders' Meeting shall be not less than twenty-one years of age, and shall have been in continuous full membership for at least three years.

(5) Persons eligible to take part in the election of representatives to the Leaders' Meeting shall have been full members for at least twelve months, and shall be not less than twenty-one years of age. This shall not exclude from voting those persons who are already members of the Quarterly Meeting.

(6) Representatives to the Leaders' Meeting shall be chosen after nomination, either by open voting or by ballot, as the Meeting of Members may determine. The nomination shall be made in the Meeting by any member who is eligible to take part in the election. The election in each case shall be for one year, provided the membership be maintained.

(7) The election of representatives shall take place annually at an aggregate Devotional Meeting of the Members of each Society, to be held as early in the year as conveniently possible, and shall be presided over by the Superintendent Minister or one of his colleagues; the members to be admitted to the Meeting by showing their ticket of membership for the previous Quarter. If a vacancy in the number of the Elected Representatives should through any cause occur during the year, the place may be filled at a Society Meeting duly called, and constituted, as in the case of the Meeting described in the preceding paragraph. (*Minutes*, 1908, p. 108; 1911, p. 95.)

(8) The disciplinary functions of the enlarged Leaders' Meeting shall be the same as those exercised by the Leaders'

Meeting as heretofore constituted. (*Minutes*, 1908, p. 107; 1909, pp. 100 and 364; 1911, p. 348.)

(9) The chief or general Superintendent of each Sunday School shall be *ex officio* a member of the Leaders' Meeting of that Society with which the Sunday School is connected, he being a member of Society and not a member of any other Leaders' Meeting. (*Minutes*, 1913, p. 61.)

144. **Appeal to the Leaders' Meeting.**—No Appeal to a Leaders' Meeting shall be received against an act of Discipline by a Minister, in withholding a Ticket of Membership, after the completion of twelve months from the time when the member has been informed by the Minister of such act of Discipline. (*Minutes*, 1906, p. 333.)

145. **Orthodoxy of Office-bearers.**—No person shall, on any account, be permitted to retain any official situation in our Societies who holds opinions contrary to the total depravity of human nature, the divinity and atonement of Christ, the influence and witness of the Holy Spirit, and Christian holiness, as believed by the Methodists. (*Minutes*, vol. ii. [1807], p. 405.)

146. **Junior Society Classes.**—In connexion with our Societies, Classes shall be generally established which shall directly provide for the religious instruction of young people. They shall have as their object the early conversion of children to God, their instruction and training in Christian doctrines and morality, and the development of Christian experience and character. For these purposes Holy Scripture shall be largely used. (*Minutes*, 1894, p. 218.)

147. **Leaders of Junior Society Classes and the Leaders' Meeting.**—Leaders of Junior Society Classes shall be members of the Leaders' Meeting and the Circuit Quarterly Meeting, provided they have reached the age of twenty-one years. (*Minutes*, 1910, p. 104; 1911, p. 352; 1912, p. 366.)

148. **Joint Circuit Committees.**—For the purpose of representing, when necessary, the general interests of the Society

in regard to any special purpose or object that needs to be dealt with, combined meetings of the Leaders' Meeting with the Trustees, the Sunday-school Committee, or any other local body connected with the Society, may be held occasionally. (*Minutes*, 1891, p. 329.)

149. **Names and Addresses of Circuit Stewards.**—The Superintendents of Circuits are required to furnish the Chairman and Financial Secretary of the District with the names and addresses of the Circuit Stewards immediately after the December Quarterly Meeting; and, immediately after the March Quarterly Meeting, with the name and address of any person elected to attend the May Synod in the place of any Circuit Steward declaring his inability to attend such Synod; and also with the names and addresses of those persons, in addition to the Circuit Stewards, who have been elected as Representatives to the Synod. (*Minutes*, vol. xviii. [1871], p. 402; 1885, p. 276; 1892, p. 311; 1893, p. 319; *Journal*, 1903.)

150. **Lay Agents in Circuits.**—(1) All Lay Agents employed in our Circuits shall be members of the Wesleyan Methodist Society, and shall be accredited as such by the Superintendents of the Circuits from which they come.

(2) A Lay Agent who is a fully accredited Local Preacher, having presented his Note of Removal and current Circuit Plan to the Superintendent of the Circuit in which he is to work as a Lay Agent, shall have his name placed at the foot of the list of Local Preachers on the Circuit Plan, unless the Local Preachers' Meeting, in exercise of the power given to it by the Conference (see *Minutes*, 1895, p. 436), shall decide to place his name in a higher position. The words "Hired Local Preacher," "Lay Agent," or otherwise, shall be added to his name on the plan; and while employed as a Lay Agent in the Circuit, he shall be subject to the jurisdiction of the Local Preachers' Meeting.

(3) Any Lay Agent desiring to offer himself as a Candidate for the Ministry must be proposed in and approved by the

Quarterly Meeting of the Circuit of which he is a member, the directions concerning the residential qualification of Candidates for the Ministry being strictly observed.

(4) If a Lay Agent is not a Local Preacher, his name shall appear on the Circuit Plan, but not among the names of the Preachers. He shall be subject to the jurisdiction of the Local Preachers' Meeting in the same manner as Exhorters are subjected to that jurisdiction by the provisions of our Discipline. (*Minutes*, 1895, pp. 435, 438; 1898, p. 360.)

151. **Circuit Missionary Accounts.**—In no Circuit shall the Missionary Accounts for the year be closed until they have been passed by the Local or Circuit Missionary Committee, and duly signed by the Superintendent of the Circuit. (*Minutes*, 1898, p. 361.)

152. **Prison Chaplains.**—Superintendent Ministers of Circuits in which County or Borough Prisons are situate are required to furnish each year in September to the Ministerial Secretary of the Home Mission's Prisons Sub-Committee the name and address of a Minister in the Circuit for recognition by the Governor of such jail as authorised to visit any Wesleyan prisoners. (*Minutes*, 1903, p. 362.)

153. **County Asylums and Civil Prisons.**—The Pastoral oversight of Wesleyans in County Asylums shall be regarded as part of the duty of the Ministers in those Circuits in which County Asylums are situated. (*Minutes*, 1908, p. 356.)

154. **Assistant Class Leaders.**—Where a Society Class is large, a Leader infirm, or it appears otherwise expedient, an Assistant Leader may be appointed by the Leaders' Meeting on the nomination of the Superintendent, and such Assistant shall be a member of the Leaders' Meeting. The number of Assistant Leaders who shall be members of the Leaders' Meeting shall not exceed one Assistant for one class. Assistant Leaders shall be members of the Circuit Quarterly Meeting.

The appointment of Assistant Leaders shall be an annual instead of a permanent one. (*Minutes*, 1907, pp. 99, 348; 1910, 368.)

155. **Candidates on the List of Reserve.**—1. Every accepted Candidate on the List of Reserve who is not appointed by the President shall be placed under the care of the Superintendent of the Circuit in which he resides, who shall be responsible for furnishing to the Designation Committee the required report concerning the said Candidate.

2. Candidates on the List of Reserve who receive an appointment before Christmas shall take the prescribed course of Reading and Examination for Probationers of the first year. Such Candidates, when appointed after Christmas, shall be required to take a course of Reading to be prescribed by the Probationers' Examination Committee, varying according to the date of appointment. This Committee shall satisfy itself that its requirements have been observed, and shall report to the Designation Committee.

3. As proper time for study is essential to the work of our Probationers, the Conference directs Superintendents of Circuits and Missions to arrange accordingly. The Conference directs the Secretary of the Examination Committee to report to the Designation Committee those cases in which, in consequence of pressure of special work, there has been comparative failure in the Examination for two successive years.

## X. Circuit Quarterly Meeting.

156. **The Ballot in Quarterly Meetings.**—(1) At the elections in Quarterly Meetings of the Representatives to the District Synods the usage of open voting may be departed from, and the elections decided by ballot, after nomination by the Lay Members of the Meeting. (*Minutes*, 1893, p. 319.)

(2) In respect of all other elections made at Quarterly Meetings the Conference re-affirms its declaration of 1884, namely: "The practice of voting by ballot in the admini-

stration of Methodism in our Circuits is contrary to long-established usage, and its adoption would in various ways be injurious to the interests of our Societies." (*Minutes*, 1884, p. 191; 1893, p. 319.)

157. **Church Membership and the Synods.**—No one is eligible for a seat in a Synod, or upon any Committee thereof, who is not a Member of the Wesleyan Methodist Church. (*Minutes*, 1892, p. 309.)

158. **Circuit Stewards and the Synods.**—Circuit Stewards, who are otherwise members of the Synod, shall not be at liberty to decline to attend the Synod as Stewards, and then claim the right to sit and vote by virtue of any other office. (*Minutes*, 1892, p. 311.)

159. **Lay Representation in Synods.**—(1) Each Circuit shall be represented in the Synod by its Circuit Stewards, or, in their unavoidable absence, by substitutes, in accordance with the existing regulation on that subject.

(2) In addition to the Circuit Stewards, the March Quarterly Meeting of the Circuits may elect, as members of the Synod at its next meetings in May and September, Laymen, who are considered suitable on general grounds, in the following proportion; viz. (*a*) Circuits providing for one or two Ministers in Full Connexion shall elect one representative; (*b*) Circuits providing for more than two Ministers in Full Connexion may elect one additional representative for each Minister in Full Connexion over the number of two. (*Minutes*, 1902, p. 111; *Journal*, 1908.)

160. **Substitutes for Lay Members of Synods.**—The Circuit Quarterly Meeting in March is entitled to elect, provisionally, a substitute for each of the Circuit Stewards, whether he shall, or shall not, have declared his ability and willingness to attend the May Synod; also, a substitute for each of the Representatives, or for the Representative. Any Circuit

Steward or Representative who shall find himself unable to attend the Synod shall inform the Superintendent, who shall thereupon invite the substitute to be present. This applies, so far as substitutes for Circuit Stewards are concerned, both to the May and September Synods. (*Minutes*, 1897, p. 340; 1908, p. 115.)

161. **Candidates for the Ministry.**—In any case in which a Candidate has not resided for two years continuously in the Circuit from which he is recommended, the Superintendent of that Circuit shall obtain a written report concerning him from his former Superintendent or Superintendents, so as to cover the previous two years, and present the same to the March Quarterly Meeting and to the Synod. (*Minutes*, 1895, p. 204.)

The Conference directs that no Candidate for the Ministry be nominated until he has been heard by the Superintendent and by his colleagues, and also that full opportunity be given to the members of the Quarterly Meeting to hear the Candidate before the nomination is made. (*Minutes*, 1908, p. 354.)

162. **Division of Circuits.**—Before a Synod consents to the division of any Circuit, inquiry must be made whether due attention has been paid to satisfactory arrangements for the Trust Estates affected by the proposed division, especially in reference to debts existing thereon. (*Minutes*, vol. xviii. [1870], p. 154.)

For Regulations as to Division of Circuits, see *Minutes*, 1886, pp. 270–273.

163. **Boundaries of Circuits.**—Whereas difficulties have arisen from the want of accurate and recorded definitions of the boundaries of Circuits, the boundaries of Circuits which are divided shall in future be fully stated in the Minutes of the Synod to which they belong, and the Secretary of the Synod shall send a copy of the record to be inserted in the Minutes of the Quarterly Meetings of the Circuits con-

cerned; and in such cases, copies of the Ordnance maps, or some other maps, of the localities concerned shall be coloured so as to show the boundaries, and deposited in the safes provided for the custody of the Trust Deeds of the Circuits.

These arrangements shall be made in all cases of alteration in the boundaries of existing Circuits. (*Minutes*, vol. xix. [1874], p. 454.)

164. **Juvenile Home and Foreign Missionary Associations.**—(1) In the case of Circuits which are not in a position to ask for the appointment of a Home Missionary Minister, and to give the pledge required, but which feel the necessity of adopting some plan of *Home Missionary* operations, the subjoined allocation is allowed: One third of the sums received from Juvenile Associations to be paid to the Funds of the Missionary Society, it being expressly understood that in every case the contribution to the Foreign Missions shall be at least equal to what has been presented from Christmas Offerings, on the average of several preceding years; one third to the Home Mission Fund; one third to the Circuit, to be expended in support of local movements of a *directly Home Missionary character*, under the direction of the Superintendent and of a Committee to be appointed at the December Quarterly Meeting.

(2) A return of the gross amounts collected in the various Circuits by Juvenile Missionary Associations, with the proportions of such amount allocated to the various objects, shall be made yearly, at the May Synods. (*Minutes*, vol. xv. [1863], p. 528; and vol. xx. [1877], p. 398; also 1885, p. 195.)

165. **Quarterly Meeting Inquiry.**—In every Circuit Quarterly Meeting inquiry shall be made from the Chair as to the amount received on behalf of Foreign Missions during the quarter, and the payment thereof to the District Treasurer. (*Minutes*, 1902, p. 14.)

Circuit Missionary Committees and Officers are to be

appointed, and the Report and Audited Accounts presented, at the March Quarterly Meeting. (*Minutes*, 1909, p. 17.)

166 **The Weekly Offertory.**—The Offertory System shall not be adopted in any chapel without the consent of the Circuit Quarterly Meeting. (*Minutes*, 1889, pp. 286, 287.)

167. **Grants towards Removal Expenses.**—If any Minister be appointed to a Circuit, after an invitation sent by that Circuit to the Minister, every expense incurred by his removal, beyond what the Circuit he is leaving may provide, shall be borne by his new Circuit. (*Minutes*, 1878, pp. 221, 222.)

168. **Financial Statement at June Quarterly Meeting.**—The Circuit Quarterly Meeting affords a most valuable opportunity for bringing the Connexional principle before the leading officials of our Circuit; and the Conference directs that at each June Quarterly Meeting this shall be done, and a report made of the Circuit contributions to each Connexional Fund during the year. (*Minutes*, 1889, p. 288.)

For list of Connexional Funds, see pp. 434-6.

169. **Wesley Guild Returns.**—The Returns which are prepared for the District Synod are, by the recommendation of the Conference, to be submitted and considered by the March Quarterly Meeting in the same way as other Departmental Returns. (*Minutes*, 1908, p. 96.)

170. **Statistics of Day and Sunday Schools.**—The statistics of the Day and Sunday Schools of each Circuit shall be read in the March Quarterly Meeting; but if sufficient time be not then available for the discussion of the statistics, and for inquiry into the state of the Schools, such discussion and inquiry shall take place in the June Quarterly Meeting.

171. **Memorials to Conference.**—(1) Should a majority of the June Quarterly Meeting, in any Circuit, be of opinion that it is desirable to address to the Conference a Memorial on any Connexional subject, and agree to do so, that Meeting

itself, subject to the regulations which follow, shall have authority to adopt and transmit to the Conference such a Memorial. And at such Meeting any Member thereof may propose, for consideration, the propriety of addressing a Memorial to the Conference. (*Minutes*, vol. xii. [1852], p. 111.)

(2) Any Member of the Quarterly Meeting intending to propose a Resolution, and bring the same before the June Quarterly Meeting as the basis of a Memorial to the Conference, shall give notice, with a copy in writing, of the particular Motion or Resolution which he intends to propose either at the March Quarterly Meeting, or to the Superintendent Minister not less than seven days preceding the date of the June Quarterly Meeting; and no proposal of which such notice has not been given shall be brought forward that year. But should the Quarterly Meeting adopt the substance or principle of a Resolution so brought forward, it may amend, as well as simply adopt or reject it. (*Minutes*, vol. xii. [1852], p. 112; 1895, p. 367.)

(3) A Memorial, founded on such Motion or Resolution, if approved by a majority of the persons present, shall be signed by the Chairman of the Meeting; and he shall add a footnote, stating the number of persons present, and also the number voting for and against the Memorial. (*Minutes*, 1891, pp. 331, 362.)

(4) Memorials from Circuit Quarterly Meetings are to be forwarded by the Superintendents of Circuits to the Convener of the Committee on Memorials and Suggestions, the Rev. George Marris, *The Manse, Chislehurst*, not later than ten days before the opening of the Conference. (*Minutes*, 1889, p. 285.)

(5) All Memorials thus received by the Conference shall be referred to a Committee of its members, who shall carefully classify and consider the whole, and present their report thereon to the Conference. (*Minutes*, vol. xii. [1852], p. 112.)

(6) The Quarterly Meeting has complete freedom to memo-

rialise the Conference. It is not competent for the Chairman of a June Quarterly Meeting to rule any Memorial out of order. The Conference reserves to itself alone the right to determine whether a Memorial contains a proposal of a revolutionary character, or subversive of the doctrine or discipline of Wesleyan Methodism. (*Minutes*, vol. xii. [1852], p. 112; 1895, p. 368.)

(7) The Conference cannot sanction such Memorials as involve a direct interference on the part of one Circuit with the local affairs or proceedings of any other Circuit. (*Minutes*, vol. xii. [1852], p. 112.)

(8) No Memorial can be received from the Quarterly Meeting of a Circuit except in manuscript. (*Minutes*, vol. xix. [1874], p. 454.)

(9) The consideration and determination of all questions raised by Memorials from Circuit Quarterly Meetings shall come within the province of the Conference when exclusively Ministerial, or when the Lay Representatives shall be present, according to the subject-matter thereof, respectively. In all cases in which there may be any doubt as to the province to which a matter belongs, the President shall decide. (*Minutes*, vol. xx. [1877], p. 424.)

172. **Central Mission Quarterly Meetings and Non-resident Trustees.**—The direction that the Quarterly Meeting of the Manchester Mission, Oldham Street Circuit, shall include the Trustees of all the Chapels and Mission Halls who are members of Society, whether such Trustees are resident in the Circuit or not, shall apply to all the Central Missions whose Committees are appointed by the Conference. (*Minutes*, 1895, p. 274; 1910, p. 103.)

## XI. The Local Preachers' Meeting.

173. Before any Candidate comes upon the Plan on Trial, he shall be examined by the Superintendent, or under his direction, in the Summary of Christian Doctrine and Bible

History; and, when necessary, in the elements of English Grammar. (*Minutes*, 1874, vol. xix., p. 455.)

174. No Candidate shall be fully admitted as a Local Preacher until he has read the first four volumes of John Wesley's Sermons and his *Notes on the New Testament*; and until he has passed a satisfactory examination in the definitions and Scripture proofs of the leading Doctrines of Christianity as there explained. (*Minutes*, 1876, vol. xx., p. 155.) The period of probation is twelve months. The Local Preachers' Meeting may extend the period in individual cases if necessary or desirable. (*Minutes*, 1905, p. 92.)

175. All Local Preachers shall meet in class. (*Minutes*, 1869, vol. xvii., p. 624.)

176. Wherever practicable, Local Preachers, after being received on Full Plan, shall be recognised at a Public Religious Service. (*Minutes*, 1895, p. 437.)

177. A Local Preacher who shall be adjudged a bankrupt, or who shall make a composition with the general body of his creditors, shall thereby be suspended from his office as a Local Preacher until the Local Preachers' Meeting shall have decided whether the circumstances of the case are such as to justify his continuance on the Plan. (*Minutes*, 1895, p. 314.)

178. Every duly accredited Local Preacher is entitled to be placed, without renewed trial or examination, upon the Plan of any Circuit to which he may remove; provided he present his Note of Removal and current Circuit Plan, and has become a member of Society in that Circuit.

(This, of course, does not apply to Local Preachers on trial.)

The position of a Local Preacher on the Plan of the Circuit to which he may remove shall be decided by the Local Preachers' Meeting concerned. (*Minutes*, 1895, p. 436.)

179. Before a Local Preacher from another branch of the Methodist Church is put on the Circuit Plan he shall satisfy the Superintendent and the Local Preachers' Meeting that he holds our Doctrines, approves our Discipline, and has competent abilities for the work. (*Minutes*, 1898, p. 250.)

180. The necessities of our work require that suitable persons should be employed in the capacity of Exhorters; such persons having the approbation of the Superintendent and the Local Preachers' Meeting. (*Minutes*, 1876, vol. xx., p. 155.)

181. Before any place is taken off the Plan the sanction of the Circuit Quarterly Meeting shall be obtained. (*Minutes*, 1895, p. 439.)

182. **Local Preachers' Meetings.**—In every Local Preachers' Meeting the Superintendent shall inquire quarter by quarter as to the reading of Local Preachers on Trial, and especially as to their reading of Wesley's *Sermons* and *Notes on the New Testament*. (*Minutes*, 1902, p. 359.)

## XII. Sunday and Day Schools.

183. **Sunday-school Official Meetings.***—The Superintendent Minister of the Circuit shall preside at the Annual Meeting of the Committee and Subscribers; and also at all meetings of the Committee, and at all meetings of the Teachers. If at any one of the said meetings the Superintendent Minister be not present, one of the other Ministers of the Circuit shall preside. If no Minister is present, the meeting shall appoint one of the Officers of the institution to act as Chairman; except in the case of a Teachers' Meeting, when one of the Superintendents of the School shall preside. (*Minutes*, vol. xvii. [1868], p. 384.)

* This Standing Order applies to the old Regulations still in force in some Schools.

184. **Representation in Circuit Quarterly Meetings.**—(1) No one who is not a member of the Wesleyan Methodist Church of at least three years' continuous standing shall be *ex officio*, or eligible to be elected as, a Representative from a Sunday School to the Circuit Quarterly Meeting. No person shall be deemed eligible to represent a Sunday School at the Quarterly Meeting of any Circuit in which he is not at the time a Member of the Wesleyan Methodist Church.

(2) The senior Superintendent of every Sunday School shall be a member, *ex officio*, of the Quarterly Meeting.

*N.B.*—Where there are more Superintendents than one, should any difficulty arise as to which Superintendent should be counted the senior, the point may be determined at the meeting when the election of Representatives takes place. The word "senior" is intended to refer to seniority as Superintendent of the School, not to seniority in age.

(3) In Schools with an average attendance of one hundred to three hundred scholars, in addition to the *ex officio* Representative, a special Representative shall be chosen from the teachers and officers of the school at the Annual Meeting of the Local Council.

(4) In Schools with an average attendance of three hundred scholars and upwards, a second special Representative shall be elected in like manner. The special Representative or Representatives shall be elected annually, the same persons being eligible for re-election. Only members of the Wesleyan Methodist Church shall vote for Representatives.

(5) Where there are two sessions, the average attendance shall be that for the larger session, as given in the official returns for the year preceding that in which the election is made.

(6) Should any School Superintendent not be a member of the Church, the teachers and officers of the school may, at the Annual Meeting of the Local Council, elect from among their own number as a Representative some other person who is duly qualified in respect of his membership.

(7) The time and place of the meeting when Representatives are elected shall be fixed in consultation with the Superintendent Minister, either he or one of his colleagues being in the chair; and in the event of a Circuit Minister not being present, the chairman shall be elected by the meeting, such chairman being a member of the Church. (*Minutes*, 1894, pp. 313, 314.)

185. **Orthodoxy of Sunday-school Officers and Teachers.**—The Chapel Model Deed provides that in any School held in a building settled on the Trus'ts of the Chapel Model Deed the teaching is always subject to the Clause in the Deed respecting Doctrine; and the Conference has specifically directed that no person shall be continued as an Officer or Teacher who shall at any time be declared by the LOCAL SUNDAY-SCHOOL COUNCIL or the Leaders' Meeting unfit in respect of general character or of religious opinions for the Office he sustains or for taking part in the Christian Education of the young. (*Minutes*, 1827, vol. vi., p. 298; 1911, pp. 421, 422.)

186. **Our Catechisms in our Sunday Schools.**—The Conference attaches the utmost importance to doctrinal teaching in Sunday Schools by means of catechetical instruction, and directs that Ministers shall give special attention to this subject. Superintendents and Teachers are also urgently and affectionately recommended to do their utmost to promote the use of our Catechisms. (*Minutes*, vol. xix. [1873], p. 176; 1882, pp. 224, 225; 1890, p. 279; 1896, p. 230.)

187. **Correct Returns from Sunday Schools.**—(1) The LOCAL SUNDAY-SCHOOL COUNCIL shall consider at a meeting to be held not later than January 31 of each year, the School Returns for the year ending December 31 previous, and immediately forward the Schedule to the Circuit Secretary. (*Minutes*, 1911, p. 512.)

(2) The Report of each School is to be submitted by the School Secretary to the officers of the School, and counter-

signed by the School Superintendent before being sent to the Local Council. (*Minutes*, 1904, p. 110.)

(3) The Circuit Sunday-School Council shall consider the Sunday-School Schedules and report thereon to the Circuit March Quarterly Meeting. (*Minutes*, 1911, p. 513.)

(4) The Statistics of the Sunday Schools of each Circuit shall be *read* in the Circuit March Quarterly Meeting, but if sufficient time be not then available for the *discussion* of the Statistics, and for inquiry into the state of the Schools, *such discussion and inquiry* shall take place in the Circuit June Quarterly Meeting. (*Minutes*, vol. xix. [1874], p. 440.)

188. **Scholars' Removal Notes.**—With a view to preventing, as far as possible, the loss of scholars by removal, "Scholars' Removal Notes" should be used in all our Schools. The Conference requests the Committee of the Sunday-School Department to supply, free of cost, in the first instance, a Specimen Book of Removal Notes to the officers, and to intimate the willingness of the Department to assist in any case of difficulty. (*Minutes*, 1907, p. 97.)

189. **Erection of Sunday-School Premises.**—All trustees who are contemplating the erection or alteration of premises, intended for Sunday-School work, shall communicate with the Connexional Sunday-School Department before the plans are finally accepted and before they are submitted to the District Chapel Committee, for the purpose of receiving counsel as to their projected undertakings, and the adaptation of the premises to the system of instruction designed to be adopted. (*Minutes*, 1874, pp. 440-441; *Minutes*, 1912, p. 117.)

190. **Examination of Pupil Teachers.**—The Annual Examination of Pupil Teachers in Religious Knowledge shall be held on the last Saturday in October and on the first Saturday in March. The questions shall be prepared by the General Committee; the Examination held, either in the several Circuits by the Superintendent Ministers or their Colleagues, or at

suitable places for Central District Examinations, as may be determined by the September Synods, and agreed to by the respective School Committees; and the written answers forwarded to the General Secretary, to be valued by a Central Board of Examiners elected by the General Committee. (*Minutes*, vol. xv. [1863], pp. 534, 535; vol. xx. [1877], p. 409.)

In connexion with Central Examinations, meetings of Teachers and Pupil Teachers shall be held, under the direction of the Chairman of the District and the District Education Secretary.

## SECTION VI.

## ANNUAL ADDRESSES.

---

# The Address

OF

# THE CONFERENCE

TO THE

# METHODIST SOCIETIES.

Dear Brethren,—

We send you affectionate greeting from our Conference. During its sessions we have been deeply conscious of God's presence, and are assured that He waits to lead our Church into fuller life and larger usefulness. In this confidence we call upon you to join with us in so presenting yourselves to God, that without hindrance He may work out the good pleasure of His goodness.

The Young People's Conventions held during the past year have helped us to realise what a great harvest awaits the reaper. Can we not thrust in the sickle this year? We ask you to spend **the week preceding Children's Sunday, October 19, in united prayer** that God will make us wise to win souls. There are none we covet more to win than these children of our love and prayer. When they are won to definite decision for Christ, let us see to it that we teach them what that decision implies, and train them for the membership and service of His Church.

The time is ripe for a great spiritual advance, for a determined effort uniting all our churches, ministers, and members to win not only the young people in our schools and congrega-

tions, but the unconverted throughout our country. In the name of Christ Who came to seek and save the lost we summon you to this effort. We have no detailed plans to place before you, but we beg you to give yourselves to prayer in secret, in the family, and in the church, that God may show us unmistakably His will, and by the mighty working of His Spirit bring in a great revival throughout Methodism. It is not for us to dictate the times and seasons of His appearing, or the modes of His manifestation; but we may, we must, bring the whole tithe into the storehouse, and make our surrender so absolute and our readiness for His use so complete that He may not be straitened in us in seeking the accomplishment of His purposes.

We thank God for the love and sacrifice of our people in response to the Centenary appeal for Missionary service. As the time of the Centenary celebration comes near we trust that every one of our members will be found facing thankfully and prayerfully the limitless opportunity of the hour, and consecrating service and substance without stint to the evangelisation of our world-parish.

The Conference on Missions held by a number of our laymen reflects the spirit of our Church at this time in its earnestness of purpose, its clear vision of the immeasurable spiritual interests involved, and its determination to give the utmost for the highest. Never were we more passionately resolved that no strength shall be wasted on matters of minor concern, while our Lord and Master is calling so clearly for reapers in fields that are white already unto harvest.

We recognise thankfully the improvement in social conditions at home, due in no small measure to the more definite entrance of the Christian Church into this field of service, and would impress on you that such work, carried on in accordance with the teaching of the New Testament, is an integral part of our functions as servants of Christ, and that each of us, as powers enable and opportunity occurs, should take some part in labour for the betterment of the conditions in which life is lived by our less fortunate brethren. No social reconstruction can take place safely and permanently apart from Christianity—let no apathy of the Christian Church suggest an attempt to prove the contrary.

The decline of materialism in the intellectual world, and the revival of a spiritual conception of life and the universe, are

hopeful features of our time, preparing the way for an advance of true religion.

We would utter a word of warning as to the growing laxity in the observance of the Lord's Day. Let us steadily bear in mind that nothing must be suffered among us that would interfere with the rest and worship God has enjoined, and let us steadily discourage any invasion of its hours by business and pleasure-seeking.

With deep gratitude to God we acknowledge His evident guidance in difficult matters that have been before us, and we rejoice that the unity of the spirit in the bond of peace has been unbroken. We believe that our whole Church stands true to the Gospel of our Lord Jesus Christ, and that its saving truths were never more surely and strongly held among us, while yet there is ample room for liberty of thought and reverent inquiry.

The long discussion on our Church membership has ended in hearty agreement. We commend to you very earnestly the study of the rules, statements, and resolutions, now confirmed, and beg you to make your fellowship in our corporate life real and vital. Enter with all possible heartiness into the family life of our Church and its spiritual service.

Brethren, we approach our new year with the triumphant certainty that God is with us. Years of arrested growth have driven us in deep humiliation and lowly confession to God: difficulties that confronted us have drawn us closer to each other; the Centenary call has opened our eyes and touched our hearts; God has surely been casting up the highway for our advance to win the world for Him.

"Thy people shall be freewill-offerings in the day of Thy power."

God's trumpet call is bidding us go forward. "Who then is willing to consecrate his service this day unto the Lord?"

**Fervent, definite, aggressive evangelism**: let us make this the watchword of our Church year, as it has been the watchword of our Conference. The call comes to our young members to put their full strength of mind and heart into the task, stedfastly declining any dissipation of energy in things of secondary importance: it comes to those who have long borne the burden of the day, bidding them see to it that the last works are more than the first. From this warfare there is no discharge.

Let us not be afraid of methods simply because they are either new or old; in many different ways God will fulfil Himself; whatever the method—and it will be the best we can devise—let the spirit be fervent, assured, and undiscourageable.

We will begin the new year in prayer and continue stedfast in prayer to its close, taking no rest and giving God no rest till our petition be answered and the Spirit outpoured upon us.

In fervent, definite, aggressive evangelism, the Conference pledges itself to lead the Church this year, and the whole Church will follow.

"Now unto Him that is able to do exceeding abundantly above all that we ask or think, to Him be glory in the Church and in Christ Jesus for ever and ever. Amen."

*Signed on behalf and by order of the Conference,*

SAMUEL F. COLLIER, *President.*
SIMPSON JOHNSON, *Secretary.*

# THE ADDRESS

## OF THE

# IRISH CONFERENCE OF 1913

## TO THE

# BRITISH CONFERENCE OF 1913.

Beloved and Honoured Brethren,—

Once again from our Annual Conference we tender to you our cordial and fraternal greetings. The unfailing mercy and the rich and manifold blessings of another year are causes of deep gratitude to God.

We heartily welcome our honoured President Rev. Frederick L. Wiseman, B.A. His sound statesmanship, ripe burning evangelistic zeal, and brotherly disposition have endeared him to us all.

We also welcome your respected representatives, Rev. John G. Tasker, D.D., Rev. Joseph T. Gurney, and Mr. Isaac H. Holden, M.A. We have been cheered by their presence amongst us, and their able and timely public utterances have delighted and inspired us.

We have watched with unfailing and prayerful interest your great effort to worthily commemorate the Centenary of the Wesleyan Methodist Missionary Society, and the courage and faith with which you have accepted the challenge of this critical hour in the history of the non-Christian nations, and rejoice with you in the success, both spiritual and financial, which has so far attended this effort.

It is a matter of deep gratitude to us that we have been able to join with you in this historic movement, and we thankfully acknowledge the enrichment which has come to us through this fellowship in the service of Christ. The Centenary Conventions held at different centres in this country last autumn were seasons of exceptional spiritual power, and were productive of much intelligent enthusiasm in the cause of Missions, and by means of the "Orient" Exhibition held at Dublin in March, large numbers were brought into vital contact with Mission Fields and Missionary Problems.

We have learned with undisguised satisfaction that your labour and sacrifice in the interest of world-wide evangelism have turned out to the furtherance of the Gospel at home, that the decline in membership from which you have suffered in recent years has been arrested, and that you see so many hopeful indications of spiritual awakening.

We watch with ever-increasing interest and admiration your efforts to solve the terrible moral and social problems of your national life, and to adapt your methods to the ever-changing conditions of our time, while you continue to make evangelism your supreme aim, and remain true to the great doctrines of the evangelical faith.

We congratulate you that at length you have been able to secure a suitable home for your great West London Mission, and that your magnificent buildings at Westminster have been completed and dedicated to the service of Christ.

In the great loss your work at home and abroad has suffered through the death of such devoted and experienced leaders as Mrs. Wiseman, Rev. Thomas Cook, and Rev. Joseph Jackson, we deeply sympathise with you.

Our membership returns show a decrease of 565, the largest for many years. But we believe this decrease is more apparent than real, as our Junior membership roll has increased by 996, and in former years many of these would no doubt have been included in the roll of full membership. In many of our circuits, classes have been formed, in which the young people are being instructed in the privileges and responsibilities of church membership.

The stream of emigration continues to flow westward, taking in the past year 693 of our members and many others too from amongst whom we might have reasonably hoped to recruit the ranks of our membership.

In common with you, brethren, we have to adapt ourselves to conditions created by the intellectual, social and political unrest and uncertainty of our time. These conditions, however, present many hopeful features. There is coming to birth in Ireland a new and vigorous spirit of independence which we believe heralds the dawn of that day of intellectual and spiritual emancipation for which our fathers laboured, and prayed and hoped. With but little opposition our open-air preachers bring the Gospel message to almost every part of the country, and are listened to with eagerness by large

numbers. Our colporteurs are finding ready access to the homes of the peasantry in remote districts, and copies of the Scriptures are being purchased by many to whom the Bible had been an unknown book.

Cheering reports have reached us of gracious seasons of revival in some of our circuits, through which many have been brought to Christ and into the fellowship of His Church. Our outlook is darkened by the presence amongst us of those great social evils with which you too are familiar. Our sympathies and prayers were with you and the other Christian Churches in the great and united effort which secured the passing through Parliament of the Criminal Law Amendment Act. We are disappointed, however, that the long-promised measure to deal effectively with the liquor traffic has not yet become law.

But, brethren, while we recognise the value of righteous laws and their uses in restricting evil, we are fully assured that nothing can save our country but the Gospel of Christ, and we believe He is equal to its saving. Therefore, in His strength, and relying on His promises, we address ourselves to the glorious task to which He has called us, and we are greatly encouraged by the assurance that your thoughts and prayers are with us.

By the death of the Rev. William Nicholas, M.A., D.D., LL.D., our Church has lost one of its ablest preachers and wisest administrators. Although for some years a supernumerary, his great gifts and ripe experience were generously placed at the disposal of the Church he loved. Seven honoured and beloved brethren have retired from the active work of the Ministry. We pray that to them may be given a happy and fruitful eventide.

Praying that in all your deliberations you may be guided by the Holy Spirit, and that this Centenary year may be one of rich and abiding blessing.

# THE ANSWER

OF THE

# BRITISH CONFERENCE OF 1913

TO THE

# ADDRESS OF THE IRISH CONFERENCE OF 1913.

Beloved and Honoured Brethren,—

We thank you most sincerely for your cordial and affectionate greetings, and would assure the brethren of our Church in Ireland of the pleasure their address gave us. We welcome with gladness the representatives you have sent to our Conference. The visit of our greatly esteemed Ex-President, Rev. Frederick L. Wiseman, B.A., and the other members of the deputation to your Conference at Cork was greatly appreciated by them all. We shall esteem ourselves happy if your representatives this year carry home equally pleasant memories. All the affection expressed in your message to us we heartily reciprocate, and in the name of our common Lord we wish you great joy and prosperity during the year that lies before you.

We sorrow that you should have to report so large a decrease of members, but we are thankful the returns of the work done by you amongst the young are so encouraging. We indeed give thanks to Almighty God that He has given you so much favour with your children and young people. We increasingly realise that if our Church is to prosper, greater attention must be given to this important work.

At the present moment we feel there is solemn occasion to urge our people to return to the habit of prayer, and especially to the rebuilding of the family altar. We to-day suffer as a Church from the decline of family religion. We believe that if this duty were more faithfully observed by our people a great increase of members would be reported throughout Methodism. Let us, therefore, do all that is possible to en-

courage the cultivation of religion in the home. We ought to be able to apply to all the apostle's saying, "the Church in thy house."

Together we are passing through a very severe period of strain and testing; education is advancing, there has been a great liberation of thought in many directions, superstition and bondage are giving place to knowledge and liberty; but amidst all this movement and change we are increasingly confident of the need of the preaching of the Cross of Christ. That which is foolish to some is yet to many "the power of God unto salvation." It is necessary in the preaching of to-day to combat the prevalent tendency to rely upon mere political improvement. Whilst not underestimating the power of favourable circumstance, we are bound to insist that the new life of a man depends upon the redemption of the will. Our Risen Lord is alone able to meet this need and our message is His Gospel.

In this centenary year we have reminded ourselves of the glorious triumphs of our Church in the past days, both at home and abroad. We know full well that all the former glory can return, and like yourselves we are hearing the call to a great opportunity for service and making ready to obey it.

Again we assure you of our most affectionate regard, and pray that the Head of the Church may in large measure prosper the work of your hands, and advance the Kingdom of His Son.

# THE ADDRESS

OF THE

# FRENCH CONFERENCE OF 1913

TO THE

# BRITISH CONFERENCE OF 1913.

Dearly Beloved and Honoured Brethren,—

Our Conference has met this year in Anduze, a small town at the entrance of the Cevennes, which were the refuge of the persecuted Huguenots in the reign of Louis XIV., and whose deep and almost inaccessible caverns were the only sanctuaries in which our forefathers could assemble to worship God in comparative safety. This region was the theatre of the insurrection known as the "Guerre des Camisards." Amongst its fastnesses the finest troops of "The Great Monarch," commanded by his best generals, were kept in check for the space of three years. At a short distance from Anduze is the house of the famous Camisard chief, Roland, which has recently been converted into a Huguenot Museum. There our pastors, for many years, held their services when they visited the hamlet of Mas-Soubeyran. A great-grand-daughter of the Camisard hero was herself a devoted and efficient Methodist class-leader.

Our work in Anduze and its environs was started about eighty years ago. It has passed through diverse phases of progress and decline. At the present day it is one of the most flourishing and interesting of our Southern Churches, and has now attained financial independence. This example shows that stations which for a time may be unsatisfactory should not be hastily or inconsiderately abandoned.

Our Conference has met at five different times in Anduze. There we have been visited by Rev. William Arthur and

Rev. Ebenezer E. Jenkins. This year we have deeply regretted the absence of the Rev. F. W. Macdonald, your representative. On a previous occasion he had so completely won our confidence by his clear understanding of our position, his sympathy in our difficulties, and his faith in our work, that we had rejoiced at the prospect of welcoming him once more in our midst and of hearing his words of cheer and comfort in our own tongue, of which he is a perfect master. We pray that you may long be blessed with his presence, and that for him there may be light at eventide.

Our statistics show a slight increase in membership, notwithstanding the suppression of Rouen. This increase, following upon last year's not less encouraging one, is a good omen and a promise of better days. During the year four new chapels have been opened, two of which are in localities altogether new. In Havre we have replaced the premises of Rue Gambetta by a new Church, with manse and garden attached. By this transaction we have been enabled to pay off a debt of 30,000 francs, and to erect free of debt a fine building in one of the finest districts of the town. Our finances are also improving, the amounts raised during the year for various funds show an advance of 5,000 francs. Our special missionary efforts in Brittany and in Savoy continue to prosper.

Our Theological College has six students. We are not training them to lull easy-going churches to sleep, but to be missionary pastors, men of action and progress, who will accomplish in France what the pioneers of Methodism brought about in England in the early part of the nineteenth century.

The general progress of God's work was the subject of one of our most interesting sessions. The evangelising of the masses who never enter a place of worship and who must be reached was the main topic discussed on that occasion. This same preoccupation is shared by all the evangelical churches of France. Only a few weeks ago a Congress was held in Paris at which representatives from the various missions met to discuss the best methods for realising this aim.

In accordance with the decisions of last year's Conference, our Churches are preparing to celebrate in October the centenary of your Missionary Society in a spirit of gratitude and self-sacrifice. Our beloved colleague, Rev. Matth. Lelievre, has lately reminded our Churches, through the columns of

the *Evangeliste*, of all they owe to English Methodism. We pray that this commemoration may be a source of great blessing to all our Churches and to our mission fields at home and abroad.

Rev. O. Prunier has been elected President of our Conference for the coming year. Rev. H. W. Guiton will represent us at your Conference.

Accept, dearly beloved and honoured brethren, our sincere thanks for the words of affection and encouragement contained in your reply to our address of last year, together with our best wishes for the success of your Conference and our Christian salutation.

The visit recently paid to your country by the President of the French Republic, and the cordial and enthusiastic welcome you have accorded him, will, we trust, contribute to the strengthening of the *entente cordiale* and to the establishing of permanent peace between our two nations.

# THE ANSWER

OF THE

# BRITISH CONFERENCE OF 1913

TO THE

# ADDRESS OF THE CONFERENCE OF THE METHODIST CHURCH IN FRANCE, 1913.

DEARLY BELOVED AND HONOURED BRETHREN,—

With much joy we received the address which you sent us from your Annual Conference at Anduze. We regret that your appointed delegate was unable to be with us, but we gladly welcomed the Rev. Philip G. Adair, who is well known to our Conference. We cordially approve the nomination of the Rev. O. Prunier as your President for the coming year. His praise is in all the Churches as a brother beloved, a wise counsellor, in labours more abundant.

We thank you sincerely for your address, whose message deeply moved us by the evidence it afforded that God is still with you. Our imaginations were kindled by the place of meeting of your Conference, and by the stirring events of which it had been the centre. We in this country deeply revere the Camisards, whom we have been taught from our earliest days to regard as true heroes of God. The story of their sufferings has been for us an added chapter to the eleventh of *Hebrews*; in them, as in our own Smithfield martyrs, we salute the soldiers of the faith whose blood has been the seed of the Church. We rejoice in the historical continuity which has linked our Methodism in France with these early Protestants, and we believe that in your Church to-day there are found many who would not shrink from enduring every form of persecution rather than deny Him Whom, having not seen, they yet love. Unless we are mistaken in our reading of your national history, your beloved country lost more than can be

told by the fanaticism which led Louis XIV., as you have reminded us, to pursue with fire and sword those whose simple faith and moral discipline would have saved France in after-years from much evil and weakness, and have added to her the strength which fidelity to conscience alone can give.

We rejoice with you in the increase of membership which you report, in spite of the giving up of your work at Rouen. Though we ourselves have for some years suffered a decrease, we are none the less confident that times of revival from the presence of the Lord are at hand. In many directions we see the uplifting of spiritual life. The old materialism, as a form of thought, has lost its power upon the intellect of the country, in spite of apparent overwhelming influence on practical life. There is an undoubted awakening to the more spiritual aspects of the truth ; and, though there is much in national life to-day which we deplore, there are many signs of encouragement that lead us to believe that the night is far spent and that the day is at hand.

You tell us that the increase in your membership has led to an increase in your finances. We rejoice, but are not surprised. With you we have experienced the truth that, wherever there is deepened spiritual life, the financial difficulties of the Church disappear.

You will rejoice with us in the success of our Centenary Movement. Though the sum which we set out to raise has not yet been completely realised, we have every hope that the total amount will not fall far short of the sum we anticipated. Whether this be so or not, we can rejoice in the spiritual results to our Church of the effort, and in the quickened interest in Foreign Missions, of which there are signs on many hands. One of the most hopeful features of the last year has been the Laymen's movement, under the presidency of Sir George Smith, for reviving interest in Foreign Missions. The primary object has not been the raising of funds so much as the giving to our leading laymen knowledge of the problems which have to be faced, and a prayerful interest of far more importance than financial contributions. A most successful convention was held recently at Swanwick, in Derbyshire, the results of which were most blessed.

We rejoice that you have helped us in this Centenary Movement, and believe that the brotherly co-operation and self-sacrifices which you are prepared to show will be abundantly

returned to you in the blessing of God upon your labours both at home and abroad.

In your address you remind us of the cordial and enthusiastic welcome that, as a nation, we gave to the President of your Republic upon his recent visit. We trust that this bond of union between our two beloved countries will be strengthened with the growing years, and that the results will not only be the maintenance of the peace of Europe, but the comradeship of the two countries in all the achievements of science and thought, and in whatsoever things are true and pure, or tend to the uplifting of our fellow citizens.

Our Conference at Plymouth, from which we send you this greeting, has been a time of great refreshing. Under the Presidency of the Rev. Samuel F. Collier we have been led in all our deliberations to the things which are above. Our President will be well known to you from the record of his mission work at Manchester. In the message which he has given to us as a Church for the coming year we recognise the call of God to renewed work and consecration. Throughout our Conference there has been a note of hopefulness, a quiet trust in the leading of God which cannot be mistaken. It is with the confident prayer that God will in the immediate future manifest Himself to you and to us in the fulness of His power that we look forward to a new year of service. Once more we pray that the richest blessing of God may rest upon you, and upon the whole Israel of God.

# THE ADDRESS

OF THE

# CONFERENCE

OF THE

# WESLEYAN METHODIST CHURCH OF SOUTH AFRICA

TO THE

# YEARLY CONFERENCE OF 1913.

Dear and Honoured Fathers and Brethren,—

Assembled at Durban in our Thirty-first Annual Conference we send you our affectionate greetings, with the assurance of our continued loyalty and esteem.

We have received and read with special pleasure and profit your wise and sympathetic reply to our address of last year. We keenly appreciate its encouraging statements and practical suggestions.

We are grateful to you for confirming our nomination of the Rev. William Pescod, a brother beloved, as President of our Conference. During the twenty-nine years of his ministry in this country he has rendered excellent service as a circuit minister; he has had the unique experience, as a Methodist preacher, of exercising his ministerial gifts in one and the same sphere; whilst as a member of the Conference he has shown himself to be wise in counsel and capable in administration. In his Presidential address he laid emphasis upon the necessity of doctrinal and exangelical teaching in the Church and the need for giving the fundamental truths of Scripture a foremost place in its preaching.

Our beloved ex-President, the Rev. Albert H. Hodges, won for himself golden opinions during the year, in the course of which he visited a considerable number of our circuits, scattered over a wide area, conveying encouragement and spiritual stimulus wherever he went.

It has been a great delight to the Conference to welcome your representative, the Rev. J. H. Ritson, M.A., whose presence assured us afresh of your continued regard and whose words were a great inspiration to the Conference.

We also welcomed representatives from the Transvaal. The Rev. Amos Burnet is well known amongst us, and his lay colleague, Mr. R. Raine, is one of ourselves, having been a prominent member in our Church in the Capetown Circuit before his removal to the Witwatersrand. They conveyed to us the greetings of our brethren across the Vaal. In receiving them we felt how vast are the interests entrusted to them and us, and the importance of our co-operation in the pursuance of our work in this Union of South Africa.

We are profoundly thankful to the great Head of the Church that we again report a gratifying increase in our membership, viz. full members, 2,393; on trial for membership, 2,649; in Junior Society Classes, 2,777, making a total increase of 7,819, the largest increase we have had for nine years. We regret the decrease reported in your membership and trust that the spirit of devotion and hopefulness now obtaining amongst you will soon result in a large accession to your numbers.

We rejoice in the success which is attending your efforts in anticipation of the Centenary of your Foreign Missionary Society, in which we take a deep interest. Indeed, our sense of obligation to the Mother Church deepens as the years pass. Your example has been an inspiration to us and we have already taken steps for the inauguration of a similar movement in commemoration of the Introduction of Methodism into South Africa in 1816.

The fourth General Missionary Conference of South Africa, which was held in Cape Town last July, was an unqualified success, being largely attended by ministers and laymen, both European and native, whose presence in the premier city with several hundreds of native Christians from the leading mission stations made a deep impression upon the community, whilst the meetings of the Conference, representing all the principal Churches of South Africa, were marked by a distinct realisation of the Divine presence and blessing.

We regret to record that our missionary income for the year 1912 shows a decrease of nearly £750. The principal causes

of this have been drought and East Coast fever. Two such visitations occurring together impoverished our native people, who, nevertheless, gave generously in spite of their poverty. This decrease has made it very difficult to meet the pressing claims of our work, and has necessitated an increase of our debt.

The roll of the dead contains the names of ministers by whose demise the Church has suffered a great loss. Philip Tearle had filled the Presidential chair and had rendered distinguished service as Secretary and Treasurer of the Twentieth Century Fund. He was a cultured preacher, an able administrator, and a thorough Christian gentleman. William B. Rayner had rendered long and faithful service to the Church. He, too, had been President of the Conference and had travelled in some of our most important circuits. His cheerful disposition and kindness of heart made him a winning personality. Thomas Iles was the soul of kindliness, under whose ministry many had been saved and blessed. After a brief illness he fell on sleep in the fifteenth year of his ministry. F. Vivian P. Holden, who gave promise of great usefulness, passed away in the second year of his probation, when about to proceed to England for theological training. Samuel Ntsiko for thirty-one years discharged the duties of his office with more than ordinary diligence and success. After a protracted period of suffering, borne with exemplary patience, he died in the faith and hope of the Gospel he had preached.

The Rev. C. A. Collingwood, of the Yearly Conference, who has been resident in South Africa for several years, is at present visiting England. We take this opportunity of expressing our appreciation of his helpful service in several of our circuits.

We have nominated as President of our Conference to be held at Port Elizabeth next year the Rev. T. Edward Marsh, whose work among the orphan and destitute children of South Africa and whose practical sympathy and support of our missionary work have given him an abiding place in our esteem and affection. We respectfully request the Yearly Conference so to appoint him.

We have appointed our Ex-President, the Rev. Albert H. Hodges, and the Rev. Benjamin Taylor, together with Senator Sir J. Liege Hulett, Mr. Thomas Ball, C.M.G., and Mr. Walter

Greenacre, J.P., to represent us at your Conference to be held at Plymouth, and to convey to you our filial respect and fraternal greetings.

We pray that the Divine blessing may continue to rest in rich measure upon you, and that all your undertakings may be crowned with abundant success.

## THE ANSWER

OF THE

## BRITISH CONFERENCE OF 1913

TO THE

## ADDRESS OF THE SOUTH AFRICAN CONFERENCE OF 1913.

DEAR AND HONOURED BRETHREN,—

The Annual Conference assembled in Plymouth under the presidency of the Rev. Samuel Collier received with very sincere pleasure the address of your Conference presented by your representatives. We rejoice greatly in the good tidings of success which you are able to send. We welcomed from our heart your representatives, the Rev. Albert H. Hodges (the ex-President of your Conference), and Sir J. Liege Hulett and Mr. Walter Greenacre, J.P. We rejoice in the distinguished service which the Rev. Albert H. Hodges has been enabled of God to render during his year of office, and are thankful to God for the noble work of laymen such as your distinguished representatives.

The Rev. Albert H. Hodges addressed the Conference, and we were profoundly grateful for the record of the work in your midst which he had to give. We listened with unfeigned

joy while he directed our attention to the magnificent growth in your membership and the generosity of your people during the thirty years that have elapsed since the establishment of your Conference.

The Conference ratifies with great pleasure your nomination of the Rev. T. Edward Marsh as the President of your Conference to be held in Port Elizabeth in 1914. We rejoice especially in this appointment when we remember his sympathy and zeal for missionary work, and his great love for orphan and destitute children. We pray God that during his year of office great blessing may attend him and the whole Church. We sorrow with you in the great loss you have sustained by the death of the brethren you name. We thank God for the record they leave. We do not forget the service rendered by the Rev. Philip Tearle when in the chair of your Conference, and as Secretary and Treasurer of the Twentieth Century Fund, and we remember also the faithful work through a long life of the Rev. W. B. Rayner, also an ex-President of your Conference. You will have learned with regret of the great loss we have sustained in the death of the Rev. Thomas Cook, who rendered such distinguished service in the Church of God as an Evangelist, and in his last years achieved such a great success in the foundation of Cliff College. His name is in all our Churches and in many lands. The Rev. Thomas Allen, D.D., an ex-President of our Conference, has also passed from our midst after a life of long and devoted service. We mourn also the loss of the Rev. W. D. Walters, whose name will ever be remembered in connexion with our London Missions.

We are profoundly thankful to the great Head of the Church for the gratifying increase in your membership and in the number on trial which it is your joy to report. We regret that we have once more to report a decrease. We are thankful, however, that this decrease is less than in the years immediately past, viz. 446, and we rejoice because we believe there are signs of a coming increase. We are confident that in the Gospel which we have to preach is the message which men everywhere need as much to-day, under our modern conditions, as ever. We pray that God may give you and us grace and His Holy Spirit that we may deliver this message with apostolic zeal.

We note with pleasure that the fourth General Missionary

Conference of South Africa, which was held in Cape Town last July, was an unqualified success. We rejoice that the Divine Presence was so manifest in its gatherings. Our brother, the Rev. J. H. Ritson, M.A., has given us joy by the report which he brought to us of his visit to South Africa, and his words with regard to the call of your mighty continent greatly moved us.

We join with you in your regret in the decrease in your missionary income for the year 1912 and at the circumstances which chiefly led to this. We trust that under brighter circumstances you will be able to deal successfully with your debt and that we, with you, may find that our people one and all will rise to the call of the foreign mission field. You are aware that we are hoping to bring to a triumphant conclusion this year our Centenary effort. We greatly hope these celebrations will leave an increased missionary zeal in all our churches.

We are glad to report that our Conference at Plymouth has been a time of great refreshing. The Rev. Samuel F. Collier, our President, gave us a noble and inspiring address. The confidence which all our people had in him has been even deepened. We shall return to our work in a spirit of great cheerfulness and determination.

We assure you again of our sincere and prayerful interest in all your affairs, and we pray that in all your churches the power from high may be richly experienced.

# THE ADDRESS

OF THE

# FIRST CONFERENCE (UNITED)

OF THE

# METHODIST CHURCH OF NEW ZEALAND.

HONOURED AND BELOVED FATHERS AND BRETHREN,—

The youngest member of your large and affectionate family desires to offer you hearty and loyal greetings.

During the past few weeks the Methodist Church in these far-off lands has been making history. In response to our repeated requests, our fathers and brethren in Australasia have graciously and unanimously granted us independence, and we commenced on the first day of this year of grace, 1913, as a separate and self-governing Conference.

It is in no light spirit that we have taken from their hands this charter of liberty, and the sense of increased responsibility has already chastened us into a deeper seriousness of mind, and into a fuller dependence upon God.

We earnestly pray that we may be so guided as to use our freedom for the higher interests of the Kingdom of God, and for the expansion of our beloved Methodism in these Southern Seas.

We are grateful to our fellow Methodists in Australia for sending to us, as their representatives, the Rev. H. Youngman, D.D., President of the General Conference, and the Rev. W. Morley, D.D., Managing Treasurer of the Supernumerary Fund. Their eloquent and inspiring words will long live in our memory, and their helpful and wise counsels will make themselves felt in the future policy and work of our Church.

One of the first acts of our new and independent Conference was formally to agree to the union of our Church with the Primitive Methodist Connexion of New Zealand, thus achieving the completion of Methodist union in this Dominion.

The negotiations for this union have been going on for many years, and a Committee consisting of members of both Churches decided on a Basis of Union which has been almost unanimously agreed to by the Quarterly Meetings of both communions. On February 6, all formalities being completed, the two Conferences met at the Wellington Town Hall and marched *en masse* to our historic Taranaki Street Church, where the actual fusion took place.

The General President occupied the Chair, and we elected Rev. S. Lawry (an ex-President and Connexional Secretary) as the first President of the United Church. The Hon. C. M. Luke, M.L.C. (President of the Primitive Methodist Church), was unanimously called to the Vice-President's chair.

We praise God for the gracious influence which has pervaded the entire movement, and for the spiritual feeling which was so specially marked in its consummation.

With these tokens of the Divine Presence we go forward, assured that our United Church will not fail in the high task which is hers.

We scarcely need assure you that we, as a United Church, are loyal to the great evangelical doctrines of Methodism, and hold in reverence its cherished traditions and ideals. We are in the presence of the same soul hunger and spiritual destitution which confronts you in an older land, and we have discovered no new sources of help. We rely still, as we ever shall, upon the Gospel of our Lord and Saviour Jesus Christ.

Our Maori work has given us much anxiety in recent years. The impact of a foreign civilisation, the rapid changes in native life and custom, the evil influence of certain elements in our own population, have had a bad effect upon the Maori people. The story of our Maori Mission deserves a high place in the annals of the brave, and on the list of heroes there is no nobler name than that of our veteran Father Gittos, who, after nearly sixty years of strenuous and sacrificing service, retires this year from the active work.

Our relation to the Australasian Missionary Society has been carefully considered, and we are anxious to take a more active part in the spread of the Kingdom in other lands. For the present we shall retain our association with Australia; but it would appear that our mind is set upon a separate field in which our sons and daughters may labour.

This Conference sends two of her most promising young

ministers to carry, on our behalf, the Message to the South Seas, and we pray for them the protection and strengthening of the Divine Spirit.

We desire to offer our congratulations to the British Conference on the completion of a century of missionary organisation. It is seemly that we, who are one result of your effort, should thus salute you at this centenary celebration. But for your missionary passion, and the devotion and sacrifice of your pioneer missionaries, we had not been.

We feel deeply our responsibility as we gaze upon the magnitude of the task before us. We are beset with difficulties. Pleasure dazzles the eyes of our youth. Many of our people in mid-life are obsessed with the desire for material wealth and not a few of our older members are filled with fear and uncertainty. But we take courage. The Great Head of the Church has not forsaken us; we still feel the promptings of the Holy Spirit, and the dawning of a better day is heralded by many signs.

Fathers and brethren, pray for us that our strength fail not.

# THE ANSWER

OF THE

# BRITISH CONFERENCE OF 1913

TO THE

# ADDRESS OF THE CONFERENCE OF THE METHODIST CHURCH OF NEW ZEALAND, 1913.

Dear and Honoured Brethren,

We have received with the utmost pleasure your greetings, and we have an equal joy in sending our heartiest good wishes and our assurance of deep affection and of prayerful interest in your welfare.

We gladly welcome your representative, the Rev. A. C. Lawry; and his account of the consummation of your hopes in full ecclesiastical independence and also of your first United Conference, as the one Methodist Church of New Zealand, greatly interested us. We are confident that the gracious Spirit which has brought about Methodist Union and which has also made it possible for you to be an independent Conference, detached from your brethren in Australasia, will prevent all possibility of selfish isolation, and will lead you, with energy and with apostolic ardour, to take up afresh the great responsibilities within your borders, and also those great tasks of evangelisation which await you in the islands of the Southern Seas. That you desire to use your newly found freedom for the extension of the Kingdom of God is the surest guarantee of all to us that you have still the primal qualities of Methodism, and that your work will be successful and permanent. In this Centenary Year the call is coming to us afresh and more loudly to share in the work of world evangelisation; and in the month of October at the Centenary Celebrations it will add to our joy to have your representative with us. We cannot forget the shining names of those who laboured in your far, fair land when it was one of the fields of our own Missionary operations; the record of their lives and noble

deeds will be found enshrined in the History of our Missionary Society shortly to be issued. We are glad to think that there are worthy successors to a glorious heritage.

We are more and more realising like yourselves that the Evangel of Jesus Christ, preached with fulness and passion and in the might of the Holy Spirit, is the only message that is adequate for our times. As that Gospel has been, and is, the message of Salvation and the guarantee of righteousness to these older lands, so will it prove to be to your younger communities. It is yours, as it is ours, to admonish every man and teach every man that every man may be presented perfect in Jesus Christ; it is yours, as it is ours, to send the saving salt of righteousness into every part of national life. We pray that you may have granted to you understanding of the times, clear vision of the will of God, and the consecration that shrinks from no service in the Kingdom of Jesus Christ our Lord.

### *III. GENERAL REPORT.*

The Wesleyan Education Committee during the past year has given close attention to the affairs of Wesleyan Day Schools. The standard of requirement as to premises and equipment, especially in regard to playgrounds, continues to steadily rise, and the necessity for extensive structural alterations in buildings that have been in use for many years, involving expenditure altogether beyond the resources of the managers or of the Education Fund, has brought about a position in some cases gravely inimical to the interests of

Wesleyan Methodists and Nonconformity generally. Where the closing of a school has resulted in the provision of a Council School suitably and conveniently placed for the children who were previously in attendance at the Wesleyan School, we, as Wesleyan Methodists, make no complaint; but there are large areas of the country where the giving up of a Wesleyan School would place the provision for public elementary education in the hands of one denomination and thus add to the number of single school areas.

## Memorial to the late Rev. Dr. Waller.

The decision of the Committee to raise a fund to provide a suitable memorial of Dr. Waller's thirty years' connexion in an official capacity with the Education Committee and the life and work of the Westminster College has resulted in the erection in the College Hall of a beautiful stained glass window, which is a worthy memorial to the great service which he rendered to Wesleyan Methodist education.

## Westminster Training College Extension.

The College has been enlarged by the addition of seventeen bedrooms erected on the north side of the College.

## Principal Day School Extensions.

(1) Oldham (Wesley): Shaw Day School. New Infants' School and other improvements, costing £600.

(2) Farnworth: Little Lever Day School. Purchase of land, erection of new wing, improved ventilation, etc., costing £1,000.

(3) Burnley (Fulledge): Wheatley Lane Day School. Structural improvements, costing £1,000.

Other subjects dealt with in the Report are: (*a*) Playground accommodation; (*b*) Development of the Curriculum in Public Elementary Schools; (*c*) the Montessori System of Education; (*d*) Teaching in Domestic Subjects; (*e*) Income from School Fees; (*f*) Number of Public Elementary Schools; (*g*) Statistics in regard to Education; (*h*) The Reports of the Principals of the Westminster and Southlands Colleges. The illustrations include the Westminster College Hall as altered; the Waller

Memorial Window; New School at Little Lever; Southlands Gymnasium. There are also included the Valedictory Address to the Westminster and Southlands Students, delivered by Dr. Haigh; List of Wesleyan Day Schools; Examinations of Students in Training; Alphabetical List of Teachers trained in the Colleges; Obituaries of Teachers who have died during the year.

The Report of the Committee also contains statements as to the purposes for which the grants paid to the Sunday School Department, the Temperance Committee, and the Wesley Guild are used.

## ABSTRACT OF THE REPORT OF THE BOARD OF MANAGEMENT FOR WESLEYAN SECONDARY SCHOOLS.

### Report.

The Board of Management has given close attention to the affairs of Secondary Education during the past year. It appreciates the devoted service of the ministers and laymen who act on the Local Committees, and is gratified that so much care is manifested in the management of the Schools. There is need in some cases of additional boarders in order that the income may more nearly balance the expenditure. The Schools are well staffed, in most cases beyond their immediate necessities, so that an increase in the number of pupils would not involve any addition to the salaries, and the augmented income from fees would ease the financial position. As these Schools provide a sound education under Methodist influence, the Board appeals to the Connexion to support them in every way possible. They are well equipped and highly efficient. The Secretaries will be pleased to furnish parents with information as to fees, curricula, and other matters, and to assist them in the selection of a suitable school for their sons and daughters.

The Committee of the Woodhouse Grove School resolved to celebrate the Centenary of the establishment of the School by raising a fund to be utilised in founding Leaving Scholarships from the School to the Universities. The sum of £2,000 has already been subscribed, but it is hoped this may be increased to £4,000.

## Reports of the Head Masters.

The following Reports, furnished by the Head Masters, show that during the year the Schools have been carried on with much success, and that a high moral tone pervades the School life:

In view of the condition of the premises, the Directors have not thought it necessary to write off anything for depreciation on buildings. After writing off Furniture the sums shown in the Profit and Loss Account, there remains available for dividend a net profit amounting to £210 6*s.* 6*d.* This sum will provide for a dividend at the rate of 1½ per cent. free of income tax, which will absorb £187 8*s.* 6*d.*, leaving £22 18*s.*

### Scholastic.

The Lady Principal reports: "Since the last Meeting of Shareholders three of our former pupils have gained high University distinctions: Daisy Remon, who was awarded the J.L.C. leaving Scholarship in 1909, has obtained the B.A. degree of London University with Second Class Honours in Mathematics; Eunice Le Seelleur, who was awarded Scholarships in French in 1909 and 1910, has also obtained the B.A. degree of London with First Class Honours in French; Dorothy Thorpe, who took the Examination in the Final Honours School

of Modern History, Oxford, was placed in the Second Class Honours List.

"In the School itself two girls were successful in the Matriculation Examination of London University last July. Amongst our successful Oxford Local Candidates we would specially name Muriel Priestley, who obtained an Honours Certificate in the Senior Examination with distinction in French, while she and Kathleen Smith gained exemption from an additional subject in Responsions by the excellence of their work in German and French respectively. A large number of pupils took Honours in the Examination of the Royal Drawing Society, and a Bronze Star was awarded to Cicely Taylor for work sent in to the Annual Exhibition held by that Society.

"It is with pleasure and gratitude that we record the bequest made to the College by the late John Piquet, Esq., which consists of a complete collection of specimens of Jersey flora—a bequest highly appreciated by the council, staff and pupils.

"The health of the School has been excellent throughout the year, and the moral tone all that could be desired."

J. F. GIFFARD, *Chairman.*
W. R. WINSTON, *Hon. Secretary.*

## 4. Queenswood School, Limited.

During the year additional Cubicles and a Sick Room have been provided. This has made it possible to take an additional number of Boarders, and throughout the year the number of pupils has reached the limit of the accommodation.

The general health of the pupils has been good, and the work has been maintained at the high level of previous years. The Directors have pleasure in placing on record their appreciation of the services rendered to the School by the Head Mistress and her Staff.

The Accounts show a net profit of £1,064 3*s.* 6*d.*, arrived at after writing off all repairs and renewals and making due provision for the wasting Assets. The Directors recommend the payment of a Dividend of 5 per cent., free of Income Tax, on the paid-up Capital of the Company, leaving a balance of £10,536 3*s.* 0*d.* to be carried forward to the credit of the Profit and Loss Account.

MARSHALL HARTLEY, *Chairman.*
ALFRED HARTLEY, *Secretary.*

## Rydal Mount School.

The Governors in presenting their Annual Report have pleasure in stating that the year's work has been satisfactory.

The alterations in the Science Department referred to in the last Report were carried through under the supervision of Mr. Workman, and are proving efficient in every respect. This ensures a thorough training for the pupils in a department the importance of which is growing year by year.

The Staff has been maintained and is most efficient, whilst the devotion of the Head Master and Mrs. Osborn merits special recognition.

The most pleasing feature at present is the increase in the number of boys, and if this is maintained, as seems probable, the future of the School is assured.

## The Leys School.

The year has been one of quiet, steady work, and the long-continued freedom from ill-health has been unbroken.

Two Entrance Scholarships have been taken direct from the School to Colleges at Cambridge. Four Higher Certificates and nineteen Lower, with an aggregate of forty-four distinctions, have been won from the Universities' Board for highest grade schools. Half a dozen boys have matriculated at London, and five have won the difficult Certificate "A" of the Junior Officers Training Corps.

Old Boys continue to distinguish themselves in ways illustrating by their diversity the breadth of the School's interests.

It is striking to see how many of them during the past year have been taking prominent parts in various great enterprises of the Church at home. The last few years have seen also a number of them going out in various Churches as medical, educational, and evangelistic missionaries.

One of the two specially distinguished medical honours at Edinburgh has this year fallen to our lot; another old Leysian has taken the F.R.C.S.; and two others took the Primary Examination for the same qualification at the age of twenty-one. Among several Cambridge medical degrees we find in one case the same distinction of remarkable earliness of achievement.

At Cambridge promotions have been won to Foundation

Scholarships at King's, Caius, and Trinity Hall, and Exhibitions gained at Sidney and King's.

A first class in Natural Science, the Whewell Scholarship in Law, the Jeremie Prize for Septuagint Greek, and Honourable mention for the Hulsean Prize for Theology, are other high successes in this University.

At the Royal School of Mines the highest graduate was an Old Leysian, who gained a Scholarship, Prize, and Medal; and in the different areas of the qualifications for Dentistry and for the Surveyors' Institute Old Leysians also headed the list of honours.

## Queen's College, Taunton, Limited.

The Directors have again the pleasure of presenting a highly satisfactory report. The subjoined list of successes in public examinations indicates the efficiency of the instruction given, and the fact that practically all the school places have been filled throughout the year shows that the school continues to be held in high regard.

The Directors have not only scholastic success to record, but also that the high moral tone of the school and its general good health have been fully maintained. They gratefully acknowledge the personal interests and efforts of both Mr. and Mrs. Haslam to secure these results.

The scholastic successes gained during the past year are as follows :—

### University of London.

*Intermediate Arts Examination.*—H. Kear.

*Matriculation Examination.*—E. B. Beech, G. Hosegood, H. G. Pidsley, C. K. Slack, G. H. Culverwell, N. Goldsworthy, J. G. Hall, W. T. Wagstaffe, S. C. Williams.

### University of Oxford.

During the last eleven years 188 out of 190 candidates entered by the College for the Oxford Preliminary Examination have been successful.

For this year's Oxford Local Examination 78 candidates were entered. Of these, 64 passed, 14 being placed on the Honours list and 8 gaining Distinctions.

Of some twenty thousand candidates examined at the various centres, 68·5 per cent. were successful.

Of the candidates from Queen's College, 82·1 per cent. were successful.

In the *Senior* Distinction Lists, N. T. Williams was bracketed 2nd in History and W. H. Mildon 8th in Geography.

In the *Junior* Distinction Lists, G. B. Dallas and E. L. Williams were bracketed 8th in Geography.

In the *Preliminary* Distinction Lists, C. S. Haslam was bracketed 7th in English.

In the eleven years that Queen's College has entered candidates for the Oxford Local Examinations, 557 have been examined and 510, that is, 91·5 per cent., have proved successful.

REPORT OF THE TRUSTEES, SEPTEMBER 1912.

There are no specially new features to report this year. The Trustees have again to regret that the smallness of the endowment compels them to reject deserving cases. But they have

received welcome evidence of the help which their small grants have brought to young Methodists who without them could hardly have borne the financial strain of a University course.

At the Trustees' Annual Meeting in September, the applications for grants were considered. Five candidates received grants for the third time, three for the second, amounting to £75 in all, and seven new applicants received £60, making a total amount awarded of £135. Ten men and five women students were helped, of whom five are studying at Oxford, four at London, two at Cambridge, two at Aberystwyth, and one each at Manchester and Leeds. Ten applications were refused, most of which the Trustees would have gladly placed on their list of awards if only the available money had been a few score pounds more. The Trustees regret to say that no addition has been made to their capital during the year. The need becomes more and more apparent as time goes on. In the various branches of the teaching profession the possession of a degree makes more and more difference to the prospects of our young people, who should be our most valuable workers in time to come. Legacies or other additions to capital will certainly bear rich fruit in the future; but the Trustees will welcome even small annual subscriptions that will enlarge the amount they can give to the many deserving applicants whose cases are laid before them. One of the recipients, out of gratitude for the assistance given her in past years, has written offering to contribute one guinea a year for the next five years to the Scholarship Fund. The Trustees greatly appreciate this.

## General Report—1912-1913.

**The President's Conventions.**—The special feature of our work during the year 1912-13 has been the co-operation of the Department, in conjunction with the Class Leaders' Committee, with the President of the Conference in holding special meetings for workers and for young people in eighteen different centres. These meetings have been full of strong spiritual appeal, and the Council is thankful that the chief officer of the Church has manifested this keen interest in the spiritual welfare of its youth. The President himself writes his impressions of the meetings thus held (see p. 510). The Class Leaders' Committee distributed at these Conventions 852 copies of Miss Hellier's *His Sons and Daughters*, giving them to the leaders of Junior Society classes.

**Scholars and Church Membership.**—The Council is pleased to note that during the year there has been an increase of 360 scholars who are in full membership with the Church or on trial, and there is also an increase in the Junior membership of 1,820. We do not hesitate to attribute this in part to the influence of the meetings that the President has held.

**Influence.**—The Reports given to the Council by its Secretary and its Lecturer assure us that if our schools are not attracting quite so many scholars as in past years, the work of officers and teachers is in many quarters steadily increasing in quality, and the interest in our schools is becoming more spiritually intensive. We are grateful to God for the men and women who have the best influence of the scholars at heart, and who week by week, "according to their several ability," are seeking to lead them to realise the higher ideals of Christian character. Sunday-school work, when faithfully done, involves devotion to the point of sacrifice, and this devotion is often happily manifest.

**Scholars on the Books.**—It is a matter of regret that we have again to report a decrease in our numbers. The follow-

ing figures will show the rate at which we have been losing scholars :—

| Year | Scholars on the books. | Decrease. |
|---|---|---|
| 1906 ... | 1,000,819 ... | 12,572 |
| 1907 ... | 990,264 ... | 10,555 |
| 1908 ... | 987,953 ... | 2,311 |
| 1909 ... | 980,165 ... | 7,788 |
| 1910 ... | 976,752 ... | 3,413 |
| 1911 ... | 964,309 ... | 12,443 |
| 1912 ... | 951,468 ... | 12,841 |

Many reasons will explain this. Several lie entirely outside of the school, and cannot be controlled by the most enthusiastic worker. We must not overlook the fact that the recently published results of the 1911 census clearly prove that there is a marked decrease in the percentage of children to the total population of the land. Some figures recently published by the Education Authority of the city of Leeds show that the number of children of school age within the city area is steadily declining. There are other reasons which might be successfully dealt with by more diligent oversight on the part of our school staff. The Departmental Council hopes that in each Local Council the questions relating to retaining the scholars at present on the roll, following up those who remove and securing a constant stream of new scholars, will receive minute attention.

**The New Legislation.**—It is a matter of satisfaction that, speaking generally, the new legislation is working smoothly and producing encouraging results. From several country circuits letters of a most cheery note have been received during the year, telling of revived interest, renewed inspiration, and keener joy in the service. There are still, however, a few circuits that have not formed their Circuit Council because some Superintendent ministers are of the opinion that the whole legislation is optional. The Council will be glad if the erroneous impression can be removed.

**Scholars' Examination.**—The returns of the Scholars' Examination will be seen in the Reports, and evidence careful teaching. It must be borne in mind that many schools enter their scholars for the examination in connexion with the local

auxiliaries of the Sunday School Union (Old Bailey), and that we should probably have to double our numbers to ascertain the total number of scholars from our own schools that have taken scriptural examination during the year.

**Teacher Training Classes.**—The Teacher Training Classes are doing good work, and as there is in many quarters a recognised and increasing difficulty in obtaining a sufficient supply of teachers, the Council would urge upon all our larger schools to organise a training class so as to ensure a supply of teachers equal to the demand. The Council has decided that when the full diploma is taken it will give to all who have secured it a prize of 10*s.* worth of books, plus an additional 5*s.* for each subject passed in honours; hence, if the diploma is taken with honours throughout, 30*s.* worth of books will fall to the candidate who has thus distinguished himself.

**Prayer-day Letters.**—The Prayer-day letters for October, 1912, were written by the Rev. Carey Bonner and by the Secretary of the Department, and the Council has reason to believe that they were a help to many young people. In addition to this a record was established in the sales.

**Joint Committee of Class Leaders' Committee and S.S. Council.**—During the year a joint committee appointed by the Conference, representative of the Class Leaders' Committee and the Sunday School Council, has sat to consider the whole question of Children's Day and the best method of preparation for and then conserving results. The Rev. W. H. Heap, secretary of the Class Leaders' Committee, appends a fuller report of the proceedings of this joint committee (see p. 511).

**Joint Young People's Committee.**—A Committee representing the three Departments dealing with work amongst our young people (the Sunday School Council, the Wesley Guild, and the Temperance Committee) has also sat during the year for consultation. Very valuable results are in prospect, and the Council resolves: "We rejoice in the closer union and hearty understanding between the three departments:—the Sunday School Council, the Wesley Guild, and the Temperance Committee, brought about by the Inter-departmental Committee which has met during the year, and approve of the continuance of the arrangement."

**Hunter's "Familiar Talks" sent to S.S. Teachers.**—The Council has continued to send Hunter's *Familiar Talks* free of cost to newly appointed teachers, and it is convinced that many young men and women entering upon Sunday-school work have received both instruction and inspiration from this book. 1,563 copies have been distributed during the year.

**Subscriptions.**—Concerning financial matters, more schools have contributed toward what may be termed the general machinery of the Department than before. Unfortunately the financial year of the Department does not end at the same time as the financial year of most of the schools. The sum of £258 3*s.* 5*d.* has been received at headquarters, and as one-third of the amount contributed comes to the Department, it will follow that £774 10*s.* 3*d.* is the amount of the total contributions of the schools towards the work of the Circuit, District, and Departmental Councils. This, though not yet adequate, is an improvement on previous years, and the amount will probably grow as schools appreciate the benefits to be derived from Circuit and District Councils, neither of which can be worked without a certain amount of expense. Perhaps the Council may be permitted to express the hope that it has touched low-water mark in regard to the amount that it receives from the Circuits. Individual subscriptions amount to £248 1*s.*

**Grants to Schools, Lectures, &c.**—During the year £1,386 19*s.* 4*d.* has been given in various forms of grants, and our schools have had the benefit of the services of Mr. W. Frank Freeman, Mr. Robert H. Hugill, Miss Olive Smith, and the Secretary. Grants to the extent of £201 9*s.* have also been voted during the year, but are not yet paid.

**Mr. W. Frank Freeman.**—The Council desires to express its hearty appreciation of the services rendered during the year by its Honorary Lecturer, Mr. W. Frank Freeman, and it tenders to him its most sincere thanks for the continued help he is rendering the Sunday Schools of the Wesleyan Methodist Church.

**Teachers' Magazine.**—The Council has made arrangements with the Primitive Methodist Publishing House for a joint issue of the *Sunday School Magazine*, so that beginning with

1914 the magazine will deal not only with the morning lessons (Sunday School Union's list) and with the International Uniform lessons, but also with the lessons of the British Standard Graded courses:—Beginners, Primary, Junior, Intermediate, and Senior. Thus the Council hopes to provide a magazine of the highest order that will supply the needs of every type of Sunday-school worker. The price will remain the same, and all advertisements will disappear from the body of the magazine. If our teachers would use our own magazine we should rejoice in a largely enhanced circulation.

**Home Lesson Leaflets.**—Beginning with 1914 the Council will adopt new methods of teaching through the eye as well as through the ear. First, the lesson tablets that have been so very much used in the past will be discontinued, and in their place the Home Lesson leaflet will appear; this will give a very beautiful miniature printed in the colours of the large pictures mentioned below, and will provide certain questions to be answered by the scholar during the week. It is to be hoped that teachers will encourage the scholars to use the leaflets, and to preserve the pictures, which in time will form a gallery of Biblical illustration. Albums will be provided for this purpose.

**Wall Pictures.**—The Council's greatest venture in this direction is in conjunction with the firm of Messrs. J. F. Shaw & Co., Ltd. A series of pictures, $21\frac{1}{2}$ in. by $31\frac{1}{2}$ in., will be published each quarter from originals by eminent artists, to illustrate the International Uniform lessons. These pictures are printed by the three-colour process, and are beautiful works of art. The quarterly rolls containing twelve pictures will be 4*s.* net, single pictures 6*d.* Our schools will do well to purchase these pictures, and when they have been used for teaching purposes, to brighten dull walls therewith. They will also be issued mounted on card or on linen, varnished at 1*s.* 6*d.* net; or with roller or a large sunk mount suitable for framing at 2*s.* net. In conjunction with the same firm and the Sunday School Union a series of Primary Pictures in Art has been issued. These have been supplied in envelopes for class use at 1*s.* 3*d.* per packet of 13. The Council sincerely hopes that Primary Departments will avail themselves of these aids to teaching.

**The Methodist School Hymnal and Anniversary Selections.**—The Council is very thankful to report that the Methodist School Hymnal continues to sustain its popularity. The sales of all editions now reach a total of 1,012,396. A selection of 14 Hymns for use at Anniversaries has been published during the year. The staff edition has sold largely, but the tonic-sol-fa edition, despite the clamant demands of those who advocate this method of teaching singing, has proved an unfortunate venture. Only 3,000 out of an edition of 12,500 have been disposed of. An equally good selection is in preparation for 1914, but it will be impossible for the tonic-sol-fa edition to be sold at 1*d.*

**The Manual of the Wesleyan Methodist Sunday School.**—During the year the Manual of the Wesleyan Methodist Sunday School was published. The Council confidently expected that at least one copy of this book would find its way into every school in Methodism, but the number sold has made it evident that so far about two-thirds of the schools have never seen it.

**Premises.**—By the time this report is in the hands of its readers, the Department hopes to be reinstated in its premises at 2 and 3, Ludgate Circus Buildings. At the time of writing the alterations are in progress. They will give a thoroughly modern and commodious book saloon with various show rooms, to which access will be obtained by means of an elevator. It is hoped that many of our friends from town and country will visit the Department, when, whether they come to purchase or simply to inspect, they will receive a very hearty welcome.

The Departmental Council is grateful to God for many signs of His Presence amid the schools of our Church, grateful for loyal and earnest workers, grateful for men and women, and for youths and maidens, in whose lives the interests of the Kingdom of Christ are supreme. At the same time it prays that all who are on the staff of our schools may know more and more of the power of the indwelling of the Holy Spirit and of the joy that comes from sacred service. Then the Report will tell of advance on every hand.

## THE PRESIDENT'S LETTER.

New Central Hall,
Corporation Street,
Birmingham,
*June* 10, 1913.

Dear Mr. Butcher,—

In view of the forthcoming meeting of your Council, I should like to send a few lines expressive of my gratitude to the Sunday School Department for the valuable support it has given to the Young People's Campaign which I have conducted during the year.

The financial help afforded has been as welcome as it has been generous, and the great service you have rendered in undertaking the arrangements and correspondence in connexion with the meetings I have deeply appreciated. And, lastly, your personal presence and advocacy at every one of the meetings has been of high advantage, and has contributed in no small degree to the good results of the gatherings.

The twofold purpose of the conventions, to enhearten workers among the young and to persuade the young people of our Methodist homes and schools of the Church's interest in them, has been attempted in every place. With what success it is impossible to say. But I think all who took part in the meetings, whether of the workers or of the young people, were convinced that great good was done. And the informal words of recognition and appreciation volunteered by one and another showed that our feeling was shared by others.

For the most part friends locally entered with heartiness into the work of preparation, and in all such cases their efforts were well rewarded in a large gathering of young folk of just the ages we wished specially to address. It was very delightful in some of the meetings to see before us the local Wesleyan companies of the Boys' Brigade. It is, perhaps, invidious to single out instances, but one will long remember the inspiriting sight of eager young life presented at Hull and Halifax, Burnley and Bolton, Ipswich and Nottingham.

The spiritual aim of the meetings was maintained throughout. Every speaker seemed to realise he had an unique opportunity. The claims of Christ and His Church and the

great opportunity of noble and fruitful service, which the coming days offer to loyal hearts and willing minds, were strongly and earnestly urged.

Everywhere the proceedings were marked by deep earnestness and high enthusiasm. Occasionally an unusual solemnity of feeling swept over the audience. Good and lasting results cannot but accrue from such meetings.

To you for your wise counsels and timely appeals, and to those who accompanied you, notably the Secretary of the Conference, Rev. W. H. Heap, Rev. George Allen, and Rev. Arthur Rudman, for their admirable addresses, I feel deeply grateful. To me the series has been both delightful and memorable.

With kindest regards,
Yours sincerely,
FRED. LUKE WISEMAN.

## Report of Joint Committee of Class Leaders' Committee and Sunday School Council.

At a meeting of the Joint Committee appointed by Conference, consisting of representatives of the Sunday School Council and the Class Leaders' Committee, to draw suggestions as to

1. The best way to prepare for Children's Day;
2. The best method of conducting the services of the day;
3. The best way to conserve the results of the day so as to train our children for membership of the Church;

the following document was prepared, and will be sent to every minister under the British Conference:

### SUGGESTIONS FOR THE CONDUCT OF SERVICES ON THE THIRD SUNDAY OF OCTOBER.

#### 1. Preparation for the Day.

**The Individual Teacher.**

(*a*) Seek guidance in prayer, listening to the Voice of God in silent meditation.

(*b*) Prepare a list of scholars in the class, to be laid before God in private devotion, reading each name, and waiting for

inward suggestion, in order to learn how each may best be won for Christ.

(*c*) Ponder deeply upon the fact that the teacher's personal influence with these scholars, and the opportunity to win them for Christ, is, in most cases, limited to a very brief period.

**The Local Council.**

(*a*) Let a special meeting of the Local Council for prayer and consultation be held, not less than a fortnight before the day. Let each class come under review; discuss the methods of successful appeal to scholars of varying ages. Arrange for the form of service: or for sectional services, which are often most desirable.

(*b*) Let a series of prayer meetings be arranged. Instances are on record of very helpful meetings that were held at 7 o'clock a.m.

(*c*) Let all recognise that this is God's work and seek the guidance of the Holy Spirit, without Whom no success is possible.

**In Relation to the Scholar.**

(*a*) Remember that you are dealing with young life, and do not seek to impress upon them the phases of religious experience that are normal only to adults. Try to grasp the point of view of youth.

(*b*) Either by a personal letter, or by the use of the printed letter issued by the Wesleyan Methodist Sunday School Department, or still better, by a friendly confidential talk with each one, explain what it means to come to Christ: emphasise the obligation that baptism imposes, and be earnest.

2. The Day Itself.

(*a*) Meet early for prayer.

(*b*) Have all the services of the day arranged so as to lead up to the question of Decision, Renewal, and Dedication. The Secretary should write to the preachers appointed, and ask their co-operation.

(*c*) For the afternoon service have your programme complete, yet not so stereotyped as to prevent any change should circumstances make it advisable. Choose your hymns

with great care: arrange with certain persons to pray, and remind them that their aim should be to "pray with" rather than "at" or "for" their scholars. All prayers should be brief.

(*d*) The address or addresses should be arranged beforehand, and those only invited to speak who have the power of appeal to youth. One or two short testimonies may be found helpful. The note of personal experience tells.

(*e*) Opportunity should be given for each teacher to have private time with the class.

(*f*) The signs of Decision may differ. The following methods have been used. It may be wise to vary them from year to year:

1. The issue of Promise Cards. These cards may be brought to the minister on an evening during the following week, or to the school on the next Sunday.

2. Where the Senior Scholars can be dealt with in a separate company, the act of rising one by one to declare decision has been found helpful.

3. Remaining behind for further prayer and conversation with the workers of the School. The methods of the Enquiry Room are better suited for adults than for young people. It is needful to guard against action that is merely emotional and unreflective.

### 3. After the Day.

It is well that the Sunday School Council should co-operate with the Leaders' Meeting through the minister.

(*a*) All who have "decided" should be carefully grouped into classes, either junior or adult. It is a fatal mistake to omit considerations of age. Boys and girls of 13 and 14 years of age will not continue to meet with those of 10 and 11. No office is more important than that of the Leader of a Junior Society class. Try to secure a combination of piety and intelligence in those who may be appointed. Where, owing to technical classes, home lessons, or other causes, the young people cannot be got together on week evenings, it may be found practicable for such class to meet during Sunday, either in connexion with or following the Sunday School.

(*b*) During the weeks following Children's Sunday, careful instruction should be given in these classes on the different

aspects of personal discipleship, such as Faith, Forgiveness, the New Life and Prayer.

(*c*) Try to secure the minister's aid that he may meet those who desire, with a view to preparing them for the first Communion. Arrangements should be made to receive them into membership in the presence of the Church.

(*d*) Urge the young converts to undertake some work in the Church as soon as possible, *e.g.* in the Primary Department, or in the Band of Hope.

### Suggestions for a Junior Class.

Vary the programme. One week take the teaching of Scripture on the questions of Character and Conduct. Professor Garvie has recently published a most suggestive list of lessons. The Class Leaders' Committee is now preparing a fuller syllabus of instruction.

Another week illustrate phases of Christian Service. Miss Entwistle's Missionary Lessons will help; and other phases of Christian life, work, and heroism will suggest themselves.

The great hymns of the Church afford a splendid vehicle for instruction in Doctrine and Experience, and lessons based upon them will tend to make worship more real.

Miss Hellier's book, *His Sons and Daughters* (1*s.* net), or the Rev. C. F. Hunter's *Notes on the First Catechism* (1*s.* net), will prove suggestive for a fourth week.

Where the classes are composed of those over fourteen, let emphasis be laid upon "The Confession of Christ" before the comrades of daily life.

## Report of the Boys' Committee.

The object of the Boys' Committee is to bring our boys into allegiance to Christ, and to build up strong Christian character. With this in view the Committee seeks to encourage definite work with boys in every Wesleyan Methodist Church and Sunday School. The following organisations are well known to members of the Committee, and are heartily recommended: (1) The Boys' Brigade, (2) The Boys' Life Brigade, (3) The B.P. Scouts, (4) The Alliance of Honour, (5) Boys' Clubs, (6) The Boys' Own Brotherhood.

Some of them employ drill, which is of proved value in the

training of boys, but not one of them is connected with the Army.

The Committee counts it essential that the men in charge should be of definite Christian character, and regards this as the surest guarantee that nothing will be allowed which tends to militarism or to the desecration of the Sabbath.

This has been a year of steady progress. There are signs of an awakened interest in work with boys, and a realisation of the vital importance of the movement. Meetings have been held at some of the theological colleges to interest the students and to acquaint them with modern methods of work.

The Connexional Sunday School Council has added a column to the schedule to record boys' organisations approved by the Boys' Committee.

Steps have been taken to encourage the formation of a Boys' Committee as a standing sub-committee of every District Sunday School Council, to encourage special work with boys in that area. In several Districts such Committees have been formed and have resulted in an increased activity. A large number of Circuit Sunday School Councils have taken up the matter energetically.

A booklet entitled *The Boy and the Church*, embodying the substance of earlier leaflets, together with much new matter, has been issued.

A paper on *The Management of Boys' Clubs* has been specially written by Mr. N. A. Lewis, and has been published by the Committee.

On the recommendation of the Committee a question has been added to the agenda of the Synods, directing attention to definite work amongst the lads of our Church.

The following returns of special work amongst boys have been made for the past year. These are the figures given on the Sunday School schedules. Unfortunately, they do not tally with the returns sent to the headquarters of the various organisations :

## ABSTRACT OF THE REPORT

### OF THE

## NATIONAL CHILDREN'S HOME AND ORPHANAGE.

(Founded by Dr. Stephenson.)

The past year has been one of the most strenuous and difficult in the history of our Home. Within one month the Founder, Dr. Bowman Stephenson, and the Principal, Dr. Arthur E. Gregory, passed away, and at a time of great financial responsibility occasioned by the removal of our Bonner Road community into the country. Yet the blessing of God has abundantly rested upon our work, and we render unto Him our praise for His unfailing mercies and help.

Our work of saving the children has been carried on with zeal and discretion and also with the utmost devotion and cheerfulness. It is a work that can never be easy, that ever demands patience, courage, and unfailing sympathy. That so many of our children respond readily to the new environment and to the moral and spiritual influence of the Home is due in no small degree to the lofty ideals and the constant devotion of the Sisters and other workers. No institution is better served than ours, and we are glad to bear this testimony concerning our fellow-helpers.

We closed the year with 2,097 in our care. 457 of these have been received during the year. For the most part they have come "out of great tribulation," some indeed from the utmost need and the worst moral peril. Ours is rescue work of a most urgent character. Here are a few cases admitted during the year:

Boy of 9. Orphan. Father, who was habitually drunk, died in workhouse. Two other children under school age.

Boys of 10 and 9. Delicate. Father a casual labourer. Nine children at home. Three have died of consumption.

Boy of 10. Mother immoral.

Boys of 10 and 7, girl of 3. Father, dock labourer of bad character. Mother in asylum.

Girl of 10. Motherless. Girl lived with father, who is a cripple, in a common lodging house.

Girl of 13, boy of 6. Motherless. Father addicted to drink. Children were running wild and were in moral peril.

Boy of 12, girls of 11, 7, and 4. Orphans left totally unprovided for. No relatives who can help.

Boy of 11. Father died of consumption. Mother a domestic servant. Boy was living with grandparents and aunt, who are constantly drunk, and was turned into the streets.

Girls of 10 and 9. Father summoned for ill-treating wife and children, and imprisoned. Girls in the streets while mother was out at work.

Girls of 13. Father dead. Mother drunken and dissolute. Elder sister not satisfactory.

During the year 492 children and young people have left the Home, some to friends, others to situations in this country or in Canada. Our emigration work continues to give the utmost satisfaction, and the reports of Canadian Government Inspectors are unqualified praise.

As in former years, we have kept in constant touch with such agencies as the N.S.P.C.C., Police Court Missionaries, Children's Aid Societies, and Boards of Guardians. We are glad to have had the privilege of co-operating with these in the interests of the children. An increasing number have been committed to us through the Children Act, and there are signs of an awakened interest on behalf of neglected and destitute children. Many other very distressing cases of poverty and orphanhood have been relieved, and no genuine case of need has been refused help.

**Care and Training.**—It is one thing, however, to receive such children and another so to care for them and train them as to justify us in receiving them. A heavy responsibility rests upon us in regard to these little ones, yet each child receives careful and sympathetic attention. We are giving more care to the educational work of the Home both in the schools and in the various crafts and industries in which our children are trained. For these we shall have much better facilities in the new branches at Harpenden and Bramhope.

**The Removal from Bonner Road.**—After forty-four years of happy and blessed ministry to needy children, Bonner Road has ceased to be the Headquarters of the Home. Necessity

alone rendered such a step inevitable, for our children have undoubtedly suffered owing to the confined area of the Branch. We still retain four houses in Bonner Road as receiving houses and hospital. The offices have been removed to the Leysian Buildings, 104-122, City Road.

**The New Branches.**—Although the Harpenden Branch is far from completion we have made sufficient progress during the year to transfer to it 200 children from the London Branch. The Opening of the Branch will take place in September, of which due notice will be given. The new Houses at Bramhope, which were opened in June, accommodate fifty children. When these new Branches are finished they will provide shelter for over 600. We cannot be too grateful to our many friends who by their generosity have made possible what has already been accomplished. We are moving carefully in these great undertakings, for we cannot carry the burden of heavy debt, and we appeal to all who love the children to stand by us and to help us all they can.

**Our Bereavements.**—By the death of Mr. G. W. Munt, the Rev. Robert Davidson, M.A., and the Rev. E. Boaden we have lost noble workers. For many years Mr. Munt attended the weekly meeting of the House Committee, and as Treasurer of the London Branch rendered valuable service. Mr. Davidson took a deep interest in the Ramsey Branch and for many years was one of its Treasurers. Mr. Boaden, one of our Vice-Presidents and a representative of the United Methodist Church, also manifested a true sympathy with the work of the Home. During the year also Miss Fowler, the donor of our Frodsham Branch, has passed away. It was in her heart to develop that important Branch, but she was taken from us before her intention could be realised. The monument to these and other workers who have been called to the higher service during the year is to be found in the lives of redeemed and happy children whose need did not appeal to them in vain.

**Finance.**—The Balance Sheet will show that the ordinary income has more than met the ordinary expenditure of the year, the main items of increase being Subscriptions, Street Collections, and Young Leaguers' Union. We venture to appeal to our Ministers for collections in all our chapels at the

Christmas Season and to our Sunday-school friends to continue to assist us in our work for little children. Our people everywhere are ready to give if the opportunity is presented, and there can be no worthier appeal than that on behalf of suffering and needy children.

## APPENDIX VI.

## ABSTRACT OF THE REPORT OF THE TEMPERANCE COMMITTEE.

**The Founding of the League.**—1912-13 will rank as a memorable year in the records of the Temperance work of our Church. The Conference of 1912 endorsed with unanimity a new Temperance Programme. It sanctioned the formation of the Wesleyan Methodist League of Abstainers, an organisation which comprises a Young Abstainers' League for those between 13 and 21 years of age, and an Adult Abstainers' League for those above 21.

The Conference also recommended that Temperance Sunday, November 10, 1912, should be observed as the Foundation Day of the League.

The recommendation of Conference was widely accepted. No less than 1,474 Branches of the League were established during the past winter; 41,325 members were enrolled in the Young Abstainers' League, and 50,465 members in the Adult Abstainers' League, a total of 91,790. After making allowance for the cancellation of unreliable Rolls of Abstainers, Juvenile and Adult, this represents a net increase of 24,361 names of abstainers enrolled in Wesleyan Methodist Temperance Organisations.

So notable a result could not have been achieved without the whole-hearted support of Circuit Ministers and of a multitude of lay Temperance workers. The Connexional Temperance Committee desire to express their gratitude for this unstinted and enthusiastic service in the Temperance cause.

The three Lancashire Districts report the largest District League Membership: Liverpool, 6,977; Manchester, 6,765; and Bolton, 5,467. The largest Circuit returns of League membership are Rhondda, 1,172; Pontypool, 1,024; Oldham (Manchester Street), 982. The three largest Branches of the

League are Leeds (Oxford Place), 670; Glasgow (Cathcart Road), 626; Bolton (King's Hall), 535.

It is pleasing to record that the method of the League has already been adopted by other Churches. The Primitive Methodist Conference, 1912, authorised the formation of a Young Abstainers' League modelled on our own. Requests for information have also been received from other Free Churches, and from the Temperance Committee of the National Free Church Council.

Preparations for the expansion of the League next year have reached an advanced step. A fruitful Temperance Council was held in May at Westminster, when delegates from numerous Branches of the League conferred with the Connexional Temperance Committee. A London Temperance Campaign is planned for November next, having as its aims the establishment of a Branch of the League in every Society in the Circuits of the three London Districts, the increase of the membership of the existing Branches, and the strengthening of Band of Hope work. The Welsh Assembly at Llanrhaiadr, in June, 1913, initiated a similar effort for the three Welsh Districts. Inquiries have also been received from the foreign field which suggest that the League may be established at many of the Mission Stations.

**The Band of Hope.**—The statistics of Juvenile Temperance work are affected this year by the founding of the League. Some Rolls of Child Abstainers which were counted in the Band of Hope returns have been cancelled to make way for Branches of the Young Abstainers' League. Many such Rolls were unreliable: the League, with its annual re-affirmation of the pledge, and constant annual revision of statistics, should afford a basis for reliable Temperance returns.

A feature of next year's work will be an attempt to strengthen the Juvenile Temperance Organisations. A new pamphlet, *Ideas and Ideals for Band of Hope Workers*, has been written by Mr. Stanley Sowton, and will be sent, together with a special Band of Hope issue of the *Pioneer*, to Band of Hope Superintendents throughout the Connexion. An experiment will be made with a new and simple method of enrolling as Abstainers the large number of children in our Schools and Congregations under 13 years of age who are not in Band of Hope Membership.

**Educational Temperance Work.**—The growth of the League has increased opportunities for educational Temperance work. The Annual League Rallies brought together in many instances much larger audiences than our Temperance advocates have ordinarily been able to secure.

There has been a gratifying increase in the circulation of the *Pioneer*, and the educational influence of the journal has accordingly widened. 35,000 copies were sold of *Why Abstain?* the Temperance Sunday number of the magazine.

The work of Miss E. Holmes Harvey has been distinctly educational. After eight fruitful years of temperance advocacy she now leaves the service of the Department to be married. The Committee wish to place on record their sense of the fidelity and effectiveness of Miss Harvey's work throughout the Connexion. Mr. R. J. Denholm, a former student of Westminster Training College, has been appointed to the staff of the Department, and will particularly take up and develop educational Temperance work.

It is intended to prepare, in conjunction with the Temperance Collegiate Association, a scheme of examination in Temperance subjects, and to award diplomas to successful students. A Lending Library of books relating to the Drink problem is being formed. A beginning is also to be made in the issue of Temperance Posters: the Committee feel strongly that an attempt must be made to counter in this respect the activity of the brewing and distilling trades, and are therefore preparing a series of posters warning against the use of alcoholic drinks.

**The Bureau of Legal Information.**—The Department pays a retaining fee to a firm of London solicitors experienced in Licensing Law, and by this means is able to furnish expert legal advice to temperance workers on matters relating to the liquor laws and to the laws affecting betting and gambling. About thirty distinct cases have been dealt with during the year. The work is necessarily of a confidential character. It has proved exceedingly valuable.

**Finance.**—By the help of a few friends who have contributed generously to meet the new expenditure, the year's income has met the expenditure. The Committee, however, desire to emphasise the fact that in face of rapidly growing work an

increase in the normal income of the Department is necessary. The financial basis of the League of Abstainers—a payment by each branch of a minimum of ½*d.* per member per annum to headquarters in return for the provision of League requisites—has justified itself, a sum of no less than £152 17*s.* 7*d.* having been received in Branch Dues. While it is probable that the League will, in due course, finance itself, increased expenses arise from the larger opportunities of service resulting from its success. The Committee, therefore, ask the generous consideration of their claim by the Methodist people.

**Inter-Departmental Action.**—A promising beginning has been made in the way of inter-departmental action. The Sunday School Department and the Wesley Guild Council have afforded ready help in the establishment of the League of Abstainers. An inter-departmental Committee representing the Sunday School, the Wesley Guild, and the Temperance Department has conferred during the year on the central problem of the winning of Young Methodism for Christ and His Kingdom. The Temperance Committee, in common with the other two Departments, ask the Conference to direct that the Standing Order respecting the use of Trust Property for entertainments should be brought under the notice of the workers amongst the young people of our Church, with a view to the observance of the standing order in the spirit as well as the letter.

**The National Position of the Temperance Movement.**—The Committee thankfully recognise a decline in the National Drink Bill for 1912 amounting to £1,243,899. The flourishing state of trade would have suggested an increase in the expenditure of alcoholic liquors. It is therefore all the more satisfactory to notice this check in the wastage of national wealth of strong drink. The Temperance (Scotland) Bill, which would confer power of local option on the Scottish electorate, is again before the House of Commons: the Committee ask the Conference to renew its request that the Government should adhere steadfastly to their purpose of placing the measure in its present form on the Statute Book. The Committee deeply regret that no measure of Licensing

Reform for England and Wales has yet been laid before Parliament despite the pledge of the Prime Minister that such a measure should be introduced. The question of the establishment of canteens in the Territorial Army is being carefully watched, and in one case action was taken which resulted in possible abuses being avoided.

**The Ceylon General Order.**—In April 1913, the Government of Ceylon issued a General Order requiring any public servant who wished to join a temperance society to obtain permission of the head of his department. The order further stated that such permission would only be granted provided the applicant refrained from work on behalf of the temperance society and from attendance at its public meetings. Administrative officers, such as headmen, were refused permission to join a temperance society on any terms whatsoever.

Letters of indignant protest against the order were received from our Missionaries in Ceylon. The Connexional Temperance Committee took immediate action. Articles in the Methodist and public Press drew attention to this indefensible mandate, and urgent representations were made to the Secretary of State for Colonial Affairs.

The Committee report with satisfaction that the protest was successful and the General Order was withdrawn by the Governor of Ceylon.

**Betting and Gambling.**—Close attention has been given to the widespread evils of betting and gambling both in the *Pioneer* and in the public work of the Department's advocates. A careful investigation by the Rev. E. Benson Perkins revealed the startling fact that in certain of the Sheffield Steel Works about 80 per cent. of the men employed habitually indulged in betting practices. The Committee urge that in Bands of Hope and Sunday Schools frequent reference should be made to the evils arising from the habit of betting.

The Betting Inducements Bill, which makes illegal the publication of tipsters' advertisements, was introduced into the House of Lords by Lord Newton, and passed through all its stages in that House. The Committee ask the Conference to urge upon the Government the importance of giving facilities to this useful measure so that it may be speedily placed upon the Statute Book.

In view of the revision of the Schedule consequent on the founding of the League of Abstainers, an exact comparison with last year's returns is impossible. Many Rolls of Abstainers, included in both juvenile and adult statistics of preceding years, have been cancelled where Branches of the League have been founded. The following summary is, however, indicative of the general position :—

## APPENDIX VII.

## THE LONDON MISSION AND EXTENSION FUND.

The Committee has met quarterly during the year, and a number of Sub-Committees have been held for the purpose of dealing with Finance, Sites and Plans, the London Mission Fund, and various forms of Christian work.

### Sites and Buildings Section.

**Schemes Completed or Still in Hand.**—Final payments from this Fund have been paid to the following schemes, which are now completed: Tooting Chapel (Tooting Circuit), Winchmore Hill (Finsbury Park Circuit), Cheshunt (Hertfordshire Mission), Eltham Park (Blackheath Circuit), Harrow (Prince of Wales Road Circuit), Mitcham (Tooting Mission). A grant of £4,030 has been paid to Kingsway Hall and further consideration will be given to the suggestion made by the last Conference. This will be done in co-operation with the

General Chapel Fund, the Home Mission Fund, and the Trustees of the Westminster Central Buildings.

At Old Ford (Poplar and Bow Mission) a very important reconstruction and improvement to the Chapel and schools have taken place. This had been rendered necessary by a successful work that is being carried on among the children of this needy neighbourhood.

The Committee has been able to promise a substantial grant towards a new Chapel at Cottenham Park, this being a rapidly growing suburb in the Tooting Circuit.

At Sudbury Town—another suburb that is likely to become very populous—the Committee has been able to assist in securing a Chapel and vestries. This property had been used for some time by another organisation, but it has been secured on most advantageous terms, and is now one of the centres in the Kilburn and Hampstead Circuit.

At St. George's and Paddy's Goose, in the London Mission East, circumstances have rendered necessary a strengthening and reconstruction of our properties. The workers of the Mission were quite unable to undertake this work themselves. The Committee has been able to make a substantial grant out of its current income, so that these two heroic Methodist centres in the worst part of East London may be equipped for future service.

A scheme has been promoted for the erection of a substantial Mission Hall at The Slade, in the Woolwich Circuit. This will provide for the spiritual needs of a very large artisan population connected with the Arsenal Works at Woolwich.

The lease of the Richmond Road Chapel (Hackney Circuit) will expire in two or three years, and the Secretary and the Committee have given considerable attention to making suitable provision for Methodism in Hackney. A very large site has already been secured in the main thoroughfare, and a scheme is being prepared for the erection of a suitable Hall and other institutional premises.

**New Sites** have recently been secured at Mill Hill (Finchley and Hendon Circuit), and at Bandon Hill (Sutton Circuit).

The complete List of Sites held by the Committee in view of future developments is as follows :—Denmark Park (Mostyn Road Circuit), Balham (Tooting Circuit), Cotten-

ham Park (Tooting Circuit), Northwood (Watford Circuit), Wembley (Kilburn Circuit), New Eltham (Chislehurst Circuit), Chingford (Clapton Circuit), Southfields (Wandsworth Circuit), Clock House (Bromley Circuit), Widmore (Bromley Circuit), Cranbrook Park (Ilford Circuit), Kenley (Croydon, London Road Circuit), Woodside Green (Croydon, South Norwood Circuit), Radlett (St. Albans Circuit), Tolworth (Kingston-on-Thames Circuit), Collindale Avenue (Finchley and Hendon Circuit), Mill Hill (Finchley and Hendon Circuit), Hendon (Finchley and Hendon Circuit), Northfields Lane (Ealing and Acton Circuit), Pitshanger (Ealing and Acton Circuit), Southall (Ealing and Acton Circuit), Upminster (Ilford Circuit), Chadwell Heath (Ilford Circuit), East Sheen (Richmond Circuit), Leybourne Road Gardens, Kew (Richmond Circuit), Golder's Green (Kilburn and Hampstead Circuit), Mare Street (Hackney Circuit), Pinner (Watford Circuit), The Slade (Woolwich Circuit), Epsom (Sutton Circuit), Bandon Hill (Sutton Circuit).

Temporary iron chapels or schools have been erected on some of these sites.

These sites are held by Trustees on behalf of our Church, and the London Mission and Extension Fund has paid, during the year, portion of the interest to the extent of £379 13*s.* 9*d.*

In view of the holding of these sites, and the rapid growth of the population in London, together with the important changes that are taking place in the centre and middle belt areas, special preparation is being made by the Secretary and various Sub-Committees for the new Appeal which has to be made on behalf of London. The Appeal was postponed for a time because of the Centenary of the Foreign Missionary Society. During this period, however, chapels and areas have been visited in nearly all parts of London. Nearly seventy special reports have been prepared showing our buildings, our Church activities, and also the changing character of the populations around these buildings. Special maps have also been prepared and brought up to date. The Committee is therefore ready for a movement in advance when the right moment arrives.

The Grants conditionally voted for ministerial supplies at Golder's Green and Pitshanger have been continued.

A very careful consideration has been given during the year to the legal and constitutional position of the Committee in relation to what remains of the Fund known as Sir Francis Lycett's Fund. After the fullest inquiry and consideration, it was resolved:

"That it is desirable that the residue of the Fund, which now stands at about £29,000, should be administered in accordance with the Rules and Regulations of the Metropolitan Chapel Building Fund, and also of the directions of the Conference of 1909."

**London Mission (Central).**—There is a debt of more than £6,000 on our Mission property in Clerkenwell. Vigorous efforts are being made to remove the whole of the debt, and the Committee resolved to ask the Conference for power to grant assistance in some special way.

## Work and Workers' Section.

The financial position of the Work and Workers' Section (London Mission) has given rise to considerable anxiety during the year. The illness and subsequent death of the Rev. W. D. Walters have rendered it impossible for a time to organise meetings in the country on behalf of the Fund. This has also seriously affected the subscriptions.

The work of the London Mission is being carried on with the same enthusiasm and devotion as in former years. It must always depend on the generous sympathy and practical help of the Methodist people in all parts of our Connexion. In the efforts that will be made to raise this income, the Committee asks for the generous co-operation of all our people.

**Open-Air Work in London.**—During the whole of last winter a Training School for Preachers and Speakers in the Open-Air was held at the Central Buildings, Westminster. About 100 young men enrolled themselves as members, and there was a very large average attendance throughout the entire session. Special guidance was given by well-qualified lecturers and teachers on the fundamental truths of Christianity, the best way of meeting the Rationalism of the Times, and the practical aspects of Open-Air Work.

During the months of this summer a specially organised campaign will be held in the parks and open spaces of London. The following centres have been arranged for: Hyde Park, Regent's Park, Victoria Park and East London, Clapham Common, Hampstead Heath, Bermondsey, Tooting Broadway. Each centre will be in charge of a minister who has undertaken the work, and he will be assisted in each case by a student from one of the colleges and by a group of men from the Westminster Training School. This organisation will be a great addition to the already widespread and efficient open-air work done in London.

In addition to this, missions of a special character have been conducted in several parts of London where re-organisation and a progressive spirit were very much needed.

All this special new work has been provided for by means of an Interim Fund which has been created for doing special aggressive work until the new and larger Fund can be inaugurated.

## APPENDIX VIII.

## ABSTRACT OF THE REPORT OF THE CHAPEL COMMITTEE, 1913.

The Committee is glad to report that the Income, which two years ago reached £10,000 for the first time in the history of the Fund, has been maintained. The total income from Collections and Subscriptions is £10,051 7*s.* 1*d.*, being an increase on the year of £1 18*s.* 3*d.*, which considering the fact that the increase two years ago was £179 6*s.* 11*d.* is fairly satisfactory. The Collections, however, show a decrease

of £4 16*s.* 5*d.*, following on a decrease last year from this source of £121 7*s.* 2*d.* This certainly ought not to be. Taking into account the large number of new Chapels which have been erected, the Income from Collections ought to increase year by year. The Committee again calls attention to the fact that in many cases the collection is not remitted in full, part being retained for local purposes. This is wholly irregular, and calls for prompt and vigorous action by the Conference.

Since the accounts were closed the further sum of £15 6*s.* 7*d.* has been received for the current year, so that had the money been remitted in time, the increase for the year would have been £17 4*s.* 10*d.*

Great care has been taken during the year in the Allocation of Grants not to exceed the income. Last year there was a deficiency of £2,041, which was of course a mortgage on the Income of the present year. The Committee is gratified to know that this deficiency has been met, and that on the operations of the current year there is no liability which is not provided for. The liabilities of the Fund to-day are £7,877 for relief of debt, and £11,081 for new erections, a grand total of £18,958. To meet these unpaid promises there is a capital of £18,947.

The position is further improved by the fact that instead of carrying forward six months' arrears of applications for relief of debt as last year, only three months' arrears have to be dealt with. This of course is a serious charge upon the income of next year, but as the year begins with a clean sheet so far as liabilities are concerned, the situation is more hopeful.

The Loans Fund has been largely drawn upon for relief of debt. Out of £46,000 the sum of £42,812 has been lent without interest, and there are promises on the books of further loans amounting to £13,575 as soon as the money is available.

It is evident, therefore, that the Committee must be prepared for a diminishing income from loans on interest, as practically the whole of the Loan Fund for relief of debt is locked up. There is a considerable balance in hand on the Erections Loan Fund, but this is only temporary.

As a matter of fact the investments are to-day £3,773 less than twelve months ago. The Committee is, however, taking

steps to replace these at an early date, as the balance in the bank is £3,807 more than at this time last year.

It is very satisfactory to be able to report that notwithstanding the drain upon its resources the interest on loans, and investments for the year, covers the entire cost of the Department and allows £112 to be carried to the General Account, so that not one penny of collections or subscriptions has gone in expenses. It should be noted that by careful economy the expenses have been reduced by £260 this year as compared with last.

The above statement will show that the Committee is doing its utmost to husband its resources and to meet the needs of the Connexion. There must, however, be no relaxing of effort on the part of the circuits. The income is at present wholly inadequate. Much more could be accomplished both in the way of relief to burdened Trusts and in assistance towards new erections, if a larger income could be secured.

The Reserve Fund which was created out of the ordinary income to supplement the Century Fund is not yet complete. It is being built up year by year by interest. This fund now stands at £9,485, the sum of £316 having been added during the year. Already £17,700 has been paid in grants from this source and there are still outstanding promises amounting to £12,300, so that if the schemes are carried out there is still £2,815 required. It is possible that one or two of these schemes to which large grants have been promised may lapse. In this case, the Chapel Fund would be relieved to this extent.

The total new expenditure sanctioned under Schedule A is £199,726, which is slightly in advance of last year. The annual expenditure now is normal. The number of cases is 308, as against 264 last year. The number of new Chapels to be erected is 41, the same number as last year. Of these 19 are to be erected in places where previously there was no Methodist Chapel, and 22 supersede former erections.

The additional accommodation provided in the new Chapels is 5,520 sittings, as against 5,070 last year. The enlargements provide 531 additional sittings, making the additional accommodation 6,051, as against 5,581 last year. The average cost per sitting is £6 13*s.* ; last year it was £6 1*s.* 7½*d.* The total debt on the entire outlay is $35\frac{2}{10}$ per cent., as against

30 per cent. last year. The debt on Chapels alone is $19\frac{3}{10}$ per cent. as against $21\frac{7}{10}$ per cent. last year.

The number of alterations and enlargements sanctioned this year is 122, as against 87 last year, and the cost £42,879, as against £43,321. Many of these alterations include Schools, and most of the new Chapel cases also include Schools. In addition, 27 Schools have been separately sanctioned at a cost of £27,731, a decrease in the amount sanctioned of £2,919 as compared with last year.

In the return of cases *completed* under Schedule B, there are 302 cases representing an outlay of £324,014. Of these, 64 are Chapels, costing £164,914. There are 87 cases in which the conditions have not been fulfilled, as against 76 last year. Of these, 26 are Chapels, as against 23 last year. The debt on the entire outlay on *completed* cases works out at $30\frac{1}{10}$ per cent., as against $31\frac{1}{10}$ per cent. last year. There are 16 irregular cases, representing in all an outlay of £6,520. Of these, only one is a Chapel, costing £467.

The new Chapels returned as *completed* number 64 ; of these 25, to accommodate 4,641 hearers, have been erected in places where previously there were no Wesleyan Methodist Chapels, and 39, with 16,291 sittings, supersede former erections, which provided 9,948 sittings. The total additional accommodation provided in the new Chapels is therefore 10,984 sittings. The Chapel enlargements provide 2,047 additional sittings, making the total additional accommodation represented by these *completed* returns 13,031 sittings.

The amount raised locally for new erections and enlargements is £188,229. The amount actually expended both for new erections and relief of debt is £436,480 ; of this amount £288,388 has been raised locally, and if the Grants be added, the amount actually raised is £311,872. Last year it was £374,248. In six years the Methodist people have completed cases of Chapels and Schools, etc., and Relief of Debt, which represent an outlay of £3,454,435.

There has again been great activity in dealing with debt. During the year the Committee has settled 161 cases of Relief by grants amounting to £7,047, discharging £58,791 of debt. This is an increase of 4 cases as compared with last year, but a decrease of grants paid amounting to £635. The amount of debt paid off, however, shows an increase of £3,986 on last year.

Loans have been advanced without interest in 20 cases amounting to £5,260, thereby discharging £10,783 of debt. This is a decrease of 4 cases, and a decrease in the amount of debt discharged by the aid of Loans of £757. The total debt paid off by Loans and Grants is £69,574, an increase of £3,229.

The debt paid off by *local* efforts exclusively is £42,892, being £15,644 more than was paid off locally last year. The total debt paid off during the year is £112,466. This return shows that the Trustees are still grappling nobly with the liabilities they have incurred. The total debt discharged since 1854 is £3,678,784.

There are 9,161 Trusts making returns, an increase of 16, as compared with last year. The debt exclusive of the capitalised value of ground rent is £1,460,794, being £12,431 less than last year. There are 5,677 Trusts free from debt. The total income is £726,462. There are 3,667 Trusts contributing £53,624 to Circuit Funds, an increase of 4 Trusts and of £1,936 in the amount contributed.

The number of Legal Documents that have passed through the office during the year is 1,593, of which 311 were renewals under Fowler's Act, all of which have been registered.

The following is a summary of the Century Fund cases already settled. In addition to these, Grants have been paid by instalments in many cases the cost of which is not taken into account.

## APPENDIX XI.

## REPORT OF THE COMMITTEE ON THE RELIGIOUS OBSERVANCE OF THE LORD'S DAY.

The Committee reports that it has met three times during the year, and that its members have manifested a deep sense of the responsibility devolving upon them as representing the Conference and the Wesleyan Methodist Church in regard to the maintenance of the sacred character and precious privileges of the Sabbath Day, in an age when so many influences are at work tending to destroy the integrity of one of our most valuable national possessions.

Throughout the year the Committee has kept watch upon the tendency to use the Lord's Day for rifle practice in Territorial camps. The deputation which waited upon the Secretary for War in regard to this matter on behalf of the Conference found Col. Seely distinctly sympathetic, and was able to put before him a clear statement of the attitude of our Church. During the year other matters concerning the War Office and the Lord's Day have been dealt with, with the assistance of the Rev. J. H. Bateson, Secretary of the Army and Navy Board—Sunday artillery practice at Altrincham, and the Sunday opening to the public of a Territorial canteen in Cheshire. In these cases the representations made to the War Office have been sympathetically considered and action taken. The Committee desires, in this connexion, to acknowledge the very valuable co operation of the Rev. Joseph H. Bateson, whose wide knowledge of Service matters and great devotion to the work of God have been always at the disposal of the Committee.

Early in September last the Committee issued to all Superintendent Ministers a request that the matter of Lord's Day Observance might be brought before the September Quarterly Meetings, and enclosed a suggested form of resolution to be sent, if adopted, to the local authorities. It is gratifying to be able to report that, in a great number of cases, this was done, and many hundreds of resolutions on the subject were passed and duly forwarded. These, doubtless, have had some effect in moulding public opinion. They have, at least, tended to declare the attitude on this question of our Church throughout the country.

Representatives of the Committee, together with those of the London Methodist Council, have waited upon the Theatres Committee of the London County Council in reference to the Sunday opening of Cinematograph Shows. The recent policy of the London County Council in this matter is greatly deplored, and compares very unfavourably with that of some other County Councils, and indeed with that of many municipal authorities in the provinces. As the result of inquiry from the Town Clerks of about two hundred populous English boroughs in March last, it was found that in more than three-quarters of them no such Sunday performances were allowed.

It is gratifying to be able to report that some progress is being made in the provision of a weekly rest-day for certain classes of public servants. Since April 1, 1913, the whole of the Metropolitan Police Force has enjoyed a weekly day of rest, and the London County Council has also been prevailed upon to grant this boon to the "flushers" at the great main drainage outfalls. This right is, however, still withheld from many hundreds of other workers under this great public authority, such as firemen, asylum attendants, workers at generating stations, etc.

The Committee believes that no form of Sunday trading is more unnecessary or pernicious than the sale of intoxicants, and it would urge upon the Conference the desirability of an emphatic pronouncement upon this subject, in view of the probable early introduction by the Government of a measure of Licensing Reform.

A circular letter with regard to the observance of Lord's Day Sunday—this year fixed for March 30—was issued by the Committee to all our Ministers, and it would appear from many reports received that the subject of Sabbath Observance was this year more generally placed before our people from the pulpit and the platform than ever before.

## LOCAL PREACHERS' AFFAIRS.

### Report of the Committee.

It is with keen regret the Committee have again to report decrease in each of the columns by which prosperity is tested. The total number of fully accredited Local Preachers is 18,823,

a decrease on the year of 771; there are 1,340 on trial, being less by 61, and 635 have become fully accredited during the year as against 687 in 1912. The complete statistical returns are printed on page 544.

The usual Connexional Examination, consisting of a theological and homiletic section, was held on March 3, the textbooks being Dods' *The Prayer that Teaches to Pray* and Westcott's *Gospel of Life*, cc. i.-iv. and c. viii., and the examiners Mr. Ernest Broxap, M.A., and the Rev. F. Bertram Clogg, M.A. The number entering for the Examination was less than last year, 67 against 82. Of these 20 obtained honours in theology, 31 were placed in the first division, and 14 in the second; in homiletics 13 took honours, 35 are in the first division, and 17 in the second.

Next year's Examination—the eighteenth in succession—falls on March 2, 1914; the examiners are Rev. F. Bertram Clogg, M.A., and Mr. H. Arthur Smith, M.A., and the textbooks Strachan's *Captivity Epistles*, pp. 1-164, and Adeney's *Theology of the New Testament*, pp. 17-109.

The purchase of books from the Committee's Book List, under the concession of a reduction of two-thirds from published prices to Local Preachers fully accredited or on trial, is still in much favour. For the year just closed the cost in this item to the Committee was £130. A new List of Books suitable for Local Preachers and purchasable under the concession as to price has been in circulation for several months. It is considerably larger than its predecessor, and is in all respects fully up to date.

The Correspondence Classes continue to render useful service in an ever-enlarging degree to Local Preachers and other church workers, under the management of a zealous body of tutors whose self-denying labour places the Committee under much obligation. This organisation includes 34 winter classes and 6 summer ones, with 67 tutors and a total of 1,117 entries for the classes.

The Committee deplore the loss by death during the year of three of their number: the Rev. Thomas Cook, much beloved, Mr. Alfred E. Booth, the efficient Lay Secretary, and Mr. John Broxap, an old and valuable helper.

### Review of the Year.

The Wesley Guild Constitution was first submitted to Conference at Plymouth, in 1895, and was finally approved at Liverpool the following year. Under the blessing of God the movement has been of immense service to the Church; and in spite of the difficulties that attend young people's work, and which all churches have to face, we believe that the Wesley Guild has a useful future before it.

**The Numerical Returns for the Year.**—The returns for 1912-13 are far from satisfactory. In Great Britain we have to report a net decrease of 59 Branches of the Guild, and of 7,201 members. This is the more remarkable in view of many encouraging aspects of our Headquarters work. Among facts worth noting are the following:

121 new Branches of the Guild have been established during the year; all, so far as can be ascertained, on constitutional lines. 53 of these have already contributed to Headquarters, and have received the Wesley Guild Charter. Our corres-

pondence at Headquarters shows undiminished interest and enthusiasm in the majority of Guilds. There is a growing demand for our publications, as is evidenced by the enlarged profits. *The Guild* still maintains its large circulation, and is strengthening its hold upon our young people. From all parts of the world we receive words of appreciation of our characteristic Guild methods.

When, in spite of these healthy indications, we report decrease, it is evident that there is serious weakness somewhere; and the Central Council is of opinion that the chief weakness is in the large number of societies, returned under the head of the Wesley Guild, which are not worked on constitutional lines.

Guilds that are loyal to the ideals of the movement, and that keep in touch with Headquarters, tend to grow, not decline. We have greater confidence than ever in our methods, and have ample evidence that it is the neglect of these methods that in most cases results in failure.

**The Educational Work of the Guild.**—An interesting new development from the educational standpoint is our Guild Scheme for Bible Study. The topic for 1913 is "The Growth of the Written Gospel." Papers have been contributed to *The Guild*, month by month, by some of the most scholarly of our younger ministers, and advice has been given as to books, methods of study, and points of difficulty.

The subject for the Devotional Course for the year has been the Book of Psalms, and the handbook selected for special attention has been Prothero's *The Psalms in Human Life.* The topic has awakened great interest, and on all hands we have met with warm expressions of appreciation of the help afforded by the Devotional Booklet. The fact that tens of thousands of young Methodists have been giving their thought monthly to what is described in the booklet as "The Oldest Songbook of the Church" is in itself full of encouragement.

"The Fellowship of Books," our Reading Circle conducted by the Rev. R. Martin Pope, M.A., continues to do excellent service, and affords much needed help to many readers of *The Guild.* In addition to this, book prizes are offered from time to time, in connexion with the magazine, for the best literary contributions on selected topics.

Considerable prominence has been given to the subject of

Citizenship, with a view to guiding our young people to the mastery of those principles which will make them not only good Christians and warm-hearted Methodists, but, in addition, intelligent citizens. Leaflets have been circulated suggesting topics for programmes and books for study, and a series of interesting articles have been contributed to *The Guild* by a variety of writers. Among the topics dealt with have been "Young Methodism and Citizenship," by Dr. Stephen S. Herben; "Great Citizens, a Study in the Concrete," by Rev. W. B. FitzGerald; "The Christian and the Modern State," by Rev. S. E. Keeble; "The Home as a School of Citizenship," by Dr. F. B. Meyer; "The Twentieth Century City," by Rev. C. Ensor Walters; and "Character and Citizenship," by Rev. G. E. Young. Our Guilds all over Great Britain have taken up the idea with heartiness, and on the majority of programmes a place is found for "Citizen Evenings," on which the above or similar topics are discussed.

The educational worth of the Junior Guild is increasingly evident. Three features of the year's programme are worth noting. The topic of the Devotional Circle has been "The Story Talks of Jesus Christ," in which use has been made of a delightful little volume on *The Parables of our Lord*, by Hesba Stretton. Being the year of the Centenary of Foreign Missions, the Sunbeam Circle has been wholly devoted to this subject, the programme being based on a series of Talks on David Livingstone. In the Temperance Circle a series of studies on "Alcohol and the Human Body" has given definiteness to Temperance teaching, and helpful use has been made of *The Young Abstainer's Catechism*, specially prepared at our request by the Temperance Department.

**The Wesley Guild Hospital.**—We are glad to report that the first part of our Medical Missions Scheme is now accomplished. A sufficient amount is raised year by year to maintain Dr. and Mrs. Stephens, who have thrown themselves so heartily into their new work. The next step will be the building and maintenance of the Guild Hospital, and it is hoped that before another twelve months have passed these ends will also have been realised. Leagues of Ten are multiplying in number, and many generous contributions have been received both from Guilds and individual workers. Arrangements are being made for Dr. Stephens to visit

groups of Guilds in different parts of the country while he is at home this summer on furlough.

**A University Men's Campaign.**—On the suggestion of one or two university men, an interesting experiment has been made in the Leeds District in the form of a University Men's Campaign. A dozen graduates and undergraduates, all of them Methodists, from Oxford, Cambridge, and other universities, visited the District during the early part of January, and addressed a large number of Guilds in Leeds and the surrounding towns. The topic was "The Call of the Age to Young Methodism," and the earnest appeal made by the visitors to the devotion and enthusiasm of the members resulted in great good. To many Guilds it meant nothing less than a deep spiritual awakening. It is intended to make arrangements for a second campaign in some other district in 1914.

**The Travel Club.**—"Moorhurst," our Holiday Centre at Grange-over-Sands, has again proved a success, and has never been without Methodist visitors except for a few weeks in November and early December. Ministers are in residence during the chief holiday weeks, and have done much to maintain the healthy tone and warm spirit of comradeship characteristic of the whole Guild movement. In addition to a few parties to Norway, Switzerland, and Killarney, a very successful arrangement for moderate-priced holidays nearer home was carried through at Trefriw in North Wales. We are still maintaining our Comradeship Holidays, by which young Methodists of very slender means are enabled to spend a week or fortnight as paying guests in the homes of Methodist people in different parts of the country.

## APPENDIX XIV.

## THE WESLEY DEACONESS INSTITUTE.

### Report of General Committee, 1912-13.

THE Committee is glad to report to the Conference another good year's work done by the Wesley Deaconesses both at home and abroad.

The work has grown very considerably during the past six years. In the last report made during the Wardenship of Dr. Stephenson, in the year 1907, the sum received by the Committee as payment for the services of Deaconesses in our circuits and missions and on the foreign field stands at £5,738 8*s.* 8*d.* This year the amount received for these purposes is £10,975 1*s.* 4*d.* The number of Deaconesses actually on service in the home work on June 1, 1907, was 106; on June 1, 1913, it was 176, while the number on foreign service has grown from 16 to 21. The Committee has, however, in this period called out into the work 111 Probationers, while there have been 38 resignations. The net result has given us a few more workers than have been actually needed, and the Order has this year had the somewhat new experience of having some of its members unemployed. Steps are, however, being taken to remedy this, and the Committee hopes that before Christmas every Deaconess and Probationer who is able to do active service will "have sufficient work."

The re-arrangements of financial matters necessitated by the Insurance Act have been carried out in a satisfactory manner. Nearly all the circuits employing Deaconesses at once responded in a most considerate and helpful way to the Committee's proposals. The result is that while the Deaconesses are themselves paying their quota of Insurance, and are also making an increased contribution to our Superannuation Fund, they have been enabled in almost every case to do this without any substantial diminution of their cash allowances. The Committee also has the satisfaction of knowing that the Superannuation Fund and the provision for Sick and Resting

Deaconesses are both on a safer basis than before. The Committee's action was not taken a moment too soon. Had it been necessary to face this year's sickness with last year's provision, the result would have been a serious deficit. Under the new arrangements, however, and with the help of the National Insurance, although the amount of sickness has been unexpectedly large, and some Deaconesses have been waiting for appointments, there has still been a small surplus to transfer to the Sickness Reserve Fund. The Committee is thankful to believe that the side of its finances which deals with the support of the Deaconesses engaged in the work, and with provision for those sick and resting and for the Superannuation Fund, is now on a sound basis.

The Committee regrets that it cannot say as much for the subscribed funds on which it depends for the training of students and the administration of the work. The amount given by the Methodist people has somewhat increased this year, and a generous friend has again continued the large donation which was only promised for a limited period of years. Nevertheless the year's expenditure was not reached by £41 19*s.* 6*d.*, and the debt now amounts to £334 7*s.* Taking one year with another, there is a deficit of about £300 per annum. The Committee desires respectfully to repeat its expression of opinion to the Conference that a permanent Connexional contribution of about £300 a year to its funds should, if possible, be provided, and that such a contribution would ensure financial stability for the work. The Institute never ought to become an additional burden on the generosity of the Methodist people. The smallness of the amount required to make its finance adequate should render this unnecessary. But it ought to be plainly stated that the difficulty of obtaining this small sum without adding one more wide general appeal to the many that come before the Methodist people is very great; and, moreover, the work suffers badly because any needful extra expense that arises from time to time cannot be dealt with without adding to the debt, and thus a quite unnecessary air of impoverishment is difficult to avoid.

The work is thriving, and becoming increasingly prized by the Methodist people, and it is a great pity that such a small difficulty should be allowed to block its path.

The College life has been good during the year, and the best of good service may be expected from the students who are

about to go into the work. Also the Committee feels very hopeful about the standard of character and ability prevailing at its Easter examination of candidates.

The work in West Africa has been well maintained during the year,* and there has been no lack of volunteers for this service.

The Deaconesses have again raised the money to support their two Sisters in Ceylon, and have been able to vote from the fund a contribution of £70 to the Missionary Centenary Fund.

The reports of the work from our home circuits and missions have been highly satisfactory, and go to show that the work is still being owned of God and gaining the favour of the people.

Convocation was held in Bradford this year. In connection with it a gathering was held at Ilkley, when a portrait of Dr. Stephenson, presented to the College by the Deaconesses themselves, was unveiled. The public meetings at Bradford were very largely attended and successful, and the spiritual blessing of the Convocation fellowship was felt by everybody.

The Roll of Members of the Order, as read at Convocation, was composed as follows:

* The following sad addition must be made to this Report. On the day on which the Committee met, Tuesday, June 17, Sister Agnes Reed, B.Sc., died of yellow fever at Accra. Her comrade, Sister Nellie Hopewell, was also stricken, but is slowly recovering. WM. BRADFIELD.

## APPENDIX XV.

## CHURCH MEMBERSHIP.

THE Conferences of 1912 and 1913 adopted the following statements and resolutions:

### I. Rules of the Society of the People called Methodists.

1. In the latter end of the year 1739, eight or ten persons came to me in London, who appeared to be deeply convinced of sin, and earnestly groaning for redemption. They desired (as did two or three more the next day) that I would spend some time with them in prayer, and advise them how to flee from the wrath to come, which they saw continually hanging over their heads. That we might have more time for this great work, I appointed a day when they might all come together; which, from thenceforward, they did every week, viz., on Thursday, in the evening. To these, and as many more as desired to join with them (for their number increased daily), I gave those advices from time to time which I judged most needful for them; and we always concluded our meeting with prayer suited to their several necessities.

2. This was the rise of the UNITED SOCIETY, first in London, and then in other places. Such a Society is no other than "*a company of men having the form, and seeking the power, of godliness; united, in order to pray together, to receive the word of exhortation, and to watch over one another in love, that they may help each other to work out their salvation.*"

3. That it may the more easily be discerned whether they are indeed working out their own salvation, each Society is divided into smaller companies, called Classes, according to their respective places of abode. There are about twelve persons in every Class; one of whom is styled *the Leader*. It is his business,—

(1) To see each person in his Class once a week at least, in order

To inquire how their souls prosper;

To advise, reprove, comfort, or exhort, as occasion may require;

To receive what they are willing to give, towards the support of the Gospel:

(2) To meet the Ministers and the Stewards of the Society once a week, in order

To inform the Minister of any that are sick, or of any that walk disorderly, and will not be reproved;

To pay to the Stewards what they have received of their several Classes in the week preceding; and

To show their account of what each person has contributed.*

4. There is only one condition previously required in those who desire admission into these Societies, viz., "*a desire to flee from the wrath to come, to be saved from their sins.*" But wherever this is really fixed in the soul it will be shown by its fruits. It is therefore expected of all who continue therein, that they should continue to evidence their desire of salvation,

First, By doing no harm, by avoiding evil in every kind, especially that which is most generally practised. Such is

The taking the name of God in vain:

The profaning the day of the Lord, either by doing ordinary work thereon, or by buying or selling:

Drunkenness; *buying* or *selling spirituous liquors*, or *drinking them*, unless in cases of extreme necessity:

*Fighting*, *quarrelling*, *brawling*; brother *going to law* with brother; returning *evil for evil*, or *railing for railing*; the *using many words* in buying or selling:

* The following are Mr. Wesley's own words relative to this subject. See *Minutes* of Conference at London, 1782.

Q. 31. Have the weekly and quarterly contributions been duly made in all our Societies?

A. In many it has been shamefully neglected. To remedy this,

1. Let every Assistant [Superintendent] remind every Society that this was our original rule: Every Member contributes one penny weekly (unless he is in extreme poverty), and one shilling quarterly. Explain the reasonableness of this.

2. Let every Leader receive the weekly contribution from each person in his class.

3. Let the Assistant ask every person, at changing his ticket, "Can you afford to observe our rule?" and receive what he is able to give.

The *buying* or *selling uncustomed goods*:

The *giving or taking things on usury, i.e.* unlawful interest:

*Uncharitable* or *unprofitable* conversation; particularly speaking evil of Magistrates, or of Ministers:

Doing to others as we would not they should do unto us:

Doing what we know is not for the glory of God, as,—

The *putting on of gold and costly apparel*;

The *taking such diversions* as cannot be used in the name of the LORD JESUS;

The *singing* those *songs*, or *reading* those *books* which do not tend to the knowledge or love of God:

Softness, and needless self-indulgence:

Laying up treasure upon earth:

Borrowing without a probability of paying; or taking up goods without a probability of paying for them.

5. It is expected of all who continue in these Societies, that they should continue to evidence their desire of salvation,

SECONDLY, By doing good, by being in every kind merciful after their power, as they have opportunity; doing good of every possible sort and, as far as is possible, to all men:

To their bodies, of the ability that God giveth, by giving food to the hungry, by clothing the naked, by visiting or helping them that are sick, or in prison:

To their souls, by instructing, *reproving*, or exhorting all they have any intercourse with; trampling under foot that enthusiastic doctrine of devils, that "we are not to do good, unless *our heart be free to it*."

By doing good especially to them that are of the household of faith, or groaning so to be; employing them preferably to others, buying one of another, helping each other in business; and so much the more, because the world will love its own, and them *only*.

By all possible *diligence* and *frugality*, that the Gospel be not blamed.

By running with patience the race that is set before them, *denying themselves, and taking up their cross daily*;

submitting to bear the reproach of Christ; to be as the filth and offscouring of the world; and looking that men should *say all manner of evil of them falsely, for the Lord's sake.*

6. It is expected of all who desire to continue in these Societies, that they should continue to evidence their desire of salvation,

THIRDLY, By attending upon all the ordinances of God: such are

The public worship of God;
The ministry of the word, either read or expounded;
The Supper of the Lord;
Family and private prayer;
Searching the Scriptures; and
Fasting or abstinence.

7. These are the General Rules of our Societies: all which we are taught of God to observe, even in His written word, the only rule, and the sufficient rule, both of our faith and practice. And all these we know His Spirit writes on every truly awakened heart. If there be any among us who observe them not, who habitually break any of them, let it be made known unto them who watch over that soul, as they that must give an account. We will admonish him of the error of his ways; we will bear with him for a season. But then if he repent not, he hath no more place among us. We have delivered our own souls.

JOHN WESLEY.
CHARLES WESLEY.

## II. A Statement concerning Church Membership, to accompany the Rules of Society.

[*The following statement in paragraphs numbered* 1–5 *was adopted by the Conference of* 1908. Minutes, 1908, *pp.* 105 *and* 574–578.]

1. **Nature of the Church.**—The Church of Christ is the company of His disciples, consisting of all those who accept Him as

the Son of God and their Saviour from sin, and who love one another for His sake and join hands to work out the common salvation. The Church is the family of the redeemed children of God; it is the commonwealth of souls in Jesus Christ. The members of this Society are, in the New Testament, variously called Believers, Saints, Brethren, Christians. They form collectively "the body" of which Christ is the Head, "the branches" of which He is the Vine, "the household of faith" of which He is the Firstborn, the "holy temple" in which the Spirit of God dwelleth.

2. **The Church Universal and Particular.**—The Church of Christ, in the largest view thereof, includes "the blessed company of all faithful people"—the saints departed, who live unto God, together with those sojourning on earth "that call upon the name of our Lord Jesus Christ in every place, both their Lord and ours." The latter constitute the visible Church, the flock of Christ, which is at present gathered in many folds, distinguished by differences partly of race and language, and partly of doctrine and usage. Under these distinctions there subsists, notwithstanding, "one holy, catholic, and apostolic Church," united "in the faith and in the knowledge of the Son of God." The several churches, many and yet one in Christ, exist in local communities, whose members are bound together in common worship and work for God. Such a community is, in the more immediate sense, the Church of God for the individual believer, and claims accordingly his loyal affection and personal service. Through this circle of brethren and companions he attaches himself to the Church Universal, and takes his allotted part in the life of the whole body of Christ. Among the living branches of Christendom the Wesleyan Methodist Church, with its missionary and daughter churches in many lands, occupies a responsible and important place.

3. **The Ministry and the Sacraments.**—For the leadership and oversight of His people in the work of God's kingdom, our Lord appointed the Apostles; and after these, as need arose, others were chosen for various offices in the Church, under the guidance of the Holy Spirit and with the concurrence of the local communities. The Christian ministry which thus originated has been continued, with many adaptations of name and function, unto this day. Christ's ministers in the Church are

stewards in the household of God, and shepherds of His flock. Some are called and ordained to this sole occupation, and have a principal and directing part in these great duties; but they hold no priesthood differing in kind from that which is common to the Lord's people, and they have no exclusive title to the preaching of the Gospel or the care of souls. These ministries are shared with them by others, to whom also the Spirit divides His gifts severally as He wills.

The ordinances of Baptism and the Lord's Supper are of Divine institution. They are signs and visible seals of the covenant between Christ and His bride the Church, the observance of which the Lord has enjoined upon His servants "until He come." Christian baptism is the sacrament of entrance into the household of faith, and from the earliest times has been administered not only to adult believers, but also to little children, "for of such is the kingdom of heaven"; and the Church claims from their tenderest years those whom God puts within her reach, that she may train them for faith and service. The Bread and Cup of the Lord's Table are perpetual reminders of His atoning death, and emblems of the life that He imparts; under these tokens the Lord and His people evermore renew their pledges each to the other. The presence of Christ through His Spirit in the Sacraments is realised by the faith of His people.

4. **The Methodist Fellowship.**—Methodism had its birth in the great work which God wrought in our land through the Revival of Religion in the eighteenth century. It was not the offspring of schism, nor the product of any new doctrine or of any theory of Church government. Its founders provided step by step, in the wisdom which God gave them, for the needs of the multitude of Christ's sheep which they were gathering from the wilderness,—needs unsupplied by the Churches then existing. In making this provision, our fathers reproduced in a simple and unstudied way the modes of Church life indicated in the New Testament. Through the spirit of Christ's love and power working in them, the Methodist Societies shaped themselves into a distinct and strongly featured Church. Methodism imposed no new terms or narrow tests upon the people of God, but recalled them to much-forgotten principles, when it asserted that the desire for salvation is the condition of entrance into the Christian fold, and that the practice of

brotherly love is an indispensable condition of abiding therein. In proclaiming the doctrine of Entire Sanctification it set up again the apostolic standard of the believer's calling of God in Christ Jesus.

By their origin and experience the Methodist Churches have been taught the value of a pervasive social fellowship, and its necessity for the well-being of the Christian Society. Hence our distinctive institutions of the Class Meeting, the Society Meeting, and the Love-feast. Wherever men were brought to God under Methodist preaching, they were gathered into a Society for mutual help and edification; and the Societies thus formed were linked by manifold ties into a Connexion. Our Church life is built up on this basis; it rests upon the assumption that those who love Christ and seek to follow Him will be helpers of one another's faith and joy. Union in brotherly converse is the natural expression of brotherly love. Such intercourse nourishes the life of God in the soul and quickens the springs of Christian zeal, as the grace bestowed on each believer is shared with his fellows; thus the body of Christ "grows by that which every joint supplieth, unto the building up of itself in love." Personal fellowship is therefore incumbent upon all members of our Church. None may be counted as discharged from this debt of love, save those who are debarred or disabled from attendance at the social means of grace, and to these the Church owes special and tender care.

Only by the good-will and earnest co-operation of all our people can the meetings of the Church be made in blessing and in power all that they should be. Amid this present evil world, "it must needs be that offences come"; but no offence absolves the servant of Christ from love to his brother. Those who forsake the assembling of the Church because of the faults of some of its members are allowing themselves to be overcome of evil; by their withdrawal they weaken the Christian brotherhood, and frustrate the prayer of our Lord that His disciples "may be perfected into one," so "that the world may believe that God hath sent Him."

5. **The Rules of Society.**—The duty of fellowship has been dwelt upon, because this is by many too lightly regarded. Other conditions of Church membership are more readily acknowledged; they are virtually implied in what has been said respecting the nature of the Church. "Repentance to-

ward God and faith toward our Lord Jesus Christ" form the gateway to the Christian life; an earnest desire to "flee from the wrath to come" and to be saved from sin is the one qualification for admission into the Methodist Society. The "Rules of Society," laid down by John and Charles Wesley and accepted by the first Methodists, set forth the obedience of faith in many particulars such as "God's Spirit writes upon every truly awakened heart." These directions fall under three principal heads:—(1) That of "doing no harm" and "avoiding evil in every kind, especially that which is more generally practised." Beside the open and acknowledged forms of sin, all dissipating pleasures and selfish indulgences and personal ostentation, all gains made to the injury of others by trading on their ignorance or weakness and necessity, all dishonest evasion of lawful dues, all abuse of public office and influence for private ends, all foolish or malicious talk, come under this condemnation.—(2) That of "doing good by being merciful after one's power, doing good of every possible sort" to "the bodies" of men as well as to "their souls," "and, as far as possible, to all men." In this instruction are embraced the various forms of social, philanthropic, and missionary service, for which the opportunities are so numerous and the demand so manifest.—(3) That of "attending upon all the ordinances of God." Not only does this Rule direct us to attend public worship and maintain Christian fellowship, but it also lays upon us other and more private duties,—such as those of private prayer, of the reading of Scripture, and of self-discipline. The practice of family worship is urged as binding upon all Methodists; for the household altar and the household faith are vitally connected, and in family religion the light of the Christian life shines most brightly before men to the glory of our Father who is in heaven.—The closing paragraph of the Rules expresses the spirit of the Methodist discipline—the tenderness, patience, and fidelity with which it must be exercised, as by brethren dealing with brethren; but it declares that the wanton law-breaker and disregarder of his brethren "hath no more place among us."

While no rules can comprehend the believer's obligations to Christ, yet, to use Wesley's own words, "these are the General Rules of our Societies, all which we are taught of God to observe, even in His written word,—the only rule, and the sufficient rule, both of our faith and practice."

## III. Statement concerning the Class Meeting and its Adaptation, and the Society Meeting and its Reconstitution.

**The Class Meeting.**—In the Class Meeting the fellowship of the Methodist people has found its most adequate expression. This institution has proved to be of the utmost value for brotherly intercourse concerning the difficulties, temptations, and joys of the Christian life; for mutual counsel concerning the way of holiness; for the training and development of Christian character; and for fitly framing and knitting together the several parts of the body of Christ "unto the building up of itself in love." The Class Meeting has thus become a cherished possession of our Church, and is an institution of permanent and inestimable worth. The benefit received from it is greatly impaired by irregular attendance, and our people are earnestly enjoined to make constant use of this treasured means of grace.

*Adaptations of the Class Meeting.*—The Class Meeting may be widely varied and developed according to the needs, opportunities, and character of our people, so long as such meetings foster a holy Christian fellowship and are under the guidance of a leader duly appointed and acting under the supervision of a Leaders' Meeting. Therefore as to the time and place of meeting, and as to the form in which the meeting shall be conducted, much liberty is allowed. Regular Class Meetings may be held, under the authorised leader, at any stated hour of the week, wherever any particular group of members of the Church, forming a family circle or a set of fellow-workers and companions, may find it most convenient and helpful to gather for prayer and counsel,—not only on Church premises, but in private houses, in schools and colleges, in workshops and houses of business, on ship-board or in barrack-rooms. The diverse conditions under which our people live make variety of this kind desirable. Everything possible should be done to preserve the homely and informal nature of the Class Meeting.

**The Society Meeting.**—In addition to the Class Meeting, which provides for more intimate fellowship and oversight, the Society Meeting has from the beginning been an integral

part of the organisation of Methodism. The Society consists of all the members at each local centre, and constitutes the Church in that place. Its affairs are under the direction of the Leaders' Meeting. Regular meetings of the Society are needful for the realisation of a common Church life. They are not intended to be a substitute for the Class Meeting, but to foster a larger Christian fellowship. Our Love-feasts have partly answered this purpose in the past, and will continue to do so.

The whole Society in each place shall, wherever possible, be called together, by appointment on the Circuit Plan, at least once a quarter,—for purposes of general fellowship amongst its members, for testimony concerning Christian experience, and for pastoral guidance and common counsel in the things of the kingdom of God, both as touching personal religion and the work of God in the congregation and neighbourhood.

At the Society Meeting new members, after being reported to the Leaders' Meeting, shall be introduced by their Leaders to receive the right hand of fellowship. Members transferred from other Societies, or other Churches, shall be introduced. Baptisms that have taken place since the preceding meeting, and losses suffered through death or through the removal of any members of the Church, shall be reported. New appointments, and retirements, of Class-leaders and Stewards shall be announced. At the first meeting in the New Year the Roll of Membership, containing the names of all fully accredited members on the Class books, as reported to the Leaders' Meeting, may be read in the Society, and each member shall be expected to answer to his name. It is recommended that once in the year, if not more frequently, the Society Meeting shall conclude with the observance of the Lord's Supper.

None but members of our Church, with those on trial for membership, shall be admitted to the meeting of the Society. It is desirable that the Quarterly Ticket of membership should be brought to the meeting, and shown at the door on entrance.

## IV. Declaratory Resolutions for Guidance in Administration.

The Conference, being convinced that it is desirable for the guidance of ministers, leaders, and members to set forth a definite statement as to what constitutes membership in the Wesleyan Methodist Church, hereby declares:

(1) All persons are welcomed into membership who sincerely desire to be saved from their sins through faith in the Lord Jesus Christ, and who seek to have fellowship with Christ Himself and His people in the Wesleyan Methodist Church.

(2) All such shall have their names entered on a Class-book, shall be placed under the pastoral care of a Class-leader, and shall be members of the weekly Class-meeting.

(3) After a probation of not less than three months, those approved shall be admitted to full membership by the minister, acting in consultation with the Leaders' Meeting, and shall be publicly recognised in the presence of the Church at the earliest opportunity.

(4) If any have not previously received Christian Baptism, that Sacrament should be administered either before, or in connexion with the Recognition Service.

(5) It is expected of all members that they attend as regularly as possible all the means of grace, public and private. Such are: The worship of God in the congregation, the Sacrament of the Lord's Supper, Class and Society Meetings, and the observance of family and private prayer.

(6) Attendance at the Lord's Supper is particularly important, inasmuch as this ordinance is the sign and seal of the believer's union with Christ; participation therein is at once his sacred duty and his high privilege.

(7) Inasmuch as fellowship forms a vital bond of the Christian Society and has always been a characteristic note of the Methodist Church, it is required of all who are admitted to Church membership that they

shall in some effective way conform to this law of Christ. The weekly Class-meeting has from the beginning proved to be the most effective means of maintaining amongst Methodists true fellowship in Christian experience. All members should, therefore, as far as circumstances will allow, avail themselves of this means of grace, and also of the Society Meeting, which provides for the realisation of a common Church life.

(8) All members shall accept the discipline of the Wesleyan Methodist Church, and, as far as they are able, contribute to its funds and engage in some form of Christian work.

(9) Any member who, without sufficient reason, persistently absents himself from the Lord's Supper, and the meetings for Christian fellowship, shall be visited by both his leader and minister, in order that full opportunity for his return to fellowship may be afforded. The names of any who, by prolonged absence from our assemblies, sever themselves from Church Membership shall be removed by the minister, acting in consultation with the Leaders' Meeting.

### Objects.

CO-OPERATION : (1) In Mutual Defence ; (2) in Christian, Moral, and Social Work, independent of all party associations and political creeds ; (3) in the Prevention of the unnecessary multiplication of Chapels, especially in small places ;

(4) in the fraternal Development of Methodism in the thousands of villages and small towns where it has at present no existence.

The Committee met on May 30, 1913, the Rev. Andrew Crombie in the Chair. Representatives of the Wesleyan Methodists, Primitive Methodists, United Methodists, and Wesleyan Reform Union were present.

1. The Secretary read communications from the Wesleyan Ministers at Bedford and also from the Secretary of the Bedford and Northampton District Home Mission and Chapel Committee *re* cases of overlapping at Letchworth and Bedford. These cases were carefully considered, and the following resolutions were carried:

(1) **Letchworth.**

"The Committee does not feel that it has sufficient information before it to justify its dealing with the case."

(2) **Bedford.**

"That inasmuch as the Wesleyan Methodists and Primitive Methodists have been working in the midst of this population for many years, the Committee considers that this question ought to be settled by the people on the ground. It suggests that the Convener of this Committee meet the friends in connexion with his visit to Bedford in order to take counsel with them as to the best settlement of this case."

2. After hearing a statement in respect to Methodist work in the South Yorkshire Coalfield Area, the following resolution was carried:

"The Committee hears with gratification that a Consultative Committee has met with a view to prevent overlapping in the South Yorkshire Coalfield Area, and it suggests that the Wesleyan Reform Union be called into consultation at all future meetings."

## APPENDIX XVII.

## FOURTH ŒCUMENICAL METHODIST CONFERENCE.

The Conference of 1912 approved the appointment of an Œcumenical Methodist Commission to gather and exchange information concerning the condition, progress, and problems of the various Methodist Churches; to promote closer fellowship and co-operation between them; to further great moral causes affecting the peace and welfare of our respective countries, and to make arrangements for the next Conference.

This Commission has met once during the year. It received with regret the announcement that the Rev. Dr. James Chapman was absent through illness, and that he no longer felt able to undertake the duties.

The appointment of the following officers was suggested :— Secretaries: Rev. John E. Wakerley (Wesleyan Methodist Church), Alderman E. C. Rawlings (Primitive Methodist Church). Treasurers: Sir Robert W. Perks, Bart. (Wesleyan Methodist Church), and Mr. William Mallinson (United Methodist Church). The following Executive Committee was appointed with the Officers: Rev. Dr. J. Scott Lidgett, Mr. William Middlebrook, M.P. (Wesleyan Methodist Church), Rev. Andrew Crombie, Sir R. W. Essex, M.P. (United Methodist Church), Rev. Joseph Johnson, Mr. J. Skinner (Primitive Methodist Church).

The following suggestions were made to the Executive for consideration and report :

1. The provision of suitable information for the use of Methodist visitors to the Continent of Europe touching the position of Methodist Churches, English and American, in the several countries, and the public services which they provide.

2. To enquire as to the arrangements for religious services on Atlantic steamships, the White Star, Allan, Cunard, and the Canadian Pacific being named, and to endeavour to secure equal terms for Nonconformists with other Churches in the conduct of such services.

3. To consider the question arising out of the practice of ministers and others passing from one country to

another and obtaining positions in the Churches without sufficient credentials, and to report to the Commission.

*N.B.*—It was understood that a communication was to be addressed to the Methodist Episcopal, and other Churches.

4. To prepare recommendations to be submitted to the several Conferences of the Eastern Section as to the due celebration of the hundred years of peace between England and America.

## APPENDIX XVIII.

## REPORT OF SPECIAL COMMITTEE ON THE AFFAIRS OF THE THEOLOGICAL INSTITUTION.

(*Minutes of Conference*, 1908, pp. 64-5, §§ 9-10.)

(*Minutes of Conference*, 1909, pp. 62-3, §§ 10-12, and Appendix XVII.)

(Adopted by the Conference of 1910.)

### Selection of Candidates.

1. The first step in the improvement of the training of Candidates for the Ministry must be to secure increased care in their selection, and in their subsequent examination and other tests. The Committee recognises that this matter does not fall strictly within the terms of reference, and respectfully commends it to the further consideration of the Pastoral Session of the Conference.

### Allocation of Accepted Candidates.

2. All Candidates accepted for training in the Theological Institution shall be allocated to the different Colleges as follows:

(1) Those shall be allocated to Didsbury who wish to graduate in Arts and Science in any University, and those who, in the opinion of the Allocation Committee, are thought fit to seek in Manchester a degree in divinity.

(2) Each year one of the other three Colleges shall be chosen in rotation to receive all the Candidates reading for a divinity degree in other Universities. Each Student shall remain until the close of his course at the College to which he is sent.

(3) This arrangement shall be adhered to without exception, save in case of absolute necessity.

**Trial of Candidates and Students.**

3. The period of trial of all Students shall be made more definite and thorough than is at present possible, and all Candidates entering the Theological Institution shall be regarded as on trial for Studentship for a year.

4. Every Candidate shall be distinctly told that he is subject to special trial as to his fitness for continuing on the list of Candidates for the Ministry, and a report by a duly appointed Committee shall be presented to the Conference year by year.

5. The Chairmen of Synods shall be instructed to inform Candidates concerning this rule at the time of their recommendation by the Synods.

6. The work and fitness of every Student shall be fully reported upon year by year by a Special Committee for each Branch of the Institution, consisting of the Tutors of that Branch, four other ministers, and eight Laymen, who shall be chosen by the Local Executive Committee, but shall report to the General Discipline Committee.

7. The government of the College, in all its relations, pastoral, disciplinary, educational, and administrative, shall be in the hands of the United Staff, who shall meet regularly under the chairmanship of one of their number appointed by the Conference. The Chairman shall be designated Principal, and, as representing the Staff, shall be responsible to the Conference for the efficient working of the College in all its relations. The use of the title "Governor of the Institution House" shall be discontinued. The Principal shall reside in the Institution House unless the Conference shall otherwise determine.

8. If the Principal be not resident in the Institution House, the Conference shall appoint as Resident Tutor one of the Staff, who, in addition to his teaching duties, shall have immediate authority in, and charge of, the internal administration and discipline of the Institution House.

9. The spiritual and pastoral oversight of the Students shall be regarded as the first care of each of the Tutors. The supreme concern of our Institution is the spiritual

culture of the Students, and this can be fully attained only by the maintenance of close pastoral relations between all the members of the staff and the men under their charge. The exact method of accomplishing this will be decided by the Tutors' Meeting.

10. The Assistant Tutor or Tutors of each College shall be *ex-officio* members of the Tutors' Meeting.

11. The Resident Tutor or Principal shall be relieved, as far as possible, of the administrative duties hitherto discharged by the House Governor. He shall also be authorised to obtain clerical help for purposes of correspondence, book-keeping, etc.

12. The House Committee shall be directly responsible to the Local Executive Committee for the fabric of the College and of the Tutors' Houses, for the maintenance of the same in good condition and in sanitary order, and for all the expenditure of the Institution. In the intervals of the meetings of the House Committee, the Resident Tutor, acting, where necessary, in conjunction with the Principal and Local Treasurers, shall be the representative of the House Committee.

13. The House Committee shall consist of the Principal, the Local Treasurers, the Local Secretary, four Ministers, and four Laymen (to be elected by the Local Executive). If the Principal be non-resident, the Resident Tutor shall be a member of the House Committee.

### Curriculum.

14. Certain modifications of the curriculum are desirable, *e.g.*:

(1) Greater attention should be paid to the practical side of training for the Ministry, viz. the teaching of Pastoral Theology and Homiletics, including practice in Sermon Writing and Composition.

(2) Fuller courses should be arranged for the study of the English Bible.

(3) The English Language, Literature, and History might be more fully employed in the training of some of the Students.

(4) The Staff should have power, if it be considered desirable, to exempt a Student from the study of Hebrew or Latin, and, in special cases, of Greek.

### Necessity of Additional Accommodation.

(i) The Committee finds that, in order to meet present requirements, the Colleges should be able each year to supply about 100 trained men.

(ii) That the average loss between entering College and Ordination amounts to 18 per cent. of the accepted Candidates.

(iii) That in the last three years available for reference—Of 94 entrants only 68 had a third year, of 83 entrants only 70 had a third year, of 100 entrants only 78 had a third year.

The Committee therefore concludes that, according to present indications, if all Students are to have three years' training, it is necessary to reaffirm the following statement in last year's Report—

15. Owing to the inadequacy of the existing provision at our Colleges for the accommodation of more than a section of the accepted Candidates (thus seriously delaying their training, and also forcing untrained men upon the stations), it is necessary, as soon as possible, to provide extra accommodation for about forty-five men. Such increase is needed apart altogether from the question of making provision for any Fourth Year students.

16. The Committee recommends that this increased accommodation be provided gradually by arranging for the residence of ten or twelve Students in a hired house near one or more of the present Colleges. A Tutor or Assistant-Tutor shall reside in the house, and the men should dine in the College, and in every possible way share in its life.

### Fourth Year.

17. After careful consideration of the question of granting a fourth year, the Committee is reluctantly compelled to conclude that it would be impossible to carry it out without a more serious financial effort than our Church can at present entertain.

### Date of Coming into Operation of this Scheme.

18. The Committee suggests to the Conference that the modifications in government of the Institution shall become operative at each College when new appointments are made, or at such time as the Conference may consider desirable.

## CAMBRIDGE HOSTEL SCHEME.

### Conditions Needed.

1. On consideration of the whole financial details, the Committee reports that in its opinion the Conference will be justified in proceeding with a Cambridge Hostel Scheme if there can be secured a further endowment of £20,000 in addition to the £5,000 already offered, accompanied by an increase in the annual income of the Theological Institution fund.

2. It is necessary to the success of such a Hostel that it must be situated in a central position in Cambridge, and the Committee understands that houses in such positions are very difficult to obtain. The overcoming of this difficulty may mean delay, but is essential.

### University Requirements.

3. The Tutor must be an M.A. of Cambridge (or Oxford or Dublin, proceeding *ad eundem*) and a Member of the Senate.

4. Some one in authority must sleep each night in the Hostel.

5. Not more than twelve men may reside in the House. Others may be under the Tutor, living in lodgings.

6. Three years' residence is required for a degree. Suitable graduates of other Universities may join as Advanced Students and take a Tripos in two years.

7. Each year consists of three terms, and each student must be in residence a fixed number of days in each term in order to count it. (See Schedule on p. 575.)

### Proposals.

8. A suitable minister, preferably a married man, shall be appointed to be the Resident Tutor of a Hostel in Cambridge University for accepted Candidates for our Ministry.

9. Application shall be made to the Lodging House Syndicate of the University of Cambridge for recognition of such Hostel.

10. There shall be rented in Cambridge a house or houses to accommodate the Tutor, his family, and twelve men who have spent one year at least at the Institution and are thought capable of taking an honours degree.

11. The accommodation shall be such that each man shall have a bed-sitting room of sufficient size for private study and ordinary social requirements.

In addition there shall be, beside suitable housing for the Tutor, Dining Hall, Common Room and Lecture Room or Rooms.

### Discipline and Terms.

12. The length of the terms of residence shall be the same as those of the other Colleges of the Theological Institution, with such small modifications as may be necessary owing to University dates. It will be necessary to obtain leave for men to reside during University Vacations. This can be granted only if the Tutor be in residence.

13. The discipline shall be the same as that of ordinary Students of the University.

14. There shall be a House Committee and a Discipline Committee appointed by the Conference.

### The Tutor's Position.

15. The Tutor shall superintend the men's University Studies, arrange the Lectures of outside teachers, assure himself of the men's progress by conversation and such means as weekly essays, give instruction in Methodist Theology and Polity, arrange for preaching appointments, and be responsible for the general pastoral and spiritual oversight and ministerial training of the students.

16. The Tutor should be in a position to mix to some extent in the University life and hospitality. This should be considered in fixing his allowance.

The Tutor's wife should have charge of the domestic arrangements, and board and service for his family shall be part of his remuneration so that there will be only one housekeeping account.

### Financial Estimate.

17. In addition to the initial expense of furnishing, an annual minimum estimate for twelve men is offered as follows:

| | £ | £ |
|---|---|---|
| (*a*) *Domestic.* | | |

## APPENDIX XIX.

## THE METHODIST BUREAU.

During the past year 4,014 cases of removal have been reported to the Methodist Bureau for the transfer of Church Members, as against 3,725 the previous year. The following table shows the results obtained in connexion with these cases :

| | |
|---|---|
| Cases that cannot be traced ... ... ... | 39 |
| Cases that are undecided ... ... ... | 74 |
| Members who refuse to continue their membership... ... ... ... ... ... | 34 |
| Cases which have not yet been reported by the Minister to whom the Removal Notes were sent ... ... ... ... ... | 808 |
| Unsatisfactory cases ... ... ... ... | 25 |

| „ Other Churches ... ... ... ... | 24 |
| | 1,519 |
| Cases of those whose transfer of membership has been effected ... ... ... ... | 2,495 |
| | 4,014 |

The Committee would draw the special attention of the Conference to the fact that 808 cases out of the 4,014 have not been reported upon by the Ministers to whom the Removal Notes were sent. This may mean that some of the cases are not completed, but the Committee is of opinion that still greater care should be taken by the Ministers to whom reports are sent, or needless losses will not be prevented.

The Committee would once more remind the Conference that at the present time there are practically two methods for the transfer of members, namely, the Bureau Committee and the old system of Notes of Removal from Circuit to Circuit, and the result is considerable confusion, and, most regrettable of all, serious leakage. The Committee, therefore, requests the Conference to repeat its former declaration, requiring all Ministers, on the removal of members, to send to the Bureau Committee without delay full details of the name of the member and the Circuit to which he is removing.

The Committee suggests that inquiry should be made when a Leaders' Meeting is held as to any removals which have taken place.

During the year the Committee has issued an approved List of Apartments for the guidance of Methodists removing to London, and copies have been forwarded to all the Ministers of our Church.

## APPENDIX XX.

## REPORT OF LAY WORKERS' COLLEGE, GOSPEL CARS, ETC.

CLIFF COLLEGE has been doubly bereaved. Humanly speaking, it has owed everything during the past nine years to Dr. Henry J. Pope and the Rev. Thomas Cook. Dr. Pope died on July 17, 1912, and Thomas Cook on September 21, in the same year. The loss of either would have been great, but to lose both in one year was a grief and an embarrassment. For nine years Mr. Cook had administered the work of the College and its allied agencies with consummate skill, enthusiasm, and faith. He embodied its spirit and organised its work. They were years of romance in which God wrought wonders through the faith and prayers of His servant. The College was purchased, renovated, and furnished at a cost of £13,000, and within three years the Champness Memorial Wing was added at a cost of £10,000. Year by year the accounts were closed free of debt. It is impossible to estimate the service he rendered as its first Principal. He gave himself to it without reserve. He had an exalted idea of its mission, unbounded faith in its possibilities, and an unwavering confidence in its work. He

inspired the students with lofty ideals of holiness and a consuming passion for the salvation of souls.

The work of the year calls for special thankfulness to God. As if by inspired forethought, the Rev. Joseph Shrimpton had been engaged for the year as tutor in Theology and Homiletics. At the request of the Committee the Rev. S. Chadwick undertook the responsibility of Principal until next Conference, the Rev. Joseph Shrimpton took the pastoral oversight of the College, and the Rev. W. Fiddian Moulton, M.A., consented to increase his tutorial work. The Committee is especially indebted to Mrs. Cook. With heroic faith and courage she has administered the domestic side of the College life, and has consented to stay for the usual visitors in the month of August.

A weekly Staff-meeting has been held, and the work has been maintained at a high level. An exceptional sense of spiritual power has been manifest. The spell of an unseen presence and the inspiration of a great example have been felt by all. All we can say is, that God has wonderfully helped and blessed us. There were 71 students in the October term, 74 in January, and 62 in April, an average of 69 per term. These represent 108 different men. Of these, 20 are candidates for the Home Ministry this year, 9 have gone to Australia, 10 have become Lay Agents, and the rest are still in the College, or have returned to their Circuits. The College was opened in 1904, and in the nine years 810 students have been enrolled. Of these, 130 have entered the Home Ministry, 85 are in Canada, 66 in the United States, 56 in Australia, 8 in South Africa and other parts of the Mission Field, 71 are Lay Agents and Evangelists in this country, and 394 have gone back to their Circuits all the better equipped for Christian service.

The finances have been well maintained. A Memorial Wing has been built to the memory of Mr. Cook, and to the Memorial Fund there has been subscribed, including the stone erected over the grave, £1,243. The response to the appeal has been marked by spontaneity, affection, and gratitude. Gifts have come from converts of Mr. Cook's earlier ministry in every part of the world.

The Evangelistic Agencies of the College have been blessed of God to the salvation of many. There are only three Gospel cars left, but they have done admirable work through-

out the year. The Evangelists in Circuits and those conducting special missions report on the whole a year of harvest. The Summer School was attended by about 130 Local Preachers, many of whom have written letters of grateful appreciation of a period that has marked a new epoch in their life and service. Upon all our work there has been the good hand of our God. Special need has been met by special grace for which we give special praise.

## Report of the Commission on the South Yorkshire Coalfield.

This Commission, which was appointed by the Conference two years ago, was reappointed at the last Conference with an enlarged personnel, including representatives from the Nottingham and Derby Coalfield area.

Two Meetings of the Commission have been held during the year at Sheffield, and it was hoped that it would have been possible to carry out the Conference resolution respecting an appeal to the whole Connexion for £20,000. It was found impracticable to do this for various reasons, but we are glad to report that several generous promises have been made by laymen of the District, and four new building sites have been obtained; in one instance the site is the gift of a Colliery Company.

Meantime valuable work has been done both by the Circuits and the special agents set apart for this work, and most gratifying results have been seen in many places, conversions have taken place, and the foundations of several Societies have been laid.

A new chapel has been opened at Forest Town. The Rev. W. H. Cookson has been set apart by the Home Mission Committee for special mission work in the Coalfield area, and has held successful missions at Thorne, Hemsworth, Kimberworth, Conisboro', Mexboro', Royston, South Elmsall and Clay Cross. In the summer months Mr. Cookson has conducted open-air missions at various centres. Excellent services have been rendered by several voluntary agents, and valuable pioneer work done without cost to the Commission. Cliff College has given the use of a Gospel Car, and Captain Davis has done heroic work at various centres. The Lay Agents at

Dinnington and Goldthorpe have had a good year. At Goldthorpe, where there is no building at present, the work has been done under great difficulties, but a site has now been secured. The work at Dinnington has been greatly blessed of God. The Superintendent of the Mission has visited every centre and helped the Missioners. He has also held special missions at Barnsley and Doncaster. At Barnsley Mr. Josiah Nix was with him, and at Doncaster the Rev. Edward Davidson. During the summer months Tent Missions have been arranged at Goldthorpe, Whinney Hill, New Bentley, Forest Town, Askern and South Elmsall, and Gospel Car services at Hasland and Holmwood. In this work we have been generously helped by Sir William P. Hartley, and the Missions have been undertaken as the united effort of the local churches.

In addition to the meetings of the Commission, a joint Conference of the Methodist Churches, at which representatives from the Wesleyan Commission were present, has been held at Doncaster, presided over by Sir William P. Hartley. The object of the Conference was to prevent overlapping, and to discover how best to extend the work of God by co-operation and division of labour. No serious overlapping was discovered to exist at present, and the spirit of the Conference was altogether admirable. But this matter is so important, and it is, moreover, so desirable that the Churches should work together in a spirit of mutual understanding and goodwill, that another meeting of the Conference is contemplated. It was decided to issue under the auspices of this joint Conference, a statement in the names of all the Methodist Churches, setting forth to the religious world the urgent needs of the Coalfield; also, to hold an inter-Methodist Convention and Demonstration at Doncaster.

Owing to the death of the Rev. Thomas Cook, Mr. Chadwick has been called upon during the year to discharge very responsible duties in connexion with Cliff College, in addition to the arduous work of the Coalfield. The Commission expressed its high appreciation of Mr. Chadwick's labours in this Mission in spite of the unique situation in which he has been placed.

## APPENDIX XXI.

## METHODISM IN SOUTH WALES.

The South Wales Commission met in Cardiff on June 19, 1913.

The postponement of the appeal on behalf of the South Wales and Monmouthshire Extension Fund has rendered it almost impossible for the Commission to make any practical attempts to solve the difficult problems of our Church in South Wales during the year. Until some central fund is raised from which to supplement local resources, the necessary schemes of extension cannot be undertaken. Every year the need for a bold aggressive policy by which the growing industrial population is to be evangelised becomes more urgent, and the Commission deeply regrets that advance is so slow. Satisfaction is expressed that the Merthyr Central Mission, under a bi-lingual Minister as Superintendent, has been inaugurated. Difficulties of a special kind have had to be faced, not the least of which centres in the unsuitable premises in which the services are conducted. The report of the Mission Committee, however, shows that some progress has been made, and that a spirit of hopefulness prevails concerning the future.

Important resolutions from the Synods of the South Wales and Cardiff and Swansea Districts in relation to the need for fuller co-operation between Welsh and English Methodism in the lower counties of Wales, so as to lessen the serious overlapping that exists and secure more effective work, has been under consideration. The subject is felt to be of prime importance by the Commission, and to go to the very roots of the problem that awaits solution. If, while respecting Welsh sentiment and the claims of the work of our Welsh Churches, some steps can be taken to adjust the methods of Methodism as a whole to the changed conditions consequent upon the large increase of an immigrant population consisting largely of English people, great results will follow. The following resolution upon the subject has been adopted :

> "This meeting of the South Wales Commission cordially supports the recommendation of the South Wales Synod

and the Cardiff and Swansea Synod in reference to the relation between the Welsh and English sections of Methodism in South Wales. The Commission has also heard with great satisfaction that the Welsh Assembly at its recent meeting appointed a Special Committee to consider the question, and also that of overlapping, as it affects the three Welsh Districts, and will welcome the opportunity to co-operate with the representatives of the Assembly at such time as may be deemed desirable with a view to helpful action being taken in the matter."

The attention of the Commission has again been called to the need for some rearrangement of our work in the Swansea Valley and in the Pontypridd and Bridgend Circuits, and special consideration will be given in the autumn to the areas named.

## APPENDIX XXIII.

## BOOK AFFAIRS.

### ANNUAL REPORT, 1912-13.

THE Board of Management is thankful to be able to record a good year's trading. In spite of the fact that in the year 1911–12 there was a large sale of the new Sunday School Hymnal, the sales for this year, apart from those of Rochdale and Westminster, almost equal those of the previous year. The Westminster Book Depôt was taken over from the Education Committee last August, and the Board is glad to report that on the eight months' trading there is a small profit.

After allowing for an adequate depreciation, and writing off £312 13*s.* 6*d.* as bad debts, the Board reports that, in addition to the two grants already made, *viz.* Irish Conference £200 and Temperance Committee £50, it is in a position to recommend the following additional grants:

| | |
|---|---|
| Annuitant Society ... ... ... | £900 |
| Auxiliary Fund ... ... ... | 900 |
| Connexional Fund ... ... ... | 300 |

The total grants for the year will therefore amount to £2,350, being £320 in excess of last year. In addition to these grants the profits of the year will permit the Board to add £500 to the Building Reserve Fund which was established last year.

During the year considerable alterations have been necessitated in connexion with the property at City Road, but the

whole of these, in addition to those at Westminster, have been paid out of the profits of the year.

The Board has been bereaved during the year by the death of one of its members, the Rev. H. J. Pope, D.D. For many years he took the keenest interest in the work of the Publishing House, and his wise counsel was always at its disposal. His praise was in all the churches, and the Board thankfully recognises his long years of faithful service to all the interests of the Methodist Church.

During the year Mr. John Shepherd has been compelled by failing health to relinquish his position as Cashier. The Board's appreciation of his long and honoured career was expressed in the following resolution which was ordered to be placed on the Minutes of the Board of Management:

> Having received from Mr. John Shepherd an intimation of his approaching retirement from the staff of the Book Room, the Board of Management records its high appreciation of his sixty-three years of faithful, loyal, and efficient service, and recognises that his severance from the House will be deeply felt both by the Board and by the Ministers of the Wesleyan Methodist Church.
>
> The Board tenders its hearty congratulations to Mr. Shepherd on his long, honourable, and successful career at the Book Room, passing as he has done from the position of Office-boy to the responsible and confidential place of Chief Accountant and Cashier.
>
> At this juncture in his relation to the House, the Board assures Mr. Shepherd of its profound esteem and of its earnest prayer that God will vouchsafe to him a bright and restful eventide.

SCHEME OF MANAGEMENT ADOPTED BY THE CONFERENCE OF 1905.

THE Conference resolves:

1. That a Board of Management be constituted, which shall determine all questions affecting the interests of the Book-Room during the year. The Board shall consist of five *ex-officio* and ten elected Ministers. The *ex-officio* members: the PRESIDENT, the EX-PRESIDENT, the SECRETARY of the Conference, the Book Steward, and the Editor. Five of the elected members shall be chosen from the Ministers resident in London, and five from those in the country.

2. The Board of Management shall meet generally once a month; oftener if necessary.

3. The profits of the Book-Room shall be devoted to the support of retired Ministers and Ministers' Widows; to the Connexional Fund, and to such other objects as the Book Committee may recommend and the Conference approve, in such proportions as the Conference may decide; due regard being had for the maintenance of a reserve fund as working capital for the Book-Room.

4. A General Book Committee shall be appointed to meet annually during the Pastoral Session of the Conference. It shall receive the report of the Board of Management, including the Balance Sheet, and prepare Resolutions thereon, if necessary, for the Conference; it shall recommend in what proportion the profits of the year's business shall be divided; and shall nominate the elected members of the Board of Management for the ensuing year.

5. This General Book Committee shall consist of the members of the Board of Management for the past year, of two Ministers from each District to be chosen by the Synod from among the Ministers authorised to attend either Session of the Conference, and the Senior Representative of the Irish Conference, with the Book Steward as Convener.

6. The Book Steward shall have control of the general business of the House, and in particular of its finances, subject always to the decisions of the Board of Management; and shall be in regular consultation with the Editor on all matters affecting his department, such as outlay upon literary work, etc.

7. The Editor shall be responsible for all the publications of the House, theological and otherwise, and shall care for the development of the literary work of the house generally. He shall himself select readers of the MSS., who shall present their reports to him. The final decision as to publication shall in every case rest with the Board of Management. The Editor shall have an office on the Book-Room premises, with such clerical assistance as may be necessary.

### Report of Prisons Committee.

The reports of our Ministers show a growing appreciation of the value of the work, and, on the whole, encouraging results. They tell of no inconsiderable number of actual conversions, and, where this complete success is not achieved, in many cases of dormant memories of a better life revived, and good desires prompted, which cannot be wholly in vain.

The decrease of 215 on the number of prisoners coming under our pastoral care, whilst in a measure traceable to the improved industrial conditions, is without doubt also the result of the manifold Christian activities of the present time, in which Methodism is happily taking so large a part.

The care which our Sunday School and Temperance Committees, together with the Wesley Guilds and Brotherhoods, are now taking of the youth of the country is bidding fair to meet one of the most urgent needs of the day. The success of the Borstal System in dealing with juvenile and first offenders, to which the reports bear witness, is full of encouragement, as are also the results of the arrangement with the Central Association for the pastoral care of Wesleyan convicts on discharge.

Many of our Ministers report that Methodist literature is now being supplied to prison libraries in pursuance of the recent decision of the Prison Commissioners.

It should also be noted that no less than 61 Wesleyan Ministers are now appointed to the pastoral care of Wesleyan prisoners in the prisons and convict establishments of England and Wales. And moreover, that the Rev. R. W. Allen, the Secretary of the Prisons Committee, and the Rev. J. H. Bateson are members of the Council of the Central Association for the Aid of Discharged Convicts.

## METHODIST SETTLEMENT IN LONDON.

### Report of the Committee.

The work of the Settlement during the past year has been well sustained. The Settlement has been almost full of Residents throughout the year, the average having been 11, not including the Warden and his family and the Lay Agent

and his family, who also reside on the premises. There have also been 18 Residents in connexion with the Women's House.

The Settlement affords valuable opportunities of social work to men coming up to London for professional and business engagements. Arrangements are also made for men desiring to enter the Ministry to pursue theological study and to gain experience in practical work.

## Evangelism.

The evangelistic work of the Settlement is carried out principally in connexion with the South London Mission, and this aspect of the work is in the report of the South London Mission. Classes for Biblical and Theological Training have been held regularly at the Settlement during the session with a view to meeting the needs of local preachers, Sunday-school teachers, and mission workers. Advice has been given in sermon preparation and theological books have been studied. A Sunday-School Preparation Class has been well attended throughout the year.

**Adult Bible Schools** for men and women are conducted at the Settlement, and have proved very helpful. A Bible Class has met on Sunday afternoons during the winter.

**Temperance Work** has been carried on through numerous organisations for men, women, and children, which have also provided counter-attractions to the public-house in the form of temperance clubs and societies.

Popular concerts and lectures have been given during the winter months and have been well attended. The various recreative clubs have been very successful. The students have frequently helped with various philanthropic undertakings at the Settlement and elsewhere in the neighbourhood.

**The Choral Society,** with Dr. Borland as Honorary Director, and Mr. E. Stanley Roper, B.A., Mus. Bac., F.R.C.O., as Conductor, has maintained its high level of efficiency. The following works have been given: "Elijah," "Merrie England," and "The Messiah." Arrangements were made for the attendance of the elder scholars of nearly twenty L.C.C. Schools, about 500 of whom were trained to take part in "The Messiah."

**The Loan Picture Exhibition** was held at Whitsuntide. Among the well-known artists who lent pictures were H. J. Tuke, G. Clausen, R.A., Arthur Hacker, Sir Ernest George, A.R.A., Alfred Parsons, A.R.A., Briton Riviere, and others. The Exhibition was opened by the Rt. Rev. the Lord Bishop of Southwark. Mr. Selwyn Image once more gave invaluable assistance in superintending the hanging of the pictures, and at the opening Mr. Percy Bigland gave an address, and Mr. Thomas, L.C.C. Inspector of Art, lectured on the pictures themselves. Children from the elementary and secondary schools in the Borough of Bermondsey attended the Exhibition with their teachers.

The London County Council has continued its annual grant of £300 in aid of the educational work of the Settlement, and from the Board of Education a grant of £58 17*s.* 6*d.* has been received.

## Our Social Work.

**St. George's House** is a "public-house" in the best sense of the term. It is open every evening and forms a centre for temperance and other social work along the waterside. Sunday services are held for women and boys. A Primary Sunday School is also held here. The Men's Club continues to make steady progress and is largely self-governing. The membership is as large as our restricted space will allow, and the usual Summer Camp was arranged. Children's clubs and playhours are also held at St. George's House.

**Beatrice House** is a centre of work among young women and girls. A Girls' Club meets here three evenings a week. Weekly meetings are held for women, which are largely attended, and have a very valuable influence in the neighbourhood. Beatrice House is also a Registry Office for young servants, and much good work is done in befriending them.

**Two Schools for Mothers** are held; one in Rotherhithe, and the other at the Great Central Hall, Bermondsey. Lectures are given on personal and domestic hygiene, and the moral training of children. The attendance is encouraging, and the improvement in the health and growth of the babies continues. One of our lady workers is Hon. Superintendent, and our Nurses attend twice a week to give advice and help.

**The Day Nursery** continues to provide for the happiness and well-being of a number of children from four weeks to four years of age while their mothers are at factory and other work. The children benefit greatly by the care and attention given to them. The Day Nursery is largely supported by funds from *The Westminster Gazette,* and is managed by a special Committee.

At the **Free Kindergarten** 21 children between the ages of two and a half and five and a half are instructed. Their attendance has been good, and the mothers show increased

interest in the school. The work is recognised by the Education Authority.

**Three Working Girls' Clubs** are held in connexion with the Settlement. These have been well attended, and the leaders have been afforded many valuable opportunities of coming into personal touch with the girls.

**The Settlement Company of the Boys' Brigade** maintains its high standard of efficiency, and has again won the *Daily Telegraph* Shield; also the South London Battalion Colour. Drill and drum-and-bugle practice, gymnastics, football, cricket, swimming, etc., have been provided for the members. A First Aid and Ambulance Class has been held, and a number were successful in the examination. Services were held on Sunday evenings, and also a number of Church Parades. The Summer Camp was held at New Romney. The deplorable weather somewhat hindered the general success of the camp, but the boys behaved splendidly under the many difficulties and disappointments they encountered.

**The Boys' Institute,** in connexion with the Boys' Brigade, has done and is still doing valuable work in keeping boys off the streets. The Institute is open every evening of the week, except during the cricket season, when outdoor occupations take its place.

**Five Clubs for Boys** are held weekly. The influence of the Clubs over these lads who come from very poor and rough homes is very considerable.

**The Annual Flower Show** was held in July. The exhibits numbered considerably over 1,000, and almost all the County Council Schools in the district took part.

**The Ambulance Brigade.**—The Settlement is the Headquarters of the Bermondsey and Rotherhithe Division of the St. John Ambulance Brigade. Its members attend regularly for drill and practice, and on various public occasions have taken part in street duty.

**Classes in First Aid and Home Nursing** for men and women have been held as usual.

Many societies for the **Promotion of Thrift** are carried on in connexion with the Settlement. During the year a State

**Insurance Section** in connexion with our Dividing Benefit Societies for men and women has been very successfully started. The membership is over 3,700, and is continually increasing. One of our Settlement Residents has given considerable time and energy in getting this into working order.

**The Guild of Joyful Surprises** continues to be a source of help and pleasure to many poor families in the neighbourhood. Gifts of clothing, money for special cases, and other material assistance have been sent during the year.

## Local Administration and Philanthropy.

The Settlement has maintained its influence and activity in local administration.

**The London County Council.**—I continue to act as one of the Representatives of Rotherhithe on the London County Council, and also as a member of the London Education Committee, including a number of its Sub-Committees.

I have continued to act as a member of the Governing Body of the Borough Polytechnic, and of Herold's Institute. A number of members of the Settlement have continued to act as Managers both of the Council Schools and of the Non-provided Schools of the Borough, on the Local Advisory Committee for Secondary Schools, and have done active work on the School Care Committees. Two Residents are also members of the local School Attendance Committees.

The Settlement also has been represented on the Committee of the Invalid Kitchen, the Bermondsey Committee for the Prevention of Tuberculosis, and the Distress Committee under the Bermondsey Borough Council.

**Bermondsey Metropolitan Borough Council.**—Two of our Settlement workers are members of this Council.

**Poor Law.**—Miss Simmons, the head of our Women's Settlement, continues to act as Poor Law Guardian for the Parish of Bermondsey, and does excellent service as a member of the Schools Committee and Infirmary, Finance, and Workhouse Committees. The Ladies' Committee formed to help girls coming into the lying-in ward of the workhouse has continued its work. Miss Simmons is Chairman, and Mrs.

Lowe acts as Secretary. Some of our Lady Residents have been able to find work for, and have given a fresh start to, some of these girls, and have otherwise helped them.

**The Metropolitan Association for Befriending Young Servants.**—The local work of this Association is carried on by a Lady Resident, and she conducts a Local Registry Office. During the past year 71 girls have been placed in service, 108 have been regularly visited, and 13 have been supplied with clothing. Five girls have been trained for service, and lodgings have been found for the homeless. Efforts are made to encourage girls to enter service instead of factories. More could be done if funds allowed.

**The Association for Befriending Boys** keeps in touch with boys who are placed out in situations from the various Poor Law Schools of London. The Bishop of London is President of this Association, and I am Chairman of the Council and also of the Executive Committee. The work in Bermondsey has been carried on by one of our Residents, who keeps in touch with the boys who are placed out in this district. Miss Simmons represents the Bermondsey Board of Guardians on the Council.

**Children's Country Holiday Fund.**—The Settlement provides secretaries for both the Bermondsey and Rotherhithe Committees of this Fund, who are responsible for arranging to send more than 2,000 children into the country for a fortnight.

**Women's Holiday Fund.**—The local Secretaryship of this Fund has been filled by one of our Lady Residents. The various religious organisations of the district are represented on the Local Committee, which has its headquarters at the Settlement, and 189 women were sent away for a fortnight to the country or seaside last year.

In addition to the two societies already mentioned, many of the members of our Girls' Clubs have been sent away by the help of the Factory Girls' Holiday Fund. Many of our Clubs and Societies have also provided day outings for their members.

**Nursing Work.**—The responsibility for the Queen's Jubilee Nursing in Rotherhithe rests upon the Settlement, though we have a local Committee to assist us. Our two District Nurses

have attended 270 patients during the year, and have paid 5,023 visits. Nursing appliances have been lent to 73 patients.

Assistance is given by the Settlement from time to time to many philanthropic agencies in the district.

**Relief of Distress.**—Our Settlement workers take an active part in dealing with the poverty of the district. This was especially the case during the Dock Strike of last summer, when large charitable sums were administered for the relief of women and children.

**Free Legal Advice.**—During the past year Mr. J. C. Lidgett, B.A., LL.B., has undertaken this work, and many poor applicants have been helped to obtain justice which would otherwise have been impossible through lack of the necessary legal knowledge.

**Finance.**—The balance-sheet up to June 30, 1912, showed a deficiency on the year's work of £124 12*s.* 9*d.* The Settlement is greatly in need of increased financial help.

## APPENDIX XXVI.

## THE METHODIST BROTHERHOOD.

The report of the work during the year shows that 1,310 cases had been dealt with as compared with 1,085 in the previous year. This represents an increase of 471 persons who have emigrated, the most marked advance being in the number of Methodists who have settled in Canada.

The cases of removal represent 2,248 persons, and are distributed as follows:

| | |
|---|---|
| Canada ... ... ... ... | 1,103 |
| Australia ... ... ... ... | 683 |
| United States of America ... | 212 |
| New Zealand ... ... ... | 159 |
| South Africa ... ... ... | 41 |
| Other Countries ... ... ... | 50 |

Of these 2,248 persons, 1,080 were notified as Members of the Church, a considerable number being Local Preachers, Office Bearers, Sunday School Teachers, etc.

In 895 cases we advised Methodist Ministers at Port of Landing, and secured that they were met upon arrival.

In 334 cases we advised Methodist Ministers at Destination to secure that the friends were visited and welcomed in their new homes.

Correspondence involved the sending of at least 3,800 communications. From reports received from the Chaplains at some of the Canadian Ports of Landing, it is evident that we are still only receiving information of the emigration of a very small proportion of the Methodists who are actually leaving these shores.

We are, however, indebted to many of our Ministers for their hearty co-operation in this work, and consider that the work done during the year has been more effective owing to the fact that the notifications of these removals have reached us before the emigrants actually sailed, and the information given has been more complete.

It was resolved to ask Superintendent Ministers again to print either on the Circuit Plan or in the Circuit Magazine the following sentence: "Persons who intend to emigrate, and desire to have such recommendations and introductions as the Methodist Brotherhood can give them, are requested to send information as to their proposed departure either to one of their Circuit Ministers, Society Stewards, or Class Leaders."

During the year we have received many letters from Methodists who have emigrated, in which they speak very gratefully of the service we have been able to render them, and also of the care and attention bestowed upon them by the Chaplains upon their arrival in a strange country. In a very large number of cases these Methodists have informed us that they have become Members of the Methodist Church, and many of them are engaged in active service in the Church, such as Sunday-School Teachers, Officers in the Epworth League, Stewards, etc. Several men have also written to tell us that they have entered the Ministry or Home Missionary Service.

**Pastoral Oversight of Emigrants on Board Ship.**

This subject is occupying the constant attention of the Committee, inasmuch as several of the Chaplains have written from Canada expressing their conviction that serious efforts were being made to proselytise during the voyage. Mr. James Parton had made special inquiries, and informed the Committee that the Shipping Companies gave no advantages to Anglican Clergymen that would not be given at once to the Ministers of any other Church.

It is evident that the Anglican Church is spending a large sum of money in paying the passages for curates and others on most of the ships that leave Liverpool for Canada. Inasmuch as it would be impossible for the Wesleyan Methodist Church to secure that Ministers should be appointed on all ships, it was resolved to ascertain through the papers and in a variety of ways what Ministers are passing to and from Canada, and to make use of them as best we can. These Ministers would have to pay their full passage on board ship, but we could secure them the right to visit other parts of the ship and bring themselves into contact with Methodist emigrants.

It was further resolved that our efforts should be to secure, not the right to conduct the service on Sunday, inasmuch as this is generally conducted by the Captain or Purser, but the right to visit the steerage and any other portion of the ship in which Methodist emigrants may be found.

It was further resolved that, as wrong impressions have been created in the minds of Methodist emigrants by persons who have told them that there is no Wesleyan Methodist Church in Canada, the Secretary shall print the following special slip and send it, with the usual form, to all emigrants to Canada :

To Methodists Emigrating to Canada.

As the Methodist Church in Canada consists of a Union of all the Methodist Churches in Great Britain, Members and Adherents of these Churches landing in Canada are requested to see the Immigration Chaplain at the Wharf as soon as they land. He will be glad to give an Introduction to the Methodist Minister at the destination, and render any other assistance in his power.

He may be easily recognised by a badge reading "Methodist Immigration Chaplain," as well as the blue badge of the Methodist Brotherhood.

The Chaplains appointed to look after the interests of Methodists removing to Canada are:

QUEBEC: Rev. F. J. McClement, 25 Ferland Street, Quebec.
VANCOUVER: Rev. R. F. Stillman, 901 Welton Block, 325 Howe Street, Vancouver, B.C.
MONTREAL: Rev. Dr. W. Jackson, 20 St. Luke Street, Montreal.
ST. JOHN: Rev. T. J. Deinstadt, 242 Duke Street, St. John, N.B.
WINNIPEG: Rev. W. Somerville, Immigration Hall, Winnipeg.
HALIFAX: Rev. S. B. Moore, Immigration Hall, Halifax, N.S.

Before landing please fill up the following and hand it to the Chaplain on arrival:

*Name in full* .....
*Number in family or party* .....
*Address in Canada* .....

The following are typical of the cases we have dealt with during the year:

A young man who had been a great help in one of our country Chapels, to whom we supplied letters of introduction to a Minister in South Africa. He wrote thanking us for our assistance and informed us that he had been very warmly welcomed by both the Minister and his wife. As his employment compelled him to live several miles out of town, the Minister had invited him to make his home with them every Sunday, and as he was the only white man in his community, this had made all the difference between having a very lonely time and really helpful and enjoyable Sundays. The Minister also wrote to inform us that this young man was in full membership with them, and at the last Quarterly Meeting was put on the Plan as an "Exhorter."

A Local Preacher who wrote first to ask for advice as to the possibility of his entering the Ministry in U.S.A. Subsequently informed us he had been accepted, and asked if we could help him upon arrival as he would have to wait a while until he knew where his appointment would be. We arranged for him to be met by a Minister upon arrival in

Boston, and received a letter thanking us for the assistance which this Minister had given him.

Man who had been a member of the Church over twenty years. Obliged to go to New Zealand on account of health. We gave him advice, booked passage, etc., and received a letter stating he had been warmly welcomed on landing by the Minister and had become a member of the Methodist Church and worker in the Sunday School.

Young man who was going out to Bank in South America. Introductions furnished. Letter received from the Minister stating he had been welcomed into the Church, and also into his home.

A Wesley Guild Secretary wrote to ask if we could help a young lady who was going out to Canada to be married. She had never been away from home before. Arranged for her to be met at Liverpool, seen safely on board, etc., and have since heard from a Minister in Calgary that she has become a member of his Church.

Letter received from the Methodist Chaplain in Winnipeg informing us that a young man from that city had gone to study at a Scotch University. One of our Ministers traced him out and put him into touch with the Methodist Church.

Family of four to whom introductions were given. Letter received stating they had been heartly welcomed by both Pastor and people and were feeling quite at home amongst the Methodist friends in British Columbia.

Member and Organist from Scotland going out to take up a Government appointment in India. Arranged for a Minister to meet him on arrival and have since heard that he has become a Sunday-school teacher and assistant organist at a Methodist Church in Bombay.

A lady who went out to U.S.A. Furnished with introductions, etc. Letter received in which she speaks most highly of the kindness received from the Minister and members of the Methodist Church of which she has become a member.

Steward of a Yorkshire Chapel and his wife who were going out to New Zealand. Letters sent both to the Minister at the port and also at their destination. Letter received stating that they were met at Wellington by a Sister and at their destination by the Minister. They have both become members and the husband is Sacramental Steward.

Husband, wife, and two daughters removed to New York. The Minister whom we advised writes to inform us that they have all become members of the Church and that he wishes to recommend the man as an officer in the Church.

Three sisters who were going out to California. We arranged for the Chaplain to meet them at New York. Letter received saying how much they appreciated the help given and asking us to render similar service to the mother and two more sisters who were going to join them. Some question arose as to whether the mother could be admitted to the country as she was over the age limit. The Chaplain rendered them assistance in meeting this difficulty. They are all now members of the Church.

A lad of eighteen going out alone to Michigan. Arranged for the Chaplain to meet him at New York. Letter received from the Chaplain stating he had met this lad, who was held up by the doctor for special

examination. Saw the doctor, fixed everything up all right, and saw the lad off by train to his destination.

Young girl from Yorkshire going out to New Zealand. Had never been far from home before, and would be obliged to spend the night before sailing in London. Arranged that Sister from West London Mission should meet her, find her a lodging for the night, and see her on board next day. Also arranged that Minister should meet her on landing.

W. went out two years ago to Ontario. Letter received recently stating that he had been very successful in getting employment, and that he had also succeeded in obtaining an appointment as organist and choirmaster of one of the largest Methodist congregations in the city.

In sending us a removal form one of our Ministers wrote to say that in all the cases of removal he had notified to us during the past eighteen months, he had received letters saying the people had become happily associated with Methodist causes and that the notifications proved very helpful.

Several cases of removals of Primitive Methodists and United Methodists have been notified to us and dealt with in the usual manner.

## APPENDIX XXVII.

## REPORT OF THE SOCIAL PURITY COMMITTEE.

THE efforts of the Committee during the past twelve months have been more particularly directed to two important questions.

The problem of safeguarding the interests of social purity in the Indian Army has continued to demand attention. The Committee is thankful to be able to inform the Conference that a distinct improvement has been effected.

The Committee has taken its part in the campaign by means of which public opinion was informed and public feeling aroused with respect to the traffic in girls for immoral purposes. The Conference will receive with thankfulness the report of the important legislation in which this great effort has resulted.

The Balance-sheet, duly audited, is submitted below:—

## CLASS LEADERS' COMMITTEE.

DURING the past year the Committee has co-operated with the Sunday School Department in organising the President's Conventions for Young People. In all, seventeen of these were held, and at eight, by invitation of the President of the Conference, the Ministerial Secretary of this Committee was one of the speakers.

The Conventions were held in two sessions, the evening meetings being intended mainly for young people in their teens, and the earlier ones for workers amongst the young. The gatherings varied greatly. Some were a pronounced success: at others, while large audiences assembled, they were not to any considerable extent composed of the young people whose presence was so greatly desired. The whole series must have accomplished great good. At times the power resting upon them was overwhelming. The Committee is intensely grateful that the President of the Conference has manifested such interest in the spiritual welfare of our young people.

In connection with these meetings 852 copies of *His Sons and Daughters* were distributed gratis to Junior Society Leaders, and upwards of 18,000 copies of Rev. Trevor H.

Davies' little booklet, *Ought I to Join the Church?* to the young people attending.

In addition, upwards of 17,000 copies of this booklet have been sold during the year. Applications have been received from Australia, South Africa, and the West Indies, while permission has been sought and given to translate the booklet into Chinese. Further, upwards of 19,500 copies of the Committee's latest leaflet, *What is Church Membership?* have been distributed gratis.

*The Class Leaders' Companion* has again met with a hearty welcome, a larger number having been sold than in previous years. There are still, however, many leaders in the Connexion unacquainted with this yearly manual.

The Committee, by direction of the Conference, appointed six of its members to join an equal number from the Connexional Sunday School Council to draw up suggestions as to the best way of preparing for Children's Day and of conserving its results. The leaflet drawn up by this Committee is appended to the report of the Connexional Sunday School Council (see p. 511).

The Committee, at the direction of the Conference, has also considered in conjunction with the Wesley Guild Council, a memorial from the Carlisle Synod concerning the relation of the Junior Society Class and the Junior Wesley Guild.

The Reports of the Synod Committees show that the Annual Circuit Meeting of Class Leaders is being more generally held. There are, however, many Circuits in the Connexion where it is not realised that this meeting is obligatory, and that it holds great possibilities.

More than one Synod asks that the Conference shall direct that in order that the District Class Leaders' Committee may have knowledge of leaders and classes within the District and of their condition, it shall be a direction of Conference that information on these subjects entered annually on the President's Circular be also forwarded to the District Class Leaders' Secretary.

The Committee unanimously agreed to ask Conference to authorise the Secretary of the Synod Class Leaders' Committee to ascertain from all Circuit Class Leaders' secretaries, in consultation with the Superintendent Minister, information relating to all the Society Classes within the Circuit, such as is referred to in the agenda for the Annual Circuit Meeting of

Leaders, as such information will assist the Synod Committee to present its report to the Synod.

The Treasurer's report shows a balance in hand. The Committee repeats its request for one shilling per annum from each Leader throughout the Connexion. This will enable the Committee to accomplish a much wider work than at present.

The Committee desires to place on record its sense of the great services rendered as its Lay Secretary and Treasurer by Sir Thomas Barclay. To him more than any other the formation of the Committee was due, and from the beginning he has been a source of strength in connexion with its work. In regretfully accepting his resignation the Committee expressed its pleasure that he will continue to take an interest in the work of the Committee. Mr. T. W. Clucas was unanimously nominated as Treasurer and Lay Secretary.

*The following particulars regarding the Illustrations reproduced are inserted in the belief that they will be of considerable usefulness.*

## HALE ROAD NEW SUNDAY SCHOOLS, ALTRINCHAM.

The portion of these buildings now erected consists of two stories, having an entrance at each side and fireproof staircases leading to first floor. On the ground floor there is a Primary School, 38 feet long by 25 feet wide, arranged so that it can be entered at either end, and having a roomy platform. Adjoining this is a Babies' Room, 19 feet by 18 feet, and a Class Room, for intermediate purposes, of the same size. On the first floor, reached by the two staircases before-mentioned, is the Assembly Hall, or intermediate Schoolroom, 28 feet wide by 45 feet long. At the side are four Class Rooms, each about 10 feet square, arranged with movable partitions, so that their area may be thrown into the Hall for the purposes of a public meeting or entertainment, thus forming a room 38 feet wide by 45 feet long and capable of seating 300 people. When the buildings between the existing Church and those now erected are completed the whole group will be linked up together, thus providing Minister's Vestry, Guild Room, Choir Room, and necessary accommodation, in addition to a Choir, Organ Chamber, Kitchen, and provision for social gatherings. In style the buildings are of Late English Perpendicular character, in harmony with the Church, and are carried out in red brick and terra cotta. The Contractors were Messrs. PENNINGTON, *of Bowdon*, and the work has been carried out from the plans and under the supervision of Messrs. POTTS & HENNINGS, Architects, *of Manchester.*

## PROSPECT MISSION HALL, BRADFORD.

The building consists of a Hall to seat 1,000 people. This Hall, which is much smaller than the recent halls which have been erected, and is adapted for special needs, is octagon in shape with a coved and enriched ceiling. The Rostrum is of mahogany, and the gallery front is formed of glazed tiles. The windows are leaded lights. All the seating is provided for by tip-up chairs. Adjoining the Hall are five large Class-rooms and a Kitchen. These, combined with the present Chapel, which has been adapted for School purposes, will make complete and ample accommodation for Sunday School purposes which was urgently needed. The cost, including the Class-rooms and alterations, has been about £6,000. The Architects are Messrs. W. J. MORLEY & SON, F.R.I.B.A., *Swan Arcade, Bradford.*

## NEW WESLEYAN CHURCH AND SCHOOLS, DALTON, HUDDERSFIELD.

The buildings now nearing completion occupy a commanding site. The design is Gothic freely treated. Accommodation is provided for 400 Adults. The Church has Transepts and an Apse for choir, Organ Chamber with Pulpit at side, and Ministers' Vestry; Church Parlour and Infants' Room connecting the Church with the School—the latter rooms can be thrown into one for large meetings, etc. A large School-room with Class-rooms and Kitchen complete—a thoroughly modern block. The buildings are of stone, and the roofs slated. The interior woodwork is pitch pine, and the windows are glazed with leaded lights of cathedral tints. The heating is on the low pressure system, and the ventilation on the most modern principles. The buildings are lighted by electricity, and ample lavatory accommodation is provided. The total cost is £3,000. The Architect is Mr. ARTHUR BROCKLEHURST, *Palatine Bank Buildings, 10, Norfolk Street, Manchester; and at Bury.*

# LETCHWORTH (FIRST GARDEN CITY) WESLEYAN CHURCH AND SCHOOLS.

The illustration shows the design for the complete scheme, which will occupy a corner site as shown, and will embrace a Church, accommodating about 850, and extensive School premises, divided into distinct sections for Seniors, Intermediates, Juniors, and Primary Departments respectively. The buildings are treated simply, both externally and internally to conform with the traditions of a garden city, but a special feature is made of the internal arrangements by the introduction of a large "Crush Hall," with Cloak Rooms in front, tip-up seating set to a semi-circular sweep on plan, provision for a large Choir and Orchestra grouped around the Rostrum, Nave Arcade arranged so that the entire congregation can see the preacher, also a curved plaster ceiling with dome shaped transept crossing is arranged, the whole tending to allow of greater freedom in the service to meet local ideas. The cost of the First Section, comprising Church complete with the exception of the rear portion, which is to be temporarily fitted up for school purposes, will be about £5,000. The Architects are Messrs. GEORGE BAINES & SON, F.R.I.B.A., M.S.A., 5, *Clement's Inn, Strand, London, W.C.*

# PROPOSED WESLEYAN CHURCH, SCHOOLS, AND CARETAKER'S RESIDENCE, MILL HILL.

The complete scheme as shown in the illustration comprises a Church with Ministers' and Choir Vestry, a thoroughly up-to-date and complete block of premises for a fully graded School, and a Caretaker's Residence. The School premises are arranged on two floors; the Institute having its separate entrance from Highwood Park. The Beginners' and Primary Departments are arranged on the ground floor with their separate Cloak-room and Lavatory accommodation, and the Junior and Intermediate Departments have been arranged for on the first floor, with their own Class-rooms and Cloak-room and Lavatory accommodation. The Caretaker's Residence comprises Kitchen, Scullery, Living-room, and three Bedrooms on the first floor. The Church has been designed without pillars, and the whole of the scheme will be heated from a central heating plant. The Architect for the scheme is Mr. HARRY E. RIDER, M.S.A., *International Buildings, Kingsway, London, W.C.*

# CHURCH AND SCHOOLS, NEATH.

This design meets the requirements of a prominent but restricted site, and the plan is so arranged as to take the fullest advantage of the ground space while admitting adequate light and air to every part of the building. The Church has nave and transepts and a small end gallery, with total seating accommodation for 530 persons. The gallery can, if desired, be reserved for future insertion. The School is in two stories, and provides for a graded school of 400 scholars. There are all the usual adjuncts of the most up-to-date kind. The walls are specially designed to resist driving rain and changes of temperature, and they are faced with Ruabon brindled bricks. Grey terracotta is used for the dressings, also for the spire and in the windows, which are richly traceried. The roofs of the Church and School Hall have open timbered construction with boarded ceilings. The Pulpit and Reredos are in oak, the Seating and other woodwork being in stained pine. Full provision is made for warming by low pressure hot water; lighting by electricity, and ventilation on the most up-to-date method. The cost is £5,800. The Architects are Messrs. J. WILLS & SONS, L.R.I.B.A., M.S.A., *of Victoria Chambers, Derby; and 22, Basinghall Street, E.C.*
